### Winterville Department.

#### NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C. Sept. 20 1902.

Perhaps it may have grown monotonous to many of our friends who honor us by reading Winterville Items, yet for the life of us we cannot refrain from giving expression to our exuberance over the glorious success attained by the Winterville High School. Especially when we are brought in daily contact with the pupils and realize what a most excellent class of young ladies and gentleman have honored us with their presence. Every day for the past week new students have arrived and the Principal is expecting 15 or 20 more next Monday. It is indeed glorious, and we don't think anyone will begrudge us our pleasure. The enrollment will easily reach 300 during the session.

B. F. Manning & Co. will pay 25 cents per bushel for cotton seed or they will exchange 1300 pounds cotton seed meal for one ton of cotton seed.

Dr. B. T. Cox left yesterday morning for Baltimore, accompanied by Southey Cox who will have an operation performed for appendicitis. We sincerely hope the operation may be successful and that Mr. Cox may return home fully restored to health.

Somebody got us badly mixed up in the first paragraph of our last items. Be careful, brother, we can't do much, but help us a little if you can.

Not being able to fill orders for Tar Heel wagons we are now also making a wagon which we call our "Oak A", which we are equipping with the best ready made hickory rim wheels we can purchase. You will understand that these wagons are not taking the place of our brag "Tar Heel", not by any means. We are making Tar Heel wagons right on as fast as we can, but as we have the whole thing to make, wheels and all, we can not turn them out as fast as we can the "Oak A" which is equipped with ready made wheels. We feel confident that when you see one you will say it is a beauty and if it was not O. K. we would not call it so.—A. G. Cox Mfg. Co.

Mrs. Buck, of Tarboro, after spending sometime visiting her son here, left for home yesterday morning.

Miss Effie Kittrell spent Wednesday in Greenville.

A. A. Forbes, of Greenville, to the delight of the band boys and all the rest of our people, came down Tuesday night to help make music. Jolly Old Pig.

W. L. Hurst is real sick. We certainly hope to see him out soon.

New industry! News Factory! We've got one and are going to start to work next week. Half interest for sale at cost.

They are guessing, but we haven't told who those three pretty girls are yet.

R. G. Chapman has gone to Calico today. By the way we have been requested to state he is handsome, which we cheerfully do.

A. G. Cox is still anxious to purchase cattle, sheep or swine for which he will pay the best market price.

### CLOTHING LITTLE MEN

THE "Good-enough-for-the Boy" idea is mighty poor policy. Is anything too good for your boy? If our children's clothing costs a TRIFLE more than some of the cheap duds of the dry goods stores, it is because it is worth more. No good Clothing for Boys and Children can be had elsewhere for as little money. Blouse Suits, Little English Walking Coats, Russian Blouse Suits, Single and Double Breasted swell Overcoats. Many smart and new ideas for Fall and Winter. We are pleased when parents drop in just for a look.

## FRANK WILSON

King Clothier.

### New Dress Goods Silks, Appliques, All-Over Laces

We are paying especial attention to this line of goods, and you may rest assured you will get the lowest prices if you buy from us. We also have a line of staple dry goods, such as Homespun, Calicoes, Ginghams, and in fact anything you want in the staple line.

#### SHOES

Our Shoe Department is full up with bargains in all the latest styles for men, ladies and children.

#### CLOTHING

Goodness of quality with cheapness of price can always be depended upon in our store. We respectfully invite you to examine our line before buying your fall goods.

## FIRE DEPARTMENT MATTER.

Hope Fire Company held a special call meeting Friday night to discuss the action of the Board of Aldermen, which met on Thursday night.

Below is given the proceedings of the meeting.

Hall of Hope Fire Company, Friday evening, Sept. 19th, 1902.

At this meeting of Hope Fire Company, called and ordered for the purpose of taking action in regard to surrendering to the town of Greenville the fire apparatus belonging to said town, and for the purpose of discussing a proper disposition of the property of Hope Fire Company, the following motion was passed by said company by a unanimous vote:

"Moved, That Hope Fire Company surrender to the Fire Department of the town of Greenville, to wit: H. W. Whedbee, mayor ex-officio chairman, A. J. Griffin, chief of fire department, and D. D. Overton, assistant chief of fire department, all the fire apparatus now in possession of Hope Fire Company belonging to the town of Greenville, and Wm. F. Harding, foreman, D. D. Overton, secretary, and J. G. Moye be and are authorized to sell all the property belonging to Hope Fire Company; and they are authorized to make title to the purchaser for the same, and report their doings and actions to this company at its next regular meeting in October, and that the Foreman be instructed to notify the fire department that Hope Fire Company will require the use of the building now occupied by said company on and after October 20, 1902.

Aprons of these proceedings, it should be noted that at a meeting of the Board of Aldermen Thursday night, which had been called for consideration of the question that has come between the Board and Hope Fire Company, a motion to appoint a committee from the Board to confer with the Company upon the matter at issue was lost by a vote of 6 to 2; that a representative of the Fire Company was present, and, after explaining the position in which the company had been placed, declared the company's willingness to yield the point of the Board would give the company good reasons for the attitude the Board had taken.

## Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians, Kodol saved my life. Take it after meals. Jno. L. Wooten.

When two friends understand each other they can be friends no longer.

## Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy Farmville, N. C.

Mystery makes exciting romance but solving it makes dull history.

## Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Nearly all our joys are nine-tenths imagination.

## Boy Cured of colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

A shrewish tongue is a serpent's sting.

## Beware of the Knife.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequaled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. Jno. L. Wooten.

The candy trust can do its worst. As long as we have sorghum for our buckwheat cakes and women to caress we will not want for sweets.

## A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. John L. Wooten.

Belief that there are no good fish in the sea as ever was caught is poor consolation to the man whose bait is gone.

## The Thrust of a Lance

is scarcely more agonizing than the recurrent pains in the abdomen which follow the eating of improper food or too free indulgence in ice-water. The immediate cause of cramps and colic is often the distention of the bowels by gas. Quick relief follows the use of Perry Davis' Painkiller. Careful housekeepers give it the place of honor in the family medicine chest.

The Best Prescription for Malaria Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simple iron and quinine in a tasteless form. No cure no pay. Price 50c.

# Save the Children

All stomach and bowel troubles in child or adult are due to a single cause—Indigestion. Flux, colic, cholera morbus, diarrhoea, dysentery and all complaints of like nature, are the result of undigested foods fermenting in the stomach. The only way to prevent fever and to cure such troubles without injury to the membranes lining the stomach is to restore perfect digestion.

## KODOL Digests What You Eat

Kodol is the new discovery which cures all stomach and bowel troubles by removing the cause. This famous remedy checks fermentation, cleanses, purifies and sweetens the stomach. Kodol digests all classes of food and gives to the body all of the nourishment, health and strength it contains.

Cures Indigestion, Dyspepsia and all Stomach Troubles. "Kodol Dyspepsia Cure is just the thing for dyspepsia and stomach troubles. It has helped me more than anything else in a long standing case of catarrh of the stomach."—Oscar King, Cherry Valley, N. Y.

Prepared only by E. C. DeWitt & Co., Chicago. Sold by all dealers.

He Never Opens a Letter With This Address Turned Down.

"I am not superstitious," remarked Representative Otey of Virginia, "but that looks like a very fine pin." Thereat the Virginian stooped in his walk through the long corridor of the capitol and picked up a small black headed pin. "I am not superstitious," he repeated, "but there is one thing I never do—I never open a letter with the address turned down. I will tell you why. When I was a bank cashier, I had a lot of letters in my mail one day. They were piled up neatly before me, and I began to look over the contents of each. Finally down in the pile quite a way there lay a letter turned back up. I opened it without looking at the address and pulled out a certificate for a deposit of \$3,000 in the bank.

"I scanned those figures closely. I knew they were my handwriting, the ciphers being large and clear. But I also knew that certificate had been for only \$300, or, rather, the deposit had been for only \$300, and plainly I had made a mistake in transferring it. You can wager that I pulled myself together very quickly, and, although several months had elapsed and the certificate had gone into the hands of a third party, I tried to stop payment on it.

"Well, to make a long story short, the whole thing was straightened out, and neither I nor the bank lost any money by the transaction. But from that day to this I never open a letter with the back of the envelope toward me."—Washington Post.

**Fred Landis on Farming.**

Frederick K. Landis of Indiana, a newspaper man, who was recently nominated for congress to replace the veteran Steele, is one of the five brothers Landis; all of whom were born on a none too fertile farm in Indiana and all of whom have made their mark. One brother is now a member of congress, one is a physician in Cincinnati, one is postmaster of San Juan, Porto Rico, and one is a lawyer in Chicago.

"Talk to me about the joys of farming," said Fred Landis the other day. "I know all about them. There were five brothers of us on the old farm in Indiana and father. We had a team of rabby old horses, and we five boys and father worked from daylight to dark to raise enough stuff to feed those horses.

**Dr. Patton's "Hurry" Sermon.**

When Dr. Patton, who recently retired from the presidency of Princeton, was pastor of the First Presbyterian church at Princeton, before he became president of the university, he consented one Sunday evening to oblige a brother clergyman to deliver a sermon at the Second Presbyterian church in the college town. Dr. Patton went to the pulpit with the intention of preaching about Zaccheus. While the congregation was singing the first hymn it occurred to him that he had preached on Zaccheus in that church before. He hurriedly consulted an elder and ascertained that such was the case.

Dr. Patton continued the regular service and rummaged in his mind for another text. While the congregation was singing the second hymn the preacher sat in a big armchair back of the pulpit and made a few notes on the back of a visiting card that had been handed to him as he entered the church. When the second hymn was over, Dr. Patton placed the thirty or more words that he had written on the visiting card on the reading desk and preached for thirty minutes one of the most brilliant sermons that he had delivered since he had been in Princeton. He never once looked at the card and left it on the desk when he went away. One of the elders, an associate of Professor Wilson, who has succeeded Dr. Patton as president of the university, keeps the card to this day as a memento of the interesting occasion.

**The Sin of Gluttony.**

Eminent physicians continue to send out warning against the sin of gluttony, but with little effect on the community. The growth of diseases directly attributable to over-eating increases, and the death rate gives solemn warnings that seem to be unheeded. The case is all the worse because most men who are heavy eaters take no exercise and thus double the danger. An eminent physician has just given an argument against business men eating three hearty meals a day without taking any exercise. He says that a man who works in the open air can eat as much as he feels like, but that the man of sedentary habits who partakes of meat three times a day is simply laying up trouble for himself and making it necessary for insurance companies to change the rates.

**MISS MAY MARKELL,**

A Society Belle of London, Canada.

MISS MAY MARKELL of London, Ontario, Canada, is a beautiful girl who knows what suffering is and Wine of Cardui has brought her back to health. She is one of the social favorites of her home and her recovery to health has permitted her to enjoy the company of her many friends instead of lying on a bed of sickness and suffering. For the health she now enjoys she gives credit to Wine of Cardui. She writes:

Miss May Markell.

"I have found Wine of Cardui an excellent remedy for female trouble. I suffered for three years with terrible bearing-down pains at the menstrual period. I could hardly stand on my feet and was never real well. Wine of Cardui was the only medicine that I could depend on to do me any good, as I tried several with no success. Wine of Cardui cured me and I have now enjoyed perfect health for two years, and give you all the credit for I know you deserve it."

For a young girl Wine of Cardui is the best remedy to guide her through womanhood by starting the menstrual

flow in a healthy and natural manner. Menstruation started right is very easy to keep regular through the years of mature womanhood. Then the "change of life" need not be feared. Thus Wine of Cardui is woman's best relief from youth to old age. A million women have secured blessed relief from their sufferings by taking this treatment. It relieves menstrual troubles in an incredibly short time. In a simple case of deranged menses Wine of Cardui never fails. To relieve disordered menses is to remove the cause of other female troubles. Any physician will tell you that to remove the cause of a disease renders the cure easy, in fact seldom fails to complete the cure. If you would have the same relief which Miss Markell secured try Wine of Cardui. You can take it without an examination and without any publicity whatever. You can take it in the privacy of your home and secure just as much benefit as if a doctor had prescribed it for you. Thousands of women are feeling the vigor of returning health by taking Wine of Cardui.

### PERSONAL NOTES

Brief Mention of People Met With in the Social World

Rev. F. A. Bishop went to Bethel today.

W. T. Lipscomb went to Goose Nest today.

F. L. Walker is on a flying trip to Danville.

O. E. Warren returned from Kinston this morning.

F. D. Foxall was on the outgoing train this morning.

Miss Bernice Wooten, of Kinston, was at Hotel Bertha today.

H. B. Hardy, of the News and Observer, left on the morning train.

J. E. Perkinson, who was on our breaks Friday, returned to Danville today.

J. E. Parker and daughter, Miss Clara, of Farmville, returned from New Bern this morning.

Miss Mollie Livsly, who has been visiting at W. H. Johnson's, returned to her home in Halifax today.

Miss Vivan Rieves, who has been visiting the family W. H. Rieves, left this morning for her home in Martin county.

Ex-Sheriff Warren and daughter, Miss Bettie, went to Conetoe today to attend the annual meeting of the Primitive Baptist's Sunday.

#### High Average.

During the month of August the average of the entire Greenville tobacco market, including scraps and everything sold, was \$11.05. That has never been equaled by any market in the State. Greenville is not trying to sell more tobacco than any other place, but it is outstripping all others in prices obtained.

#### Ice Plant in Prospect.

Greene & Hooker are having a deep well sunk at their gin plant near the corner of Cotanch and Fifth streets. If this well proves a success and furnishes the supply of water hoped for, it will be the first step toward establishing an ice plant which they have in contemplation. We hope the well will come up to expectation and that the ice factory will soon follow.

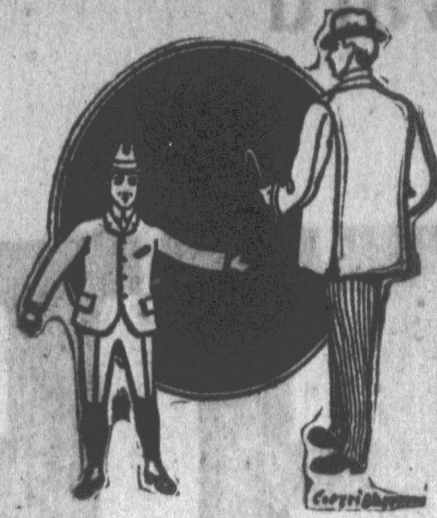

#### Greenville Warehouse.

There is some straight talk to be found in the advertisement of the Greenville Warehouse. This house proves its claims by what it does. Take the month of August for example: The average of the entire market, six houses; was \$11.05, while the average of the Greenville Warehouse alone was \$11.70. That included everything sold, even scraps, priming and ungraded tobaccos. That shows what "Old Man Gus" and "the boys" do for those who sell tobacco with them.

#### Clean?

When the Republican party in their Greensboro platform referred to the administration of the State government by the Republicans and Populists as "clean," they neutralized in great measure the effect of every other plank in their platform. The people remember too well the flagrant misrule and scandals of that administration. We accept most willingly their challenge, and the people will never sustain them upon that issue.—C. R. Thomas at Burgaw.

Cut this out and take it to Wooten's Drug Store or Farmville Pharmacy and get a free sample of Chamberlain's Stomach and Liver Tablets, the best physic. They cleanse and invigorate the stomach, improve the appetite and regulate the bowels. Regular size, 25c. per box.

## The Proof of Doing is in What We Do.

### THE Greenville Warehouse

makes no claim that is not borne out by facts. An average of \$11.70 for everything sold on our floor during the month of August does its own talking about what "Old Man Gus" and the rest of "we boys" do for those who sell at the Greenville Warehouse. You only have to try us to be convinced that we will get you the highest prices every time.
