ALL SUMMER GOODS MUST WALK.

We are anxious to sell—yes, but we are not so anxious for money that we will jeopardize our business by offering stuff we cannot stand back of. We are as jealous of our good name as we are proud of our business. Come this week and see how far a dollar bill will travel.

Mr. Wilkinson is in the northern markets buying Fall and Winter goods, and all summer goods must suffer great cuts. We mean carry over.

Should Be Repaired.
There has been a great deal of complaint for a long time on account of the dangerous condition of the bridge across the Greenville and Tarboro road near the Roundtree place. Mr. O. L. Joyner, who lives on this road and Mr. J. C. Albritton have kept this bridge in fairly passable condition until the heavy rain Friday night when the bridge was moved several feet and so badly torn to pieces that passage was exceedingly dangerous. Tuesday Mr. Joyner had lumber hauled and has put the bridge in firm condition for the present. There is so much travel over this road, however, that the County Commissioners, as supervisors, ought to look into the matter and if it is not already a county charge place it on the county and relieve private individuals from the inconvenience and burden of keeping it in repair.

A New York justice has decided that when a man hires a top berth in a sleeping car he is entitled to only one berth, and has no right to let his legs dangle over into the lower berth. In case he does the person occupying that berth has a legal right to remove those legs. He didn't say whether he might cut 'em off or shoot 'em off. A Western judge would probably say shoot.—Wilmington Star.

Young Men's Clothing

There is not a break in our line of clothing. We fit any one from a three-year-old boy up to a full-grown man. When a boy steps out of knee trousers, he steps right into our young men's clothing. Style is the main thing that young men think of. We think farther and make their clothes as good as the men's. But style is our first thought too. And we pick out patterns for our young men's clothes that don't go into our men's—brighter, livelier, more dashing. And we cut the young men's clothes different—younger lines and curves. Swell garments for hot weather. Come in, young man, and take a look at the new things.

SEASON CLOSING AT MOREHEAD.

Editorial Correspondence.]

Morehead City, N. C., Aug. 19—The Atlantic Hotel, the famous and popular resort of many years, is finishing up the season of 1902. The management has decided to close the hotel on Thursday of this week. It is a little early to close, and many of the guests regret it. There will be more warm weather yet, and the fishing is just getting to it's best.

The crowd here for the last week has not been large only—only about 50—but they made a most delightful party and everything has been pleasant.

The season just ending has been a successful one for the hotel. Mr. A. N. Perkins, an experienced hotelier, of Greensboro, has had charge, and his management has been much complimented. Perhaps more states have been represented among the guests than in any former season. It is likely that Mr. Perkins will be in charge again next year.

The beach conveniences have been much improved this year. Mr. Royall, in charge over there, has built new bath houses at a point more accessible so that to reach the surf is relieved of its former fatigue.

Talking about fishing, several boats of the hook and liners were out today and made catches running up into the hundreds. And the natives who fish for a living are having immense success. One seine today caught 8,000 pounds of mullets. The water is just alive with fish. The fish and oyster industry is very large both at Morehead and Beaufort, and shipments from here are larger than at any point along the coast.

It would be a good idea to pass a law now to stop the squirrel hunters until after the election as there are so many candidates in the field.

L. J. Chapman for the Legislature.

QUINERLY, N. C., Aug. 18, 1902.

In selecting a man to represent our county in the next Legislature, we should be careful to choose a man of solid mind, morals, and safe business principles. Such a man is L. J. Chapman, of Swift Creek Township.

Successful as a farmer and business man, he has shown such qualities of head and heart as would guarantee his fitness to handle the interests of our people. He is courteous, popular, a high-toned Christian gentleman, a life-long Democrat and an all-round good man.

His name would add much to the ticket and his election would mean that Pitt county's interest would always be properly served.

A DEMOCRAT.

The Grifton Transportation Company was incorporated today to run a line up and down Moccasin river from New Bern. The headquarters are at Grifton, Pitt county, and the capital is \$8,100.—News & Observer.

The blotter has become very popular with certain classes of advertisers. Those who wish to reach offices and counting rooms say they find them very helpful. Some of the designs are very clever. Those adopting this form might find it more efficient if they covered less territory, or invested more in blotters. Instead of leaving two or three in an office, they should give it enough to last for some time, so as to keep the man and his business ever in mind of him having use for the blotters.

Slashed His Throat.

Tarboro, N. C., Aug. 18.—While on an excursion train on the East Carolina road Sunday, Mr. George Randolph's throat was badly slashed by a young negro, Charlie Hines or Joe Pitt, no one knows exactly which, as two negroes came rushing down the aisle, cutting right and left.

Mr. Randolph was cut deeply in the throat, nearly to the jugular vein. Another man, who tried to ward the slashes off, was cut on the hand. Hines was arrested at Davistown and later released. Pitt is the colored brakeman, said to be peaceable and has not been arrested.

It is said that several white men were in a scramble with the men and that either Hines or Pitt was knocked down. Jumping up the man fled, cutting and slashing. Mr. Randolph was brought here and his wound sewed up. He is doing well and the injury looks like it was done with the point of a railroad spike.

DEMOCRATIC CONVENTION.

A convention of the Democratic party of Pitt county is hereby called to meet in the Court House in Greenville on Thursday, August 28th, 1902 at 11 o'clock A. M. for the purpose of nominating candidates for the Legislature and the several county offices.

Township primaries will be held at the usual meeting places in the townships Saturday, August 23rd, 1902, at 3 o'clock P. M. for the purpose of appointing delegates and alternates to said county convention, the nomination of candidates for Justices of the Peace and Constables and also to elect a Township Executive Committee. The number of delegates and alternates each township will be entitled to is as follows:

- Beaver Dam 5
- Belvoir 4
- Bethel 9
- Carolina 10
- Chicod 19
- Contentnea 25
- Falkland 9

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words can not tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. John L. Wooten.

The best and most renowned beverage ever made is the alphabet.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy Farmville, N. C.

Economy is the avenue to the golden temple of pecuniary independence.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Opportunities are very sensitive things. Slight them on their first visit, and they may never return.

His Sight Strengthened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Iowa. "He rubbed the poison off his hands into his eyes and for a while we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch-Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is cure. Relieves piles at once. Beware of counterfeits. John L. Wooten.

It is said that when a man is full his pocket is usually empty, and when he is tight his tongue is loose.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. John L. Wooten.

If you throw a piece of wrought iron at a man it becomes cast iron. Manufacturers ought to be able to utilize this idea in some way.

Boy Cured of Colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

I am the Democratic voters of Pitt county.

I take this method of announcing my candidacy for the nomination for Register of Deeds of Pitt county subject of course to the action of the County Convention when it meets.

I have been a voter since 1871 and have always tried to do my whole duty as a good and loyal Democrat and if nominated and elected I will try to perform the duties of the office to the utmost of my ability. Thanking my friends for their support, and awaiting the action of the Convention, I am for the best interest of the Democratic party.

Very truly,
J. L. Sugg.

All Inhabitants Killed.

Yokohama, August 18.—The island of Torishima was overwhelmed by a volcanic eruption between August 13 and August 14 and all the inhabitants, number 150 persons, were undoubtedly killed. The island is covered with volcanic debris, and all the uses on it have disappeared. The eruption is still proceeding and is accompanied by submarine eruptions in the vicinity, which make it dangerous for vessels to approach the island.

Torishima is one of a chain of islands extending between the Bonin islands and Hondo, the biggest and of Japan.

Commendable Act.

A very commendable act, indeed
is that of the Winterville High
School in offering half rates to
public school teachers wishing to
better fit themselves for their work.
No class of people is doing more
for the uplifting of our people,
none working harder or receiving
poorer pay than the public school
teachers of the State.

Evangelist Coming.

Rev. John T. Edmundson, of
Littleton, N. C., pastor-evangelist,
will reach Greenville Thursday
after the second Sunday in Sep-
tember to aid Rev. J. N. Booth in
a series of meetings in the Mem-
orial Baptist church. Mr. Ed-
mundson is now in a good meeting
at Cherryville, N. C., where over
fifty have already been converted,
and it is very much hoped that
similar success may attend his
efforts here.

**BREAK INTO
THE HOMES
OF THE
PEOPLE BY
ADVERTISING
IN THE
REFLECTOR**

A REFLECTOR advertisement will walk into the
homes every day and will let your wants be known
to the people.

A REFLECTOR advertisement will bring custom-
ers for your goods, find tenants for your house, find
employment or employes, in fact fill any reasonable
want you may have.

THE REFLECTOR goes into the homes of the
people and is read for what it carries them, hence
the place to tell your wants is in THE REFLECTOR.

The cost of an advertisement in THE REFLECTOR
is the easiest part.
