Great Cut in Prices of High Class Wash Dress Fabrics and Silks

Although most houses wait until the end of the season to make reduction, it has never been our policy to do so. We put a time limit on goods, and if not sold within that period, they must go. This week we offer among other great values many of our finest novelties at prices far below cost of importation, an opportunity customers can thoroughly appreciate with the season all before them.

All of our White Goods, Lawns, Dimities, Silks, Chiffons, Mercerized Gingham, Piques, in white and figured, have been reduced 25 per cent.

Also 10,000 yards Challeys and Scotch Lawns 4 1/2 yard. Fine sheer quality, pin dots, rosebud all over effects, fancy stripes and figures, white and tinted, full assortment. Lot not broken. (This quality elsewhere 7c yd.)

RICKS & WILKINSON

The Ten Commandments for Married Folk.

A cherry, handsome Baltimore wife says that every married pair may be as happy as herself and her "Frank" by observing the following rules, which she calls "The Matrimonial Ten Commandments." Let each allow the other to know something. Let the husband frequent his home after business hours, allowing his latch key to gather rust through disuse. Let them be as courteous to each other as they were before marriage. Let the husband appreciate the wife as his best partner and therefore confide in her. Let each assist in beautifying the home. Let her not worry him with petty domestic troubles. Let her not fret because Mrs. Neighbor has a sealskin or hires a servant. Let her make home more pleasant than the club. Let her sympathize with him in business and be as wisely saving of his earnings as possible. To this add the good old rhymed advice and let it apply to both:

"Be to his faults a little blind;
Be to his virtues ever kind."

Making and Selling.

Anybody with money or credit and a factory and a lot of hands can make goods. It is a simple affair. The real work is in selling the goods. Here is where the advertising comes in. It is just as necessary and just as important as are the factory and the hands. The extent of any man's sales is measured by the extent and wisdom of his advertising.—Philadelphia Record.

Ready to Yield.

"I used DeWitt's Witch Hazel Salve for piles and found it a certain cure," says S. R. Meredith, Willow Grove, Del. Operations unnecessary to cure piles. They always yield to DeWitt's Witch Hazel Salve. Cures skin diseases, all kinds of wounds. Accept no counterfeits. John L. Wooten.

A SAD DEATH.

Woman Bears the Shame While Destroyer Goes Free.

On Sunday at a house of ill fame near the river, a young woman died under circumstances that are extremely sad. This young woman—or rather girl, as she was only about 17 years old—went by the name of Bessie Miller, and recently became a mother, a child not quite five weeks old being left upon the charity of the world.

Some kind people of the town looked after the needs of the unfortunate girl during her sickness and will endeavor to get someone to take the child.

The history of this girl's downfall is told us as follows: She and a smaller sister were left orphans and were placed in an orphanage. She had an aunt whose husband came to work in Greenville, and when the family came here this girl who lived with them was brought also. This uncle by marriage, instead of being the protector of the girl, took advantage of her youth and innocence and wrought her ruin, and when it became apparent that the crime would be exposed by the girl becoming a mother, she was put out of his home and placed in a house of ill fame.

During her sickness the girl was very repentant, and said if she was spared to get out of her surroundings she would endeavor to make her life what it ought to be. When it was known that she could not live it is said she made a dying statement which she had made repeatedly before, that the uncle was the author of her ruin.

The unfortunate girl asked that she might have a Christian burial. This was given her this morning in Cherry Hill Cemetery, Rev. H. M. Eure conducting services at the grave. A number of the best people of the town attended the funeral thus showing their sympathy for such a sad ending of a young life.

Humanity may let such a crime go unpunished, but God in His justice will call the author of this girl's ruin to an awful account.

Funeral of Mrs. Daniel.

The remains of Mrs. H. T. Daniel were brought from Dunn to Greenville Saturday evening, accompanied by all her children and Mr. V. L. Stephens, of Dunn.

The funeral took place Sunday afternoon four miles from Greenville, services being conducted by Rev. J. N. Booth. The pall bearers were Messrs. T. R. Moore, W. H. White, J. G. Bowling, B. J. Pulley, R. J. Cobb, and Wiley Brown.

There was a very large attendance at the funeral and much sympathy is expressed for the bereaved children.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. John L. Wooten.

WASHINGTON LETTER.

From Our Regular Correspondent

WASHINGTON, D. C. June, 21.

Cuban reciprocity is defeated, President Roosevelt is humiliated and the republican party is split in twain. Such is the practical result of the conference of republican senators held last evening.

Throughout the Cuban fight there has been evident to the close observer an underlying desire to humiliate the President. He is no more acceptable to the politicians of the party today than he was when he was "laid on the shelf" by his nomination as Vice-President and if the people can be made to believe that he is incompetent as a party leader he will be more effectually retired at the next national convention.

Last Friday the House passed the Hansbrough Newlands Irrigation bill and the Senate has agreed to the House amendments so that it requires only the signature of the President to become a law. Practically all the public land open to settlement and capable of improvement has been exhausted and by the provisions of this bill many more acres will be opened up.

The action of the Senate Committee in reporting favorably the bill of Senator McComas granting to Admiral Schley full pay instead of two thirds, or retired pay, of a rear admiral, which he now receives, will meet with the general approval of the country. In order to get a favorable report on this portion of the bill, Mr. McComas was obliged to submit to the elimination of that portion of his measure which asserted that Schley was in command at the battle of Santiago and in doing so the Senator remarked: "Well, it is a fact and one that it requires no assertion of Congress to convey to the knowledge of the grateful people of the United States."

Another naval hero who has come in for a certain reward for his services in the Spanish War is Captain Clark who commanded the Oregon in her record trip around Cape Horn and who rendered such effective assistance to Admiral Schley in the destruction of the Spanish fleet.

Mr. D. L. Ward's Card.

To the Democratic voters of the Third Judicial District: One of the cardinal principles of Democracy is that every Democrat should cheerfully submit to the will of the majority when there has been any expression of that will.

I am now satisfied that a majority of the people of this District favor giving Mr. Moore, the present Solicitor, a second term of office, as he has been and is a competent official. Although the vote in the District appears to be close, I do not consider it proper to remain longer in the field, and thus cause him to continue the arduous and exacting canvass I am informed he is making in the various counties of the District. I have not attempted an active canvass of the District, as I preferred to let my name go before the people without any active effort to influence their judgment.

Now that I am assured that a majority of the people favor the renomination of Mr. Moore, no one will support him more loyally than myself. I wish to express to my friends in Craven and the other counties of the District my grateful thanks for their loyal support. The good will and confidence of my fellow citizens is more esteemed than political office.

Very respectfully, D. L. WARD.

Ex-Congressman White to Establish a Colony of Negroes in New Jersey.

Henry C. White, the last colored man to sit in Congress, a member from North Carolina, in both the Fifty fifth and Fifty sixth Congresses, is reported to be at the head of a syndicate which has purchased from Senator Robert E. Hand, 957 1/2 acres of land near Burleigh, N. J., near Cape May. It is intended to establish a colony of negroes from North Carolina. The name of the town is to be Whiteboro. Already several avenues have been laid out. Each colonist is to buy a house on the installment plan, and is to have ten years in which to pay for it. It is to be an agricultural colony on the same plan as the Jewish colony at Woodbine, founded by the Baron de Hirsch fund trustees. —New York Dispatch.

New Lease of Life for an Iowa Postmaster.

Postmaster R. H. Randall of Dunlap, Ia., says: "I have been a great sufferer from indigestion and resulting evils for years. Being unable to obtain permanent relief, I resolved to try Kodol Dyspepsia Cure. Before I had taken one bottle I knew I had found what I had long looked for. After a few bottles I was cured of a soreness in my left side that I had not been free from for over ten years. I am better today than for years. Kodol Dyspepsia Cure has given me a new lease of life. "If any suffering person will use Kodol Dyspepsia Cure, I believe, if it is a diseased stomach from which they suffer, that they will receive permanent relief. Anyone wishing can have a sworn statement as to the genuineness and truthfulness of this statement."

This testimonial is the voluntary statement of a man who has suffered, found relief and wants others to receive the same benefits. Kodol Dyspepsia Cure will cure any case of stomach trouble. It rests the stomach by digesting what you eat. The rest alone would restore health. But Kodol Dyspepsia Cure also contains tonics which build up the organ and hasten the good results. You don't have to diet. Kodol Dyspepsia Cure will digest what you eat. Helps children, too.

U. S. District Attorney Harry Skinner went to Raleigh today.

M. R. Lang, of New York, who was visiting S. M. Schultz, left this morning.

V. L. Stephens, of Dunn, came in Saturday evening and returned home this morning.

Dr. D. L. James returned this morning from Raleigh, where he had been attending the State Dental convention.

W. O. Howard, of Tarboro, came down Saturday evening and spent Sunday with J. G. Moye, returning home this morning.

Rev. A. D. Hunter, who made a talk in the Baptist church, Sunday morning, on the centennial educational movement in this State, left Sunday afternoon for Winterville.

Meeting Closed.

The meeting which Rev. D. W. Davis has been conducting for nearly three weeks in the Christian church closed Sunday night and he left today for his home at Pantego. The meeting was well attended, excellent sermons were preached, and it is hoped much good will follow.

The visible result during the meeting was one accession to the church, and the ordinance of baptism was administered to Mr. Henry T. King by Rev. Mr. Davis this morning.

Deaths.

Saturday evening Mr. J. White received a telegram from Hertford announcing the death of his brother, Mr. Darius White. The latter was some years ago a resident of Greenville and is well remembered here.

A telegram from Raleigh this morning announced the death of Mrs. W. H. Norris, mother of Mrs. J. N. Booth. Mrs. Booth left some days ago to be at her bedside. Mrs. Norris was a sister of the great missionary, the late Matthew T. Yates.

Outrageous.

Sunday morning a white woman was detected taking from graves in Cherry Hill cemetery vases, dishes and other receptacles for flowers. It has been noticed for some time that such articles placed on graves to hold flowers were being stolen, and Sunday morning a gentleman watched the cemetery with the above result. Nothing more outrageous and depraved than robbing articles from graves can be imagined, and it is shocking to think that such stealing goes on in our midst. We do not see how any one with ordinary respectability can even take flowers from the cemetery, much less articles from graves.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.
