AYDEN ITEMS

AYDEN, N. C., July, 29, 1903. Miss Lillian Bell, of Kinston, is visiting her sister, Mrs. J. T. Smith, of this place.

Sol. Dixon, of Kinston, was in town Saturday.

W. R. Harris left our town Saturday for Wilmington to accept a position with the Standard sewing machine Co. He is a promising young business man and we wish him much success.

Mrs. J. J. Hices and children left Saturday to visit relatives near Greenville.

J. B. Gardner made a business trip to Greenville Saturday.

Charlie Hoell, ex-principal of the graded school at Kinston, passed through Friday for his home at Aurora. Mr. Hoell has been suffering with typhoid fever since May.

O. L. Whichard, of Parmele, is with us this week.

Miss Carrie Edwards, of Fremont, who has been visiting in Hookerton, returned Saturday.

E. F. Burney has been "rooting" on Clay Root for the past week.

Miss Lelia Tucker, of near Grifton, who has been visiting her sister, Mrs. W. B. Quinerly, returned home Saturday.

Mrs. Jos. Dixon and children returned Saturday from a visit to LaGrange.

Mrs. R. C. Cannon and two of her children returned Saturday from Seven Springs, where they have been for a week's recreation.

W. B. Quinerly and family left Monday for a short stay at their farm on Clay Root.

F. G. Buhmann, O. L. Whichard, Lill Cannon, Ed Lyons, E. J. Gardner, R. F. Johnson and others went to Winterville Sunday. The institute girls seem rather popular.

Dr. L. C. Skinner went to Morehead Saturday and returned Monday.

We notice the sidewalks are being cemented in front of some of the stores.

S. C. Jenkins and R. F. Johnson made a business trip to Grifton Monday.

The graded school question seems to be very much agitated. We learn that some are working their tempers up to a pretty high pitch. The general trouble seems that the matter has been misrepresented. There are a few who preach high taxes to a class of people who have not had the opportunity of learning the true principle of the school. How any clear minded, intelligent citizen can oppose such a movement is a problem hard to solve. Never in the history of our country was there a period in which the world was making more vigorous efforts towards advancements of every kind than now. Can we stand still? We are bound to go forward or backward. Let us go to the front in this matter and continue the advancement of the town. The graded school means better educational facilities, better moral training, more inhabitants, more business of every kind, and necessarily a much larger and more prosperous town. If we allow our neighboring towns to take the lead in this matter, the lost grounds will be hard to regain. A taxation of thirty cents on the \$100 and 90 cts. on the poll is a small item when compared with the benefits received. This is the extreme limit of the law. It cannot be a dollar on the hundred and three dollars on the poll as some are leaving the impression. The day is rapidly approaching when the uneducated man will stand little chance of recognition among the better class of people and will

have a hard fight for promotion of any kind. And if the men who pay the greater part of the tax are willing to educate the people who are not able to do it themselves, why should the latter object? May the ballot confirm these statements and bring old Ayden unanimously in favor of the school.

A PROTEST.

GREENVILLE, N. C., July 28, 1903. Mr. E. Borden, Supt. Transportation A. C. L., Wilmington, N. C. DEAR SIR:

We, the ministers of Greenville, understand that certain citizens of this town have petitioned for a Sunday train between Weldon and Kinston. In answer to said petition, we beg leave to present the following considerations and counter petition:

The Sabbath, the church, and the home are institutions that have come down from the earliest age with divine authority, and there is a vital relation between them. The welfare of the nation depends upon the sanctity of the home. The preservation of all that is best in the home and the nation depends upon the preservation of the Sabbath. The great moral and spiritual forces which preserve the sanctity of the home and secure the welfare of the nation are maintained largely, if not altogether, by the proper observance of the Sabbath day and its entire consecration to the worship of God. History shows that in proportion as any nation has disregarded the fundamental law of the Sabbath its moral forces have declined, its people have degenerated, and its prosperity has ultimately declined also. There can be no doubt that the perpetuity and substantial growth of our Christian civilization hinge upon the proper observance of the Lord's day in obedience to the divine decree regarding it.

In view of these facts we hereby respectfully express our disapproval of said Sunday train, and petition that it be not put in operation, believing, as we do, that it will have a demoralizing effect the towns along the route. We know of no town along this line of railroad that suffers for want of a Sunday train, and we earnestly hope that your railroad company will not put such in operation.

Mrs. R. R. Fleming Dead.

News reached here today of the death of Mrs. Ida Fleming, of Pacolus, which occurred Tuesday night at Washington, where she had been for weeks in the care of physicians. Mrs. Fleming had long been a great sufferer. She had a large circle of friends who are deeply pained at her death.

The interment will take place in the family burial ground at Pacolus Thursday morning at 10 o'clock.

Not Running When Shot.

A telephone message from Grifton states that the heading that appeared over the account in Mondays' REFLECTOR of the shooting of the negro by Policeman Dunn, was misleading. The negro was not running when shot by Officer Dunn, but was in contact with the officer, cutting him with a knife when the shooting occurred. He broke and ran after being shot.

Two Piece Suits

Those new two-piece suits of ours are just the thing for summer wear. We're always plowing new ground—never following the old furrows that will soon result in a rut. Plenty of indulgence is allowable in these very handsome suits.

Rough surfaces predominate. Seems strange that a rough looking cloth can be woven to be cooler than a smooth one. But we can show you how true that is, Wool Crashes, Home-spuns, Serges, Striped Flannel.

A two-piece suit is the thing for comfort.

ALL SUMMER GOODS REDUCED. BUY NOW.

WEDNESDAY AFTERNOON, JULY 29 1903.

That is a dream of a story from Waynesville, and before we take up with it to any extent we will have have it from Bro. Briggs of the Courier. The regular news report is that three men robbed the Waynesville postoffice in broad open day time, securing about a thousand dollars worth of stamps. While the robbery was in progress it was watched by the population with guns and other weepins assembled.

The bold robbers broke in the door in which one of the men stood, while his two confederates in crime preceded in a business like way to bore holes in the large safe and then the small one. Into the holes they poured nitro-glycerine, and the explosions that followed rattled the windows in the neighborhood and the teeth of a number of gentlemen who peered cautiously from near by windows. But the safe must have been of the burglar proof variety. Any way it held firm and the robbers then set to boring more holes, while the half dozen citizens took a fresh grip on their guns, without touching the trigger, and continued to gaze at the lone robber who stood on guard almost within the glare of the overhanging electric street lamp. It is said that one citizen kept his gun, a trusty rifle, trained on this lone figure, but it did not occur to the gentleman that it would be in order to pull the trigger, not even when in about half an hour he and his companions walked off with well filled hand bags to the seclusion of the wild heaths of Hanging Dog."

What a fine day that was for safe crackers, and what a courageous community, if the story is true, which we doubt.

The Southern railway is an institution that is undoubtedly deserving the prize for general cussedness. After years of litigation, bull-dozing and other heathen methods, the Southern was ordered by the corporation commission to build a depot at Durham. Now the road is going into the courts to test the constitutionality of the Fuller law, under which the corporation commission acted. It has been said that a railroad could not get justice in this state. From the record the Southern has made justice should be the last thing it is looking for. If justice were dealt out to it, it would find every mile of its track in North Carolina torn up and some of its officials put in jail.

We hear that Senators Simm and Overman have invited President Roosevelt to attend the state fair at Raleigh this year. What do we want with the president down here? Most of us feel that we have no country except North Carolina, and we don't hanker after any speeches or advice from a man who is as cordially detested in the South as is the president. We hope our senators have the good sense not to think of such a thing, and if they do, and Roosevelt comes down here, we hope the whole outfit will be given a severe frost.

They are very particular in Kentucky. It will not do to say murder to loud, so when a man dies with bullet holes in his back they say he has been "Kentucky-ed."

The Durham Sun says:

"The metropolitan newspapers state that women are taking to wearing socks; reports from seaside and mountain resorts convey the intelligence that it is the proper thing for young women to go bare headed this summer; while from all sections of the country the flimsy, open work, peek-a-boo shirtwaist is the fad. It is interesting to watch the doings of the sex."

Yes, very interesting. And when a girl wears a shirtwaist that a blind man can see through, she gets sore about it if you notice it.

Vermont restricts suffrage, but as white men are the only ones who are not allowed to vote, there is no call for congress to investigate.

The colored man and brother will hardly cherish an exceedingly kindly feeling toward Danville, Illinois.

"Cleveland and Ransom" has been suggested. And neither one of them from Mr. Bryan's hall of fame.

It is said that music will drive away mosquitos. Some music is bad enough to drive 'em to drink.

Russia will see to it that when the Manchurian door is opened it will lead to a cemetery.

The governor of Porto Rico is said to be anxious so resign. Well, who is holding him?

You haven't seen the plans for the new depot Greenville is to get, have you?

The fool and his money soon parted in the recent financial roundup.

We do not know how the thing will turn out but the bookbinders in the government printing office will not strike. They know now to appreciate a government job as well as ether people.—Durham Herald.

The West Virginia commission to the world's fair, St. Louis, will open headquarters in Parkersburg, July 1st.

No man or woman in the state will hesitate to speak well of Chamberlain's Stomach and Liver Tablets after once trying them. They always produce a pleasant movement of the bowels, improve the appetite and strengthen the digestion. For sale by Wooten's Drug Store, Greenville, Farmville

Pharmacy, Farmville.

For a lazy liver try Chamberlain's Stomach and Liver Tablets. They invigorate the liver, aid the digestion, regulate the bowels and prevent bilious attacks. For sale by Wooten's Drug Store Greenville Farmville Pharmacy Farmville.

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor

oil, as directed with each bottle, and a cure is certain. For sale by Wooten's Drug Store Greenville Farmville Pharmacy Farmville.

The seventh congress of the North American Skat. League will be held at the world's fair, St. Louis, next year.

Very Remarkable Cure of Diarrhoea.

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me."

For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy, Farmville

Denmark has officially accepted the invitation to participate in the world's fair and William Arup has been appointed commissioner.

A SURGICAL OPERATION

is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Summerton, S. C. For Blind Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Salve by Wooten's Drug Store.

A topographical map of the state of Alabama will form a part of the state's exhibit at the world's fair.

Valuable Time Saved.

Slight injuries often disable a man and cause several days' loss of time and when blood poisons develop, sometimes result in the loss of a hand or limb. Chamberlain's Pain Balm is an antiseptic liniment. When applied to cuts, bruises and burns it causes them to heal quickly and without maturation, and prevents any danger of blood poison. For sale by Wooten's Drug Store, Greenville, Farmville Pharmacy, Farmville.

California day at the world's fair will be September 9th, the fifty-fourth anniversary of the admission of California to the union.

CATARRH OF THE STOMACH.

When the stomach is overloaded; when food taken into it that fails to digest, it decays and inflames the mucus membrane, exposing the nerves, and causes the glands to secrete mucus, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. E. Rhea, Coppell, Tex. Sold by Wooten's Drug Store.

A locomotive testing laboratory will be a feature in the transportation building at the world's fair, next year.

THE FOUNDATION OF HEALTH.

Nourishment is the foundation of health—life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health. Nature does the rest. Indigestion, Dyspepsia, and all disorders of the stomach and digestive organs are cured by the use of Kodol. Sold by Wooten's Drug Store.

JUST ABOUT BEDTIME

take a Little Early Riser—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by Wooten's Drug Store.

NEWS NOTES FROM WINTERVILLE.

WINTERVILLE, N. C., July, 29. Miss Mattie Hemby, of Kinston, after spending several days with Misses Effie and Mattie Kittrell, left Monday evening to visit friends in Ayden.

The band boys are under obligations to Prof. A. A. Forbes, D. L. James and Argal Vick, of Greenville, for their assistance in playing for the lady teachers at the dormitory Monday night. Thanks gentlemen, come again.

Wiley Moye returned from Morehead yesterday.

Rather a small crowd took in the excursion from this point.

Misses Boddie and Jones, of the N. & I. College at Greensboro, have both lectured before the teachers here this week and, Mrs. Cotten, of Bruce, is expected sometime during the week to lecture also.

W. L. Johnson, of Grifton, is assisting J. E. Green at the depot.

Miss Nannie Wilson, of Greenville, was visiting here Tuesday.

Miss Miriam Johnson has gone on a visit to friends in Goldsboro.

We regret very much being unable to fill our engagement for breakfast at the dormitory Tuesday morning.

Jimmie Galloway, with Misses Myrtle Proctor and Corinne Ward, of Grimesland, spent Sunday with the family of R. G. Chapman. It was a special occasion with Jimmie.

Joe Evans, of Greenville, our old time friend, was here a short while Sunday afternoon. The only objection we have to his coming is, he seems to be afraid he will stay a little while.

C. A. Fair left yesterday to visit the northern markets as well as take in a few of the principal fashionable summer resorts.

J. F. Harrington and E. T. Tucker have gone to Baltimore and will be away about a week.

Miss Lena Spain, of Kinston, assistant principal of the Winterville High School last session, is visiting Mrs. R. H. Hunsucker.

Mr. and Mrs. J. H. C. Dixon, who have been at the University of Maryland Hospital for some time under treatment, came home Saturday and are both very much benefited.

Ward Kittrell returned from Morehead Monday morning.

Last Sunday there were some as pretty turnouts here as can be seen almost anywhere. Fine buggies, beautiful horses, gallant youths—something by far more attractive still—lovely maidens, could be seen everywhere.

Rev. C. W. Blanchard filled his regular appointment here Sunday night. In the afternoon he held services at Tucker's school house, about seven miles in the country.

Miss Maie Tucker, who has been visiting near Greenville, has returned home.

Railroad Election.

A petition is being circulated asking the board of aldermen to order an election held in the town of Greenville on the question of the town issuing bonds to the amount of \$15,000 to be exchanged for a like amount of second mortgage bonds of the Raleigh and Pamlico Sound railroad. At the time we saw the petition the list of signatures was growing long, indicating that the people of Greenville are interested in securing the road and want an opportunity to vote for it.

The \$15,000 Greenville will vote on is half the amount that must be raised in Pitt County to secure the road. Greenville should take that much stock in the road.
