Not sure whether we told you after inventory that our stocks were then in record condition, by which we mean Clearest of clinkers. If we didn't it was the truest thing we ever didn't say.

Of all the hard lessons a merchant has to learn the hardest is this: NEVER CARRY OVER.

Into goods lately bought, bought right and still in fashion, it's mighty hard to plunge the knife. But do it he often must, or suffer later. It's due to you, as well as us, that we start the new season right. WE DO.

GIVING AWAY STREETS.

The Aldermen Overstepping Their Authority.

The Board of Aldermen held a special meeting Friday night, the object being, as stated in the call, "for the purpose of locating line and accepting Eleventh street at or near J. E. Lipscomb & Co. factory."

A paper was presented setting forth in substance that the Greenville Land & Improvement Co. in plotting their property in the South part of Greenville provided for a street 50 feet wide to be known as Eleventh street, and it appearing that the street had never been accepted in its entire length by the town, and that a building had been erected that projected 10 feet over the line originally contemplated for the street, the proposition was made by the owners to donate to the town a street 40 feet wide from Pitt street to Greene street and from Pitt to Clark street; the Board of Aldermen in accepting same to ordain that Eleventh street between the points named shall be only 40 feet wide instead of 50 feet, the Aldermen relinquishing to the occupants any right the town may have to the property.

When the reading of this paper was completed Alderman Hooker moved that it be adopted, the motion being seconded by Alderman Ficklen. A general discussion of the matter followed.

Alderman King offered an amendment, seconded by Alderman White, "that the firm of John E. Hughes & Co., their heirs, successors and assigns, be granted the use of the 10 feet of land on Eleventh street now covered by their factory, free of all charge, so long as their present factory occupies it."

The amendment was lost, and after more discussion the original motion was called, when the paper was adopted, Aldermen Hooker, Ficklen, Cobb, Sagg and Coward voting for it, Aldermen King and White voting against it. Alderman McGowan was absent.

The action of the Board of Aldermen is virtually giving away 10 feet of a street, which they had no right to do, and which THE REFLECTOR believes will not stand the test of law and will not be valid.

The facts as we understand them are as follows: The Greenville Land and Improvement Co. bought a body of land on the South of Greenville which they divided into lots and streets and commenced selling, disposing of many lots. Later the property was embraced within the corporate limits of the town.

Sometime after the residue of property was sold to L. C. Arthur and deeded to him by lots bounded by streets. Last year Mr. Arthur sold a lot to John E. Hughes, J. E. Lipscomb and others for the purpose of building a tobacco factory and in deeding this lot made the measurement extend 10 feet out in Eleventh street. The purchasers went ahead and built on the property, of course being entirely unaware that they were encroaching upon the street. While it is unfortunate that their building extends in the street the town is in no way responsible for it, and the Aldermen have no right to give the street away.

PUBLIC SCHOOL LIBRARIES.

Pitt County Now Has Seven Established.

County Superintendent W. H. Ragsdale has received books for six public school libraries to be located in this county, in the following Districts: Farmville No. 1, Carolina No. 2, Falkland No. 2, Farmville No. 5, Swift Creek No. 8, Contentnea No. 1.

Solicitor L. I. Moore gave \$30 to pay the district part of Carolina, Falkland and Swift Creek.

Ex Sheriff R. W. King gave \$10 for the State part in Contentnea. The State only pays for six libraries in a county, and one had already been established in Chicod No. 8. So Mr. King's donation enabled the seventh library to be established.

These libraries contain between 80 and 100 volumes and have been selected with a view to the needs of the community. Much good is expected to result from them.

Solicitor Moore and Mr. King deserve credit for the interest they have taken in education in the county as shown by the contributions they made for establishing libraries.

It will be a serious mistake to attempt to excuse a whole lot of people from the payment of poll-tax in order that they may vote. A man should be willing to pay his part toward the support of the government and if he is not willing he should be made to do it anyhow.

Merely a Reminder.

Bear in mind that Perry Davis' Painkiller is just as good for internal as for external troubles. It will stop the agonizing cramps in the bowels which follow exposure to cold and wet when taken internally, and will cure strains, sprains and bruises when applied externally. (Should) be administered in warm water, slightly sweetened. There is but one Painkiller, Perry Davis.

TO THE PUBLIC.

We the undersigned, constituting the Local Board of Underwriters, in the town of Greenville, N. C., and Pitt county, hereby give notice that on account of excessive fire losses caused by the use of Terra Cotta flues, we cannot accept risks in or on any building in which there is a Terra Cotta flue, or a brick flue improperly constructed. So many fires originate from this source that all of the first class Companies condemn them as a menace to property, and the insuring public carrying as they do, one fourth of the value of the property insured, it is to their interest to have brick flues safely arranged.

'A Sunday of Sin.

The Prince was given in New York City last Sunday, a round of amusement and pleasure in keeping with the Continental idea of the Sabbath. A concert was given him in the morning at his request; he was given dinner at a Club, received a delegation of business men and was dined in great style by the Vanderbilts. We have delivered ourself before on this bowing and scraping to royalty by our free people, but this desecration of the Lord's Day in order to honor a scion of the German ruling house is not only disgusting, but it is sad to us. The Seventh day of rest and worship is one of the strong pillars of our foundation as a people. It is, as we see it, one of the reasons for our greatness as a nation, and for it to be trodden under foot to please a little European in cap and brass buttons is a high crime against the good people of the land. Flunkeyism seems to have some of our folks by the neck. They talk "Prince, Prince" and do all sorts of silly things to keep up with the Prince procession. Last Sunday's doings amongst the fashionable New Yorkers was gay and costly and no doubt made the little German feel like he was somebody, but with it went a high insult to the great God, whose mighty hand has kept us through the years. The backbone of the American people were outraged by the Sabbath desecration in Gotham in honor of William's brother. It is a goodly piece away from us North Carolinians, but we are Americans and love the American Sabbath.—N. C. Baptist.

The chief end of man is, to make both ends meet.

NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., March 15. One day this week D. C. Davenport, near here, while attempting to rope a vicious bull was knocked down by the animal and had one rib broken, besides receiving other painful hurts. Mr. Davenport could only protect himself by holding to the brute's horns until assistance arrived, being on the ground, the maddened animal standing over him making frantic efforts to do him further harm. The gentleman is to be congratulated, for it was a narrow escape from death.
