His Brother Dead.

Ex-Sheriff Allen Warren left this morning for Conetoe to attend the funeral of his brother, Mr. Eli Warren, who died Wednesday at his home near that town. Deceased was in his 77th year. He was a native of Pitt county, being raised near Falkland. He served through the civil war on the side of the confederacy, and all his life whether soldier or citizen, marked him as an upright man.

Temperance Meeting.

The executive and finance committees of the Anti Saloon League will meet Friday night at 8:30 o'clock in F. C. Harding's office. All friends of temperance, and especially the pastors of the different churches, are requested to be present. Business of importance.

Good Luck Party.

Reported for The Reflector.

A most enjoyable evening was that spent Wednesday from 8:30 to 11 at the hospitable home of Miss Helen Forbes. The occasion was a hunt for a four leaf clover, given complimentary to Miss Eva Hassell, of Washington, who is visiting Miss Forbes.

The guests were met at the door by Mrs. Hilliary, of Philadelphia, and Mrs. Quinerly, and were ushered into the parlor, where they were given a cordial welcome by Misses Forbes and Hassell.

The hallway and parlor presented a pleasing effect, being beautifully decorated with horse shoes and three leaf clovers, everything suggestive of good luck. When all had assembled the hunt commenced and Miss Vernessa Smith was the lucky one to find the four leaf clover. She was presented with a beautiful silver horse shoe with 13 lucky pennies added as a mascot.

Toasts were then declared in order, as each guest had been asked to have one ready. The toasts were very good and would have

done credit to much older heads.

Alex Blow's was the best, or was appreciated most by the crowd.

After this each one was requested to relate the greatest piece of luck that had ever befallen him or her. You can guess the fun and laughter that followed.

Refreshments were served by Miss Hellen Forbes with Harvey Jones, and Miss Gertrude Williams, of Baltimore, with J. I. Smith.

The girls present were Misses Bessie Haskett, Margaret Skinner, Ethel Cheek, Lizzie Hill, (Washington) Jamie Bryan, Mae Schultz, Ethel Skinner, Vernessa Smith, Lizzie Higgs, Mary James, Alice Blow and Eva Haskett, (Washington.)

Frank Skinner, Frank Wilson, Alvin Dupree, Carey Warren, Darward Wilson, Dock Horne, Burney Warren, Will Lipscomb, John Shelburn, Alex Blow, Zeno Brown and Cliff Blakely (Washington.)

THURSDAY AFTERNOON, JULY 16, 1903.

IT IS GREENVILLE'S MOVE.

As Greenville and Washington appear to be in the same canoe in the matter of the Raleigh and Pamlico Sound Railroad, we suggest that it is in order for the two towns to combine forces and make an united and determined effort to have the road run as at first proposed. We note that Captain Turner and Mr. Barbee are now on a prospecting tour in the vicinity of Wilson, and they may come further east and investigate their deep water terminal. The claims of Greenville and Washington ought to be laid before the new railroad company at once. If we remain passive and do not put up a stiff fight for our rights, it will be justification for the company's judgment in not entering towns that do not help themselves. Unless Greenville and Washington put up a worthy fight for what they believe is coming to them, they deserve nothing.

Greenville's newly-organized Merchants' association meets tonight, and we trust they will make a creditable beginning by appointing a committee to go to Raleigh and place Greenville's claims before the company. This committee could join forces with a similar one from Washington. In this way something could surely be accomplished.

We believe we can promise that Greenville will co-operate if Washington will take up the matter, and we put it up to the Gazette-Messenger to rouse its people and get them to take action.

Pension Commissioner Ware has undertaken to secure and restore for presentation to the Kansas Historical Society the scaffold from which John Brown was hanged at Harper's Ferry, Va., in 1859. If the thing can be done there will be fetish worship without limit in the land of the Jayhawkers. There are hundreds of people in Kansas who would walk 40 miles to kiss that scaffold, upon which was hanged the greatest cattle thief west of the Mississippi.

The New Bern Journal raises this point: "How can the valuation of a property be increased, if its productive capacity is decreased through want of labor?" The Journal refers to country property and the scarcity of laborers. We endorse our contemporary's conclusion:

"With the labor shortage taken into consideration, to increase tax assessments upon lands which cannot be worked, does not look just, for even upon the old tax valuation many farmers who cannot secure help will find it difficult to make anything from their farms during the year."

It may be unkind to remind the public of it, but we still believe that a great deal of the negro cussedness perpetrated lately, and the consequent punishment by whites, is the direct result of the policy of the mistake now located at Oyster Bay.

Ex-Pritchard must be too busy with his judicial duties to instruct Son-in-law Rollins, judging by the cold breath of the ice man which recently blew over the republican chairman from the secretary of agriculture.

The executive committee of the State Anti-Saloon league did wisely in not establishing a temperance organ. The best papers of the state are aiding the work every day, and are doing all the good that can be done by agitation.

Judge Boyd says if congress will do a few things he will be glad to hold court at Wilkesboro. Strikes us he has got to do it anyway or turn loose the teat.

We were inclined to believe all along that King Peter knew what was going on in Belgrade. Your regicides are all tarred with the same stick.

King Peter has just celebrated a birthday, and he may never have another such opportunity.

THE STATE PRESS

Out in Indiana they are giving the negro a fair chance—to get away.—Durham Sun.

Some people are wondering what Mr. Bryan will do in case the goldbugs control the convention, while others do not seem to think that it makes any difference.—Durham Herald.

Those Indianapolis negroes who met and resolved to drive the worthless negroes out of the state instead of condemning the whites of Evansville are of a kind that we know nothing about.—Durham Herald.

Of course the governor may have a good excuse for every pardon that he has granted, but it is also supposed that the courts that sentenced the criminals had some sort of excuse for so doing.—Durham Herald.

It is indeed a dangerous and peculiar prerogative that the governor of our state possesses, that of the setting aside of the verdicts of courts and juries. In the palmy days of Russelism the democratic press of the state more than once denounced the governor for having so leniently and generously exercised this pardoning power. We are not disposed to denounce our present chief executive for having excelled Russell at the game. We only deplore that such is this case.—Smithfield Herald.

Judge Peebles is handling the pistol-toting business with proper vigor, and discriminating intelligently in favor of the totter who also carries along with the pistol an unnecessary amount of rye that is red by adding 50 per cent, to the punishment. If the law prescribed a term of not less than six nor more than twelve months on the county roads for every such offender, such judges as the able gentleman now holding Wake court would have fewer such cases to dispose of.—Morning Post.

Very Remarkable Cure of Diarrhoea.

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy, Farmville.

Jenkins—Then you mean to tell me I have told a lie?
Chambers—Well, no; I don't wish to be quite so rude as that, but I will say this—you'd make a very good weather prophet.

A SURGICAL OPERATION

is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousand's of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Summerton, S. C. For Blind Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Salve by Wooten's Drug Store.

It takes a very high temperature to melt charity.

THE FOUNDATION OF HEALTH.

Nourishment is the foundation of health—life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health. Nature does the rest. Indigestion, Dyspepsia, and all disorders of the stomach and digestive organs are cured by the use of Kodol. Sold by Wooten's Drug Store.

When a woman goes to house-cleaning the wise husband goes traveling.

Valuable Time Saved.

Slight injuries often disable a man and cause several days' loss of time and when blood poison develops, sometimes result in the loss of a hand or limb. Chamberlain's Pain Balm is an antiseptic liniment. When applied to cuts, bruises and burns it causes them to heal quickly and without maturation, and prevents any danger of blood poison. For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy, Farmville.

The difference between a woman and her rival is that the former restores her hair, while the latter dyes hers.

CATARRH OF THE STOMACH.

When the stomach is overloaded; when food taken into it that fails to digest it decays and inflames the mucus membrane, exposing the nerves, and causes the glands to secrete mucus, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. B. Rhea, Coppell, Tex. Sold by Wooten's Drug Store.

JUST ABOUT BEDTIME

take a Little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by Wooten's Drug Store.

FARMVILLE ITEMS.

FARMVILLE, N. C., JULY 14, 1903.

This is the dull season among our Farmville merchants, yet there is a lively trade going on nearly all the time. Considering the size of the town and number of inhabitants, Farmville has the largest trade of any town in North Carolina. During a conversation with one of our best business men I was informed that the fertilizer trade alone during the past season amounted to seventy or eighty thousand dollars. This is an enormous sum of money to pay out for just one article of commerce. Some of our farmers buy as much as \$400 to \$500 worth of fertilizer at one time. Not only are such large quantities of these goods sold but nearly everything else in proportion. In dry goods, notions, hats, shoes and groceries at least two hundred and fifty or three hundred thousand dollars worth are sold here every year, so we have been creditably informed.

An outsider might think from this statement of facts that our town would be a suitable place to sell goods. And so it would be. The trade requires a large quantity of marketable goods to meet the ever increasing demands. Unfortunately there is not an unoccupied store in the town. A well assorted stock of hardware, of all kinds, farm machinery and farmers' supplies, would be a money making business. The populace are ever free buyers. Whatever suits the fancy or is needful for immediate demands, passes rapidly from the counters to the hands of the purchasers.

A great future of prosperity is before us if we will but grasp the opportunities which daily present themselves. Our merchant body is an exceptionally good one. They are men of trained business capacity, who from the school of experience and small beginnings have built up handsome fortunes by their integrity and close attention to every detail of business, and have also gained the implicit confidence of their customers.

Taking the mercantile reports as facts we find that this, is the best rated town, according to size, for financial standing of its merchants of any town in Eastern North Carolina, or perhaps in the entire state. This is demonstrated by the fact that the ever present drummer comes in droves and swoops down upon our merchants like birds of prey knowing if they can sell a bill of goods and hold their trade here they are in the "boat."

In our next we wish to write about our farmers, their products and manner of cultivating the soil and the average per acre of all crops made.

GREAT JULY SALE

of Oxford Ties for Men and Women.

Hot weather is upon us and we are now showing three of the greatest lines of Oxfords in America. Queen Quality at 2.50 and 3.00, for women. Dorsch at 5.00 and Crossett at 3.00 and 3.50 for men. The above three lines of shoes need no introduction. Their reputation keeps them before our customers. It is conceded by all that the Queen Quality is the greatest shoe on earth for women. The Crossett is the best shoe in existence for the money. And the Dorsch at 5.00 for Oxfords and 5.50 for boots is the best shoe known to the wearers of shoes. We could talk all day about our shoes but rather than say so much, we invite you to call and examine our stock of shoes. We have all leathers at all prices.

Al Fresco Festival.

Will be given on the grounds of the new M. E. church lot, Friday night, which promises to be a delightful event. Come everybody and enjoy the music and refreshments.

"Lady," said Meandering Mike, "I haven't had a square meal in two days."

"Why, it was only last night that I gave you a piece of pie." "Dat wasn't a square meal, lady. Dat was triangular."

How to Make Cloth Waterproof.

Ordinary cloth may be made waterproof by the following treatment: Put half a pound of sugar of lead and half a pound of alum in a pail of soft water. Stir this at intervals until it becomes clear. Then pour it off into another pail, put the cloth or garment into it and let it stand an entire day, twenty-four hours. Then hang up to dry without wringing. Garments treated thus, it is said, can be worn in the wildest storm of wind and rain without the wearer getting even damp. The rain hangs in globules upon the cloth, and cloth that is waterproof is better and more healthy than rubber goods.

The Spittle Fly.

The spittle fly is an insect which encompasses itself in a white froth composed of the juice it has sucked out of the plant on which it is bred. It seriously injures plinks, carnations and picotees if not checked in the early stages of its progress. It is very tender when young, but develops into a hard skinned hopper. It can be pinched and rubbed off with the fingers, or a good syringing with something bitter, like a concoction of quassia chips, will drive the creatures away.—London Times.

An Inviting Field.

"They say there's an island in the Pacific with 600 inhabitants where drunkenness, crime, jails, police and courts are unknown." "Is that so? It's a wonder somebody hasn't started in to civilize it."—Brooklyn Life.

Unaffected.

Miss Speltz—Of course, no one could truthfully speak of her as pretty. Mr. Lovett—Well—er—perhaps not, but she has such a quiet, unaffected manner. Miss Speltz—Yes, but it has taken her several years to acquire it.—Philadelphia Press.

Asking a Good Deal.

"How about the rent of this house of yours, Flitter? Doesn't the landlord ask a good deal for it?" Flitter—Yes; he often asks five and six times a month for it.—New Yorker
