GOLD MEDAL OFFERED.

Open For All Schools in Pitt County.

Through the liberality of Hon. J. Bryan Grimes, Secretary of State and on account of his interest in the educational progress of his native county, we are authorized by him to offer a gold medal for the best essay on some event in North Carolina history, written by some student in any of the schools of Pitt county during the year 1902. Mr. Grimes has offered this medal to stimulate an interest in, and a study of our own history, and should it accomplish this purpose he will make it a permanent annual offer. We trust that many of the people, both in our private and public schools, will enter the contest for this medal and send names to me at once that they may be entered as contestants. I trust that every teacher in Pitt county will bring this offer before each school and encourage as many as possible of the students to enter this contest. I desire, as County Superintendent of Schools, to express our appreciation of this manifestation of Mr. Grimes' interest in our educational progress and to thus publicly thank him for the same.

Below will be found the rules which are to govern in this contest, and it will be seen from these that the restrictions are few and the contest open to all.

1. Open to any student attending school in Pitt county under 18 years of age.

2. Each essay must be written in plain handwriting or type written on one side of paper.

3. Each essay must be not less than 1000, nor more than 2000 words.

4. Each paper must be accompanied by a certificate of teacher that the writer is or has been a pupil of a school in Pitt county during the year 1902.

5. All contestants must send in application to enter contest to County Superintendent of Schools on or before April 20th, 1902, and papers must be sent to County Superintendent on or before October 1st, 1902.

6. Each paper must be accompanied by certificate of the fact that the reputed writer is the author of the production.

7. Each essay will be judged for its style, method and historical value, especial weight being given to original research, and heretofore unpublished matter of local historical importance.

8. The judges will be a committee of three citizens of Pitt county, to be selected by the County Superintendent of Schools.

9. The manuscripts will be the property of the County Superintendent and he may have published such as the judges may pronounce of sufficient merit.

Decide at once to enter this contest and send me your name by April 20th. I would be glad to see many of our schools represented.

W. H. RAGSDALE,
County Supt. of Schools.

More Snow.

It began snowing again Sunday night, and continued until about the middle of the morning. About four inches more fell on what we already had. The first snow melted considerably on Sunday, and the thaw is still going on.

AT THE CLUB.

On the street, at social gatherings, anywhere, where ever a number of good dressers are gathered and the clothes question is the topic of conversation, you will learn, if you lend an attentive ear, that we are quoted as being the store that always has snappy toggery for the up-to-the-hour man. The store that he looks to for new things; the store to which he first turns for a new cut in a suit, a new shape in a hat or tie. In short, the store where the good dresser always finds the thing he wants without paying an extra price for style. If you are interested in Clothing and Haberdashery with character, come in.

MONDAY, FEBRUARY 17, 1902.

That is a worthy and commendable act of Secretary of State, J. Bryan Grimes, in offering a gold medal to the pupil of any school in Pitt county for the best historical production. It ought to inspire every pupil in the county to make an honest effort to win the medal. While all cannot win the medal, the effort will be worth far more than the labor expended to every contestant.

STOLE TOBACCO.

Chief Police Rouse and Policeman Brinson have been working for a week or so past on a case in which three men were believed to have formed a conspiracy to steal tobacco from the Central Warehouse. The facts known are as follows:

About two weeks ago one of the proprietors of the warehouse noticed wheel tracks at one of the side doors of the warehouse and some tobacco lying around the door. This aroused suspicion and the proprietors of the warehouse secured the services of Policemen Rouse and Brinson to make an investigation.

It was found that Ed. Jones, a negro living near Kinston, had sold considerable tobacco at three warehouses, the Atlantic, Eagle and Carolina.

From other facts developed, suspicion pointed to a conspiracy between Jones, Robert Nelson, colored, and L. B. Harding, a white man, who was night watchman at the warehouse.

The parties became aware that suspicion rested upon them, and Jones and Harding left Kinston. Robt. Nelson remained, and was a few days ago arrested. Jones was located at Wilmington and Policeman Brinson left a few days ago for the purpose of arresting him. He secured the services of the Wilmington police, located the house Jones was staying in, and also found that he was going under the alias of Thomas King.

The house was surrounded at night by five police officers, when it was known that Jones was in. Upon the officers demanding entrance the lamp was blown out. The officers forced the woman who occupied the house to open the door and admit them. The lamp was relighted, but the woman again blew it out and in the darkness, Jones, who had been in an upstairs room, made a break for liberty. He attempted to get through a window. An officer struck at him, but Jones dodged, and the blow broke the window to pieces. He then whirled and attempted to escape through the door, but instead ran into the arms of the chief po-

lice of Wilmington, who held him. Jones was brought to Kinston Wednesday and yesterday he and Nelson were given a preliminary hearing before Justice L. J. Moore. They confessed, and testified that Harding was the conceiver of the conspiracy, that the plan was for Jones to bring his cart at night, Nelson to help load the tobacco. Jones would then have it sold on the other warehouse floors and give the money to Harding, who, according to the testimony of Jones and Nelson, gave them what he pleased of it. Jones testified that Harding gave him \$5 to go to Wilmington. They testified that about five or six steels had been made, all during the past two months, and that from 200 to 300 pounds at a time would be stolen. Justice Moore bound them over to court in the sum of \$300, in default of which they were committed to jail to await trial at the March term of court.

Harding left Kinston last Tuesday, he said for Washington, N. C. He is a married man and has a wife living in Kinston. Police man Brinson left yesterday for Washington with papers for his arrest. No message at this writing has been received from the latter and it looks probable that Harding has not yet been apprehended.—Kinston Free Press, 14th.

ARE YOU DEAF? ANY HEAD NOISES? ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

STATE NEWS.

Happenings in North Carolina.

The town of South Mills, fourteen miles from Elizabeth City was nearly wiped out by fire Saturday. Twenty-five buildings were burned.

Miss Mamie McKane, night operator of the Charlotte Telephone Exchange, was fatally burned about 4 o'clock Saturday morning. Her dress caught fire from the stove by which she was sitting. She ran down three flights of stairs with flames enveloping her body, and upon reaching the street was caught by policemen who heard her screams. The officers put out the fire by covering the young lady in snow. She died a few hours after the accident.

Their Only Child.

Sunday afternoon about 3 o'clock, Edmund Chesson Taft, aged four years and six months, little son of Mr. and Mrs. Ed. H. Taft, died at their home on the corner of Evans and Second streets.

The child had been sick but a few days, being first taken last Monday with sore throat which developed in bronchitis and tonsillitis. Everything possible was done for his relief, but the progress of the disease could not be checked until death claimed the little boy.

Little Edmund was Mr. and Mrs. Taft's only child. He was a very bright little boy, and a general favorite with all. He always had a merry childish greeting for every one he met, and he will be missed with sorrow. Much sympathy is expressed for the bereaved parents in their severe affliction and the dark shadow that has come upon their home.

The burial will take place Tuesday afternoon in Cherry Hill cemetery.

Boy's Face Cut.

A little son of Mr. J. W. Murphy was standing at the window in his home on Dickinson avenue, Sunday afternoon, looking at some boys snow balling. Some one threw a ball against the window and the broken glass flew all in the boy's face, cutting him in several places.

This Should Be Corrected.

If a policeman would go to the depot every evening there might be better behavior among the crowd waiting for the train. It is often the case that some men who have spent the day here, and filled up on whiskey, behave very badly while waiting at the depot for the train. They even seem to have no regard for the presence of ladies who have to be in the same waiting room, but use all kinds of language in their hearing.

SO BE IT.

EDITOR REFLECTOR:

Your paper makes me glad and sad. The paper is all right. It has to tell the news, good and bad. How I did love old brother Whitehurst, who lately went to heaven from Farmville. I shall soon be with him, where sorrow can never trouble his noble soul.

You made my heart sigh when you told how many saloon licenses the Pitt Commissioners granted for 1902. North Carolina has an Anti-Saloon League. May God help us to unite and push it to a glorious success.

I long to see the day when North Carolina will not have one saloon.

Yours forever,

Baby's Coming

McDonald, Ga., July 18, 1900.

I advise every suffering woman to take Wine of Cardui. While I was going with my other children I was compelled to stay in bed for days at a time, but this time I have taken Wine of Cardui and Thedford's Black-Draught and have been able to do all my household work without any trouble. I am expecting every day to be confined. My husband thinks Wine of Cardui is the best medicine in the world. He takes a dose of Thedford's Black-Draught every night and gives some to the children. He has not lost a day from work this year. He tells his friends about your wonderful medicines and I tell my lady friends to use your Wine of Cardui.
Mrs. GEORGIA LEE.

WINE OF CARDUI

There are thousands of women who shrink in terror at the thought of the baby's coming. But childbirth is one of the workings of Nature and it was not intended to imply torture and agony to the heroic mothers of the race. The woman who suffers torture during pregnancy and at childbirth has usually, by some indiscretion, injured the organs which make her a woman. Neglect of menstrual irregularities leads to ovarian pains, falling of the womb and leucorrhoea, and the period of pregnancy is necessarily distressing under those conditions. Wine of Cardui will regulate the menstrual function perfectly and eventually make the generative organs strong and healthy. Pregnancy and childbirth have no terrors for the woman who takes this pure Wine. A strong healthy womb will bring its precious burden to maturity with little or no pain. A healthy woman need not fear childbirth. Wine of Cardui completely cures all these troubles familiarly known as "female diseases" and equips the sensitive generative organs for pregnancy and childbirth. It will save any mother much pain and suffering. All druggists sell \$1.00 bottles.
