

RICKS & WILKINSON

Great Cut in Prices of High Class Wash Dress Fabrics and Silks

Although most houses wait until the end of the season to make reduction, it has never been our policy to do so. We put a time limit on goods, and if not sold within that period, they must go. This week we offer among other great values many of our finest novelties at prices far below cost of importation, an opportunity customers can thoroughly appreciate with the season all before them.

All of our White Goods, Lawns, Dimities, Silks, Chiffons, Mercerized Gingham, Piques, in white and figured, have been reduced 25 per cent.

Also 10,000 yards Challoys and Scotch Lawns 4 1/2 yard. Fine sheer quality, pin dots, rosebud all over effects, fancy stripes and figures, white and tinted, full assortment. Lot not broken. (This quality elsewhere 7c yd.)

GIVE IT TO THE HOSPITAL.

EDITOR REFLECTOR:

The question of a hospital for Greenville and Pitt county, has been discussed for several months and while we have had several liberal donations the people as a whole, seem to take very little interest in the matter. All agree that it would be a great blessing to the town and community, but very few are willing to go down in their pockets and help build and furnish it, and unless this is done, we will never have any hospital and Greenville will miss another opportunity for advancement.

A well equipped hospital would be a great benefit and blessing to every class of our people and all should be willing to contribute liberally to such a worthy charity.

I offer this as a suggestion if every man and woman who has paid the bond and school tax, will agree that the same shall be turned over to the hospital fund, the question will be settled and we can build a hospital. I have talked the matter over with several of our largest tax payers and they are willing to contribute the amount of their taxes to this fund.

I feel sure that those who have not paid their bond and school tax will be willing to contribute the amount of the tax to this fund and if so, it will in truth and in fact, belong to all the people of Greenville, and will be a lasting monument to this generation.

Poor Little Innocents.

To a great extent our schools are conducted on the theory that all children can learn the same things and in the same way, but all parents know that this is not the case. Children's minds are as variant as their faces or their bodies. What one can learn easily another cannot learn at all, or only after long and laborious effort. But our school system, to a large extent, at least expects all juvenile needs to run in the same channel and all juvenile capacity to be equal. Whether there is a remedy for this real obstacle to thorough education is a grave question. As a general thing, our schools are so crowded that the teachers cannot find the time to study and humor the requirements of each individual pupil's mind. There may be no remedy for this condition, but we must admit, as the Hartford Times says, that many of our schools "tends almost inevitably to become a factory rather than a studio."—Montgomery Advertiser.

'One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles,' says D. Scott Curran of Loganton, Pa. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs. Game of Fish Pond.

This is an amusing little parlor game which needs no materials and is warranted to create lots of fun and noise, which is almost the same thing.

The pond is a portion of the table bounded by a slipnoose, and the fishes are the fingers of the players. The noose is fastened to a rod held by the fisherman. At an un-

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.

Ready to Yield.

"I used DeWitt's Witch Hazel Salve for piles and found it a certain cure," says S. R. Meredith, Willow Grove, Del. Operations unnecessary to cure piles. They always yield to DeWitt's Witch Hazel Salve. Cures skin diseases, all kinds of wounds. Accept no counterfeits. John L. Wooten.

PERSONAL NOTES

Brief Mention of People Met With in the Social World

E. H. Shelburn went to Scotland Neck today.

Jesse Speight went up the road this morning.

B. F. D. Albitton, of Hookerton spent today here.

Miss Mary Moye, left this morning on an extended trip north.

Mrs. L. H. Pender went to Tarboro this morning to visit relatives.

Mrs. W. F. Harding and little child left this morning for Chapel Hill.

Mrs. Martha Latham came in this morning from Centerville to visit friends.

Maj. H. Harding has gone to Hyde county where he delivers a Masonic address on the 4th.

Misses Sudie Harding and Emily Higgs, J. B. Harding and T. A. Duke left this morning for the water tank.

Miss Lizzie Anderson, of Ayden, who has been visiting Mrs. W. H. Ricks, returned home Wednesday evening.

Miss Mary Austin, of Tarboro, Miss Nina White, of Hobgood and R. J. Howard, of Conetoe, are visiting Mr. and Mrs. J. G. Moye.

Quite a Contrast.

C. B. Whichard set a hen on 18 eggs, and a day or two ago she came off with 19 chickens. He set another hen on 15 eggs, and she came off with only one chicken. You can't always count on a hen.

A Good Company.

W. A. Fleming, agent of the Union Central Life Insurance Co., of Cincinnati, is spending a few days in this section in the interest of his company and is meeting with much success in writing insurance. Many people hereabout hold policies in the Union Central and regard them as the best. Mr. Fleming goes from here to Roanoke Rapids to pay a death claim on a policy that had lapsed for three years, yet was kept in force by the extended insurance feature of the Union Central. No other company offers better advantages than the Union Central.

Died.

Little Mavis, Eura aged two years and seven months daughter of Rev. and Mrs. H. M. died last night at 10:45 at the Methodist parsonage of diabetes mellitus. The little girl had been a great sufferer for several months and the end was not unexpected when the angel of God called her spirit from earth to rest in Heaven.

The friends of the grief stricken parents are pained to know of this sorrow which has come to them, and sympathize with them in their loss.

The funeral was held in the Methodist church this afternoon at 5:30 o'clock, after which the remains were interred in Cherry Hill cemetery.

The services were conducted by Rev. F. A. Bishop assisted by Rev. J. N. Booth.

The following Stewards of the church acted as pall bearers: Messrs. J. L. Little, G. E. Harris, A. A. Andrews, J. R. Moye, J. A. Ricks, A. B. Ellington, W. F. Harding and L. H. Pender.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. John L. Wooten.
