Save the Checks you get at Ricks & Wilkinson's

The above is the motto of a system of business in operation for benefit of cash buyers at this store. Every cash purchaser gets with each purchase a check similar to this:

75 APR 21
RICKS & WILKINSON,
Dealers in Fine Dress Goods, Clothing, Shoes, Hats and all kinds of Furnishing Goods.
B \$10.00
Save your checks and when you get \$20.00 worth return to Ricks and Wilkinson and get 50 cents in trade.
It pays to buy for cash.

It means on April 21 you bought and paid for goods to the amount of \$10.00, under our contract that whenever such purchases added together amount to \$20.00 the return of the checks will entitle you to 50 cents worth of goods free. In other words, we will pay a dividend of 2 1/2 per cent. on every \$20.00 you spend in cash at our store, making you a partner in our business to that extent.

The check is printed and the transaction recorded and the dividend made possible by our New National Cash Register. It is a beautiful piece of mechanism and the perfection of system and accuracy in business transactions between clerks and customers. You would pick up a dollar if you found it on the street, and think you were in luck. You can pick up dollars here. But it is not luck, it is business—good business. We are bringing all our resources to bear to make it pay you to be a regular customer at this store.

UNION OF SECTS.

Conference to Consider it Being Held at Pittsburg.

Pittsburg, April 22.—More than one million church members in the United States are vitally interested in the proceedings of the conference begun here today having for its object a union of the Congregational, United Brethren and Methodist Protestant churches and the smaller sect known as the Christian connection. The conference is composed of delegates appointed by the four denominations to formulate a scheme of union if the idea is deemed feasible. All of the churches have a somewhat similar form of church government, making much of local self government. Any agreement reached is likely to be based largely upon the freedom and independence of individual churches and freedom from binding creeds. Creed differences, it is felt, will not prove so great an obstacle to unity as the opposite ideas of policy now obtaining. The question of what name the united denominations should adopt will be an interesting one.

If the union of the four churches is accomplished it will be a body of one million two hundred thousand. It is believed that in the event of the union there need be little adjustment of fields, save, perhaps, between United Brethren and Methodist Protestants. These bodies have their chief strength in Pennsylvania, Ohio, Maryland and Indiana. Congregationalists are strongest in New England, Brooklyn, Chicago and on the Pacific coast, while the Christians, who are not to be confounded with the large Christians or Disciples of Christ body, have their strength in the South and Southwest.

SOUTHERN EDUCATION.

The Great Conference Now in Session at Richmond.

Richmond, Va., April 22.—In the presence of a large and brilliant audience the "conference for education in the south" was formally welcomed to Richmond and Virginia by Governor Montague, at the academy of music, this afternoon. The governor's remarks were eloquent and earnestly commendatory of the objects held in view by the conference.

In response, President Ogden spoke at some length, expressing appreciation of the welcome extended by Virginia, and telling of the work done by the conference thus far and of its plans for the future. He insisted that the great object in view is the education of all the people, white and black. He spoke of the duty resting on the whole country to remove the blot of illiteracy which disfigures the fair page of various sections, and pledged the best efforts of the conference to the end of fulfilling this responsibility. He explained that the conference is distinct from the general education board, and the southern education board, and that it has no money to distribute.

On the conclusion of his address the conference adjourned to attend a reception at Richmond college. The entertainment proved a great success in every particular.

Opera House Next Week.

Rachel Lewis and her company have been booked to appear in the opera house here next week. She has received the highest praise of the press wherever she has appeared and on next Wednesday night the public will have the pleasure of witnessing "Ingomar" by her company. On last Monday night, April 21st, she appeared in Goldsboro and the Argus has this to say about her:

The Argus speaks not only its own opinion but the universal verdict of last night's cultured audience that Miss Rachel Lewis and her competent company, who so delightfully presented "Ingomar," is the best aggregation of histrionic talent that has held the boards of the Messenger Opera House in years.

Of course all interest centered in the two principal and antipodal characters, Ingomar, the barbarian, a son of the mountains and the giant chief of his no less uncouth and untutored band; and Parthenia, the delicate, beautiful and cultured Grecian captive maid, who finally triumphs over all difficulties, and with flowery bands of soft persuasion gently leads Ingomar away from his mountain fastnesses and barbarian followers to the environments of civilization, pursuits of peace, the rewards of industry and the joyous realization of love—

"Two souls with but a single thought,

Two hearts that beat as one."

Miss Lewis is, indeed, a most talented and charming little actress, and in this particular role she is simply superb; she lithely poses and winningly walks before you the ideal Parthenia in sweet life and glad reality.

Mr. John Richmond as Ingomar fully met the most artistic conception of that character, which, in stature, voice and general bearing, he is so well adapted to essay, and with Miss Lewis won the highest admiration and applause of their audience.

The other members of the company are all finished artists and showed themselves well suited to their respective characters.

A Few Hints for Spring

Its' the details of a man's apparel that gives tone and character to his make-up. Poor or poorly fitting Haberdashery, antiquated or obsolete styles of Collar, Shirt, Necktie, etc., does away with the otherwise happy effect of a fine suit. A stroll through our Men's Furnishing Goods Department shows, at a glance, the newest, best and brightest in the thousand and one things that come under this heading, all at prices that fear no competition in this city.

This is a man's store, and the man who comes here to trade goes away contented and happy.

FRANK WILSON

THE KING CLOTHIER.

The New White Front

This store has been crowded with visitors and customers from the first day it was opened, and feels very grateful to its friends for the kind words of praise and the liberal patronage which it has received. The stock is large and complete in each line shown. The weavers have certainly outdone themselves in bringing forth novelties in fabrics.

An elaborate and noteworthy showing of all the new ideas.

Space forbids mentioning the different lines, but we wish to call especial attention to the

Beautiful Dress Goods, Trimmings, Summer Lawns and Thin materials.

The White Goods Showing is a feast of beauty. The many beautiful things shown here for Ladies' wear easily makes this

CONFUSION OVERTAKETH THE LIAR.

"Science hath her victories no less renowned than war," and the latest of them brings dire confusion upon that ancient institution, the liar. Some foreign chap, not being satisfied with George Washington's simple tale of a boy, a hatchet and a cherry tree, has invented an instrument by the use of which you can detect anything in the Annanias line, from a nice little white lie to a fisherman's statistics or a lightning rod agent's graft.

All that is necessary is a tube which contains several chemicals and which he claims to have invented. If you fancy that a person is lying to you ask him to breath into the tube, and if he is really lying the chemical solution which fills part of the tube will change color. The chemist explains this phenomenon by the statement that a person who lies is always more or less agitated and that his breath on such occasions possesses power to change the chemical solution.

Henceforth let no man think to deceive with a false tongue. If your grocer solemnly swears to the absolute purity of the butter he sells you, after the same begins to sprout a beard, spring your tube on him and make him breath into it. Every wife ought to have one of these tubes, in order to ascertain the exact cause which keeps her husband at the office till the wee small hours. Every sweetheart ought to have one—in fact the thing is a household necessity. Mayor Whedbee and Judge Ferguson could use them to advantage. List takers should never be without them, and they will be the means of putting a quietus upon the enthusiasm of the man who tells you what his baby said, or the size of the potatoes his father raised when he was a boy. In every walk of life this new invention will fill a long-felt want. Vive la truth! Come early and avoid the rush. Agents wanted.

From the following from the Charlotte News it appears that our Mecklenburg friends have embarked in the crockery ware business as a side line.

We are glad to announce that our shipment of dishes which has been on the railroad for 29 days has arrived and the delivery will begin tomorrow. This delay has been very annoying to us and we shall deliver them just as fast as possible, every set being delivered in the order in which they were taken.

Might we enquire, neighbor, how soon the balance of your stock of household and kitchen utensils will arrive?

A proposition has been made to make the birthday of the late Mr. Christopher Columbus, of Genoa, Italy, and Palos, Spain, a national holiday. How glad this will make Chris feel, and it happening so soon after his last voyage, too.

SIMPLY OUTRAGEOUS.

That numbers of towns and thousands of people have to wait four hours for their mail, as was the case because of the late train Thursday night, is simply outrageous. The business of every town on the three branches of the Coast Line south and east from Parrale suffered by this vexatious delay, to say nothing of the inconvenience and fatigue people were subjected to by having to wait for belated trains.

It seems that no amount of complaining to the railroad officials does any good in the matter of getting better train schedules, and it is time the people were appealing to the government postoffice officials to see if they can effect a remedy. A train that carries the mails ought at least be made to run on something near schedule time, and we believe if the government would make the railroads pay a forfeit whenever a mail train is more than thirty minutes late these long delays would not occur. Certainly the public is entitled to better service and some steps should be taken to get it.

The editor of the Roxboro Courier must be an Irishman. Writing of manufactured wooden goods, he says "the output is very much below the consumption."

Easy Boss Platt endorses Theodore handsomely. As poor a president as the latter has made, he doesn't deserve the odium of an endorsement from Tom Platt.

The Fairbanks boom is once more looming up in the hazy distance and this time President Roosevelt is said to be casting uneasy glances in the direction of Indiana. The Washington Star has undertaken the propagation of the mite in swaddling clothes and the Indiana senator, it is announced, has placed the seal of approval upon the boomlet. Mr. Roscoe Mitchell, whose attempts to get the North Carolina end of the thing on its feet fizzled out ingloriously, seems to have shaken the dust of the state from his feet as The News hasn't had the pleasure of chronicling his movements for some time.—Charlotte News.

At the Democratic Jackson County Club banquet in Kansas City Monday night Mr. Bryan denounced Mr. Cleveland. "Grover Cleveland betrayed the Democratic party," said Mr. Bryan, and "he disgraced himself." The ex-candidate has been abusing the ex-president for eight or nine years and he will probably keep it up as long as there is breath in his body. The public is tired of the quarrel between these two men, distinguished though they are and honored though they have been by their party. It has gotten to be as much a personal matter as one of politics.—Winston Sentinel.

The Pennsylvania legislature has unseated two democratic members. These two were evidently overlooked when the election returns were submitted for Quay's approval.—Durham Sun.

A Prominent Minister Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Rev. Francis J. Davidson, pastor of the St. Matthew Baptist church and president of the Third District Bapt. Assn., 21 Second St., New Orleans, writes as follows: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for cramps and pains in the stomach and found it excellent. It is in fact the best cramp and colic remedy I have ever used. Also several of my parishioners have used it with equally satisfactory results." Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues.

Fresh men usually tell stale stories.

A Demonstration of What Chamberlain's Colic, Cholera and Diarrhoea Remedy Can Do.

"One of our customers, a highly respected citizen of this place, had been for ten years a sufferer from chronic diarrhoea." writes Walden & Martin, druggist, of Enterprise, Ala. "He had used various patent preparations and had been treated by physicians without any permanent benefit. A few months ago he commenced taking Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a short time was entirely cured. Many citizens of Enterprise who know the gentleman will testify to the truthfulness of his statement." For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy Farmville.

A Sweet Breath

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, White Plains Ky., writes: "I have been a dyspeptic for years—tried all kinds of remedies, but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet.
Jno. L. Wooten.

If you would predict a man's future get the proper focus on his past.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For liver troubles and constipation There's nothing better in creation Than Little Early Risers, the famous little pills
They always effect a cure and save doctor bills.

Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. Jno. L. Wooten.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.
If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each.
Kodol cures indigestion, dyspepsia and all stomach disorders.
I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me.

PERSONAL NOTES

Brief Mention of People Met With in the Social World

Miss Nancy Coward, of Greene county, who has been teaching school near Farmville, spent Thursday here visiting her brother, H. L. Coward, and left on the evening train for Ayden.

Rev. H. M. Eure returned this morning from Ayden, where he has been assisting in a meeting.

Joshua Wheelbee, Esq., of Norfolk, is in town today.

Tom King and wife, of Farmville, are visiting Mrs. H. B. Harriess on Dickinson avenue.

Mrs. H. C. Edwards is sick.

Good Run.

E. Greene returned Thursday from a trip to Washington in his automobile. He says he made the trip down in two hours, and that on the streets of Washington a speed of 30 miles an hour can be made. He was loud in praise of Washington streets for riding.

Red Men.

On Thursday afternoon twenty-four members of the lodge of Red Men, at Washington, came up by special boat to institute the new lodge of this order at Greenville last night. The meeting was held in Odd Fellow's hall, and it was 2 o'clock this morning when the conferring degrees and installing officers was completed. The home lodge then tendered the visitors a banquet and the latter left at 6 o'clock to return to Washington.

The home boys say the work of the Washington boys was great and they all had a huge time. Mr. E. T. Stewart, who will be Washington's next mayor came along with the visitors. He said he wanted to see them fix up Greenville in good style. We would like to see him and the Washington boys come this way often.

Forgot to Have Them Join Their Right Hands.

Mr. Ed. Carter and Mrs. Ellen Thomas, of Burnsville township, were married Sunday night in the Methodist church at Polkton by Rev. R. T. N. Stephenson, the popular pastor of Polkton circuit. The ceremony was performed in the usual way, except that Mr. Stephenson forgot to have the couple join their right hands. His attention was called to the omission after the happy pair had left the church and repaired to the home of a friend. Mr. Stephenson, not being satisfied that the ceremony had been legally solemnized, hunted them up and re-married them.—Wadesboro Messenger.

The bass drum may not produce good music, but it drowns a lot of bad music.

Advice is a useless thing; a wise man does not want it and a fool will not take it.

MAKES A CLEAN SWEEP.

There's nothing like doing a thing thoroughly. Of all the Salves you ever heard of, Bucklen's Arnica Salve is the best. It sweeps away and cures Burns, Sores, Bruises, Cuts, Bolls, Ulcers, Skin Eruptions and Piles. It's only 25c, and guaranteed to give satisfaction by Jno. L. Wooten, Druggist.

A THOUGHTFUL MAN.

M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at Jno. L. Wooten's Drug Store.

The election, held in Lenoir regard to graded schools, was decided in favor of schools by a small majority. The fight on each side was warm and hard.

Due Notice is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. Jno. L. Wooten.

They say that Mr. Harry Lehr got down on all fours and barked just like a mad dog on his way home from the Reggy Vanderbilt wedding. Well, hydrophobia is somewhat in Mr. Lehr's line. In fact, he started his career as a champagne agent.—Norfolk Landmark.

Too Great a Risk.

A reliable remedy for bowel complaints should always be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy never fails and when reduced with water is pleasant to take. For sale by Wooten's Drug Store Greenville, Farmville Pharmacy Farmville.

GREENVILLE'S GREAT DEPARTMENT STORE

"Dorothy Dodd"

THE FAULTLESS FITTING SHOE FOR WOMEN

Let us assume that your shoes fit you. Now, what next? What is most important? Unquestionably, style. If it has style you want it. If it has not style, but everything else, you do not want it. The style of a Dorothy Dodd is unique. It cannot be duplicated by any other maker, because the Dorothy Dodd is a totally different construction from any other ladies' shoe. Besides being exclusive in style, it holds the foot firmly at the instep, prevents the foot from slipping forward, and gives a correct poise in walking. It makes the foot look nearly a whole size smaller. That's curious, and you won't believe it until you see it. Just for once try the Dorothy Dodd Faultless Fitting Ladies' Shoe and prove the truthfulness of our assertion.
