

Ricks & Wilkinson

This is Greenville's
Fastest Growing Store.

WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.
BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.
BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.
BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.
BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.
And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them, Look at this double column full of Economy opportunities for this week:

White India Linen, White Persian Lawns, White Piques. The prices start at 5½c and by an easy rising scale run up as high as 75c.

French, Austrian and Japanese Fans in all the latest new creations in Crepe paper, Silk Gause and all floral designs 5c, 10c, 15c, 25c, 50c, 75c and \$1.

Zephyr Dimities.

Something entirely new this season, and just as pretty as they are new. We could offer them as a bargain at 12½c, but this week we say 8½c.

American Made Percals.

Full 36 inches wide, new and attractive designs. No better American Percals to be found anywhere. Worth 12½c. This week 8c.

Burham Chaleys.

2,000 yards Chaleys that was never such pretty styles and designs at 10c. This week we say 8c.

National Lawns.

MEMORIAL DAY.

Daughters of the Confederacy Inaugurate Observance.

It is to the credit of the Singletary and T. J. Jarvis Chapters Daughters of the Confederacy that the observance of Memorial Day has been inaugurated in Greenville, and we hope it shall be of annual recurrence hereafter. North Carolina has been slow to perpetuate the memory of her heroes, and perhaps no section of the State has been more backward in doing them honor than has Pitt county.

For sometime the two chapters of the Daughters of the Confederacy here have been gathering a fund to erect a monument in Cherry Hill cemetery near the graves of the unknown soldiers buried there, and they set apart today to unveil this and to hold exercises in memory of all who gave their lives for the Confederacy.

The monument, though small, is a beautiful piece of granite and manifests the loving spirit which prompts its erection. On one side are the letters "C. S. A." Another side reads, "The ashes of fourteen unknown soldiers, dying in and around Greenville, now repose here." "Sleep soldier, sleep! Thy warfare o'er." On the third side:

"Only a martyr, who fought and who fell,
Unknown and unmarked in the strife!
But still, as he lies in his lonely cell—
Angel and seraph the legend shall tell—
Such a death is eternal life."

The fourth side reads, "And the little children shall come to do them honor."

At four o'clock this afternoon the members of the two chapters and many citizens met at the Methodist church and marched to Cherry Hill Cemetery. Here an earnest prayer was offered by Rev. H. M. Eure, and the monument was unveiled by Misses Ima Allen, Margaret Skinner, Mattie Moye King and Pattie Wooten. Hon. L. I. Moore then delivered a beautiful and most appropriate address, after which the graves of soldiers were decorated with the many flowers that were taken to the cemetery.

And in thus honoring the heroes of the Confederacy, Greenville highly honors herself.

Cushion Sole Shoes

A perfect boon to tender or corn-troubled feet. They are unquestionably the shoe of shoes for tender feet. To begin with, they combine graceful style, handsome appearance and comfort. Then the prices are right. The best of leather. Latest lasts and toe shapes. All sizes and widths. There is satisfaction in every shoe. Gennine "Cushion Sole" Shoes require no "breaking-in." They are fitted with soft, non-conducting leather-covered "Cushion Soles" which, while conforming to the shape of the foot, do not lump-up. They are perfectly easy, noiseless and act as a cushion to your every step. The soles being non-conducting, keep your feet at an even temperature in all weathers. It is the ideal shoe for tender feet. Step in and see this shoe. Try it on. You will be surprised at the absolute foot comfort it will give you.

SATURDAY, MAY 10, 1902.

A most terrible holocaust is reported from the island of Martinique, in the Dutch West Indies. By a volcanic eruption on Thursday the city of St. Pierre was entirely destroyed. Forty thousand people perished, only about thirty of the entire population escaping. Not a building was left. Eighteen vessels in the harbor, four of them American, were burned and sunk with all on board.

Dr. T. B. Kingsbury, the foremost editor of North Carolina, has resigned as editor of the Wilmington Messenger, a position he has filled for thirteen years. The reason for the resignation is said to be a difference of opinion between him and the owners of the paper on the Judge Clark controversy. Dr. Kingsbury was a friend of Judge Clark and advocated his being Chief Justice of the Supreme Court, while the proprietors were opposed to him, and this led to the severing of their relations. Dr. Kingsbury will continue literary work.

WASHINGTON LETTER.

From Our Regular Correspondent

WASHINGTON, D. C. May 9.

On Monday afternoon Senator Lodge delivered his widely heralded speech in support of his Philippine bill and a more brilliant array of erudite platitudes and panegyrics one seldom hears. It bore every evidence of being the production of the cultured sophist. Assuming, what was not the case, that the democrats had attacked the American army, and totally avoiding the democratic proposition that the cruelty and abuses which had been proved to exist were inseparable from a war of conquest conducted by a superior race, he indulged in a glowing tribute to the army. Referring to the cruelties and tortures practiced, he cited similar atrocities by the Filipinos supporting, by implication, the theory that two wrongs make a right. Democratic charges, that the privileges and franchises of the islands were being farmed out to the favored few as a result of the policy of the administration, he passed over with an eloquent testimonial to the character of the members of the Philippine Commission. Reviewing Mr. Lodge's speech, outside of the sympathetic atmosphere created by the magnetism of the speaker, one is led to deplore the fact that so able a statesman should have been guilty of employing his exceptional talents in an effort to create partisan feeling by gross misrepresentation of the real atti-

WE WERE ON the right side of the flour market. The quality of our leading brand will please you--the price will tickle. We carry heavy and fancy groceries. HEARNE & COMPANY, GROCERS.

On Tuesday and Wednesday Senators Beveridge and McComas, taking their cue from their leader, made speeches alleged to be in favor of the Philippine bill but apparently with the purpose of creating campaign material which would counteract the presentation of the Philippine situation which has heretofore been made by the democrats. Mr. Lodge tells me that he believes he will be able to dispose of his bill this month and it is understood that Cuban reciprocity will be the next subject considered by the Senate. There is still a determination by the Senate to take up the question of an isthmian canal but it is impossible to say at this date whether the determination will be fulfilled. Several appropriation bills remain for senatorial action with the prospects that they will carry the session into the heated term and already the members of the lower chamber are talking of adjournment.

Three times within the past week the House of Representatives has learned of the loss by death of one of its members. Hon. Amos J. Cummings of New York, Hon. Peter J. Otey of Virginia and Hon. Joshua S. Salmon of New Jersey all passed over within the short space of five days. Never before in the history of the House has death visited three members within so short a space of time. All three were democrats. As a mark of respect the House adjourned without the transaction of business on Saturday, Monday and Tuesday and only yesterday did the Omnibus territorial bill come up for action. All of the territorial delegates have assured me of their faith in the success of this measure in so far as the lower house is concerned and all have more or less hope that it will pass the Senate. They have been indefatigable in their efforts to promote the success of the measure and their hard work would seem to deserve success.

Be On Your Guard. Several fakirs have been reported as operating around the city for the past few days. Their choice field is the outskirts of the town and they seem to be discreet as to their victims. They time their visit in order to catch the man of the house absent and with pleasing address to gain an audience with the woman, and during a conversation they produce some wonderful implement for household use, as spectacles, or soap or something that will interest any good housekeeper, insisting upon the purchase of the the article, which is usually of no practical value whatever. If they fail to make a sale, they will call again in a day or two and produce the article shown on their previous visit and insist on receiving pay for it, claiming to have received an order for it. The lady will gladly pay the price, which is usually only a few cents, to get rid of the nuisance. One of these "household implements" was seen yesterday which resembled the small end of a boy's tooth horn, but no practical use could possibly be arranged for it. A lady in order to get rid of the fakirs paid 25 cents for it. -New Bern Journal.

Mrs. Laura S. Webb, Vice-President of Women's Democratic Clubs of Northern Ohio. THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time. Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes: "As I had always been troubled more or less at the menstrual period, I dreaded the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time." Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today. A million suffering women have found relief in Wine of Cardui.

Will Cure Stomach Ache in Five Minutes!

This is just what Painkiller will do; try it. Have a bottle in the house for instant use, as it will save you hours of suffering. Watch out that the dealer does not sell you an imitation, as the great reputation of Painkiller (Perry Davis'), has induced many people to try to make something to sell, said to be "just as good as the genuine."
