Mr. and Mrs. W. A. Darden, Mr. and Mrs. E. E. Hardee, R. P. Taylor and J. R. Turnage went to Asheville last Tuesday and returned Friday. They report a pleasant trip.

In a few more days we hope to be able to say "hello."

Mrs. Irene Ormond, who has for sometime been in quite feeble health, left for Asheville Tuesday accompanied by Miss Ellenora Ormond, a trained nurse from the Wilson sanitarium. Owing to the long ride they stopped over in Greensboro Tuesday night in order for Mrs. Ormond to be better able to stand the remainder of the journey the next day. We learn that she stood her ride very well and is improving some. Her many friends wish for her a speedy recovery and a quick return to her home.

#### Pitt County Tobacco Company.

A vigorous canvass is being made this week for subscriptions to stock in the Pitt County Tobacco Company. The Farmers Protective Association will meet here next Saturday. The same day those who have subscribed to stock in the tobacco company will meet, and if as much as \$5,000 has been subscribed organization will be perfected.

#### Storm Gaught Him.

Sometimes it pays to take a woman's advice. One woman in town phoned her husband, Tuesday evening, to hurry on home before the storm came up. He decided there was time to do "a little more work," and had to wait till the storm was over to get home.

#### Sales for August.

The sales of tobacco on the Greenville market for the month of August amounted to 392,865 pounds. These figures were furnished us by Mr. C. W. Harvey, the secretary of the Tobacco Board of Trade.

#### Proposal to Lease A. & N. C. Railroad.

Raleigh, N. C., Sept 2.—A meeting of the president and directors of the Atlantic & North Carolina railroad and the members of the council of state is being held here today in the governor's office to consider a proposition to lease the road for a term of years to W. W. Mills, H. L. Finlayson and parties associated with them. No official details of the proposition have yet been made public, though advocates of the lease claim that it will amount to putting the stock on 4 per cent. basis at \$50 per share.

It is understood that one condition stipulated in the proposed lease is that the lessers shall construct at once 50 miles of additional road west of Kinston.

#### Defends Herself With Carving Knife.

Winston-Salem, N. C., Sept. 1.—Douglas Hairston, colored, entered the room of a colored woman named Zella Taylor, in West Winston, at one o'clock this morning. He refused to tell his name and the woman picked up a big carving knife and disemboweled him. The man ran a block before he fell. He died today. The woman was arrested but Mayor Eaton says he will release her if evidence is not produced showing that she was not justified in assaulting Hairston.

#### Too Much Like a Goat.

Washington, D. C., Sept. 1.—The civil service commission today decided that a constant diet of glass, tacks, brass, watch chains, frogs, soap, collar buttons, wire nails, broken china and belt buckles renders a man unfit to hold a government position, and added that a man named Lee W. Wright, better known as the "human ostrich," be dropped from the eligible list of the commission. The decision was reached only after lengthy consideration of the facts.

#### Murderer Captured.

Charlotte, N. C., Sept. 1.—Nathan Springs, who is wanted for complicity in the murder of Robert McKane, and a warrant for whom was issued on the strength of a confession made by Andy Wallace Saturday, was apprehended by the police this afternoon. The entire gang charged with two murders is now in jail. All the parties are negroes.

WEDNESDAY AFTERNOON, SEPTEMBER 2, 1903.

Speaking about the condition that exists in the bright tobacco belt Secretary Wilson, of the U. S. Department of Agriculture, says:

"The trouble is the farmers grow too much tobacco, whereas they should rotate their crops. If they would cultivate fewer acres and get a larger yield per acre, they would be more successful. That which they should do is to give more attention to the cow and cultivate the pastures. In that way they can build up and recuperate their lands. I learned when in Tennessee that the tobacco farmers do not derive as great a yield per acre of tobacco as they formerly did. The cultivation of the leaf year after year deteriorates the land. The growers of tobacco must learn that it is necessary to rotate their crops in order to maintain the stability of their farm lands. They can grow hay and clover and other similar products. Why not alfalfa? We are experimenting in nearly every state in the growth of alfalfa."

Do all the young men want to be lawyers? The class of applicants for license before the supreme court, this week, numbered 80, the largest number ever applying at one time. It looks like they are trying to get in an already overcrowded profession, but there is always room for better ones.

As Sir Thomas Lipton could not win a cup off of America, a lot of New Yorkers have started a move for a popular subscription to give him something else—say a whole silver service. That beats a cup all to pieces.

All you who are glad that August is gone, hold up your hands.—Charlotte Observer.

From the bad record of Bulgaria and Turkey it would not be much loss to the balance of the world if both were wiped off the map.

Its none of our business, but Turkey is scratching in the right patch to lose some of her feathers.

Charlotte comes forward again. This time a man is there organizing a club of the socialistic party.

A proposition is made to lease for 50 years the Atlantic & North Carolina Railroad. The state owns two-thirds of its \$3,000,000 capital stock. A rate is offered which will, it is said, yield something like 2½ per cent. on the stock. Two per cent. interest is the highest yet paid, 1 per cent being the average. The road has been improved to a remarkable degree during the presidency of James A. Bryan, and along all lines is now in far better condition than ever before. A rumor was current today that an effort was being made to buy the road, but the facts are as above stated. Maybe Morehead City will again be made a port. It is claimed by the people here that the port was closed by means of a certain deal made with the Atlantic Coast Line owners here about 1877.—Raleigh cor. Charlotte Observer.

Today being September 1st, the boycott against the American Tobacco Company goes into effect with the Kinston merchants. It is said all the merchants in the city but one signed the agreement to boycott. According to the by-laws of the association every member is bound to stand by the boycott until the order making it is rescinded.—Kinston Free Press, 1st.

**The Farmers Will, Get \$600,000,000 Any Way You Take it**

The Southern farmer seems to have the bird more nearly in hand than in the bush. The cotton farmer, and not the tobacco farmer, is here meant. It seems probable that if 12,000,000 bales are made, the price will be 10 cents a pound, and the Southern farmer will receive for the crop 10 cents a pound. This means \$600,000,000. If the crop is 10,000,000 bales, it will be 12 cents a pound, which means the same \$600,000,000, besides a saving of \$10,000,000 cost for not having to pick the deficiency or 2,000,000 bales. If the crop is more or less, the price will be in inverse ratio more or less, which means, any way you take it, \$600,000,000 for the crop.

Something like five years ago, the crop sold for \$300,000,000. The crop has not very materially increased in five years. The crop of 1903 and 1904, September to September, may be a little more or less. The interesting fact is that, for approximately the same crop in the year 1903-1904 the purchasing price will be \$600,000,000 instead of \$300,000,000. Farmers used to argue whether at the old price, viz.: \$300,000,000 for 10,000,000 bales of cotton, there was a profit or loss. Perhaps some made a little profit and some made a little loss. No matter. At \$600,000,000 for the same crop, or any other crop, all hands ought to make a profit.—Charlotte Observer.

**The Man and the Woman.**

A man will run as fast as can to cross a railroad track in front of a train. Then he will watch it until it goes out of sight. Then he will walk leisurely away. He seems to be all right, and probably is. That is a man. A woman in a street car will open a satchel, and take out a purse, take out a dime and close the purse, open the satchel, put in the dime, close the satchel and lock both ends. Then she will give the dime to the conductor, who will give her a nickle back. Then she will open the satchel and take out the purse, put in the nickel, close the purse, open the satchel and put in the nickel, close the satchel and lock both ends. Then she will feel for the buckle at the back of her belt.—Kansas City Journal.

A death from drunkenness in Wilmington, man on trolley-car track. Death from drunkenness in Winston, man on railroad track. Suicide of a drunkard in Winston. Attempted murder and accomplished suicide by a drunkard in Durham. One day's record. Hurrah for the saloon.—Charlotte Observer.

If you argued with her a million years you could never convince a woman that she was undressed as long as she had her stockings on.

**In Praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy.**

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by Wooten's Drug Store, Greenville; R. L. Davis, & Bros., Farmville.

**THE GENUINE VS. COUNTERFEITS.**

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by Jno. L. Wooten.

**Emergency Medicines.**

It is a great convenience to have at hand reliable remedies for use in cases of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite - if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required, and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bros., Farmville.

**THE PLEASURE OF EATING.**

Persons suffering from indigestion, dyspepsia or other stomach trouble will find that Kodol Dyspepsia Cure digests what you eat and makes the stomach sweet. This remedy is a never failing cure for Indigestion and Dyspepsia and all complaints affecting the glands or membranes of the stomach or digestive tract. When you take Kodol Dyspepsia Cure everything you eat tastes good, and every bit of the nutriment that your food contains is assimilated and appropriated by the blood and tissues. Sold by Jno. L. Wooten.

**A PURGATIVE PLEASURE.**

If you ever took DeWitt's Little Early Busers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston, Tex., says "No better pill can be used than Little Early Risers for constipation, sick headache etc." Sold by John L. Wooten.

**DISTRESS AFTER EATING CURED.**

Judge W. T. Holland of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. After eating, great distress would invariably result, I sitting for an hour or so and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my sleep is refreshing and digestion perfect." Sold by John L. Wooten.

NORTH CAROLINA Pitt County To all whom it may concern: I hereby testify that my wife, Fanny L. Pearce, and my son, John W. Pearce, and Leona Pearce, wife of my son, J. W. Pearce, on or about the first of last March were strangely affected with a malady resembling fits, and when the attacks were on them they would scream and their paroxysms were so violent that they had to be held by main force. I applied to and had the services of five physicians without realizing any benefit whatever. I finally sought the ministrations of Dr. W. H. Moore, colored, and under his treatment my son passed three snakes, two of them were alive and one was dead. My wife passed several bugs with long snouts to them. It gives me pleasure to announce that they are all getting well and the fits have disappeared. J. W. PEARCE. Sworn to before me, Aug. 19th 1903. H. HARDING, J. P.

The above parties are all white people of good family and well known. I also have other affidavits in my possession showing wonderful cures under my treatment. I cure all troubles that flesh is heir to. I have made the blind see, the deaf hear and the lame walk, as people living here in Greenville and in the county will testify. My medicine and treatment are no humbug, but I guarantee a cure in all cases or take no pay. Don't continue to suffer, but try me and be convinced. WM. H. MOORE, M. D. Greenville, N. C. P. O. **CURED WHEN OTHERS FAILED**

1056 Winnemac Avenue. CHICAGO, ILL., Oct. 25, 1902. Wine of Cardui can always be relied upon to cure when everything else fails. It is a certain cure for female diseases in their worst forms. I suffered for years with ulceration. Intense pains in the womb and ovaries and dreadful headaches unfitted me for my work. Finally I grew so ill that I had to keep to my bed. The pains were so intense at times as to cause spasms and a disagreeable discharge drained my life forces. In my extremity after all else had failed, I tried Wine of Cardui. After using it for two weeks I began to improve so rapidly that I felt encouraged to keep up the treatment, which I did for eighteen weeks, but at the end of that time I was entirely cured. What a relief was mine and how new and beautiful life looked to me when my health was restored. Only those who have passed through such a siege of sickness as I have will understand how much I value Wine of Cardui. It is indeed a boon to sick women. Frances Mitchell Secretary, North Chicago Frauen Verein.

Every weak woman needs Wine of Cardui. Wine of Cardui cures disordered and painful menstruation, periodical headaches, falling of the womb and leucorrhoea. It cures extreme cases of these troubles. It strengthens girls approaching womanhood, helps bring children to barren homes, makes pregnancy and childbirth easier, prevents miscarriages and is the best medicine ever made for use during the change of life. Why permit the good women in your home to suffer another day? Every druggist has \$1.00 bottles of Wine of Cardui.

### NEWS NOTES FROM

### WINTERVILLE.

WINTERVILLE, N. C., Aug. 29.

Misses Magdaline and Venetia Cox have returned from Seven Springs.

Prof. Lineberry came in Saturday morning from his canvassing tour in the interest of the Winterville High School. We feel very much encouraged from the prospects for a large enrollment next session. Surely parents would give this school a liberal patronage were they only aware of the many great advantages by which it is surrounded.

Misses Laura and Minnie Cox and Ethel Carroll left Monday morning to attend the Baptist Female University at Raleigh.

The colored Missionary Baptist held their union meeting at this place Sunday. There was a tremendous crowd present and everything would have passed off pleasantly, had it not been for three "bucks" with a little moonshine who broke up the meeting early in the afternoon.

Miss Bessie Holland, of Pollocksville, came up on the train Saturday morning bringing a young lady to our school and left in the evening.

Elder T. N. Manning filled one of his appointments in the country Sunday.

Luther Manning, of Ayden, has been visiting his father here for several days.

There was a large congregation in attendance upon the services at the Episcopal church last Sabbath. Rev. Mr. Griffith has made an excellent impression among our people.

Students for the Winterville High School commence arriving Friday and every train since continues to bring them in. The opening is by far the largest in the history.

Mrs. Sarah Taylor calls especial attention to her new line of millinery and dress goods. She would be pleased to have the ladies call and see her and she will take great pleasure in showing her goods, especially does she call attention to her cannon cloth.

W. L. House, and family went to Greenville Monday.

W. H. White, of Greenville and Arthur Forbes, of Farmville, were here Monday.

N. S. Fulford, of Washington, was here one day last week.

Once more have our streets assumed their gala attire and the heart of the swain beateth high and ye "old back" is in the zenith of his glory. Anywhere, everywhere, all over the town are visions of loveliness and the scene we now behold we would not exchange, no, not for a Kingdom.

'Tis nothing but rumor, yet sometimes this is true, if so soon the chiming of marriage bells will be heard and four more hearts made to rejoice. Let the good work go on. We'll help.

Miss Effie Kittrell spent Tuesday in Greenville.

The Free Will Baptist will hold one of their big meetings at Reedy Branch next Sunday.

Hon. Willis R. Williams, of Falkland, passed through on the train yesterday from Seven Springs.

We had the pleasure yesterday of meeting and conversing for a short while with our friend, Mrs. Alfred Forbes, of Greenville, who was on her way home from a visit to LaGrange.

W. T. Lipscomb, of Greenville, greeted us from the train yesterday.

Mr. Charles Gardner, a young man employed by the Beaufort County Lumber company was killed in the woods this morning about nine o'clock. A tree fell on him and he died in a few minutes after the accident. His body was taken on a log train to R. G. Chapman & Son's warehouse.
