Great Cut in Prices of High Class

Wash Dress Fabrics and Silks

Although most houses wait until the end of the season to make reduction, it has never been our policy to do so. We put a time limit on goods, and if not sold within that period, they must go. This week we offer among other great values many of our finest novelties at prices far below cost of importation, an opportunity customers can thoroughly appreciate with the season all before them.

All of our White Goods, Lawns, Dimities, Silks, Chiffons, Mercerized Ginghams, Piques, in white and figured, have been reduced 25 per cent.

Also 10,000 yards Challoys and Scotch Lawns 4 1/2 yard. Fine sheer quality, pin dots, rosebud all over effects, fancy stripes and figures, white and tinted, full assortment. Lot not broken. (This quality elsewhere 7c yd.)

The way tobacco flues are leaving here is a sight. To be sure everything has turned to tobacco or the other flue makers are not even in it.

The A. G. Cox Mfg. Co. is so overcrowded with orders that all the hands are putting in extra time. Their patrons may rest assured that everything that can be done will be done to protect their interests.

After boycotting a church because the pastor refused to order a non union man to leave the church, some of the strikers in the anthracite mines have threatened to boycott the doctors who attend the sick in the families of the non-union miners. It's this way these foolish men lose public sympathy.—Wilmington Star.

#### Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.

The "privilege" tax that North Carolina charges a man who wants to engage in business ought to be abolished as soon as possible. People who want to do business ought to be encouraged not punished.—Winston Journal.

The following resolution was introduced:

Whereas, Pitt county has faithfully stood by the candidates for Congress in this district which have been named from our sister counties for many years past and has given them at all times its hearty support; and whereas Pitt county now has a son whom she feels proud to honor with this distinguished position, one who has been faithful to the calls of the party from the time he attained his majority, and has faithfully performed such duties as he has been called on to do:

Now, therefore, be it resolved, that it is the sense of this convention that Pitt county will present to the next Congressional convention of this district the name of Hon. F. G. James as a candidate for the nomination for Congress from this district, and that the delegates from this county to the Congressional convention be instructed to use their best efforts to secure his nomination.

At the request of Mr. James this resolution was withdrawn, and he offered the following as a substitute therefor which was adopted:

We, the delegates to the Pitt county convention, in convention assembled, desire to express our appreciation of the able services Hon. John H. Small has so faithfully rendered as Congressman from the first Congressional District. Therefore be it resolved: 1st. That we most heartily endorse his candidacy for renomination.

2nd. That the delegates appointed by this convention to the Congressional convention to be held at Plymouth on the 30th of this month be instructed to cast the vote of Pitt county for John H. Small.

The Best Prescription for Malaria Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteful form. No cure, no pay. Price 50c.

The Asheville Citizen says the danger to the Democratic party is in Democratic dissensions. And that's the truth. Let us keep them down. Let us respect the opinions of those from whom we differ and not spend too much time looking for questionable ulterior motives or picking out flaws in opponents. Don't make any unnecessary sore spots. There never was a time when we didn't need votes on election day.—Winston Journal.

### MICHAUX FOR CORPORATION COMMISSIONER.

GREENSBORO, N. C., July 4, 1902.  
To the Democrats of North Carolina:

Guilford county will present to the Democratic State Convention for the office of Corporation Commissioner the name of Mr. John S. Michaux, and will ask with great confidence for his nomination. Mr. Michaux has spent his life in this county, where his father, the Rev. John L. Michaux, of the Methodist Protestant church, for a great number of years was the leading journalist, and his life is an open book to the citizens of this county. He is pure, upright, straightforward and the very soul of honor. No man was ever truer to his friends or more disinterested and unselfish in his actions. He is bold and fearless in the discharge of his duty, and without any overpowering prejudices which would unfit him for the dealing out of equal justice to all. Mr. Michaux is eminently fitted for the position by his training and experience in taxing matters, and will make an able and efficient officer. And, last but not least, he is a Democrat by tradition, birth, education and practice, and the party has never called on him in vain. For these reasons we most earnestly beg the party to honor Guilford county, the Fifth Congressional district and the Piedmont section of North Carolina, and at the same time honor itself by choosing Mr. Michaux for this important position.

John N. Wilson, John Gray Bynum, A. M. Scales, Levi M. Scott, John A. Barringer, E. R. King, A. B. Kimball, W. R. Land, Z. V. Taylor, Jas. T. Morehead, John J. Nelson, John L. King, Chas. M. Stedman, C. G. Wright.

Elias Warren and Joseph Warren, sons of the late Elias Warren, of Chocowinity, and brother of Ivey Wrrren, a resident of this city, were drowned in Tar River at Tarboro yesterday. Both of the brothers were in the river bathing. While in the river Joseph was taken with a fit and his brother, who did not know the art of swimming, went to his rescue, with the result both were drowned. Joseph was 25 years old and Elias 21. Their bodies were recovered and their remains brought here today on the noon train and taken to Chocowinity, their old home, for burial.—Washington Messenger, 7th.

EDITOR REFLECTOR:

We desire to express our appreciation of the assistance rendered us by the kind hearted people of Greenville in making it possible for us to provide a Christian home for the motherless infant of the girl known as Bessie Miller, who died here two weeks ago. The case ought to be an object lesson to our citizens of the awful need of a hospital in our town, for this poor girl might have had the ministrations of Christian women and the care that is usually given a decent dog, whereas she was totally at the mercy of anybody, and suffered terribly in consequence. No person in Greenville can be absolutely sure that some one they love may not be in as deep need, and with as little ability to get human treatment. In God's name let us give up so much self seeking and strive to do unto our brother as we would be done by.
