Save the Checks you get at Ricks & Wilkinson's

The above is the motto of a system of business in operation for benefit of cash buyers at this store. Every cash purchaser gets with each purchase a check similar to this:

Dealers in Fine Dress
Goods, Clothing, Shoes,

B \$10.00

Save your checks and when
you get \$20.00 worth return
to Ricks and Wilkinson
and get 50 cents in trade.

It pays to buy for cash.

It means on April 21 you bought and paid for goods to the amount of \$10.00, under our contract that whenever such purchases added together amount to \$20.00 the return of the checks will entitle you to 50 cents worth of goods free. In other words, we will pay a dividend of 2½ per cent. on every \$20.00 you spend in cash at our store, making you a partner in our business to that extent.

The check is printed and the transaction recorded and the dividend made possible by our New National Cash Register. It is a beautiful piece of mechanism and the perfection of system and accuracy in business transactions between clerks and customers. You would pick up a dollar if you found it on the street, and think you were in luck. You can pick up dollars here. But it is not luck, it is business—good business. We are bringing all our resources to bear to make it pay you to be a regular customer at this store.

Run Over and Killed.

On Thursday afternoon Mr. W. A. Stokes, who lived in the Clay Root section of Swift Creek township, met a tragic death. He was riding on a heavily loaded log cart, sitting on the tongue of the cart and holding his umbrella over the driver. The cart was about to meet another vehicle in the road and the driver began turning his team to make room to pass. As the cart turned Mr. Stokes lost his balance and fell off directly in front of one wheel. Before the team could be stopped the wheel ran across his breast crushing the life out of him instantly.

Mr. Stokes was about 38 years old and leaves a wife and two small children.

A self styled peer of the realm—"Prince Athroald Stuart de Monda," was arrested and exposed yesterday in London. It seems that despite his elaborate title the prince was nothing more nor less than plain William Brown, a footman. If a general investigation were conducted, we wonder how far back the investigators would have to go to find ancestors of alleged earls, lords and barons, who were taking vigorous falls out of a wash-tub or shoemaker's bench.—Charlotte News.

The last legislature passed a law making it unlawful to rob birds' nests. A habit existing among boys of robbing birds' nests generally commences in the spring, and this is mentioned to warn them of such a practice. The penalty is from five to thirty days' imprisonment.—Durham Sun.

In 1850 the proportion of criminals to population in this country was one to every 3,442; now the proportion is more than one to 700. It doesn't necessarily follow, but it may be incidentally remarked, that the republican party has been in power most of the time since then.—Wilmington Star.

War on the Saloon.

Durham, N. C., April 20.—The first gun of the anti-saloon campaign was fired here yesterday afternoon when ex-Mayor J. D. McCall of Charlotte delivered a temperance lecture in the opera house. There was a large audience present and the address was a very able one. On the rostrum with the speaker were all the ministers of the city and the officers and executive committee of the anti-saloon league. The stand taken by the speaker was for absolute prohibition. He told of the evils of the saloon and of drink. He took the position that if the dispensary was a good thing then absolute prohibition would be better. At times he was eloquent and always logical.

Sermon on Temperance.

Tonight in the public school house, in South Greenville, Rev. W. H. Laughinghouse will preach a sermon on temperance, using as a text the passage found in Rom. 4:15, "For where no law is, there is no transgression." All are cordially invited to attend the service.

The State Debt.

The total debt of the State, interest and non-interest bearing securities is \$6,527,770.

If the State should pay \$100,000 every year, it would then require more than 65 years to pay this debt—two generations of people.—Raleigh Times.

Postponed.

Owing to the rain last night the T. J. Jarvis Chapter Daughters of the Confederacy could not have the masquerade party in the opera house. They will have it tonight, if the weather permits.

Band Disbands.

The Second Regiment band is now no more. The end came last night, when the members saw the foolishness of attempting to keep up a creditable organization with out sufficient funds and disbanded the band. This decision was made at a meeting held at the Wilmington Light Infantry armory, after different members had expressed themselves as heartily in favor of such a move.—Wilmington Messenger.

Right

We do not believe in unmerciful beating, but a good, old-fashioned licking, the kind a boy will not soon forget, is better than all your reformatories and chain gangs.—Monroe Enquirer.

Pine Product Construction Co.

The Pine Product Construction Company, of which Lieut. A. A. MacKethan is manager and constructing engineer, has bought the large tract of land on the railroad, just beyond the Fair Ground and Poe's brick yard, and has begun the erection of a large plant for the production of spirits, oils, tar and coal. This plant will not only be operated for local profit, but as an illustration of the work done by this company, which is organized to erect these plants, under an improved method and system, throughout the whole turpentine section of the South. The plant now being erected will be pushed to completion as rapidly as the work can be done.—Fayetteville Observer.

North Carolina is to have another strong, reliable insurance company. The name of the new company will be The Citizens' Fire Insurance Company of North Carolina, with home office at Raleigh.

The New White Front

This store has been crowded with visitors and customers from the first day it was opened, and feels very grateful to its friends for the kind words of praise and the liberal patronage which it has received. The stock is large and complete in each line shown. The weavers have certainly outdone themselves in bringing forth novelties in fabrics.

An elaborate and noteworthy showing of all the new ideas.

Space forbids mentioning the different lines, but we wish to call especial attention to the

Beautiful Dress Goods, Trimmings, Summer Lawns and Thin materials.

The White Goods Showing is a feast of beauty. The many beautiful things shown here for Ladies' wear easily makes this

THURSDAY AFTERNOON, APRIL 23, 1903.

The war department announces its readiness to supply the state militia with riot cartridges as soon as the Dick bill is accepted. Strikes us that the solicitude of the war department is a little over done. Has the department any advance information as to riots and things?

"What would you do if you lost your eyesight,?" asks the Winston Journal, referring to the offer of the late Charles Broadway Roush of \$1,000,000 for a pair of eyes. Well, we wouldn't pay any young woman a large sum yearly to keep our name out of the papers, as Charles is reported to have done.

The clock on Durham's union depot has not been heard to strike yet. There is a hitch in the machinery.—Greenville REFLECTOR.
Just wait until we put in the key and wind it up.—DurhamSun.
Didn't know you had the key, brother, but thought Col. Andrews was the man who carried it in his vest pocket.

The paragraph in Tuesday's REFLECTOR headed "Business is Business" should have been credited to the Durham Herald. As it appeared without due credit it seemed to some an expression of this paper's opinion on a local condition. Such was not the case.

Those revenue doodlers who are claiming that the country is going to the demition bow-wows on account of the Watts bill, three months before the latter goes into effect, are displaying a brand of politics that is not at all up to previous samples.

New York republicans are having their annual wrangle as to who shall be keeper of the flesh pots. Easy Boss Platt may be a little uneasy, but it is safe to say he will keep the keys for several years yet.

When a man who had been in the Charlotte jail for three weeks left he said he would always remember Charlotte. Well, we should think the memory of Charlotte's jail would tarry with him awhile.

Industrial note—Greenville's water works were put in operation yesterday. Dickinson avenue is now navigable up to Five Points. See gondola schedule in another column.

Wanted—An expert gondolier to take charge of a fleet of gondolas plying on Dickinson avenue between Five Points and the depot. Bring certificate of seamanship and apply at wharf.

The North Pole chasers are getting busy again. Wouldn't you think that a coal strike would teach them the folly of trying to discover more cold places?

One man has been found in Kentucky who objected to having Goebel killed.

A millionaire policy king has been sentenced to five years in Sing Sing. The policy man's policy is bad, but the state's policy is commendable.

Will somebody please tell us what business the editor of the Brooklyn Eagle has in a Southern educational conference?

Nothing is more intractable than man when in felicity, nor nothing more docile when he has been humbled by misfortune.

The news from Elizabeth City is that everything went democratic, and Plymouth yet to be heard from.

For a warm time reference is made to the municipal campaign now waging in Charlotte.

Mr. Bryan has not added many laurels to his crown by abusing Mr. Cleveland.

The Baltimore Sun says New York is now a doubtful state. We wish we could believe it.

We've Had our Fun Out of it. Mr. Wm. E. Hearst's presidential boom in North Carolina seems to lack the vigor and sensational features one might expect of it. Kindly disposed editors are endeavoring to help it along by occasional references to it and the newspaper entrusted with the job. Otherwise it would really be making no noise at all. And that reminds us that the Fairbank's special organ has not yet made its appearance at Greensboro. The paper was due to come out quite a little while back.—Winston Sentinel.

North Carolina continues to be surprisingly sly in developing news about Senator Fairbanks and his presidential aspirations. A special from Washington, this state, states that the Indiana man has announced his candidacy. North Carolina is simply running things this year, that's all there is to it.—Greensboro Telegram.

Since the President hasn't made a speech for a whole week, there doesn't seem to be anything doing anywhere.—Durham Sun.

The great Teacher when on earth commanded people to preach and teach, but in no case did He so much as hint as to how the work should be done, but in every case trusted to the common sense of the individual to use the best and most successful method to accomplish his purpose. The best teachers wear their own armor and work with their own tools.—Raleigh Times.

Throat Cut at a Show.

A Prominent Minister Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Rev. Francis J. Davidson, pastor of the St. Matthew Baptist church and president of the Third District Baptist Association, 21 Second St., New Orleans, writes as follows: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for cramps and pains in the stomach and found it excellent. It is in fact the best cramp and colic remedy I have ever used. Also several of my parishioners have used it with equally satisfactory results." For sale by Wooten's Drug Store Greenville, Farmville Pharmacy Farmville.

The election, held in Lenoir regard to graded schools, was decided in favor of schools by a small majority. The fight on each side was warm and hard.

Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Jno. L. Wooten.

Col. J. S. Cunningham says the acreage of cotton and tobacco is much less and will be than that of last year but that the "hog and hominy" crop will be correspondingly increased.

A Demonstration of What Chamberlain's Colic, Cholera and Diarrhoea Remedy Can Do.

"One of our customers, a highly respected citizen of this place, had been for ten years a sufferer from chronic diarrhoea," writes Walden & Martin, druggist, of Enterprise, Ala. "He had used various patent preparations and had been treated by physicians without any permanent benefit. A few months ago he commenced taking Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a short time was entirely cured. Many citizens of Enterprise who know the gentleman will testify to the truthfulness of his statement." For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy Farmville.

Of course, the ant has admirable qualities, but I might wish that her industry displayed itself in some other fellow's pantry.—New Orleans Times-Democrat.

A Sweet Breath

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, White Plains Ky., writes: "I have been a dyspeptic for years—tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Jno. L. Wooten.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by Wooten's Drug Store Greenville Farmville Pharmacy Farmville.

For liver troubles and constipation There's nothing better in creation Than Little Early Risers, the famous little pills.

They always effect a cure and save doctor bills. Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. Jno. L. Wooten.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder. If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders.

I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.

GREENVILLE'S GREAT DEPARTMENT STORE

"Dorothy Dodd"

THE FAULTLESS FITTING SHOE FOR WOMEN

Let us assume that your shoes fit you. Now, what next? What is most important? Unquestionably, style. If it has style you want it. If it has not style, but everything else, you do not want it. The style of a Dorothy Dodd is unique. It cannot be duplicated by any other maker, because the Dorothy Dodd is a totally different construction from any other ladies' shoe. Besides being exclusive in style, it holds the foot firmly at the instep, prevents the foot from slipping forward, and gives a correct poise in walking. It makes the foot look nearly a whole size smaller. That's curious, and you won't believe it until you see it. Just for once try the Dorothy Dodd Faultless Fitting Ladies' Shoe and prove the truthfulness of our assertion.
