### ALL SUMMER GOODS MUST WALK.

We are anxious to sell—yes, but we are not so anxious for money that we will jeopardize our business by offering stuff we cannot stand back of. We are as jealous of our good name as we are proud of our business. Come this week and see how far a dollar bill will travel.

Mr. Wilkinson is in the northern markets buying Fall and Winter goods, and all summer goods must suffer great cuts. We mean carry over.

To Enclose County Jail.

The Board of County Commis-  
sioners are having a fence fourteen  
feet high built around the county  
jail, to prevent any one from the  
outside communicating with or  
passing anything in to the prison-  
ers without permission from the  
sheriff. This will prevent the  
prisoners from securing files and  
other tools from people outside, by  
means of which they have pre-  
viously made their escape so eas-  
ily.

## FIEND'S LIFE ENDED.

**Tom Jones is Dead at the Hands of the Indignant Neighbors of His Victim.**

Early yesterday morning a report reached Kinston that Tom Jones, for whom an organized search has been carried on since the commission of his awful crime in Indian Springs township, Wayne county, Friday evening, had been captured during Sunday night, and taken to Goldsboro. On investigation it was learned that he was captured, but still near the scene of his crime.

The News representative left on the morning train and at LaGrange there were so many conflicting stories, he went on to the scene to get the facts.

Sunday night, Messrs. J. M. Rich, Marshall Holmes and Frank Bennett, who were on guard near Outlaw's bridge, at about 1 o'clock captured Tom Jones, who gave them no trouble after he was reached. He was taken to the Smith house, but Mrs. Smith would not see him. He, however, confessed his guilt, also confessing that he stole some of the clothing he had on.

He was then taken to Mr. Rich's home and put in a tobacco barn, with Constable Floyd Walker on guard.

He remained in the barn until about 10 o'clock yesterday morning when ten or twelve blackened men arrived on the scene to take the negro out. The officer objected and was shot at, a ball scorching his neck. Part of the men held him covered with guns while others knocked the door in with an axe.

They then took the negro out, carried him about a mile down an old tram road, placed him on a log and fired a volley into his body. This not causing death they soon after fired another volley, which was more effective and the wretch had paid the penalty of his rash action.

Between the two volleys men who were on their way to see what had been done to the fiend arrived on the scene, but after they had seen the dying negro, were told to go back up the tram road and out of sight. As soon as they had gone the other volley was fired, one man counting eleven shots, that probably being the number of men in the blackened party.

The executioners then retired and left the body to the officers and the crowd which visited the place to make sure that vile fiend was indeed dead.

The body, as seen by the Kinstonians who went over on the morning train, was lying on its face with the arms tied behind and many bullet and shot holes in the mutilated corpse. The skull was crushed in on one side, this being done by the axe used in

breaking down the door or a heavy piece of timber. One bullet entered squarely over the heart and passed through that organ.

Pictures were taken of the body in two positions, one as first seen by the men from Kinston, the other sitting leaning against the log on which he was when shot.

As to the condition of his victim it was stated by a relative of the family that she was improving and was expected to recover.—Kinston Morning News.

# Slow Starvation

is the fate of sufferers from dyspepsia and indigestion. If your food remains undigested it can't build up the body. In fact, it does actual damage by decaying in the stomach and poisoning the system.

## KODOL Digests What You Eat.

Kodol is the sensible remedy. By digesting what you eat it strengthens the body and at the same time rests the stomach. This rest soon restores perfect health. Cathartics and stimulants only reach the symptoms. Kodol cures. It is Nature's tonic.

Five years ago a disease the doctors called dyspepsia took such a hold on me that I could scarcely go. I took quantities of pepsin and other medicines, but nothing helped me. As a drowning man grasps at a straw I grabbed at Kodol. I felt an improvement at once, and after a few bottles am sound and well. GEORGE S. MANSU, Attorney-at-Law, Nacoma, Tex.

The work and discipline of the school will continue as it has been heretofore under the present management.

For particulars apply to W. H. RAGSDALE, Principal.

## To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words can not tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength of mind and body depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. John L. Wooten.

The want of money is the root of much evil.

## Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints; whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy Farmville, N. C.

The person who quarrels with the world gets soundly whipped.

## Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Alcohol is used to preserve nearly everything but the human stomach.

## His Sight Strengthened.

"While picknicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Iowa. "He rubbed the poison off his hands into his eyes and for a while we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is cure. Relieves piles at once. Beware of counterfeits. John L. Wooten.

The carpenter ought to be known by his claw hammer coat, but some how he isn't.

## Boy Cured of colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

"Be flirtuous and you'll be happy" seems to be the motto of the summer girl at the seashore.

## It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. John L. Wooten.

An Iowa woman has named her twin daughters Gasolene and Kerosene. It will be dangerous to spark 'em.

## A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Always inflammation; clears the head, soothes and strengthens the mucus membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immediately. Children like it. Jno. L. Wooten.

**BREAK INTO  
 THE HOMES  
 OF THE  
 PEOPLE BY  
 ADVERTISING  
 IN THE  
 REFLECTOR**

A REFLECTOR advertisement will walk into the  
 homes every day and will let your wants be known  
 to the people.

A REFLECTOR advertisement will bring custom-  
 ers for your goods, find tenants for your house, find  
 employment or employes, in fact fill any reasonable  
 want you may have.

THE REFLECTOR goes into the homes of the  
 people and is read for what it carries them, hence  
 the place to tell your wants is in THE REFLECTOR.

The cost of an advertisement in THE REFLECTOR  
 is the easiest part.
