CRIME'S HIGH CARNIVAL.

MAN KILLED IN BLOODY RIOT IN WILSON.

TEN WHITECAPPERS IN JAIL.

Son of Ex-Governor Jones, of Arkansas, Loses His Life. Several Others Injured.

[Special to REFLECTOR.]

Wilson, N. C., May 14.—This morning about 2 o'clock a crowd of 12 or 15 men went to the room of a man named Percy Jones, an insurance man from Raleigh, who has been here some time writing insurance and is said to be a son of ex Governor Jones of Arkansas, and mobbed him. A fusillade was fired, in which Jones was killed, dying about 8 o'clock this morning. Another man named Allen, who is a bar keeper and was one of the mob, was shot with a Winchester rifle and is not expected to live.

About 10 of the mob have been jailed. A brother of Jones, who is at the State University at Fayetteville, Arkansas, has been notified of the occurrence by wire. A woman is supposed to be at the bottom of it all.

Jones was notified yesterday to leave town, and had a man named Whitely arrested on a peace warrant and put under bond for threatening him. Jones claimed that he was stranded and did not have enough money to leave town. He received five or more shots in the stomach.

FERRY STEAMER BURNED.

Washington, May 13.—The steamer Columbia, engaged in ferry service between Washington and Alexandria, was burned to the water's edge at her wharf here tonight. The Columbia was valued at \$75,000.

500 GALLON ORDER.

Sales of Euvita Increase Rapidly.

Euvita has not only become the most popular drink at all soda fountains in this section, but its fame is spreading out into other states. The representative of the company in South Carolina telegraphs the home office that he has sold 500 gallons in one of the leading cities of that state. From every salesman on the road orders are coming in rapidly which shows that the drink is taking splendidly. Already the company is considering plans for increasing the facilities for manufacture so as to meet the growing demand for Euvita.

An old colored man astride a big ox attracted some attention early Monday morning. He rode into town very composedly. The ox trotted up to a hitching post and the old man dismounted and stepped into a store and made a purchase, then walked in a dignified manner back to his 2:07 steed and, having mounted, made a solemn bow to the smiling crowd and rode off at good speed.—Rocky Mount Motor.

The Columbia treasury is head over heels in debt, and a panic is feared. A meeting of government officers has been called to devise ways and means of bolstering up the country's credit.

A VERY WARM FISH YARN IS THIS STORY ABOUT CLEVELAND.

SAID TO FAVOR J. A. HARMON FOR THE PRESIDENCY, BUT WILL KEEP MUM UNTIL SHORTLY BEFORE THE CONVENTION.

Put In Bay, May 13.—The Kentuckians who are stopping at Middle Bass Island, sprung this story as to Grover Cleveland's intentions regarding the presidential nomination:

Mr. Cleveland will make no statement regarding his position until shortly before the national convention. Meanwhile in anticipation of his candidacy for the nomination a sentiment for him will be nursed by the democrats who are opposed to Bryan. Mr. Cleveland will then declare he is positively out of the race and will endorse Judson A. Harmon, of Cincinnati, ex-Attorney General, for the nomination. Mr. Harmon

said tonight "I cannot say anything about the story at this time." Mr. Harmon is Mr. Cleveland's chum at the island. They occupy the same boat while fishing every day.

Few Evil Doers.

Who says that Scotland Neck is not the best town in the land? The report by the town treasurer, elsewhere printed, shows that for the past year the fines against law breakers in the town have amounted to only twelve dollars!

Where's the town of sixteen or eighteen hundred people that can beat this?—Scotland Neck Commonwealth.

Commencement Invitations

THE REFLECTOR acknowledges receipt of an invitation to the eleventh annual commencement of the A & M. college, Raleigh, May 24th to 27th.

C. D. Tunstall sent us an invitation to the commencement of Atlantic Christian college, Wilson, May 14th to 18th.

JACKSONVILLE UNDER WATER WHOLE CITY FLOODED AND IN DARKNESS.

CAUSES \$150,000 DAMAGES.

9 Inches of Water Fell by 11 O'Clock Yesterday Morning.

Jacksonville, Fla. 13.—Jacksonville is in darkness tonight caused by floods which so damaged the water works and electric light plants that they had to close down. The lower part of the city is flooded and many houses wrecked in the negro section. The railroad yards are badly damaged. The loss is estimated at \$100,000 to \$150,000. For a week or more severe storms have been pending over this section, and last night a culmination was reached in a downpour of rain that has not been exceeded in 31 years. According to weather bureau records from yesterday morning to 11 o'clock 9 inches of rain fell, and from 4.30 to 7 p. m. the downpour was 4 1-10 inches.

The Helen May Butler Band.

The lovers of music were afforded a rare treat last night in the concert given by the Helen May Butler's Ladies' Military Band. The program furnished was made up of music especially arranged for this band, consisting of marches, overtures, waltzes, sketches of semi classical music all of which were faultlessly produced. Particularly pleasing were the solos on the clarinet, cornet and piccolo. They showed that the young ladies were complete mistresses of their instruments. New Bern Journal, 13th.

Runaway.

While Mrs. S. T. Hooker and Miss Florence Gardner were out driving, Wednesday afternoon, their horse ran away. No damage was done beyond giving them a little fright.

P. C. Ennis, of Raleigh, was here today.

OFFICERS ARE AT NEW BERN

New Bern, N. C. May 13.—Two inspectors from Baltimore accompanied by a stenographer reached here to night to investigate the 391 immigrants from the wrecked Vera Cruz. They say it will take about two days to complete the work. Those who were lawfully allowed to land will be sent to New Bedford, Mass., while the remainder will return home.

The mayor of New Bern received the following telegram, but it is not known what will be done concerning it: "Have railroad work in West Virginia for Portuguese immigrants at \$1.50 per day, transportation free."

An Interesting Marriage.

Parks Stone, a white painter of this city, was married Sunday to Miss Minnie Fuqua, who is sometimes known as Miss Minnie Cannon, the ceremony being performed by Squire W. O. Bailes, the South Carolina marriage artist.

The marriage was not devoid of romantic features. A year ago while Stone was at the house of his bride he handled a shot gun in such a careless manner that it exploded and the load entered the leg of Miss Fuqua. She was taken to St. Peter's Hospital and the limb was amputated just below the knee.

The bride, who is opposed to wearing a wooden leg, stood on crutches while the ceremony was being performed.—Charlotte Observer.

In Good Shape.

The engine and hose team of Greenville Volunteer Fire Co. had the engine out at the cistern, corner Evans and Third streets, for practice Wednesday evening. The engine was in splendid working order and part of the time had three streams going.

Raleigh figures in the New York internal machine sensation in the fact that the Umbria dynamitar, G. Rosseau, was in Raleigh about April 20 and purchased clothing.

Patience—"Did you say she came from fighting stock?" Patrick—"Yes; her mother and father were both members of church choirs in their early days"—Yonkers Statesman.

With pleasure we announce the arrival of the Celebrated "Regina" and "Autohav" Shoes. The factory was so overcrowded with orders that we were forced to wait quite awhile, but they are here now, some of them, and others will be here in a few days. The noblest and most up-to-date in town. Every part of "Regina" and "Autohav" shoes is of uniform high quality. Soles, uppers, linings and trimmings are always just as good as can be procured. From the fashioning of the last to the finishing of the shoe no expense is spared. This explains why these shoes are worn by fashionable and well-dressed women everywhere. The shoes need no introduction to those who have worn them, but to those who have not worn them, let us say if you want to know what shoe satisfaction really means, you must wear the

A Gentleman's Haberdashery

It's the natty little "fixings" that lend grace and elegance to the summer man's apparel—nobby Shirts, Ties, pretty Hosiery and Undewear. To look and feel "summery" is an easy matter for the man who trades here. Somehow this is a great store for Men's Furnishings. What's the secret? Variety? Yes. Quality? Yes. Price? Yes. And if we should tell you there isn't a more carefully selected stock in Greenville, you'd think it just ordinary store talk. Is it? Come and be the judge.

THURSDAY AFTERNOON, MAY 14, 1903.

A WISE RETREAT.

We take off our hat to J. A. Stone, formerly of Pilot Mountain, N. C., but now in parts unknown.

Mr. Stone is a man with the courage of his convictions. He has ideas about individual liberty that strike us as being exceedingly good.

The gentleman in question had been a citizen of Pilot Mountain for many years. He was cashier of the Pilot Bank and Trust Company, and has been mayor of Pilot Mountain ever since it was incorporated and has also been a promoter of, and identified with, several industries for the upbuilding of the town and community, but he has shaken the dust of Pilot Mountain from his feet and now wanders in some blissful land where people attend to their own business, to their own profit and their neighbors' peace of mind. Writing to the Pilot News Mr. Stone gives his reasons for leaving as follows:

"Dear Sir: Knowing that there will be quite a stir, and a thousand and one questions asked as to my sudden disappearance from Pilot Mountain, you will please publish this letter for the benefit of all concerned. I simply left Pilot Mountain for the reason the town has so many wise people, (including some of the women) that one cannot even think of attending to his own business affairs, for some one else will be ahead of him every time, and as others there knew so much more about my affairs than I knew myself, I decided to look for a location where the people are not so wise."

Bully for J. A. Stone! It is a thousand pities that others who suffer from the see-saw tongues of gossips and meddlers cannot go and do likewise. The annoyance from which our friend fled is the besetting curse of small towns, where everybody knows everybody, and carries a license to prey upon his neighbors' affairs. These pests are more annoying than mosquitoes, more exasperating to people who attend to their own business than flies to a bob-tailed mule. Confusion upon the whole seed and tribe.

"What a joke that will be on Mr. Roosevelt if his bosom friend Crum (colored) acts as collector of customs of Charleston until next December and then has to step down and out without being able to draw a single cent of salary," says the Wilmington Messenger. In this case Theodore ought to come to the rescue and pay the "doctor's" salary.

We are not in the habit of handing ourselves taffy, but we simply repeat what we hear several times each day when we say that Greenville has the best daily paper of any town its size in the state.

In chronicling the death of a good woman a contemporary erroneously uses the heading, "A Pure Life Ended." No, brother, a pure life does not end this side of the throne of God.

The people of Pennsylvania de-

serve the "press muzzler." They have never tried very hard to elect decent men to office, and are reaping what they have sown.

Further particulars as to that regiment of federal troops Postmaster General Payne was going to lead into Tennessee are lacking.

"Jews Murdered Again" it the head line of an article in the Winston Journal. How many times can a Jew stand being murdered?

We have heard of no farmers committing suicide because they have no 11-cent cotton to sell, but the provocation is great.

If the new Charlotte dailies are as good as the Observer and the News we'll be glad to connect with them.

We hope the funeral directors' meeting in Charlotte will not cast a gloom over the newspaper situation.

If Charlotte does the handsome thing by four daily papers we'll never call that place a town again.

If Gorman can head off a North Carolina newspaper boom he may have some show.

Denunciation of the aristocracy of wealth and of the marriage of American women with impecunious sons of nobility was the keynote of a sermon delivered before the Daughters of the Revolution by Rev. Robert Morris Kemp Sunday afternoon in New York. The Rev. Robert Kemp appears to have sound American notions about things. The average American girl, be she ever so rich, is too good for the namby-pamby stripe of so called noblemen.—Greensboro Telegram.

Judge Boyd might charter a buffet Pullman and occupy it during his enforced stay at Wilkesboro. In this way he may take his hotel with him, and combine comfort and elegance with exclusiveness. And think of the awe that the presence of the pompous porter would inspire in the hearts of the mountain people who come down to attend court.—Winston Sentinel.

While we do not pose as a friend of Mr. Cleveland, we have never given him credit for the defeat of the democratic party in 1894. As we remember it, he had very little to say one way or the other.—Durham Herald.

The introduction of bad Spanish into our language by soldiers returning from Cuba and the Philippines prompts the fervent prayer that we will not go to war with Russia.—Winston Journal.

The capitol building at Richmond cracked last week. We thought that the Campbell case and the Mann bill would cause the capitol to collapse.

There is just as much intemperance in speaking as there is in drinking, but many people don't seem to know it.

Mr. Joseph Pomerville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these Tablets a trial, and you are certain to be more than pleased with the result. For sale at 25 cents per box by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

Money makes the mare go, but its persuasive powers are often wasted on the automobile.

GREATLY ALARMED
By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Burbage, a student at law, in Greenville, S. C., had been troubled for four or five years with a continuous cough which he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Burbage, having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size, was permanently cured." Sold by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

The love of some women is like the ague; it begins with a chill and ends in a fever.

Too Great a Risk.
In almost every neighborhood someone has died from an attack of colic or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. For sale by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

Farmer Sully's broad shoulders are under the remnant of the cotton bags.

A Farmer straightened Out.
"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Pain Balm and told him to use it freely and if not satisfied after using it he need not pay a cent for it," says C. P. Rayder, of Pattens Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Pain Balm. I want it in the house all the time for it cured me.'" For sale by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

The poor ye have always with you—often so close that they touch you.

The Wastes of the Body.
Every seven days the blood, muscles and bones of a man of average size loses two pounds of wornout tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures, Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold at Wooten's Drug Store

Negroes Quartered in A Stable Like Horses.

Washington, May 11.—The public court today issued a warrant for the arrest of Sidney Clay, James Bradley and Samuel Cowarden, condon, contractors in charge of government excavations and reservoirs in construction here, on the charge of violating the eight hour law. The complaint was made by John J. Hopkins, who claims that he and thirtyeight colored men were brought here from Richmond, Va., April 28th, to work as laborers on a promise of \$1 per day, with board and lodging on an eight hour basis. The laborer claims the men not only have not received any money but have had to work ten hours a day; that they were quartered in a stable with horses, the men sleeping on hay, and that this morning they were notified that their services were no longer needed.

The Virginia legislature is to be commended in the course it has pursued with reference to Judge Clarence J. Campbell, of Amherst county. The House of Delegates yesterday agreed to the action of the senate in removing Campbell from the bench. Campbell some few months ago disgraced the ermine he wore by publicly horse-whipping a minister of the Gospel. The only fault to be found with Virginia's action is that it required too long a deliberation to accomplish the desired end—Charlotte News.

Rainbow church, in Greene county, is one of the oldest Methodist churches in North Carolina, and has perhaps sent out more preachers than any other church in the State. They hold services today and tomorrow, commemorative of the ministers of that congregation: Dr. Thomas M. Jordan, of this city, left on the morning to deliver an address on Primitive Methodism, as applied to Rainbow Church.—Raleigh Times 9th.

"He has been mentioned as a candidate for office very frequently." "Yes," answered Farmer Corn-tassel; "the only trouble is that every time anybody mentions him the other fellows laugh."—Washington Star.

Uncle Charles—Boys, how can you associate with that Binks boy? I understand he's the worst scholar in the school. Willie—Huh! If it wasn't for him me or Tommy 'ud be at the foot of the class.—Chicago Daily News.

"Little boy, does your mother know you spend your money playing craps?" "Well, I guess yes. It's de way I supports de family."—Life.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder. If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders. I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.

LETTER TO C. P. SNUGGS

Greenville, N. C.,

Dear Sir: Lead and oil is no
longer the paint to be prosperous
with.

As everybody knows, lead and
oil chalks or powders off in about
three years—three years is its
limit.

Painters are putting a little
zinc in their lead to make it tough
—it lasts a good three years with
a little zinc.

But painters don't like the job
of mixing zinc. It's a tedious job,
and, both being white, nobody
knows when the mixing is
thorough. It gets half-mixed; and
the paint goes on, a streak of lead
and a streak of zinc. That is not
good work.

The mistake made is in trying
to do by hand what is better done
by machinery. Hand-work can't
compete with machine-work.

Devoe lead and zinc is your
paint. It wears twice as long as
lead and oil.

This reduces the cost of keeping
a house well painted to half.

Yours truly,
F. W. DEVOE & Co.

A Horrible Case.

Some days ago a girl who says
she is under 14 years of age, daugh-
ter of a man named Johnson, who
lives in Eagle Mills township, ran
away from home and went to the
home of her relatives near Olin.
Her father went there in pursuit
of her, carrying his gun and
threatening to kill the girl, it is
said.

News of the matter came to the
ear of Capt. J. A. Stikeleather,
who is a justice of the peace, and
he questioned the child with the
result that he issued a warrant for
her father, charging incest and
rape. Before the warrant was
issued, however, the brute took
alarm and fled and it is reported
that he has gone to Wilkes county,
from whence he moved to Iredell
about three years ago. A warrant
has been sent to Wilkes county for
him.—Statesville Landmark.

THE
FAULTLESS

SHOE
FOR
WOMEN

Let us assume that your shoes fit you. Now, what
next? What is most important? Unquestionably, style.
If it has style you want it. If it has not style, but every-
thing else, you do not want it. The style of a Dorothy
Dodd is unique. It cannot be duplicated by any other
maker, because the Dorothy Dodd is a totally different
construction from any other ladies' shoe. Besides being
exclusive in style, it holds the foot firmly at the instep,
prevents the foot from slipping forward, and gives a
correct poise in walking. It makes the foot look nearly
a whole size smaller. That's curious, and you won't
believe it until you see it. Just for once try the Dorothy
Dodd Faultless Fitting Ladies' Shoe and prove the truth-
fulness of our assertion.
