RICKS & WILKINSON

Great Cut in Prices of High Class Wash Dress Fabrics and Silks

Although most houses wait until the end of the season to make reduction, it has never been our policy to do so. We put a time limit on goods, and if not sold within that period, they must go. This week we offer among other great values many of our finest novelties at prices far below cost of importation, an opportunity customers can thoroughly appreciate with the season all before them.

All of our White Goods, Lawns, Dimities, Silks, Chiffons, Mercerized Gingham, Piques, in white and figured, have been reduced 25 per cent.

Also 10,000 yards Challeys and Scotch Lawns 4 1/2 yard. Fine sheer quality, pin dots, rosebud all over effects, fancy stripes and figures, white and tinted, full assortment. Lot not broken. (This quality elsewhere 7c yd.)

The Sooner the Better.

A newspaper correspondent up the State, noting the fact that work is shortly to begin on the new double track of the Southern between Lynchburg and Charlotte, makes the point that the tobacco crop will be short next season because farmers cannot depend on their negro help to remain on the farms when the call comes for railroad hands. It is a point that North Carolina farmers should bear in mind. It is time they gave some attention to the question of improving their help. Many of the Western States are encouraging the settlement of a foreign element. Swedes, Norwegians and Germans make excellent farmers and good citizens. They are honest, industrious and steady, a majority of them born tillers of the soil, and they look eagerly forward to homes in this country. The negroes cannot be depended upon; Southern farmers have learned that lesson well, and it is time that they were profiting by it.—Charlotte News.

CONTEST CLOSED.

Kinchen Cobb the Winner, Clifford Tyson Second.

The subscription contest between the carrier boys of THE DAILY REFLECTOR that has been in progress for a month, closed Thursday night. The result has been very gratifying, as it has added a good number of new subscribers to the paper.

While we have three carrier boys, only two of them engaged actively in the contest, not because all of them did not have an equal chance, but possibly because of the timid and retired nature of one of them. The number of monthly subscriptions reported by the boys is as follows:

Kinchen Cobb	48
Clifford Tyson	28
John Bagwell	2

The boys have been given a commission on the subscriptions brought in, and this morning Kinchen was given \$2.50 in gold as the first prize and Clifford was given \$1 in silver as the second prize.

We want to congratulate the boys upon the excellent canvass they made and the success with which they met. They have done well and THE REFLECTOR is proud of them. They have enjoyed the contest and beside what they made out of it they got a lesson in hustling that may be useful to them through life.

THE DAILY REFLECTOR is glad to add so many new names to its subscription list, and we hope all, or at least most of them, will continue to be regular subscribers. This is where the paper expected to get the most benefit from the contest, by getting more people in the habit of reading the paper and having them for regular subscribers.

We will appreciate it if all who gave their names to the carriers will tell them to continue taking the paper to them. The boys will continue to get pay for getting subscriptions. If any do not want it continued to them please let the carriers know, but we hope all will continue taking it.

Congressional Convention.

By order of the Executive Committee of the First Congressional District, a Convention of the Democrats of the First Congressional District is called to meet at Plymouth, N. C. Wednesday, July 30, 1902, at 3:30 p. m. for the purpose of nominating a candidate for Congress.

W. B. RODMAN,
Chairman, Dem. Congressional Ex. Com.

During the twelve months ended June 30th, the total value of products exported from Wilmington was \$11,102,171. This exceeds the value of exports from Charleston and Norfolk, and with the exception of Savannah, Wilmington does the largest export business of any South Atlantic port.—Wilmington Messenger.

Leads Them All.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says D. Scott Currin of Loganton, Pa. One Minute Cough Cure is the only absolutely safe remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take Children like it. Sure cure for grip, bronchitis, coughs. FRIDAY, JULY 4, 1902.

The Second Congressional District convention at Tarboro Wednesday unanimously renominated Hon. Claude Kitchin.

Two old inmates of the Soldier's Home, at Raleigh, had a fight over a pencil and one cut the other's throat. They were both from Franklin county and cousins.

We heard a man of the world say to a minister, the other day, that if the churches of Greenville wanted whiskey out of the town they could get it out. It is up to the churches.

The Government report on the condition of the cotton crop, issued Thursday, places it at 84, a falling off from 95 last month. This makes a poor outlook for cotton, taking in the whole cotton producing area.

Recently the Southern Bell Telephone Company made application to operate in Henderson. The Board of Aldermen refused to admit them on the ground that the town already had one telephone system, and two systems in the same community are undesirable and impose double tax on the people without resultant good.

That is a good suggestion made by a correspondent that the people of Greenville let what money they have paid for bond and school taxes go to the hospital. They have paid these taxes not expecting at the time to get them back, and even now that the Supreme court has decided against the bonds and school bills, there is no telling when the taxes will be returned to the payers. It cost the town \$225 to collect these taxes, and a matter that has been agitating the Aldermen is how, when the time for refunding comes, it can be paid back without costing as much more. Just let every payer agree for the money to go to the hospital fund and the Aldermen can order it turned over in a lump without any cost at all. In this way the whole town will contribute to the hospital in exact accordance with the ability of every person, and will not miss the money. If the people will agree to this the hospital will be built in a short while.

Ready to Yield.

"I used DeWitt's Witch Hazel Salve for piles and found it a certain cure," says S. R. Meredith, Willow Grove, Del. Operations unnecessary to cure piles. They always yield to DeWitt's Witch Hazel Salve. Cures skin diseases, all kinds of wounds. Accept no counterfeits. John L. Wooten.

Three fights in town yesterday and one biting match.

Dry weather is again visiting us and is doing great damage.

Mrs. T. A. Carson spent Sunday in Tarboro on business.

About one thousand negroes were turned loose in town Sunday. It was a very dark day.

The old potatoe train still continues to run. We must feed the Yankees.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Mountsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.

THE COLORED FIREMAN.

A Liberal Donation to Them.

Capt. F. M. Hodges and Chief R. Hyman met with the Red Hawk and Rough & Ready fire companies at their meeting June 30th. Business was suspended to listen at remarks from these gentlemen.

Capt. Hodges stated that the town did not take the interest in the fire companies that ought to be shown. He also gave the companies his check for \$25 which they appreciated most highly. The thanks of both companies were extended to Capt. Hodges for his gift.

We acknowledge that the colored people as a rule are quick to forget and do not realize who their real friends are, but the undersigned don't forget his friends.

WILLIS CLARK,
Capt. Red Hawk Co.

Judge Clark Nominated.

The total vote in the Democratic state convention will be 1,237, of which 619 will be necessary to a choice. As Wake county, where Judge Clark resides gave him last Saturday her solid 38 votes, so his native county of Halifax on Tuesday gave him her solid 44 votes, and carried him beyond the 619 necessary, and by a singular coincidence has named him for Chief Justice. Thus, by the unanimous voice of the people who knew him best—Wake and Halifax—has he been unanimously sustained, as he has been by so many other counties. In only one county, in which a vote has been taken, has he fallen short of a majority, and in nearly all the vote has been unanimous.

In the counties in which no vote was taken on chief Justice, Judge Clark is known to have at least 75 votes, making his vote in the 57 counties which have so far held conventions over 700.

In the 40 counties yet to hold conventions it is confidently believed he will receive over 400 votes, making his total over 1,100 out of the 1,237. He has had no opponent, but 27½ votes have been instructed for Justice and 6½ for Shepherd, all in the counties which were not unanimous.—News and Observer.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. John L. Wooten.
