TRIBUTE TO T. C. MANNING.

A gentleman at Way Cross, Ga., sends THE REFLECTOR the following tribute to Mr. T. C. Manning, who died in that town a few days ago:

Thomas Caswell Manning died at Way Cross, Ga., on the night of Sunday, July 6th last. His former home was near Greenville N. C. He was the son of the late Malcolm G. Manning, of Pitt county, and was born on November 21st, 1867. He was married to Miss Effie Carpenter, of Aiken S. C. March 7th, 1897.

During the latter years of his life he resided and did business in Waldo, Fla., and Way Cross, Ga., and for one and a half years immediately preceding his death he was proprietor of the Phoenix hotel at the later place. The respect and kindly feeling entertained for him by his many patrons bear testimony to the unfailing courtesy and affability which characterized him. These and other admirable qualities which he possessed were not assumed and laid aside at will, as occasion might require, but he was the courteous gentleman with all people at all times.

His death resulted from a complication of diseases beginning with neuralgia of the heart and ending with typhoid fever. He became convalescent from one only to be attacked, by another. He bore his entire suffering which lasted for six weeks with extraordinary courage and fortitude, his solicitude for those in constant at-

tendance upon him seeming throughout to outweigh consideration for himself. In all the relations of life, as a citizen, in business, in his own home circle, Mr. Manning has left behind him an irreproachable record, no harsh, no unkind memories of him survive.

Funeral services were held in the parlors of the Phoenix Hotel on the morning of July 7th and his remains were conveyed by train to Waldo, Fla., and there interred. He has left a widow and two small children, five sisters and two brothers, and to them the fullest measure of sympathy is extended. Such comfort as comes from the reflection that the chapter of a human life has been such as to defy the closest scrutiny and that the end, be it where it may, amidst strife or within the sacred precincts of home has been that of the hero, may well be the portion of Mr. Manning's sorrowing relatives.

A faint heart may never won a fair lady, but five of them have won many a jackpot.

Vacation Days.

Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds and wounds. "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits, J. L. Wooten.

A HOT DAY

And still there's more to follow. Whether you are picking raspberries in the White Mountains or dreaming dreams in the valley of the Wyoming, or sweltering in town, you'll be glad you bought one of these cool, stylish and fashionable "FEATHERWEIGHTS," Nobody ought to go without comfortable clothing—it is all here—everything in the light weights and next-to-nothings—and the price doesn't stand in the way. We have fitted many. Why not you. We wait your coming with perfect confidence, as we are sure from our extensive assortment we will fit you satisfactorily. Come here for your coolers in SUITS, COATS TROUSERS, SHIRTS, HOSE, THIN UNDERWEAR, STRAW HATS, etc. DON'T BRING MUCH MONEY, you don't need it.

WEDNESDAY, JULY 16, 1902.

CLAUDE KITCHIN.

Claude Kitchin of the second congressional district is making for himself quite a reputation, as witness the following very flattering paragraph from the Washington correspondence of the Raleigh Post of 13th.

Congressman Claude Kitchin of the second district will enter the national campaign, having agreed to make several speeches in the middle west. Chairman Griggs was very anxious to have Mr. Kitchin give a part of his time to the congressional committee, for he had heard members of the State committee of the state committee say he is one of the best campaigners in the State. Splendid speaker that Mr. Claude Kitchin is his voice was not raised at the past session of Congress. It was not modesty or fear of debate that sealed his lips. The first week of Congress Mr. Kitchin made known his intention that he would not speak during the session. This is a policy pursued by many members of Congress. The reputation of the representative from the second district did not suffer, but on the contrary he made himself extremely useful and popular. Some of his friends twitted him with the remark that he had not missed a roll call during the session. Undoubtedly he answered as many roll calls as any other member of Congress, and possibly more. When Mr. Kitchin was elected there was not a rural free delivery route in his district. Now he has routes in every county in the district and will soon have another inspector to map out more. Superintendent Machen told him he made a record in securing routes for his district. In this and other respects Mr. Kitchin impressed himself here as a worker. He gave much of his time to the committee on claims, which meets frequently and has a great deal of laborious work. The Representative from the second is one of the coming young men of Congress.

The Chamber of Commerce of Kinston are taking steps to induce the Atlantic Coast Line to put on a morning passenger train into Kinston over this road, and an evening train out of Kinston. Greenville is, or ought to be interested in this movement. A year ago when Mr. Borden, of the Coast Line, was here to confer with a representative committee of citizens relative to improving the service and connections of their road, one of the matters discussed was the Kinston people are now moving for. At the time he said that was impracticable, but if the Kinston people are asking for it Greenville might unite with them and

a strong petition from both towns would be effective.

There is no use arguing the benefit this additional train would be to Greenville and to our tobacco market. Many farmers up the road who go elsewhere, would sell their tobacco in Greenville if they could come here in the morning and return home in the evening. This would mean increased business for the railroad and increased business for the town.

And then we often hear traveling men speak of the inconvenience of coming into this section because we have only one passenger train a day. Every town along the road might join in this movement for all would be benefitted. Certainly Greenville should co-operate in the effort, and not be long about it.

All are now waiting to hear from the State convention at Greensboro.

Looks like the State base ball league is about to bat or run itself out of existence. Only three clubs are left in it now and they create little interest.

The big lumber plant of the Parmele-Eccleson Co., at Jacksonville, was destroyed by fire Sunday night. Only the outside lumber and dry kilns were saved.

Our Friend The Young Man Again.

There are to-day millions of chances for the young man, but they may not all be on Easy street—they never were. The middle man groans and sweats because the trust has knocked him higher than Haman—but that's the new condition. He lives in luxury because he made his money by buying from the producer and selling at an enormous profit to the manufacturer.

The trust has played havoc with him—and he moans in his anguish that the young man stands no show. No show for what? No show to place the price on the farmer's product, and then demand his own terms from the manufacturer. The young man stands a show and a good one to-day—if he masters his profession or his trade and goes in to win. He must cut out rum and kindred folly and get his nose to the grind stone and work as his father worked and not half as hard as his grandfather worked to make a bare existence. Competency is always in demand and always will be. Drones and counterfeits and pretenders stand no show. In this day of big fortunes and prosperity the people demand the best—they have money to pay for it and it must come. Yet, notwithstanding, the young man who will find his place stands all the show he needs—and as good a chance to succeed as ever in the world's history.—Everything, Atlanta, Ga.

A good name is more to be prized than great riches, but it's much the same thing on a check.

Poisoning the System.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dulness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress, Jno. L. Wooten.

If there are any preachers who are not paid their salaries promptly, we suggest that they exhort their congregation in these words of an old colored divine: "Bred-reu an' sistern, de wotter uv life is free; but I axes yer, how is yer gwine ter git et, ef yer doan pay fur de hydrant?"—Raleigh News & Observer.

Acts Immediately.

Colds are sometimes more troublesome in summer than in winter. It's so hard to keep from adding to them while cooling off after exercise. One Minute Cough Cure cures at once. Absolutely safe. Acts immediately. Sure cure for coughs, colds, croup, throat and lung troubles, Jno. L. Wooten.

Ensign Lyman A. Cotten, of the U. S. Navy, has arrived at his old home, Cottdale, where he will spend (we say delightfully) several weeks on waiting orders from the Navy Department.

Tom Edison says when he gets his storage battery to running people can for about \$700 have an automobile that will not require any oats, hay or grooming, and can be run at an expense of about 50 cents a week. CONSIDERABLE DAMAGE.

Crops Destroyed and a Mule Killed.

Later reports from the wind and hail storm, Tuesday evening, show that considerable damage was done. The area covered by the hail was fortunately not large, but so far as it extended destruction followed. The worst of it seemed to be near Mt. Pleasant church and a little to the north of there.

The greatest sufferers were Mrs. Nona Brown and Mr. W. J. Fleming, on both of whose farms the crops were literally ruined.

On Sheriff O. W. Harrington's farm several buildings, including stables, were blown down, killing a mule and injuring his drive horse.

Mr. L. A. Mayo and one of his tenants were caught out in the storm and both were painfully bruised by the hail stones.

Mrs. Belcher Dead.

A message received here this morning announced the death of Mrs. Bettie Belcher, which occurred about 9:30 o'clock at the home of her nephew, Mr. M. T. Speir, near Pactolus. Mrs. Belcher was 76 years old and had been in poor health for sometime. She was the widow of the late Mr. Benjamin Belcher, of Pactolus, and an aunt of Mrs. W. H. Bagwell, of Greenville.

Mrs. Belcher was an excellent woman and had a large number of friends around her home and here in Greenville.

The burial will take place in the Spear burial ground, near Pactolus, Thursday afternoon at 5 o'clock.

Died.

Mr. Sherrod Smith, a young man of Beaver Dam Township, aged about 21 years, died early this morning of typhoid fever. He was a son of the late Mr. Jesse Smith, and a half brother of Messrs J. S. and W. H. Smith, of this town. The burial took place this afternoon.

Mother Always Keeps It Handy.

"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. J. L. Wooten.
