## Ricks & Wilkinson

This is Greenville's

Fastest Growing Store.

### WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.  
 BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.  
 BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.  
 BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.  
 BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.  
 And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them. Look at this double column full of Economy opportunities for this week:

THURSDAY, MAY 22, 1902.

If Denmark does not soon close her trade with the United States in regard to the Danish West Indies, she will have no islands to deliver. In this case haste would show the better part of judgment.

Cuba is now a republic. The independent government for the island was established on the 20th inst, by Governor General Wood formally turning over authority to President Palma, the first President of the new republic. The same course of procedure ought to be inaugurated in the Philippines.

Once we heard a great deal about the brutalities of one Weyler the Butcher, when Spain held full sway in Cuba. Now we hear much about the brutalities of somebody else while Uncle Sam tries to hold full sway in the Philippines. It is difficult for the average mind to comprehend this, but the truth of it all seems to be fully established. And yet it appears ridiculous that a war of humanity shall be waged to free one people, while a war of destruction should be waged against another with a view to bringing them into submission—and all by the same humane government, too.

The first rash act of the striking coal miners in the anthracite coal regions of Pennsylvania, has been committed. On Tuesday a miner, who refused to obey the strike order of the organization, was attacked by a mob of strikers and stabbed to death almost. This is where all strikers make their fatal blunder, and lose the respect and sympathy of the public. If they would simply quit work—which any man has a right to do when not satisfied with his salary—and wait peaceably for a settlement of their troubles, nobody could seriously object. But they seem determined to resort to violence in order to carry their point, hence the loss and final defeat they almost always sustain. And they deserve it. They have no right to interfere with others in the performance of their duties.

An exchange says, "it is one of ironies of fate that an artist often lives in poverty, and unappreciated by the public until he dies, when they at once realize his real worth." But is not this just as

the right side of the flour market. The quality of our leading brand will please you--the price will tickle.

true of men in other callings as well?—in pursuit of a life work even more beneficial to mankind in a moral and material sense, because of the substantial nature of the work. This is one of the evil tendencies of the twentieth century. Men in every walk of life may be found who toil a life away in beneficent works—benefactors of their race, as it were—and not until they are gone does the fact bear upon the consciousness of all that they were great and noble in what they did and are a real loss to their community.

Tyrrell Gets the Banner.

It seems that some counties, claiming the banner for having the fewest number of Democrats who failed to pay their poll tax, must "go way back and sit down," says the Raleigh News and Observer. The little county of Tyrrell gets the banner. In a private letter from the county, from Mr. Joe A. Spruill, the patriotic and aggressive Democratic chairman, the news is given that every Democrat in the county paid his poll tax before May 1st.

Good for Tyrrell county. It had a hard fight and lost in 1894 and 1896 but it was redeemed in 1898 and is now resolved to hold the banner as the best poll tax paying and Democratic voting county in the State.—Charlotte News.

Democratic Convention.

A convention of the Democratic party of Pitt county is hereby called to meet in the Court House at Greenville on Saturday, July 5th, 1902, at 12 o'clock, M., for the purpose of appointing delegates to the State Democratic Convention, to be held in the city of Greensboro on Wednesday, July 16th, 1902, and to the Congressional and Judicial conventions when called. Township primaries will be held at 3 o'clock, P. M., on Friday June 28th, 1902, at the usual voting places, for the purpose of appointing delegates and alternates to said county convention.

The number of delegates and alternates each township will be entitled to is as follows:  
 Beaver Dam 5, Falkland 9,  
 Belvoir 4, Farmville 9,  
 Bethel 9, Greenville 33,  
 Carolina 10, Pactolus 4,  
 Chicod 19, Swift Creek 10,  
 Contentnea 25.

By order of the Democratic Executive Committee of Pitt county.  
 ALEX. L. BLOW, Chairman;  
 W. L. BROWN, Secretary.

In politics the party that is in power always seems the worst.

It is better to give than to receive the things you don't want.

It's easy enough to laugh at troubles, unless they happen to be our own.

**You Know What You are Taking**  
 When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form. No Cure, No Pay. 50c.

**Brick in Sight.**  
 It is reported that the enterprising firm of J. R. Smith & Bro. will rebuild in the near future. They say they cannot afford to build of wood, and will no doubt erect an elegant brick structure. Details of the building will be given later on. Dr. Dixon, W. F. Hart and others, owners of this property, will no doubt build brick. The Lodges here are also contemplating building in the same way. The burned district, which has been an important center of our town for business, will become more so when commodious brick stores are erected, where formerly stood less inviting wood structures. Our progressive citizens are not to be downed. Ayden will continue to grow and prosper as before by the help of the living God. A town of schools and churches, free from the vices of many other places, with an energetic citizenship, who labor and pray is bound to succeed.—Ayden Free Will Baptist.

The the members of Helena Rebekah Lodge No. 20 I. O. O. F.

The Lodge has been reorganized and will have their regular meeting Friday night, May 23rd. Officers will be elected and other business of importance will come up.

Few realize the importance of his branch of Odd Fellowship.

Many think its object is to meet in the lodge room and have a good time. But such is not the case.

I know of no other organization that could be made productive of more real good to humanity than the Degree of Rebekah if its pure sentiments and high purposes would be carried out by the members.

I hope there will be a full attendance of all members.

### It Does the Work.

Recently Zeno Moore & Bro. advertised tooth brushes in THE DAILY REFLECTOR. A gentleman in Sanford, N. C., saw the advertisement, and knowing the reputation of the firm, that their goods were always just as represented, he waited for a contemplated trip to Greenville to supply himself with brushes. This may be only a small matter, yet it shows that a good firm advertising a good thing in a good medium makes the sales.

### Died.

Mrs. Elizabeth Buck, aged 78 years, and widow of the late Mr. John Buck, died at 4:30 o'clock this morning at the home of Mr. T. R. Moore, in South Greenville, where she resided. She leaves one son, Mr. Edgar Buck.

Mrs. Buck had been in feeble health for some months, but was getting along as well as usual until Wednesday afternoon when she suffered a stroke of paralysis and died in a few hours.

The funeral will take place at the family burial ground, 2 1/2 miles from town, Friday afternoon at 3 o'clock.
