ALL SUMMER GOODS MUST WALK.

We are anxious to sell—yes, but we are not so anxious for money that we will jeopardize our business by offering stuff we cannot stand back of. We are as jealous of our good name as we are proud of our business. Come this week and see how far a dollar bill will travel.

Mr. Wilkinson is in the northern markets buying Fall and Winter goods, and all summer goods must suffer great cuts. We mean carry over.

NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., Sept. 3, 1902

W. E. Cox, of Seven Springs, is spending a few days with relatives in town.

Miss Estelle Cutler, of Washington, who has been visiting Mrs. B. T. Cox, returned home Saturday.

Mrs. Hooks and Mrs. Cooper, who have been visiting in Goldsboro, came home Saturday.

Mrs. R. D. Carroll, after spending some time visiting relatives near here, returned to her home, Elm City, Monday.

R. H. and Mrs. Hunsucker spent Saturday night in the country with their aunt, Mrs. W. J. Jackson.

Miss Martha Tripp, who has been spending a few days with Mrs. J. D. Cox, left for her home in Washington Saturday.

Winterville High School opened Monday morning with quite a large number of bright and intelligent looking students. About seventy five have entered up to date and every day adds a large number to the enrollment. The dormitory for the boys has just been completed, and all the rooms are being rapidly filled. The prospects are bright for the largest number in the history of the school.

On Monday night the students reception was held in the auditorium, which was highly enjoyed by the students and a large crowd of the citizens of the town. After a few beautiful selections of music by the Winterville Band, so ably led by Prof. Forbes, one of the leading band players and teachers in the State, in behalf of the citizens of the town and surrounding community Mr. A. G. Cox extended to the teachers and pupils a hearty welcome to visit their (citizens) homes and share their cordial hospitality.

Rev. C. W. Blanchard, chairman of the Board of Trustees, in his own easy and pleasing style welcomed the students to the excellent privileges afforded by the institution and forcibly impressed upon them the need of the best preparation possible to meet the coming battles of life.

He was followed by Rev. William Cox, who made a short but pleasing and appropriate address.

Prof. Forbes brought down the house by a beautiful and touching little enlogy on the Anglo Saxon race. The time had now arrived for carrying out the real intent of the occasion—the happy reunion of the old students and forming acquaintance with the new ones.

The merry laughter and beaming countenances of all present expressed in greater accents than words the true joy and pleasure of the occasion.

Prof. Lineberry and Nye, and Misses Spain, Carlton, Harrison Bennett and Cox, teachers in the Winterville High School, are all here and have assumed control of their respective departments. They have all they can attend to, too, for the students are just coming in from the east, north, south, west, in fact from every direction. Really it seems they cannot get here fast enough.

WEDNESDAY, SEPT., 3, 1902.

The independent element in Halifax county has held a mass meeting and brought out a full county ticket. Independentism should be discouraged.

President Roosevelt will visit Asheville on the 9th inst. upon invitation of Senator Pritchard. Doubtless the Senator thinks the President's visit will make a big Republican boom in North Carolina.

A fleet of American war ships are having a game of war off the New England coast, the engagements being between the vessels and the forts. The manoeuvres are just like a sure enough war was in progress and the press dispatches given detailed reports of the engagements.

Statesmen and politicians are watching with a good deal of interest, the experiment which has just been inaugurated by the Secretary of the Treasury, in inviting the banks, which in the past have been in the habit of calling on the Treasury to help them out of every difficulty, to help themselves. The New York banks have notified the Secretary of the Treasury that there is a growing tightness of the money market as a result of large shipments of currency to the west to meet the necessity of moving a large crop. They expected, of course, that Mr. Shaw, as his predecessor would have done, would immediately deposit large sums of government funds in their hands. On the contrary, the Secretary has pointed out to them their ability to meet the deficiency in currency by issuing their own. Under the law, national banks can issue bills to the amount of their capital stock and, as the aggregate stock of the national banks amounts to \$700,000,000, bills to that amount could be issued by them. As a matter of fact, the outstanding bank notes amount to but \$358,000,000 so that there is a margin of \$342,000,000 to draw on. It is not known how the bankers will relish this invitation to rely on their own resources and the outcome is being awaited with interest.

There is only one thing which wins a battle, and that is straight shooting.

It is very difficult to find a man who does not feel above his condition in life.

Sick Made Well, Weak Made Strong.

Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy Is Free To All Who Send Name and Address.

After years of patient study, and delving into the dusty record of the past, as well as following modern experiments in the realms of medical science, Dr. James W. Kidd, 2858 Baltes Building, Fort Wayne, Ind., makes the startling announcement that he

DR. JAMES WILLIAM KIDD.

has surely discovered the elixir of life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free, to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

A Liberal Offer.

The undersigned will give a free sample of Chamberlain's Stomach and Liver Tablets to any one wanting a reliable remedy for disorders of the stomach, biliousness or constipation. This is a new remedy and a good one. Wooten's Drug Store Greenville, Farmville Pharmacy, Farmville.

Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians, Kodol saved my life. Take it after meals. Jno. L. Wooten.

There are plenty of people lazy enough to die, but not quite dead enough to bury.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy Farmville, N. C.

The best friend any man has is his own conscience.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

There are some men on whom praise has no effect.

Beware of the Knife.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequaled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. Jno. L. Wooten.

No serpent distills such fatal poison as that which drips from the tongue of the slanderer.

Boy Cured of Colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Sudden wealth is very apt to made a man foolishly profuse.

A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. John L. Wooten.

A higher morality, like a higher intelligence, must be reached by a slow growth.

Lingering Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long sledge like this will pull down the strongest constitution. "One Minute Cough Cure" will break up the attack at once. Safe sure acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. John L. Wooten.

And He Winketh Not.
If there is one thing more annoying than another that a cabinet officer has to contend with, it is the oft repeated rumor that he is about to resign or that the president is trying to force him out. Both Secretaries Gage and Long grew very tired answering questions about their tenure of office long before they were ready to step out, and now Secretary of Agriculture Wilson and Secretary of the Interior Hitchcock are having the same experience.
"I'll tell you what I'll do when I get ready to leave," said Secretary Wilson to a knot of inquirers the other day. "I'll wink my left eye very impressively, and then you'll know that the resignation is in."
"But you may forget some day and wink when you have no intention of conveying that idea," he was told.
"Don't be alarmed," was the answer of the head farmer of the government. "You know the Scripture says, 'Cursed be he that winketh with the eye.'"
Which was taken to mean that he has no immediate intention of quitting.—Washington Letter.

Norris & Rowe's Show.

Norris and Rowe's trained animal show reached Greenville by their special train at a very early hour this morning, and proceeded at once to unload and pitch the big tents on the lot on the corner of Evans and Twelfth streets. The circus train consisted of nine cars. The street parade just before noon was a marvel of beauty. The chariots, many in number, looked new and clean, and the ponies, horses and other animals were in the best of trim. The menagerie is quite extensive. Everything about it was highly creditable.

We write in advance of the performance, but judging from what preceded it will be good and well worth going to see. There will be another performance at 8 o'clock tonight.
