### NEWS NOTES FROM WINTERVILLE.

WINTERVILLE, N. C., June 24.

The farmers in our immediate section are to be congratulated upon the many blessings they have received during the entire present season. No hail or windstorms; copious showers at most convenient moments and every indication of a bountiful harvest, is surely most gratifying.

The business men of Winterville propose at no late day to launch forth in the newspaper business, and so thoroughly advertise and present to the outside world the many advantages and inducements of our progressive and enterprising town that we feel sure it will draw attention to the various industries already here and be the means of attracting others and causing a new and greater life to spring up and materially add to the thrift and enthusiasm to be seen and felt on every hand. The business men of Winterville are no sluggards and they intend the public shall realize it as a mighty truth.

W. L. Hurst accompanied his daughter, Mrs. W. T. White, of Bertie, to her home last Friday and returned Saturday evening.

Jim Green was out riding Sunday afternoon, since which time he has been blessed with a case of blissful jim-jams or what-you-may-call-'em, we don't know. It seems to be funny.

Mrs. Bettie Britt spent Sunday in the country visiting friends.

The town commissioners have sold the town guard house to R. H. Hunsucker, who has converted it into a barn. Our people have no need or occasion for such old landmarks.

Josh Manning made his customary trip to Black Jack last Sunday. No cards so far.

The A. G. Cox Mfg. Co. are just hustling tobacco trucks, flues and wire fencing. Car loads almost upon departure of every train.

The Winterville Mfg. Co., though but yet in its infancy, is making rapid strides, and already their shipments are truly wonderful.

Rowan Cooper and T. C. Nelson spent Monday in Greenville.

Leonard Hamilton went off Saturday evening and came back Monday morning. He seems to have the same disease as Jim Green. Funny!

The infant child of Mr. and Mrs. William Lacey died last Saturday and was buried the following afternoon.

A large number of our folks anticipate going on the Masonic excursion to Kinston Friday. Surely nothing less than a pleasant trip will be theirs.

The services of our "Tar Heel Band" have been secured at the reunion of the "Old Confederates" at Greenville on Friday, the 3rd of July.

Rural route carriers by order of "Uncle Sam" will have holiday on July 4th, that being a national holiday. Oh! the glorious independence of '76 and 1903.

B. F. Manning is a whole band. He has bought the outfit of a musical combine. Now the ladies all admire him, the children love him and the men, well! they say Ben is one of 'em.

Only a very few went on the excursion to Richmond from this point Tuesday. Scarcely a baker's dozen. Excursions are growing monotonous.

If ever a doubt existed as to the probability of Winterville growing to be a large and important place, that doubt no longer exists as we look around and see the life and animation in any and all direction of our surroundings. Our

capitalists are a magnanimous set and allow no opportunity to pass that tends to enthuse and encourage a steady and healthy growth in all things pertaining to the development of our many industries and in this particular they have been extremely fortunate.

Mr. and Mrs. J. D. Cox went to Grifton Monday evening.

Misses Laura, Addie and Dora Cox returned from Shelmerdine last Sunday afternoon, where they had been visiting Misses Cora and Sadie Carroll.

### AYDEN ITEMS.

AYDEN, N. C., June 24, 1903.

Daniel Winfield, the negro who was shot on Saturday morning by George Jones, died Saturday evening. His slayer is still at large.

Miss Mary Anderson spent Tuesday in Greenville.

Mrs. J. B. Gardner returned Tuesday evening from a visit to Darlington, S. C.

E. P. Dixon and Miss Nannie Barwick, of Kinston, were visiting Sunday at J. J. Edwards.

Several of our people left Tuesday morning on the excursion to Richmond.

I am requested to state that an institute for colored teachers will begin in Ayden on the first Monday in August and continue two weeks. It will be in charge of J. S. Brown, of Grifton, and all teachers of colored schools are required to attend.

Mr. and Mrs. J. S. Ross had birthday parties on the 17 and 20 inst., and their hearts were gladdened by the many presents they received from friends and especially the little tokens of love they received from the little ones around them.

There is talk of the erection of another brick block in the town by the progressive firm of Quinerly Brothers and the flourishing lodges of Masons and Odd Fellows.

Mrs. W. O. Bilbro continues quite ill with fever.

Mrs. M. M. Sauls and little Burruss left on Tuesday morning for Richmond for a brief visit to Mrs. Sauls' parents.

Mrs. Orissa Burroughs left on Wednesday morning for her home in Scotland Neck.

Miss Ella Wayne left Tuesday evening for a visit to New Bern. Little Miss Sallie Dixon is here visiting her uncle, Dr. Joe. Dixon.

W. B. Quinerly and Mrs. Quinerly and children spent Sunday at J. J. Tucker's near Grifton, the father of Mrs. Quinerly.

Already some of the farmers are beginning the curing of tobacco. So far our section has escaped from hail storms.

Miss Jessie C. Smith, of Salisbury, Md., who has been here all the spring assisting Mrs. J. A. Davis in her millinery store, left for her home Monday morning.

There are rumors of some marriages in Ayden soon. If young men want to come here and marry and settle here—that's all right. But if they propose to come here and pick our choicest flowers and transplant them in other states, then we want right here to give utterance to our eternal protest.

Mrs. D. F. Hines left Monday evening for a visit to her parents near LaGrange.

Rev. W. L. Bilbro will fill his regular appointment at Seven Springs next Sunday.

B. N. Welsh, of Chatham county, is here selling mowing machines and other improved farm machinery. His headquarters in Ayden is at Quinerly Bros. store.

Prof. P. E. Peden left Tuesday morning for Ohio, his native state, in the interest of the Free Will

WEDNESDAY AFTERNOON, JUNE 24, 1903.

THE YOUNG VIRGINIANS.

Are you sour and grumpy and dark browed? Are you dyspeptic, bilious and gouty? And have you no longer dreams of honor and glory sounding beyond the farthest arch of heavens? Then read the following from the Baltimore Sun, and if your blood is not stirred, if you do not hear the drum beat and the war cry of the boys in gray, and the strains of Dixie mingling with the sound of trampling feet and cannon's roar, may the Lord have mercy on your dead soul and sour heart.

The eyes of Virginians are turned today toward Lexington, where the old cadets of the Virginia Military Institute are gathered with those who are still wearing its uniform to celebrate an event not only unique in the record of that historic state, but which is said to have no parallel in this country. There today will be dedicated a monument to the battalion of cadets who fought in the battle of New Market on May 15, 1864, and materially contributed to that victory. Boys called suddenly from text-book and classroom to tent and battle, they bore like veterans the fire of the Federals and bled and died like the heroes they were. Some were almost too small to carry the muskets on the long march and some were so tenderhearted that they wept when they saw the death their guns had dealt. But they swept to the charge as if they had been on parade, and the veterans in gray wildly cheered as the boys took the Federal cannon and waved the flag of Virginia from a caisson."

Keeping after the appreciation of the people will give them the impression that you believe the goods are what you claim for them and will help you to get their confidence, says Ad Art. They believe the worth of the article is the one thing that should stimulate the sale, and they also think that the man who believes in the article himself will keep telling how much he believes and why he believes. Keeping the matter before them insures their attention and interest.

We think Mr. Cleveland would have been wiser had he omitted his recent denial of the language attributed to him by the Texas newspaper man. If he had done so, the whole thing would have been quickly forgotten, but now it is evident that somebody lied, and all of us won't settle on one man as the liar.

Lawrence B. Pulliam, bank thief and convict, has been in jail only a few months, yet the judge who sentenced him and the jury that convicted him are backing up his application for pardon. What did they convict him for if they have so much mercy now!

Judge Boyd probably thinks North Carolinians have become so accustomed to that sort of thing that they will stand for anything in the pardon line.

J. Wiley Shook might get in the postoffice department. No doubt he could find there "something just as good."

Pulliam will be pardon, but the man who accomplishes it should not be.

Indiana has Delaware beaten to a standstill when it comes to pulling off full dress lynching with a colored man and brother as lynchee.

Peary wants to find the North pole again. He must be an Esquimau if the first of June was not cold enough for him.

Indiana will cast a complimentary vote for Fairbanks. The latter is now slightly ahead of W. R. Hearst.

Now watch the zeal with which the northern press does not denounce the Delaware lynching.

Of course the reporters are always to blame. How can a gentleman and a statesman tell a lie!

GRIMESLAND ITEMS.

GRIMESLAND, N. C., June 22.

After so many disastrous fires our town is again getting down to business. Within fifteen months every business house has been destroyed by fire, but in the near future we hope to see new and better buildings take the place of those destroyed. W. M. Moore, T. F. Proctor and Dr. C. M. Jones have built larger and better stores than they had before they were burned out and J. O. Proctor & Bro. have built a large store for temporary use till they shall have put large stores on Main street.

J. O. Proctor & Bro., have the erection of a new saw mill and ginney well under way and will soon be ready for business along that line.

We hear that northern capitalists desire to locate a \$200,000 paper mill at some point on Tar river, contiguous to forests of cotton wood trees from which to manufacture paper product. There is enough cotton wood near Grimesland to last such a mill 50 years—in fact the supply of cotton wood is inexhaustible.

Ye Editor of REFLECTOR was with us a short while Friday. We were glad to shake his kindly hand and have a cheerful word with him. He sympathized and lamented with us over our recent disaster, but at the same time he hoped for us a more fortunate future. Come again, and not so long betwixt.

Our people come and go. They work, they play, mostly work, and we note that M. E. Proctor is home again after running a series of excursions up and down Tar river on his gas boat "Myrtie." This little craft has been a source of much pleasure to our people, as well as those of our near-by cities.

J. J. Mason has returned from a business trip to Norfolk and Baltimore. We learn that he will soon move to Washington and engage in business in that town.

Miss Lizzinia Moore has just closed a very prosperous term of school at Shelmerdine, and is at home for the summer. We are glad to know that the people of Shelmerdine are so pleased with her school work that they want her to teach for them agtin.

W. M. Moore and Dr. Jones took a party of ladies out Friday fishing up Chicod creek. They had lots of bites: (Mosquito bites.) Misses Lavina and Ada Ward, who have been visiting friends here, returned to their home Sunday.

The many friends of Mrs. J. B. Galloway will regret to learn of her serious illness. She is slight-

"I have been troubled for some time with indigestion and sour stomach," says Mrs. Sarah W. Curtis, of Lee, Mass., "and have been taking Chamberlain's Stomach and Liver Tablets which have helped me very much so that now I can eat many things that before I could not." If you have any trouble with your stomach why not take these Tablets and get well? For sale by Wooten's Drug Store Greenville, Farmville Pharmacy Farmville.

A shady character doesn't always keep a man cool.

Chamberlain's Stomach and Liver Tablets are just what you need when you have no appetite, feel dull after eating and wake up with a bad taste in your mouth. They will improve your appetite, cleanse and invigorate your stomach and give you a relish for your food. For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy, Farmville.

Only a pretty girl can be saucy with impunity.

### LADIES AND CHILDREN INVITED.

All ladies and children who cannot stand the shocking strain of laxative syrups, cathartics, etc., are invited to try the famous little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not gripe, weaken or sicken; many people call them the Easy Pill. W. H. Howell, Houston, Tex., says nothing better can be used for constipation, sick headache, etc. Bob Moore, Lafayette, Ind., says all others gripe and sicken, while DeWitt's Little Early Risers do their work well and easy. Sold by John L. Wooten.

### A SERIOUS MISTAKE.

E. C. DeWitt & Co. is the name of the firm who make the genuine Witch Hazel Salve. DeWitt's is the Witch Hazel Salve that heals without leaving a scar. It is a serious mistake to use any other. DeWitt's Witch Hazel Salve cures blind, bleeding, itching and protruding piles, burns, bruises, eczema and all skin diseases. Sold by John L. Wooten.

### His Last Hope Realized,

[From the Sentinel, Gebo, Mont.]

In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water; which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

It takes two banana skins to make a pair of slippers.

### DO YOU ENJOY WHAT YOU EAT?

If you don't your food does not do you much good. Kodol Dyspepsia Cure is the remedy that every one should take when there is any thing wrong with the stomach. There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol Dyspepsia Cure. Sold by John L. Wooten.

Individual liberty often depends upon the size of the individual.

The blindness of justice should prevent her from winking at her favorites.

### The Fifteenth Amendment

The Indian as, the original inhabitants of the land, who have never been enslaved and who would seem to have at least as good claims to American citizenship as the negroes, have received no consideration whatever, and are disfranchised in nearly every state. The Chinese, who are more intelligent than the negroes, have not only been denied citizenship, but have had the doors shut in their faces and live among us by sufferance, numbered and catalogued like so many ex-convicts. The Filipinos, whom we recently bought, have not been granted any rights, privileges or ballots as American citizens. Why should the black race be thus specially favored and considered, while the red, yellow and and brown races have been treated on the theory that this is a white man's country, not intended to be ruled or governed in whole or in part by the dark races? The people of the United States are too practical to settle this question on sentimental grounds. The war amendments were the fruit of sectional bitterness and ignorance; and this mistake will never be made again. If the country, as a whole, ever takes up again the question of suffrage for the dark races, it will act, not with the passion and prejudice that begot the crime of 1863, but deliberately, intelligently and wisely, accepting anew the doctrine that each state is the best judge of its own suffrage and of its conditions and limitations necessary to protect it.—New Orleans Times-Democrat.

### "Sipping Deadly Poison."

"Poisoned Pottage" was the subject upon which Rev. Dr. L. M. Zimmerman preached last evening at Christ Lutheran church. He said in part:

"The man or woman who thinks that there is pleasure in sin, sipping here and there of the deadly poison, partaking now and then of the poisoned pottage, must sooner or later reap a harvest of tears and remorse. I fear there is poison in much of the modern pottage that is being served to society. The multiplication of societies of the world, the fashionable card party, with its well-filled punch bowl and decanters, are in part a rival to much of the poisoned pottage that men are already partaking of, and in this respect women must be watchful lest they fall into the same temptation, and then will follow the overthrow of the sanctity of the home and family life.

"It is not an uncommon thing at many of the summer resorts to see young ladies drain the intoxicating cup with the same ease that many men indulge, and yet these are they who are to become future wives and mothers. I say there is danger of getting poison into the pottage, and our noble men and women, young and old, will do well to examine carefully into the general tendency of affairs, lest unawares they get poison in the dish before them."—Baltimore Sun.

## BEARING DOWN PAINS

3647 Indiana Avenue, CHICAGO, ILL., Sept. 27, 1902.

I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them. About eight months ago I had to take to my bed, suffering with prolapsus of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me told me of Wine of Gardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery. In a few weeks I was out of bed and in three months I was

in better health and stronger than I had been in years. I take a dose now, occasionally, of Wine of Gardui and am kept in perfect health.

*Mabel Cook*  
Sec'y. Woodman's Circle No. 70.

Wine of Gardui brings certain relief to women suffering any symptom of female weakness and perfectly regulates the menstrual flow. Wine of Gardui stops bearing down pains by permanently relieving the irritation which weakens the ligaments holding the womb in place. You need not suffer every month if you take this medicine. The periodical discharge will be painless and healthy without continual weakening drains. Wine of Gardui will make your health right and you may treat yourself privately in your own home. Secure a \$1.00 bottle of Wine of Gardui from your druggist today.
