NEWS NOTES FROM WINTERVILLE.

WINTERVILLE, N. C., June 13.

Mrs. M. F. Summerell, Mrs. Geo. Worthington and Miss Celia Worthington, of Ayden, were the guests of Mrs. Abram Cox and other friends here this week.

Miss Bessie Cox returned Thursday night from Parmele, where she has been visiting relatives.

We give special price on tobacco flues to all those using our Handy tobacco trucks, and as our trucks are scattered all over the country we are, as would naturally be expected, selling flues all over the country.—A. G. Cox Mfg. Co.

Miss Nannie Nichols, of Standard, was in town yesterday.

G. A. Kittrell & Co., are buying potatoes straight out. Give them a bid on your crop and run no risks of having freight to pay on those you ship.

Little dogs are nice to play with and ice cream freezers are the very things to make ice cream in, provided the dasher is not left out. A certain young man in our midst seems to be troubled very much lately with doing things backward. Don't know what the cause of his trouble is, but guess its "something he has got to get used to." More than likely the little dog will be put in the freezer next time to stir the cream while he talks.

Jewelry carefully repaired by M. L. McGowan, Winterville, N. C. The above "ad" causes us to look out for the jewelry shop, which we find in the annex just built to the brick stores. Mr. McGowan will carry a nice stock of jewelry as well as do repair work.

A gentleman from some distance who was noticing the boys making flues here yesterday, remarked that there was no comparison between A. G. Cox Mfg. Co's. flues and others he had seen. The above firm uses only the best flue iron and the work is done to stay, and that is what it does.

Rev. Mr. Merrell, of Hobgood, spent Thursday night in town. He came down to get the Winterville Mfg. Co. to make seats for a new church just built in his field of work.

A man should be no more satisfied with a shoddy piece of work in a tobacco truck than he would in a wagon or cart. There is nothing shoddy about Handy trucks. Ask those who have seen and used them.

Dr. Cox is building a cosy little store adjoining his office which, we learn, will be used as a millinery store. J. R. Cooper is also adding a barber shop to his store occupied by Winterville Mfg. Co.

Prof. Nye left Thursday morning on a trip through Greene and other counties, where he will make a series of educational lectures.

A negro prophet was here this week notifying the colored people of the destruction of Wilmington and James City Aug. 15. He claims to have been divinely appointed to warn the people.

Prof. Ragsdale at the Teachers' Assembly.

The session of the Teachers' Assembly just closed at Wrightsville, seems to have been a good one. We notice from the reports that Prof. Ragsdale was not an idle spectator. He spoke on the "Importance of County Supervision," also on the the "Value of Township Meetings and County Institutes," and handsomely put in nomination for first vice-president J. I. Foust, of the N. and I. college. He also served on the committee on resolutions upon the death of the two vice presidents who died since last meeting, and on the committee on the following proposition made by Dr. C. D. McIver to the county superintendents of the state:

"During the discussion of the enrollment and average attendance the fact developed that it was possible to enroll every pupil in a district, and have a high average attendance.

"At the conclusion of the discussion Dr. C. D. McIver, president of the State Normal and Industrial College, in order to encourage both the enrollment and attendance in the public schools, made the proposition to the superintendents that our scholarship funds donated to the college by the general educational board and other friends, he would give seven scholarships in the Normal and Industrial college to become available at the beginning of the fall term of the college in 1904.

"He asked that County Superintendents C. W. Massey, of Durham; Ira T. Turlington, of Johnston, and W. H. Ragsdale, of Pitt, be appointed a committee to act in conjunction with State Superintendent Joyner and himself in working out the proposition and submitting it to the public before the opening of the schools for the next school year. The general plan will be to give each scholarship to the township or district that enrolls all the pupils having a legal right to attend school in said township or district and that makes the highest average attendance."

Prof. Ragsdale has been prominent in the work of the assembly for the past ten years, and this session was no exception.

Meeting of School Trustees.

There will be a meeting of the Board of Trustees of the graded school at the office of Jarvis and Blow Monday, June 15th, 1903, at 3:30 o'clock p. m. The special object of the meeting is to consummate arrangements with the Trustees of Pitt Academy and the County Board of Education as to all matters requiring joint action and for the transaction of such other business as comes before it. A full meeting is requested.

THOS. J. JARVIS,
Chairman.

Build of Brick.

We have heard it talked that some members of the board of school trustees are in favor of erecting a wooden building for the graded school. THE REFLECTOR believes it would be a serious mistake to have such a building built of wood and if the trustees have such in contemplation we hope they will change their plans and put up a brick house instead. The establishment of a graded school is not for the present only nor merely for a few years, but is for generations to come and the building should by all means be of brick.

The Meeting.

Being Saturday night no services will be held in the Christian church tonight. The usual services will be held Sunday morning and night and the meeting will continue through next week.

SATURDAY AFTERNOON, JUNE 13, 1903.

AYDEN SETS THE PACE.

The progressive town of Ayden has decided to make known its advantages to the outside world. To that end the town has taken a page in the semi weekly edition of THE REFLECTOR and Mr. E. V. Cox has been selected to conduct it in the interest of Ayden. The page will tell of the many matters of interest in that town and community, as well as present the claims of the merchants and business men. THE REFLECTOR already has a large list of subscribers at Ayden, and on the rural delivery routes going out from that town, from Winterville, from Grifton, and on the south side of the river from Greenville, among whom the Ayden business men have patrons, and they will find their announcements going to those people helpful to their trade.

In a short while we hope to have all the towns in Pitt county represented by departments in the semi-weekly REFLECTOR and to make it thoroughly a county paper. Negotiations to that end are already well on the way. Winterville has for sometime conducted a good department in this paper, with the result that it is one of the best advertised towns in the state. There is no reason why every town in the county cannot profit by such publicity and THE REFLECTOR is going to give them the opportunity to do so.

In speaking of his candidacy for congress, Mr. Scrapper Blackburn states that the boys are with him and as they wish him to run, he cannot see how he can disregard the appeals of his friends. As "the boys" do not vote to any extent Mr. Blackburn will hardly have any difficulty in remaining a private citizen and a public pest.

Albertus Jay Beveridge, the bashful youth from the red clay hills of Indiana, is mentioned for the vice-presidency on the republican ticket. Imagine a awkward duckling of a school boy laying down parliamentary rules to Hoar, Morgan and other senatorial patriarchs.

It is now denied that one of the men charged with the Wilson murder has turned state's evidence. So far none of the accused are in danger of receiving the punishment they deserve.

You'll hear somebody say a woman was the cause of all the trouble in Serbia, when the fact is, if the woman's advice had been taken the revolutionists would have gone quietly home to bed.

We extend congratulations to a Pitt county boy, Peter C. Davenport, of Paotolus, who recently passed a highly creditable and successful examination for state pharmacist.

There seems to be some difference of opinion as to the manner in which the king and queen of Serbia met their death. But all agree that it was a finished job.

A French senator proposes that mothers of families be decorated by the government with a ribbon and a cross. Better buy the babies a year's supply of shoes.

The new king of Serbia may not suit the people any better than the other one, but he has a name that is not easily assassinated—Karaagevitch.

In a day or two people will be asking "who was the king of Serbia, anyway?" and in a week it will be asked, "Where is Serbia?"

Will some far-seeing humanitarian now rise up and advertise the state penitentiary as a health resort?

We do not require our readers to pronounce all those Serbian names. We can't do it.

Belgrade butted in.

THE STATE PRESS

Since he can't be both congressman and governor, the Hon. R. B. Glenn has decided that he'll be governor.—Asheville Citizen.

The postponement of a republican convention on account of the wedding of Miss Hanna shows that the old man runs the conventions and that his daughters run him.—Durham Herald.

The criticisms of the governor for his use of the pardoning power comes mostly from democratic papers and is an admission that it is possible for a democrat to make a mistake.—Durham Herald.

Northern people never did understand the negro. Either they make too much of him, or go to the other extreme and hate him with a hatred that nothing but the wiping out of the black race would satisfy.—Winston Salem Sentinel.

A New York police commissioner recently reported that his force had just "apprehended a burglar reputed to be the most dangerous character in the state." The commissioner forgot to mention that burglar was captured after he had been cut in two by a railroad train.—Durham Sun.

There is a great deal in a name. The Episcopalian brethren proved this yesterday by voting against a change in the name "Protestant Episcopal." However, it looks as if the change will surely come later. The majority was a very narrow one. Another time the proposition will most likely carry.—Greensboro Telegram.

There is said to be a great exodus of negroes from this state north. The movement goes on without cessation. This is not true as to this section. The negroes who left here for the north a few years ago nearly all died or their health became so impaired they returned. They have better health here and save more, they say.—Asheboro Courier.

Retrospect.

Out of the humming cares of crowded day
We climb with tired feet
Into the sheltering tower of still night—
Ah, rest is sweet!

Then through the soothing dark our
dust-dimmed eyes
A bridge of stars may see
Reaching to that far vision-land which
lies
In memory.

F. C. TORPLEMAN,
Gen. Supt.

"I have been troubled for some time with indigestion and sour stomach," says Mrs. Sarah W. Curtis, of Lee, Mass., "and have been taking Chamberlain's Stomach and Liver Tablets which have helped me very much so that now I can eat many things that before I could not." If you have any trouble with your stomach why not take these Tablets and get well? For sale by Wooten's Drug Store Greenville, Farmville Pharmacy Farmville.

The race problem—how to win.

Chamberlain's Stomach and Liver Tablets are just what you need when you have no appetite, feel dull after eating and wake up with a bad taste in your mouth. They will improve your appetite, cleanse and invigorate your stomach and give you a relish for your food. For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy, Farmville.

In times past there were not so many pastimes.

LADIES AND CHILDREN INVITED.

All ladies and children who cannot stand the shocking strain of laxative syrups, cathartics, etc., are invited to try the famous little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not gripe, weaken or sicken: many people call them the Easy Pill. W. H. Howell, Houston, Tex., says nothing better can be used for constipation, sick headache, etc. Bob Moore, Lafayette, Ind., says all others gripe and sicken, while DeWitt's Little Early Risers do their work well and easy. Sold by John L. Wooten.

In time of trial—sessions of court.

A SERIOUS MISTAKE.

E. C. DeWitt & Co. is the name of the firm who make the genuine Witch Hazel Salve. DeWitt's is the Witch Hazel Salve that heals without leaving a scar. It is a serious mistake to use any other. DeWitt's Witch Hazel Salve cures blind, bleeding, itching and protruding piles, burns, bruises, eczema and all skin diseases. Sold by John L. Wooten.

His Last Hope Realized.

[From the Sentinel, Gebo, Mont.]

In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

The man who is a failure always regards success as a matter of accident.

DO YOU ENJOY WHAT YOU EAT? If you don't your food does not do you much good. Kodol Dyspepsia Cure is the remedy that every one should take when there is anything wrong with the stomach. There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol Dyspepsia Cure. Sold by John L. Wooten.

Your neighbor's upright piano may prove a downright nuisance.

It's easier to have a leg pulled, as a rule, than to have it done to a tooth.

J. L. WOOTEN SUCCESSFUL.

Induced Dr. Howard Company to Make Special Price.

After a great deal of effort and correspondence, J. L. Wooten, the popular druggist, has succeeded in getting the Dr. Howard Co. to make a special half price introductory offer on the regular fifty cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, but it makes permanent cures.

Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia and all liver troubles, that J. L. Wooten is willing to return the price paid in every case where it does not give relief.

The old fashioned idea of dosing with mineral waters, cathartic pills or harsh purgatives will soon be a thing of the past. The best physicians are prescribing Dr. Howard's specific because it really gives the desired results and on account of the small and pleasant dose that is needed.

Headaches, coated tongue, dizziness, gas on stomach, specks before the eyes, constipation, and all terms of liver and stomach trouble are soon cured by this scientific medicine.

So great is the demand for this specific, that J. L. Wooten has been able to secure only a limited supply, and every one who is troubled with dyspepsia, constipation or liver trouble should call upon him at once, or send 25 cents, and get sixty doses of the best medicine ever made, on this special half-price offer, with his personal guarantee to refund the money if it does not cure.

Honored at School.

Mr. Edward L. Stewart, son of Mr. E. T. Stewart, of Washington, who attended the Bingham School, near Mebane, last session, was distinguished in his studies and prominent both in the Literary Societies and athletics. During the entire session he stood near the head in classes and at commencement carried off two diplomas, "Scientific and Commercial Book-keeping." He was also awarded the University of Tennessee Scholarship, worth \$65 in fees and tuition at that institution. At the closing exercises Mr. Stewart was orator of his society, and delivered an attractive and interesting oration on the subject of "Stonewall Jackson."

Mr. Ned Laughinghouse, son of Mr. J. J. Laughinghouse, of Grimesland, was also distinguished in his studies. He won the medal in the department of Latin for attaining the highest average in study, and at the commencement exercises also won the Declaimer's Medal, delivering with much grace and earnestness a portion of Webster's Bunker Hill Oration. He was a member of the Glee Club and delegate to the State Convention of the Young Men's Christian Association, and a valued student.

We are pleased to see young men of our section do well and wish them all the success they deserve.—Washington Gazette-Messenger.

MISS FAY LEE,

President of the Shakespearean Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 608 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman

again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

Four life insurance agents in town this week. H. M. Humphrey, W. E. Hooker, John F. Stokes and J. Brown. Each one has the best contract.

Miss Emma Brown left on the Thursday morning train to visit relatives in Scotland Neck.

Railroads may not have been in existence at the time it was written that "all men are liars," but the reports we get daily of the arrival of the trains go a long way towards proving the truth of the assertion.

J. R. Smith's residence on Second street is nearing completion.

Misses Eulalie and Clyde Cox have let the contract to E. B. McLawhon for the erection of a handsome residence on their lot adjoining the Episcopal church. When completed it will be occupied by them and their father and mother.

J. A. Perry, superintendent of the Greenville telephone system, was in Ayden Thursday looking after the lines.

The shipping of the potato crop is about over. As a rule the yield was poor but the price realized by the planters was above the average.

Rev. Chas. Elmer Furman, of Brooklyn, N. Y., lately of the Interdenominational State Sunday School tour party, held a series of meetings in the Free Will Seminary building this week. Prayer meetings were also held by him in some of the homes of the people.

Pat. H. Burrus and George Worthington went to Kinston Thursday night in the interest of the big excursion to be run from that place to Richmond.

Mayor J. J. Stokes is confined to his room by sickness.

E. G. Cox spent Wednesday night in Grifton.

In giving the sketch of Ayden mention was not made of the flourishing lodges of Masons, Odd Fellows and The Daughters of Rebekah. The last named is the youngest but bids fair from present indications to outstrip in zeal and vigor the older ones.

The Ayden Lumber Company is building a trestle across Fork Swamp extending its road into new tracks of timber owned by the company.
