

Ricks & Wilkinson

This is Greenville's
Fastest Growing Store.

WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.
BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.
BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.
BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.
BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.
And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them. Look at this double column full of Economy opportunities for this week:

White India Linen, White Persian Lawns, White Piques. The prices start at 5½c and by an easy rising scale run up as high as 75c.

French, Austrian and Japanese Fans in all the latest new creations in Crepe paper, Silk Gauze and all floral designs 5c, 10c, 15c, 25c, 50c, 75c and \$1.

Zephyr Dimities.

Something entirely new this season, and just as pretty as they are new. We could offer them as a bargain at 12½c, but this week we say 8½c.

American Made Percals.

Full 36 inches wide, new and attractive designs. No better American Percals to be found anywhere. Worth 12½c. This week 8c.

Burham Chaleys.

2,000 yards Chaleys that was never such pretty styles and designs at 10c. This week we say 8c.

National Lawns.

In 15 new and attractive designs such as never was put in anything but 15 and 20c lawns before, in natural linen color with red, blue, green and black stripe and dots. We can't buy any more this season at any price. As long as they last 6c.

PASSENGER TRAIN CONNECTIONS.

Could Be Improved for This Section.

THE REFLECTOR has long been a believer that Greenville, in fact all the towns touched by the Weldon and Kinston branch of Atlantic Coast Line, should have two daily trains. Last summer when the matter was discussed and brought to the attention of the railroad officials, they sent a representative here to confer with a committee of our business men relative to giving us better accommodations. This representative explained the impracticability to the railroad of putting on a double daily passenger service, but the conference resulted in giving us a better schedule with single train.

THE REFLECTOR has recently been making a further study of connections with the Coast Line, and thinks it sees where the service could be improved so as to be even greater advantage to the towns along this line as well as to the people traveling over it. At present there is an early morning train of the Southern railway leaving Raleigh for Goldsboro. At the latter place connection is made with an Atlantic & North Carolina train for New Bern, which train passes Kinston about an hour after the departure of the Coast Line train. Now if the three roads would confer together and each make a slight change in the present schedules, this gap of an hour could easily be filled so that through connection from Raleigh to Greenville could be made. The advantage of such a connection is so apparent that it needs no argument. Besides this, with such connection passengers leaving Richmond on the evening train could come via Goldsboro and Kinston and reach Greenville on the morning train. Such a schedule would practically give us a double daily mail and passenger service with one train.

Another change that would be of much advantage, especially when the summer season at Morehead opens, is that the evening trains on the Coast Line and Atlantic and North Carolina road connect at Kinston so that people from points along this road could reach Morehead the same evening they leave home.

We believe if our people would interest themselves in this matter and act together in bringing it to the attention of the railroad authorities, such changes as suggested can be secured.

That Horse Again.

EDITOR REFLECTOR:

Quotations for good roadsters practically unchanged. Leading traders admit that certain bullish maneuvers of two days ago may have had a disquieting effect; the market recovering, however, upon a better understanding of Mr. T-'s intentions. He says his position was wholly unpremeditated and that he was on the market under circumstances which he could not have foreseen. All of which, of course, is conveniently satisfactory to those concerned.

Very respectfully,

We Shall Be Pleased to See You. You Are Always Welcome Here

About that Spring Suit. Of course you read the clothing advertisements in the newspapers, and you get in a quandary as to where you will buy the suit. We want all the patronage we possibly can get. We would like it if we had a cinch on all the clothing selling in Greenville. We certainly sell more clothing than any other store in town, and the only reason

we do not sell it all is because all the buyers do not come to see our goods and ascertain the real saving in prices. We are not offering \$18 suits for \$7.50, nor \$15 suits for \$6, and we never advertise any such false inducements. This we do: WE SELL YOU A BETTER SUIT OF CLOTHES FOR \$7.50, \$10, \$12 or \$15 than you can buy anywhere else for the same price.

By comparison you will find this to be true. The same ratio of saving applies on our Boys' and Children's Clothing. You will find our prices on Furnishings much more reasonable than others, while in Hats we save you 50c to \$1. If you investigate, we will add one more customer to our growing trade.

THURSDAY, MAY 15, 1902.

Out of the 1,168 white voters in Richmond county, only eighteen have failed to pay their poll, tax of the 776 negro voters, 275 have failed to discharge this obligation.—Goldsboro Advertiser.

So we have 16 to 1 anyway.

The National House of Representatives adopted a resolution appropriating \$200,000 to aid the volcano sufferers in the West Indies. The Senate increased the amount to half a million. There is much destitution and suffering in the islands and relief should be sent as quickly as possible.

There is talk in Washington that the President will appoint Senator McLaurin, of South Carolina, to the vacancy on the bench of the Court of Claims caused by the death of Judge John Davis. Senator McLaurin stands in good favor with the President. Being at heart a Republican this is quite natural.

Not to be Idly Ignored.

To go away from home to learn the news, is especially applicable to many persons in every community, who either do not subscribe, or too hastily read the local newspaper.

The non subscriber of the local paper, if not a borrower, is as ignorant of the real conditions of his or her community, as though they lived in another place.

They may imagine they know, through neighborhood gossip, but this information is as skim milk is to cream, compared to what is actually taking place.

The non subscriber must go about with distended ears, and a mouth as an interrogation point, in order to gather meagre news, while the real material, social and educational affairs take place and pass away without the non-subscriber having a faint knowledge of them.

The hasty reader of the local paper, rarely appreciates it as it should be, for with a quick glance the paper is scanned when articles of importance are not seen, and the subscriber may see the same weeks afterward in an outside paper, and give the same credit for what appeared first in his own paper.

The local paper may be small, but it is the most important industry in the community, and as its home patrons do it justice through a liberal support and encouragement of every kind, so will its importance as a factor for community development increase.

The community which idly ignores its local newspaper will have neither development or prosperity to amount to anything.—Newbern Journal.

End of Century Club.

Reported for the Reflector.

The End of the Century Club was most delightfully entertained by Mrs. Will Harding at her home on Dickinson avenue, Tuesday afternoon.

The President being absent, the second Vice President, Mrs. J. L. Little, presided over the meeting with grace and dignity.

Business of importance transacted, followed by the election of new officers, the following being elected: President, Mrs. R. R. Cotten; 1st Vice President, Mrs. L. C. Arthur; 2nd Vice President, Mrs. E. B. Ficklen; Secretary, Mrs. M. H. Quinerly; Treasurer, Mrs. R. W. King; Librarian, Mrs. J. L. Little.

As the election consumed so much time the "literature program" was dispensed with, also the social entertainment. Dainty refreshments were served and after partaking so pleasantly of the hospitality of the hostess the club adjourned to meet at Cottendale, Tuesday, May 27th.

Corsets and Bustles for Men.

Corsets for men are now a stable commodity in New York. The introduction of bustles for men's use is, however, a novelty. This fashion finds justification in the military sack coat. The side seams are vented at the bottom and the coat itself is cut so as to flare. Hence, unless the wearer—and the military jacket is among the most popular fashions for summer—be equipped with sufficient hip development properly to swing the coat an unsightly appearance is produced. For the benefit of men who want to wear these coats but haven't the proper hip development the hip improvers are provided.—New York Sun.

Elegant Silver Present for Hon. J. R. Young and Bride.

Hon. James R. Young and bride, who recently returned from a bridal tour to Northern cities, were the recipients upon their arrival here of a very large and handsome silver berry bowl, the gift of the State officers, Mr. Young's associates in the State government.

The bowl is of solid coin silver and lined with gold. It is one of the handsomest ever seen here, and as the gift of Commissioner Young's fellow State officials, is prized most highly, not merely for the intrinsic value of the gift, and its rare beauty, but for the esteem and generosity which inspired the presentation.—Raleigh Post, 14th.

W. B. James returned Wednesday evening from Elizabeth City.

Miss Pattie May, of Speight's Bridge, is visiting Mrs. T. E. Hooker.

Miss Leila Thornton, one of the teachers of Masonic Hall school, left this morning for Richmond.

Miss Lee Brown won the prize for making most improvement during the term just closed of Miss Lina Sheppard's music school.

School Picnic.

The rain last night and this morning made the ground too wet for the Masonic Hall school to hold their picnic at the Wilson place as at first intended, but it was held in the Jeffress warehouse. There was a large attendance and all had a good time.

Honor Roll.

Honor roll of the Masonic Hall school for the month of May:

Ima Allen, Lee Brown, Lillian Carr, Martha Lee Cowell, Essie Ellington, Nellie Pender, Agnes Spain, Ethel Skinner, Lena R. Smith.

Help Them.

Rev. C. A. Porter, a blind man from Goldsboro, is here canvassing for the book "What made me a Baptist," written by Rev. C. A. Jenkins, pastor of the first Baptist church, of Goldsboro. The price is 75 cents, and the purchaser of a copy is not only getting a useful and interesting book, but is helping a blind man at the same time. Mr. Porter is stopping at the Hunter house.

Mr. Porter's wife, who is with him, fell and broke her arm while stopping in the country Monday night.

Statues to Celebrities.

A correspondent of the Boston Transcript, commenting caustically on the proposition to erect a statue of Benjamin F. Butler in Boston, says "the least we can do is to have a little ring of celebrities of this sort who have been conspicuous as malefactors standing up in the Common." He adds: "I shall be pleased to head a subscription list for this purpose. I will subscribe \$25 for a statue of Satan, \$5 for Benedict Arnold, \$10 for John Wilkes Booth, 30 cents for Aaron Burr, \$5 for Guiteau and \$5 for Czolgosz." The writer also suggests the addition of horns and a tail to the Butler statue.

Ready for Work.

Mr. Edwin L. Tate, of Greensboro, arrived Tuesday evening to take charge as foreman of THE REFLECTOR printery. He comes to us highly recommended as a gentleman and a workman, and has much experience both on newspaper and job printing. Under the circumstances which have surrounded us for several weeks THE REFLECTOR has made no special effort to get orders for job printing, and had to turn off some, our limited force, having as much work as could be done even by all working extra time. But now that we have another foreman we are ready for all orders, and ask our friends to send them in. THE REFLECTOR promises you as good work, as good material and as reasonable prices as can be had.

Oxford Ties and Strap Sandals

Our Spring and Summer line has caught the town. There is no fashionable shape or color, no idea of newness in shoes that is not first found in our line. We **ORIGINATE**—others imitate—and while they copy appearance and price they cannot approach our "Fetching Styles."

We have all styles, all leathers and all prices at **75cts, \$1, \$1.50, \$2, and \$2.50.**

Attractive Styles, Fashionable Shapes and Low Prices are three essentials that you will always find at our Store.
