THE BETTERNESS OF BIGNESS.

Who does not appreciate big apples, big strawberries, big, broad-minded men, big, masterful institutions that can do things? The big apple or strawberry has come to its fullness and goodness because conditions were right for its growth. The big, broadminded has lived in a wholesome atmosphere. This store has thrived because it sunk its foundations to the sources of vigorous life, and has builded upon policies logical and secure.

Our merchandise tells the nature of our store, and the care and skill of those who guided its growth. As advertised, we will make July a record breaker in low prices. Read our ads. They will follow in quick succession.

GONE AWAY TO GEORGIA.

Barnes Feared Vengeance of Jones' Murderers.

Wilson, N. C. June 24.—All the defendants went upon the witness stand today and all denied any knowledge of the murder of Percy Jones. Allen stated he was at Morgan's room near by on business, went to tell Morgan there were revenue officers in town. Morgan was running a distillery. Rich claims to have been elsewhere at time of shooting, as did other defendants. W. W. Barnes, the defendant who turned states evidence, has left and is supposed to be on his way to Georgia, where he has relatives. There were rumors of threats against him by friends of the defendants and it is said he left because of fear of bodily injury. A warrant will probably be issued for Sanford Christman, whom several witnesses have connected with the alleged conspiracy. An officer said tonight that Christman had left town. A conference of attorneys today was held for the purpose of trying to agree on a compromise. It is learned that the defendants themselves and one or two of their counsel were opposed to a compromise, preferring to take their chances before the jury.

Work for the Fool Killer.

Chicago, June 24.—At the meeting of negroes held last night to protect against the lynching of the negro David Wyatt at Bellville, recently, Rev. T. H. Thomas, one of the speakers, advised his hearers that they should, if the hanging and burning of colored men is not stopped by the regular authorities, sell their coats and buy guns with which to defend themselves. Other speakers expressed similar sentiments and the negroes present were worked up to a high pitch of excitement.

U. S. Snubs King Peter.

Washington, June 24.—John B. Jackson, United States minister to Serbia, withdrew from Belgrade in advance of King Peter's arrival. Notification to that effect has been received by the state department. Mr. Jackson is on his way to Athens, his residential post. In leaving Belgrade Mr. Jackson acted within the discretion given him by Secretary Hay to follow the example of the diplomatic party in the Servian capitol provided it was unanimous or practically so.

Lorenz Family in the Toils.

Toledo, Ohio, June 24.—George B. Lorenz and his wife, Martha, who were indicted by the federal grand jury at Washington a few days ago in connection with the scandals in the postoffice department, were arrested here this morning. They were taken before a United States commissioner, where their attorney demanded the right to a preliminary hearing. It has been set for tomorrow afternoon. Mr. and Mrs. Lorenz gave bond in the sum of \$5,000.

This Time It's a Democrat.

New York, June 24.—Edward H. Griggs, democratic ex-congressman and vice-president of the Empire State Surety Co., was indicted by the federal grand jury in Brooklyn today for his connection with the E. J. Brondt-Durt conspiracy, of Watertown, Wis., in the sale of automatic cashiers to the postoffice department while he was in congress. Four indictments were returned against Griggs.

The War in Richmond.

Richmond, Va., June 24.—Richmond has experienced a reign of terror today and tonight, the net result of which has been the more or less serious wounding of six men, the injury of several others and the utter defiance of all law. So serious had the situation grown before the close of the day that the mayor determined to ask for more troops to supplement the 800 already on duty, and in the early hours of the morning five companies arrived here consisting of three from Norfolk and two from Newport News. The bloodshed occurred early in the night just across the line of Henrico county. At that point strike sympathizers had been congregating all day and when darkness came they began to throw missiles at the passing cars. Finally in order to put a stop to this the guards employed by the car company opened fire upon the gang. It is proposed in the event the military are unable to cope with the mobs, to order out the fire department and turn on the hose.

Hope for Doodlers.

Asheville, N. C., June 23.—For a time it was believed that practically all storekeepers and gaugers would be put out of commission under provisions of the Watts law. During the past day or so, however, revenue officers have discovered some ground for hope that this result will not follow. They find that the Watts law does not prohibit the business of rectifying, and it is declared that one may locate a rectifier near some distillery, and then ship the whiskey to himself in some large town where he can sell it to either the wholesale or the retail trade. It is from the rectifying plant that the distiller realizes much of his profit, and at every plant a gauger must be located.

Change of Venue for Tillman.

Columbia, S. C. June 24.—J. H. Tillman has secured a change of venue. Judge Townsend has not decided to which county he will send the case. Col. Craft for Tillman asked that the change be to Saluda. To this the prosecution made vigorous opposition.

O. Tom and Andrew Moore, of Greenville, are visiting in and around Bethel.

H. L. Jenkins left Tuesday for Richmond and returned the next day.

M. O. Blount is still following up the potato crop. He is now in Virginia buying potatoes.

James R. Carson and wife, of Phoebus, Va., came in Sunday evening to his old home to spend a few days with his father, brother and sisters. We were all glad to shake Jim's hand. He was looking well, has been gone about 18 months, and is doing a nice business.

Mrs. J. L. Nelson, of Mount Olive, is visiting her daughter, Mrs. M. O. Blount.

There have been about 25,000 barrels of potatoes shipped this spring from Bethel and vicinity, amounting fully to \$50,000. About half of that amount was left with the farmers, so they are in better shape and have more money than any time since the war. God bless the farmers.

T. R. Harper and Miss Mamie Harper, of Nashville, are visiting their sister, Mrs. J. E. Hocutt.

Misses Jennie and Nannie Hug-

gins left Monday morning for their home in Virginia. They have been working for Blount & Bro. the past season, and leave many warm friends.

Washington Woman Scalped.

Washington, N. C. June 24.—Yesterday afternoon Miss Whitley, 13-year-old daughter of Capt. Ben Whitley, met a fearful accident. In company with three other girl friends she went for a ride down the river on her father's gas boat, which was sent to tow in a raft of logs. As they were returning Miss Whitley started to cross the boat when she stumbled and fell on the machinery. Her hair became entangled in the rapidly revolving shaft and about half her scalp was torn off before the engine could be stopped. Physicians say her injury is not necessarily fatal though very painful and serious.

THURSDAY AFTERNOON, JUNE 25, 1903.

PASTMASTER IN GRAFTING PAYNE.

The same state of affairs exists in the national government as in the city of Philadelphia and the state of Pennsylvania, but thievery, political piracy and official arrogance in Washington by far out-distances the same in the Keystone state, in that the national republicans have been disturbed once in a while, whereas the machine in Pennsylvania has been the whole thing for years. In spite of the breaks in the continuity of their reign, the republicans have managed to pile up a monument of frauds that probably has no parallel in any land. There are enough thieves connected with the republican national government to fill several penitentiaries and still have some left to be coddled by Pastmaster in Grafting Payne.

FARMVILLE FALLS IN LINE.

Farmville has joined the company of progressive towns in the county which are taking a department in the semi-weekly edition of THE REFLECTOR to place the advantages of the town and section before the public. It is an enterprising town, located in one of the finest farming sections of the South, with as good people as walk the earth. Farmville has many splendid buildings and some as large and progressive business firms as are found anywhere. One firm there is credited with paying the largest purchase tax of any firm in the county. To the many other advantages of the town will soon be added a graded school, movement having already been started to establish one there. It has excellent churches, progressive lodges, an industrious class of whole-souled people, and is an all-round good town.

All the crooks in the country are not in the postoffice department. A young woman in Massachusetts is advising people to send money to her to be applied to Southern schools.

An aroma of Blue Grass feulery arises from the Wilson murder trial. And if the penitentiary or the gallows does not get busy pretty soon there is no telling what may happen.

There is yet hope for better conditions in the postoffice department. Pastmaster in Grafting Payne is said to be breaking down.

A SERIOUS MISTAKE.

E. C. DeWitt & Co. is the name of the firm who make the genuine Witch Hazel Salve. DeWitt's is the Witch Hazel Salve that heals without leaving a scar. It is a serious mistake to use any other. DeWitt's Witch Hazel Salve cures blind, bleeding, itching and protruding piles, burns, bruises, eczema and all skin diseases. Sold by John L. Wooten.

Marriage is a feast—and the soup is often more palatable than the dessert.

Chamberlain's Colic, Cholera and Diarrhoea Remedy

Is everywhere recognized as the one remedy that can always be depended upon and that is pleasant to take. It is especially valuable for summer diarrhoea in children and is undoubtedly the means of saving the lives of a great many children each year. For sale by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

A few days ago Mrs. Alfred May, of Farmville, sent THE REFLECTOR a chrysanthemum bloom from her garden. They do not bloom often this time of year.

His Last Hope Realized.

[From the Sentinel, Gebo, Mont.]

In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Wooten's Drug Store, Greenville; Farmville Pharmacy, Farmville.

Sold by John L. Wooten.

Railroad from Suffolk, Va., to Washington, N. C.

Suffolk, Va., June 23.—Engineers are now making a survey from Washington to Plymouth for the Suffolk & Carolina railroad with a view of extending their line from Suffolk to Washington, or if the proper arrangements can be made the Washington & Plymouth railroad will be purchased. Overtures have already been made to the Washington & Plymouth people, but the Norfolk & Southern are holding them in check. If this scheme is not carried through then the Suffolk & Carolina will build a competing line from Washington to Plymouth and use transfer barges from Plymouth to Edenton, where the Suffolk & Carolina now run a narrow gauge road. Their road from Suffolk to Edenton will be made standard gauge. If this is accomplished it will shorten the distance from Washington to Norfolk by about seven miles.

Engineers were in Washington yesterday making a survey, under the pretext it was for the United States Government, when in fact it was for this road.—Washington Gazette Messenger 23rd.

"I have been troubled for some time with indigestion and sour stomach," says Mrs. Sarah W. Curtis, of Lee, Mass., "and have been taking Chamberlain's Stomach and Liver Tablets which have helped me very much so that now I can eat many things that before I could not." If you have any trouble with your stomach why not take these Tablets and get well? For sale by Wooten's Drug Store Greenville, Farmville Pharmacy Farmville.

A married man should never talk in his sleep unless he is sure of what he is going to say.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

STARTLING EVIDENCE.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. McFarland Bentorville, Va. serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Jno. L. Wooten Druggist. Trial bottles free, regular sizes 50c, and \$1.00.

ORMONDSVILLE ITEMS.

Misses May Brooks, of Grifton, and Mittie Harper, of Snow Hill, are visiting at W. A. Darden's.
Miss Maude Dawson, and Roy Hardee, of Institute, Lenoir county, spent Saturday night and Sunday with Miss Fannie Hardee.
Miss Florence Dail returned home today from Goldsboro and Snow Hill, where she has been visiting. Miss Lillie Patrick, of Snow Hill, accompanied Miss Dail to Goldsboro.
Miss Bettie Smith, of Hugo, spent last week visiting at W. W. Ormond's.
Marion Taylor, of Graingers, spent Saturday night and Sunday with J. T. Frizelle.
Elias Turnage and son Roy made a business trip to Kinston last Friday.
W. J. Hardee went to Goldsboro last week. We wonder what business he had?
We are glad to see out again, Mrs. E. E. Hardee, who has been sick for some days with fever.
Misses Verna and Ethel Hill, of Fountain Hill, spent Saturday and Sunday night visiting relatives in this neighborhood.
A good many from here attended the picnic at "Old Rainbow" last Saturday.
Miss Lucy Turnage and J. M. Ormond visited the family of Major Henry Harding last week.
Felix Pittman, the clever little salesman of T. W. Mewborn & Co. of Kinston, was here last week.
Dr. J. E. Patrick, of Snow Hill was here a short while this morning en route to Ayden.
A. E. Holton, of Ridge Spring, was here a short while one day last week. Mr. Holton is always a welcome visitor with us all. He is such a jovial and clever man.
W. J. and C. L. Hardee made a business trip to Greenville last Thursday.
Miss Lucy Turnage and little brother, Loyd, visited their sister, Mrs. W. M. Edwards, last Saturday.
Your correspondent has been told that the crops in this section are the finest in the county. The tobacco is especially good. Some of our farmers began curing today.
J. W. Dixon, of Kinston, was here last week. He said the tobacco in this section was the best he had seen this year. We have a fine section of county and should feel proud of it. The tax books of the county show that real estate is valued higher in this neighborhood than any other of the county. In fact it is the gardenspot of Eastern North Carolina, or, at least we think so.

The regular monthly appointment was filled Sunday by Rev. J. W. Jenkins, who is superintendent of the Methodist orphanage at Raleigh. Mr. Jenkins spoke very forcibly in behalf of that noble institution. After his remarks Rev. Mr. Pope, the regular pastor, had subscription taken for the orphanage. Some of the congregation responded liberally, two of the members giving fifty dollars each. No doubt but that the work Mr. Jenkins is so successfully carrying on is the greatest work that can be accomplished. Mr. Jenkins is a thoroughly consecrated man and has his work well at heart.

The following are names of the visitors who attended church here Sunday: Mr. and Mrs. D. H. Dixon, Misses Sallie Palmer and Palmetto Taylor and Mrs. Eugene S. Edwards, from Hookerton. Misses Mary and Leona Lassiter, of Lizzie. Miss Grimes, of Robersonville, who is visiting Misses Lassiter.
