The Birmingham Disaster.

The list of fatalities from the panic in Shiloh Baptist church, at Birmingham, Sept. 19th, has reached one hundred and ten. A dispatch to the Raleigh News and Observer says of one of the victims:

The Rev. L. R. Price, of New Orleans, whose name appears in the list of dead, was most worshipful Grand Master of the Grand Lodge of Negro Masons of Louisiana. He was in charge of a train of delegates from Louisiana and Texas and is well known throughout the United States. Dr. Price lost his life in an effort to save several women who were being crushed to death beneath the panic stricken crowd in the church. Three times he fought his way into the building and brought out three women. The fourth time he was caught in the crush and before he could extricate himself was borne to the floor of the church and died of suffocation.

One of the negro bucks who are said to be responsible for this appalling loss of life, by engaging in a row in the church, which raised the mistaken cry of "fire" from some part of the audience has been arrested and jailed, "charged with disturbing public worship." The other had not been located.

Murdered His Wife.

Goldsboro, September 20 — Mrs. James Pritchard, who lived on the farm of Mr. E. C. Exum at Faro, in this county, was seen lying on a bed at her home this morning by farm hands who passed the house. The doors of the house were open, and as there was no sign of activity in the house an examination was made, when it was found that the woman had been murdered.

Suspicion immediately rested upon the husband, due to the fact that their little 10-year-old daughter went over to a neighbor's house crying and said: "I am afraid papa has killed mama."

The news quickly spread and a search was made for Pritchard and he was captured before he could make his escape.

The sheriff and coroner were notified and went out to the scene. They returned tonight, bringing the prisoner to jail here.

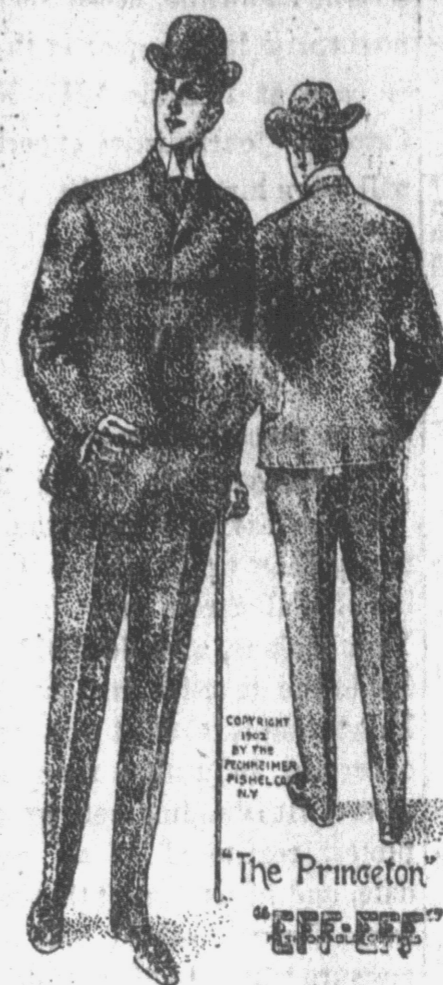

Pritchard claims to have come from Greensboro, where he has relatives.

Registration.

In accordance with the law, as construed by Attorney General Gilmer, and assented to by Senators Simmons and Pritchard, chairmen of the State Committees of the two parties respectively, the books for the registration of voters will be opened at 9 a. m. on Thursday, October 2nd, and continued open on each day except Sundays until and including Saturday, October 25th. Let every citizen entitled to vote under the law pin this notice in his hat and observe it when the books are open. Registration can only take place between 9 a. m. and sunset on the days the books are open. — Raleigh Post.

September's HERE

It's an ideal month. The nights are cool and the air is delightful. With the first Fall month business crosses a trade line. To anticipate what men want in clothing is almost a science. Anybody with money can fill a store with goods; but it takes the right kind of goods to fill it with people.

The Fall fashions are fully set. The Three-Button Sack, the Straight Front, Round Corner Sack, and the Two and Three-Button, Double Breasted Sacks are the accepted styles for business and general wear. Then for semi-dress is the Cutaway, with fancy trousers. We have them all.

TUESDAY, SEPTEMBER 23, 1902.

If it is true, as might be supposed, that some foreign missionary is operating in the United States, it would be interesting to know whether he isn't feeding us on our own medicine.

With an Anti-Cigarette League in High Point, a movement to have the sale of cigars and soft drinks in drug stores on Sunday stopped in Raleigh, and an increasing number of Anti-Saloon Leagues over the State, one begins to suspicion the whereabouts of a missionary. Wonder if he's the Boomerang.

Hon Locke Craig and Senator J. C. Pritchard had a joint discussion of the political issues of the day, at Kinston on Monday. There was a large crowd present. The Kinston papers say that Mr. Craig got decidedly the better of Senator Pritchard in the argument. That was as might have been expected, as the Republican party has a weak foundation to base its arguments upon.

There! Another editor has come forward with a public confession. The Journal says "there is perhaps more profanity and vile language used on the streets of New Bern than any other town in the State." The paper then asks if parents, preachers and officers are doing their duty? Hardly a doubt but what the devil is doing his duty all right. We know a preacher who says "people who take God's name in vain, serve the devil for less pay than by any other sin imaginable."

An awful stampede resulting in an appalling loss of life occurred in a negro church in Birmingham, a few nights ago. Booker Washington delivered an address and an immense crowd was present. About the close of the address some trouble occurred in the choir when one negro stepped on another's toe, and a woman, thinking there was going to be a fight, screamed. The congregation thought she cried "fire" and a stampede followed. In the mad rush for the door they beat down and trampled upon each other and more than a hundred people lost their lives.

A Liberal Offer.

The undersigned will give a free sample of Chamberlain's Stomach and Liver Tablets to any one wanting a reliable remedy for disorders of the stomach, biliousness or constipation. This is a new remedy and a good one. Wooten's Drug Store Greenville, Farmville Pharmacy, Farmville.

The Morning News is the name of a new paper that comes from Albany, Ga., J. R. Whichard being one of the editors. While small, (just the size of this paper) it is bright as its name implies. We had an idea that a man who almost stepped out of the cradle into a newspaper office, could not keep long out of it, even though he should lay aside the pencil and scissors for awhile, hence there is no surprise in this quarter that he is back at it again. His North Carolina journalistic experience will serve him well in the "Cracker" State.

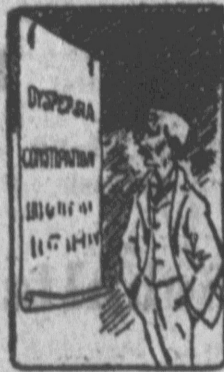

WASHINGTON LETTER.

From Our Regular Correspondent

WASHINGTON, D. C. Sept. 22. Before leaving Washington, Secretary Shaw again came to the relief of Wall Street and the New York bankers, and added \$10,000,000 to the deposits in that city. This action is taken at the behest of certain influential republicans and notwithstanding the Secretary's protest, registered at an earlier date, and his statement that he believes Congress should take some measure which would obviate the real or fancied necessity of the government's coming to the rescue of the financial interests whenever the money market becomes "tight." It is well known, however, that the republicans are themselves seriously divided on the currency question and that they dare not take any positive steps to make perfect the establishment of the gold standard because of the opposition such action would create in their own ranks. It was that fear that prevented action on the Fowler bill, which it was claimed would obviate the recurrence of situations similar to that in New York.

Through the error of an employee of the office of the Adjutant General of the Army, the news has just reached the newspaper correspondents that the application of General Miles to visit the Philippines, on which the President recently acted favorably, was the same one that was filed nearly a year ago. What caused the president to change his mind, resuscitate this document and act favorably on it, after having originally denied the request, is easily conjectured. The Grand Army had determined to invite General Miles to head their procession at the great encampment which is to be held in Washington early next month and it is believed that the president and his Secretary of War conceived the idea of sending General Miles to the Philippines where he would be out of the way at that time. With that end in view, they granted this old request and the General's statement to the newspapermen, that he knew nothing of the proposed trip, when the subject was first broached to him, turns out to have been literally true.

Slow Starvation

is the fate of sufferers from dyspepsia and indigestion. If your food remains undigested it can't build up the body. In fact, it does actual damage by decaying in the stomach and poisoning the system.

KODOL Digests What You Eat.

Kodol is the sensible remedy. By digesting what you eat it strengthens the body and at the same time rests the stomach. This rest soon restores perfect health. Cathartics and stimulants only reach the symptoms. Kodol cures. It is Nature's tonic.

Five years ago a disease the doctors called dyspepsia took such a hold on me that I could scarcely go. I took quantities of pepsin and other medicines, but nothing helped me. As a drowning man grasps a straw I grabbed at Kodol. I felt an improvement at once, and after a few bottles am sound and well. GEORGE S. MARSH, Attorney-at-Law, Nocona, Tex.

Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians, Kodol saved my life. Take it after meals. Jno. L. Wooten.

Belief that there are as good fish in the sea as ever was caught is poor consolation to the man whose bait is gone.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For Sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville, N. C.

The wife of Chicago's Mayor is writing a book of fairy tales. Most any married woman could do that—if she could remember all that her husband tells her.—Atlanta Journal.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

The Candy Trust can do its worst. As long as we have sorghum for our buckwheat cakes and women to caress we will not want for sweetness.—Memphis Commercial Appeal.

Boy Cured of colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is book keeper for the Shell Lake Lumber Co. For sale by Wooten's Drug Store, Greenville, and Farmville Pharmacy, Farmville.

Sarah—Mr. Rippler says that he is a confirmed bachelor.

Susie—But he didn't say that every girl in town had assisted in confirming him, did he!

Beware of the Knife.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequaled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. Jno. L. Wooten.

Though the pen may be mightier than the sword, it can't come up to the scratch when pitted against the ink eraser.

A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. John L. Wooten.

Balsams from the Northern Wood are in Fry's Balsam, the certain cure for coughs.

Miss Bettie Warren returned home Monday evening.

Ex-Gov. T. J. Jarvis returned from Raleigh Monday evening.

Rev. D. B. Clayton came in this morning, and is stopping with E. A. Moye.

J. W. Sargent, of Richmond, who has had charge of the steam fitting of the Imperial Tobacco Company's building here, went to Kinston Monday evening.

Lecture Begins at 8:45 o'clock.

It has been decided that the Sam Jones lecture Wednesday night begin at 8:45 o'clock, so as to give everybody time to get to the opera house before the lecture commences. No one who takes advantage of this opportunity to hear one of the most entertaining lecturers now before the public will want to miss a sentence. Doors open at 8 o'clock.

The Meeting.

Rev. J. T. Edmundson had an interested congregation at the service in the Baptist church last night, and he forcibly pointed out to them the way people go to hell by doing nothing, or neglecting to do what God says. He said it was a dark picture, so tonight he will give them a picture on the bright side, when his subject will be "Going to Heaven because we do what God says." Service will begin at 7:45 o'clock and sermon at 8:15.

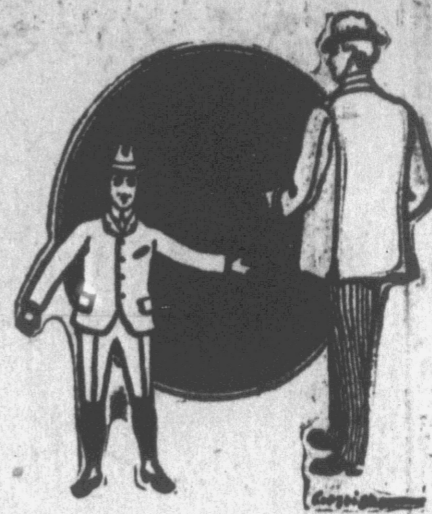

Brought to Greenville.

Chief of Police Rouse arrested Ernest Rasberry, colored, yesterday and lodged him in jail. Rasberry is wanted in Pitt county for assaulting and robbing Henry Hyman, near Farmville, several weeks ago. It was highway robbery. Rasberry will be taken to Greenville this morning by Mr. Rouse.—Kinston Morning News.

Rasberry was brought to Greenville this morning and jailed. The trouble arose, it is learned here, from his appropriating a bunch of fish that did not belong to him.

Stack Up.

An interesting feature of the days work at the Imperial Tobacco Co's. plant Monday was the raising of the big smoke stack. To have seen the stack, 60 feet in length, 32 inches in diameter, and weighing 3500 pounds, lying flat upon the ground, was to wonder, if you had never seen it done, how it was to be picked up, hoisted 20 feet, to the top of the brick base, and placed in position. The question was answered in a very simple way, but it took Mr. Sargent's experts all day Monday to do it, and it is safe to say that everyone of them earned his wages, from the man who does mid air acts with the nonchalance and agility of a trapeze artist and drawn the "portly sum" of five dollars a day, to the fellows who shoved the lever of the windlass.

The Only Sam Jones.

Few people are original to any remarkable extent, and still fewer are so original but that some smart copyist has succeeded in a fairly clever imitation of them. It is the testimony of those who have heard Sam Jones that he cannot be duplicated. He cannot be reproduced in print. A reading of his sermons and sayings does not convey to the mind the real Sam Jones. One must see him and hear him in order to form an estimate of the man and his methods. As long as he has been before the public, he is known never to have had a successful imitator.

His engagement for a lecture before a Greenville audience Wednesday night is matter for congratulation to those who have been instrumental in securing it, and it is safe to say that the capacity of the Opera House will be tested as it never has been for the highest class of entertainment.

The Betsy Ross of the Confederacy.

There died at Alexandria, Va., a few days ago a woman, Mrs. Sibbey A. Padgett, who is referred to as the Betsy Ross of the Confederacy, since it is claimed she made the first Confederate flag. The flag was constructed at the request of James Jackson, who kept a hotel in Washington, and was the cause of a bloody tragedy. As soon as it was completed Mr. Jackson raised the flag over his hotel. Colonel Elmer Ellsworth demanded of him that it be pulled down. Jackson refused, and Ellsworth climbed the stairs and hauled it down with his own hands. As Ellsworth came down with the flag, Jackson shot him. That, it is said, was the Confederate flag's first baptism of blood.—Savannah Morning News.

Pain-Balm Stops the Tickling, and quickly allays inflammation in the throat.

The Thrust of a Lance

is scarcely more agonizing than the recurrent pains in the abdomen which follow the eating of improper food or too free indulgence in ice-water. The immediate cause of cramps and colic is often the distention of the bowels by gas. Quick relief follows the use of Perry Davis' Painkiller. Careful housekeepers give it the place of honor in the family medicine chest.

It appears from a Washington dispatch that ex Senator Butler still considers himself the leader of Populists and that his party will poll over 2,000,000 votes in 1904. Chairman Butler has evidently been keeping a closer look on his liquid air stock than on his sheep fold in the political field. The whole flock, bell wethers and all, have long since broken out and are grazing in either the Democratic or Republican pasture, mostly in the latter. To sort them out and ground them up for use in 1904 will prove somewhat of a task. To poll 2,000,000 Populist votes in 1904, Mr. Butler will have to raise 2,000,000 Populists from the dead.—Charlotte Observer.
