### PARTIES.

#### Misses Warren Entertain.

On Monday evening Misses Susie and Myrtle Warren gave a very enjoyable party to their many friends of Greenville at the home of their grandparents, Mr. and Mrs. S. B. Wilson. The main feature of the evening was a guessing contest in which there were six who tied. Misses Essie Whichard, Lillian Carr, Lee Brown, Bettie Russ, Mary Shelburn and Mattie Moyer King. The latter drew the lucky number and received a very beautiful picture. The "booby" a rag doll, was won by Earl Forbes. After several games of croconol and carom were played, they were invited in the dining room where most delightful refreshments were served. Among those who took part in the evening were the following:

Misses Hennie and Essie Whichard, Mattie M. King, Lillian Carr, Ella Wells, Lee Brown, Mary Shelburn, Lillian Burch, Ellie Brown, Florence Blow, Bettie Russ, Lucille Cobb, Mildred Carr, Willie Ragsdale, Alexander Harper, Sherwood Ragsdale, Bascom Wilson, Cecil Cobb, Lee Shelburn, Willie Wilson, Mercer Tyson, Earl Williams, John Bagwell, Earl Forbes and Ben Bryan.

#### MISS BAGWELL AT HOME.

Wednesday evening from 8 to 11 o'clock at the home of Dr. and Mrs. W. H. Bagwell, their daughter, Miss Fannie, entertained a number of friends complimentary to Miss Mattie Phillips, of Kinston.

The prize contest of the occasion was viewing an observation table and writing from memory the names of the articles it contained. Miss Helen Forbes remembered the largest number and won first prize, Miss Mattie Phillips winning the booley.

After the contest and games, refreshments and fruits were served.

Those present were Misses Margaret Skinner, Ethel Cheek, Maie Schultz, Nellie Pender, Bessie Sledge, of Tarboro, Hennie Whichard, Lizzie Higgs, Lillian Burch, Ella Wells, of Wilson, Katie Tunstall and Mattie Phillips, of Kinston, Frank and Durwood Wilson, Will Lipscombe, Hugh Ragsdale, Leon Pender, Preston Tyson, Clefford Tyson and Earl Williams, of Baltimore.

"Some fellows marry for money, and some for love," says the Manayunk Philosopher. "Others split the difference and marry for love of money."

The most striking effect of the Dingley tariff is that it enables the foreigner to buy American made goods cheaper than our own people.

At the Vance county Republican convention Monday, colored men conducted the entire proceedings. Only one white delegate was present and he did nothing but vote.

A new cotton bug has made its appearance in Mississippi and is said to be doing much damage. The planters are greatly alarmed for the safety of the cotton crop if the bugs are not destroyed.

#### An Appeal.

A Mississippi editor makes this appeal to delinquent subscribers: Fish down in your pocket and dig up the dust, the editor is hungry and the paper about to bust. We've trusted you for several years, and did it with a smile, so just return the compliment and trust us for awhile. Our wife she needs stockings, and the baby needs a dress; Jimmy needs some breeches, and so do Kate and Bess. Bud is on the hog train and Peggy is sick with grief; say, isn't it possible to give a man relief? Shell out those nickels and turn loose the dimes, turn 'em loose and whistle and we'll have better times; there will be fewer patches on the bosom of our pants, and we'll make the paper better if we had half a chance. Don't give us that old story long gone to seed, 'bout taking more family papers than the family want to read; but help to feed the printer, and he'll help our town to grow, and thus escape the sulphur in the regions down below.

#### A Prompt Settlement.

GREENVILLE, N. C., Aug. 2, 1902.  
H. A. White, Agent, Greenville, N. C.

Dear Sir:—I beg to acknowledge receipt of check for \$5,000 and wish to extend to the Penn Mutual Insurance Company, through you their Agent, my sincere thanks for the very prompt manner in which they settled the death claim of my late husband, John Flanagan.

The Penn Mutual was the first of the three companies in which he carried a policy to settle. It has only been ten days since proofs were mailed your Company, and such a prompt settlement as this should commend the old Penn Mutual to the insuring public.

Very truly,  
MARY W. FLANAGAN.

THURSDAY, AUGUST 7, 1902.

A merry-go-round at Charlotte was struck by lightning, Wednesday, instantly killing the engineer and nearly killing two other persons. The same carousal was run last Sunday and Charlotte has had much discussion of it. Guess this stroke of lightning will remind it not to run anymore on Sunday.

The Democratic State Executive Committee met in Raleigh Tuesday and re elected Hon. F. M. Simmons as chairman, A. J. Fields, of Raleigh, was elected secretary of the committee. The Central committee was chosen those from the first district being E. F. Lamb, of Elizabeth City; R. W. King, of Greenville; R. R. Cotten, of Bruce; L. T. Lawrence, of Murreesboro.

His many friends over the State regret to learn of the serious accident that befell Judge John Gray at Greensboro Tuesday night. He started to go down stairs from a club room when he stumbled and fell head long down the entire flight of steps, his head striking on the pavement. The base of his skull was fractured and one shoulder broken, and he has since been in a critical condition.

Cuba contains about, but very little more than, the same number of square miles as North Carolina. Its population as to number of inhabitants is about the same. In industrial development, outside its sugar and tobacco and sugar plantations, by no means approach North Carolina. And yet it is estimated that \$27,000,000 revenue will be required to "run the government" of the island the next fiscal year. North Carolina raises less than four millions of dollars a year for all state, school and county purposes, including interest on state and county debts and pensions, and this even leaves an unpleasant taste in the mouth. What the Cubans can do, by way of government, to require twenty-seven millions, or seven times more than North Carolina, we are at a loss to understand. The "President of the Republic," we believe, only receives or is booked to receive \$25,000 per annum, six times more than the governor of North Carolina is allowed. If the people of the Pearl do not rise and demand an honest government economically administered, those who control public sentiment there are more fit for treason, certainly for stratagem and spoils, than to direct a free and independent people.—Raleigh Post.

Orders for JOB PRINTING are solicited. Best work.

**Supt. Joyner's Letter Regarding School Fund.**

State Superintendent of Instruction, J. Y. Joyner has sent out the following letter to County Superintendents and County Boards of Education:

"Since the decision of the Supreme court in the case of Hooker et al. vs. Town of Greenville, some confusion seems to have arisen in regard to the distribution of the school fund. In response to numerous inquiries from County Superintendents, members of Boards of Education and others. I have deemed it necessary to send out this letter of instruction. In the case referred to above, the question of the distribution of the school fund was not directly at issue, therefore, what the court says upon that subject is what the lawyers call a dictum instead of a decision. Section 24 of the Public school Law of North Carolina, directs the County Boards of Education to apportion the school fund of the county to the various townships per capita. It further directs them to distribute and apportion the school money to each township so as to give to each school in said township for each race the same length of school term, as nearly as may be, each year, and to have proper regard for the grade of work to be done and the qualifications of the teachers required in each school for each race, and fix the maximum salary for each school in the county. This law having been legally enacted by the Legislature, must be assumed to be constitutional until it is expressly decided by the court to be unconstitutional. I cannot think that what appears to be a dictum of the Supreme Court upon a question not directly at issue, in a case involving the constitutionality of a special act of the Legislature, applicable only to a particular locality, can be understood, or was intended by the court to be understood, as setting aside Section 24 of the General School Law of the State, and radically changing the entire method of distribution of the school fund. Therefore, I feel it my duty to instruct County Boards of Education to continue to apportion the school fund as directed by the Public School Law of North Carolina."

**Notice.**

To the Democratic voters of Pitt county.

I take this method of announcing my candidacy for the nomination for Register of Deeds of Pitt county subject of course to the action of the County Convention when it meets.

I have been a voter since 1871 and have always tried to do my whole duty as a good and loyal Democrat and if nominated and elected I will try to perform the duties of the office to the utmost of my ability. Thanking my friends in advance for their support, and awaiting the action of the Convention, I am for the best interest of the Democratic party.

Get a free sample of Chamberlain's Stomach and Liver Tablets at Wooten's drug store, Greenville, and Farmville Pharmacy, Farmville. They are easier to take and more pleasant in effect than pills. Their use is not followed by constipation as is often the case with pills. Regular size, 25c. per box.

**Not Over-Wise.**

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's colic, cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy Farmville, N. C.

An office boy who is taken on trial often proves to be one.

**Dysentery Cured Without the Aid of a Doctor.**

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's colic, cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Some men are so busy looking for a position that they have no time to work.

**To My Friends.**

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words can not tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. John L. Wooten.

Distance doesn't lend enchantment to one's view of a silver dollar.

**His Sight Strengthened.**

"While picknicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Iowa. "He rubbed the poison off his hands into his eyes and for a while we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is cure. Relieves piles at once. Beware of counterfeits. John L. Wooten.

Some women are such good financiers that they can afford to wear better stockings in swimming than at any other time.

**Boy Cured of colic After Physician's Treatment Had Failed.**

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's colic, cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

The people who are always getting something for nothing are the ones who kick about the quality.

**It Needs a Tonic.**

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. John L. Wooten.

**A Necessary Precaution.**

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Always inflammation, clears the head, soothes and strengthens the mucus membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immediately. Children like it. Jno. L. Wooten.

The Landmark has heretofore referred to the unusually large number of deaths from drowning in the State this summer. A noticeable feature of these fatalities is that nine tenths of them have occurred on Sunday while the victims were engaged in bathing. Bathing of itself is not a violation of the Sabbath, but persons who go swimming in streams or ponds on the Lord's Day generally go for sport and not for the purpose of cleansing their bodies. We are not saying that those who lose their lives on such occasions are victims of the Almighty's wrath, but the fact that so many deaths have occurred among Sunday swimming parties causes one to revert to the law as laid down in Exodus 8-11:

"Remember the Sabbath day, to keep it holy. Six days shalt thou labor and do all thy work: But the seventh day is the Sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, nor thy manservant, nor thy maidservant, nor thy cattle, nor the stranger that is within thy gates. For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the Sabbath day, and hallowed it."—Statesville Landmark.

## Cyclone in Contentnea.

Mr. R. R. Jackson, of Content-  
nea township, was here today and  
told us that a cyclone passed  
through a portion of that section  
Wednesday evening. The track  
of the storm was only about 40 or  
50 yards wide and seemed to un-  
dulate in its movement, but where  
it struck great damage was done  
in its track. Buildings were un-  
roofed, some demolished and huge  
trees went down like saplings be-  
fore the wind. The Jackson pub-  
lic school house was completely  
wrecked. The storm seemed worse  
near Littlefield. There was not  
much rain with it.

## Improving Their Efficiency.

Capt. Sylvester Dibble, State  
Marshal of the Colored Firemen's  
Union, in North Carolina, review-  
ed the two colored fire companies  
of this town on Wednesday and  
followed up the review by an in-  
structive drill of both companies.  
Capt. Dibble lectured the fire de-  
partment in the court house at  
night upon the duties and respon-  
sibilities of each individual fire-  
man, also upon the discipline of  
the company, emphasizing the  
necessity of implicit obedience to  
the orders of superior officers. His  
lecture was well received, much  
applauded and aroused enthusiasm  
in the hearts of the firemen.

Capt. Red Hawk Fire Company.

**BREAK INTO  
THE HOMES  
OF THE  
PEOPLE BY  
ADVERTISING  
IN THE  
REFLECTOR**

A REFLECTOR advertisement will walk into the  
homes every day and will let your wants be known  
to the people.

A REFLECTOR advertisement will bring custom-  
ers for your goods, find tenants for your house, find  
employment or employes, in fact fill any reasonable  
want you may have.

THE REFLECTOR goes into the homes of the  
people and is read for what it carries them, hence  
the place to tell your wants is in THE REFLECTOR.

The cost of an advertisement in THE REFLECTOR  
is the easiest part.
