This is Greenville's
Fastest Growing Store.

WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.

BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.

BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.

BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.

BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.

And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them. Look at this double column full of Economy opportunities for this week:

WASHINGTON LETTER.

From Our Regular Correspondent

WASHINGTON, D. C. May 16.

The debate on the Philippine bill is fast drawing to a close and, while there are still a number of Senators who wish to speak on the subject, the end is regarded as in sight. Senator Rawlins, who is senior democrat on the Philippines Committee, told me yesterday that there would be no filibustering on the part of the democrats and that all the sensational stories to that effect had emanated from unreliable sources as such tactics had never been contemplated by the party leaders. When one or two more democratic senators have expressed their views on the policy of the administration, the minority will make an effort to secure the amendment of the bill along lines calculated to curtail the autocratic power conferred on the Philippine Commission and to reserve to the Filipinos a larger share of the special rights and privileges of their country. The mining law, which was drawn up by a subcommittee of which Senator Rawlins was chairman, is satisfactory to all concerned. The land laws, the minority hopes to amend by substituting the homestead laws of the United States with a reduction of the amount of land granted to each individual to, probably, forty acres, and they will contend for the greatest possible reduction of the amount of land which the commission will be empowered to lease or sell to corporations. It is also hoped that the judicial provisions of the bill may be so amended as to extend the provision regarding the right of appeal to the Supreme Court of the United States and to accord to the Filipinos the right of trial by jury. "If cases are to be tried by Filipino judges it certainly seems reasonable to assume that Filipinos would be competent to serve as jurors," said Senator Rawlins, speaking of this phase of the bill.

It is now thought that the question of Cuban reciprocity will take precedence of the Nicaraguan Canal bill, following immediately after the Philippine bill. Nothing so far disclosed by the investigation of the Committee on Relations with Cuba has shown any ground for the belief that the Sugar Trust will be benefitted by reciprocity and the republican leaders are confident that there will not be serious opposition to the bill which the committee will report.

Dr. Eugene F. Ware yesterday assumed the duties of Pension Commissioner, vice H. Clay Evans, but it was not with any great complacency that Dr. Ware entered upon his arduous labors. Before going to the Pension Office he had a long conference with Mr. Roosevelt during which the later enjoined upon him the necessity of carrying out the policy of his predecessor. As there are at least 25,000 cases which were rejected by Mr. Evans and which will doubtless be renewed before Dr. Ware, and as the rejection of these cases formed the chief ground of complaint which the G. A. R. had against Evans, Doctor feels that the President has practically instructed him to commit official suicide.

We Shall Be Pleased to See You. You Are Always Welcome Here

About that Spring Suit. Of course you read the clothing advertisements in the newspapers, and you get in a quandary as to where you will buy the suit. We want all the patronage we possibly can get. We would like it if we had a cinch on all the clothing selling in Greenville. We certainly sell more clothing than any other store in town, and the only reason

we do not sell it all is because all the buyers do not come to see our goods and ascertain the real saving in prices. We are not offering \$18 suits for \$7.50, nor \$15 suits for \$6, and we never advertise any such false inducements. This we do: WE SELL YOU A BETTER SUIT OF CLOTHES FOR \$7.50, \$10, \$12 or \$15 than you can buy anywhere else for the same price.

By comparison you will find this to be true. The same ratio of saving applies on our Boys' and Children's Clothing. You will find our prices on Furnishings much more reasonable than others, while in Hats we save you 50c to \$1. If you investigate, we will add one more customer to our growing trade.

It is funny that an editor who has license to practice law does not know that a razor is a deadly weapon, and the carrying of one concealed on the person is a violation of the law against carrying concealed weapons. A few days ago a lawyer-editor printed such a confession in his paper.

WINTERVILLE COMMENCEMENT.

High School Closes Another Prosperous Session.

Winterville High School closed its second session this week, the commencement exercises taking place Thursday and Friday.

This excellent school, under the leadership of Prof. G. E. Lineberry, principal, has progressed most rapidly and ranks with the best educational institutions of the state. The enrollment of the session just closed reached 211, an increase of 58 over the first session when it reached 153. The school was such a success at the first session that during the vacation following a large dormitory was built. The second session filled this with all the boarding pupils it could accommodate, so that the trustees have decided to build another dormitory in readiness for the next session, when there is no doubt that will also be filled.

The Trustees held a meeting Thursday afternoon at which the entire faculty was re-elected, consisting of Prof. G. E. Lineberry, principal; Miss Annie Lee Staley, first grade intermediate department; Miss Mollye Bryan, second grade intermediate department; Miss Lena Spain, primary; Miss Nannie D. Wood, music. A male primary teacher will also be added and a teacher of stenography and typewriting for next session. A large building containing two class rooms and dormitories for boys will be built this summer.

The commencement sermon was preached at 8:30 o'clock Thursday night by Rev. Livingstone Johnson, corresponding secretary of the Baptist State Convention. He chose for his text John 8:31, the latter clause, "If ye continue in my word, then are ye my disciples indeed." He said every school is known or judged by three things: its curriculum, its teachers and its pupils. Under these heads he discussed the text in a way that was delightful and intensely interesting and instructive to the audience. We are sure that no audience was ever more edified by a sermon. Mr. Johnson is with ease one among the best preachers in the state and this sermon cannot fail to bear fruit in the lives of those who heard it. We are certain that there were many resolutions made that the study of

the Bible under the guidance of its teacher, the Holy Spirit, would hereafter occupy a large portion of each life.

On Friday morning at 10:30 o'clock, the literary address was delivered by Dr. E. W. Sikes, Professor of History and Political Economy in Wake Forest College. He was introduced by Prof. W. H. Ragsdale in a few well chosen words. Dr. Sikes spoke on the subject "The School and the Teacher." Many pronounced it the finest address which they had ever heard on a similar occasion. He is a man of great force of character, strong in the presentation of his subject, and earnest in his delivery. He is pleasing in manner and his language beautiful. His thought was vigorous and his literary and historical reference very fine. The entire speech was uplifting and soul-stirring, and fully sustained Dr. Sikes' reputation as one of the best and most attractive speakers in the South.

Friday afternoon was devoted to the exercises of the Vance Literary Society. This was opened with an oration "Our State's Place in History," by J. R. Carroll, which was excellent both in subject matter and delivery.

This was followed by a debate of the query "Resolved, That labor organizations and trusts are productive of more evil than good." The affirmative was represented by H. S. Staley, J. H. Hudson and D. S. Chapman, the negative by C. J. Jackson, T. F. Taylor and J. C. Galloway. Each debater spoke 15 minutes and had 5 minutes rejoinder.

At the conclusion the judges—Dr. E. W. Sikes, Rev. L. Johnson and Prof. W. H. Ragsdale—retired to make up their verdict of the contest. It began to look like the judges had become a "hung jury," so Rev. J. N. Booth was called upon and entertained the audience during the interval.

When they returned Dr. Sikes as spokesman took the stage to announce the result. He said the committee had no idea of the task they were undertaking in agreeing to sit in judgment on this debate. It was the closest contest to which he had ever listened, and if the audience would just imagine the most infinitesimal thing in the world an idea could be had by what small margin a decision was reached, and he did not believe it could have been reached except by three very determined men. Then after complimenting each of the young men and the excellence of their respective speeches, he said the committee had decided, though only by the slightest margin, that the affirmative had won.

Prof. Ragsdale, County Superintendent, took advantage of the presence of the Trustees of the school to thank them in behalf of the teachers of Pitt and Greene counties for the use of their building in which to hold the teachers' institute last summer. Rev. C. W. Blanchard responded to this in behalf of the Trustees.

The Tar Heel Band, a new organization at Winterville, furnished music during the exercises of the day. For a band that is only five weeks old they made remarkable music, and it was the subject of much favorable comment. The band is composed of clever gentlemen.

At night the concert took place. The crowd was so large that all could not begin to get in the building and many were turned away. The programme was of such length that space will not permit us to publish it. Suffice to say it was good, well rendered, every one from the largest to the smallest giving his or her part splendid. The music pupils showed excellent training. The old fashioned husking bee with which the concert closed was very amusing.

The entire commencement was a splendid success and reflected credit upon the school and upon Winterville.

MISS MAY MARKELL,
A Society Belle of London, Canada.

MISS MAY MARKELL of London, Ontario, Canada, is a beautiful girl who knows what suffering is and Wine of Cardui has brought her back to health. She is one of the social favorites of her home and her recovery to health has permitted her to enjoy the company of her many friends instead of lying on a bed of sickness and suffering. For the health she now enjoys she gives credit to Wine of Cardui. She writes:

"I have found Wine of Cardui an excellent remedy for female trouble. I suffered for three years with terrible bearing-down pains at the menstrual period. I could hardly stand on my feet and was never real well. Wine of Cardui was the only medicine that I could depend on to do me any good, as I tried several with no success. Wine of Cardui cured me and I have now enjoyed perfect health for two years, and give you all the credit for I know you deserve it."

For a young girl Wine of Cardui is the best remedy to guide her through womanhood by starting the menstrual flow in a healthy and natural manner. Menstruation started right is very easy to keep regular through the years of mature womanhood. Then the "change of life" need not be feared. Thus Wine of Cardui is woman's best relief from youth to old age. A million women have secured blessed relief from their sufferings by taking this treatment. It relieves menstrual troubles in an incredibly short time. In a simple case of deranged menses Wine of Cardui never fails. To relieve disordered menses is to remove the cause of other female troubles. Any physician will tell you that to remove the cause of a disease renders the cure easy, in fact seldom fails to complete the cure. If you would have the same relief which Miss Markell secured try Wine of Cardui. You can take it without an examination and without any publicity whatever. You can take it in the privacy of your home and secure just as much benefit as if a doctor had prescribed it for you. Thousands of women are feeling the vigor of returning health by taking Wine of Cardui.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.
