NO. 2723

NEWS NOTES FROM WINTERVILLE.

WINTERVILLE, N. C., Sept. 16.

Carlos Harris, of Greenville, passed through here Sunday.

Tom Dawson has returned from Grifton.

Mrs. W. L. House and children have returned from a visit to her mother at Hanrahan.

Mrs. James Manning and Mrs. Lynn Manning have returned to their home in Ayden.

L. L. Kittrell went to Grifton Monday and returned Tuesday.

Prof. J. F. Stokes has been in town this week.

B. F. Manning and Wood Kittrell went to Greenville Monday.

Saturday was the busiest day with our merchants they have had this season.

A Wonderful Shot—Last Saturday night, near Ayden, two negroes got into a difficulty when one shot the other right between the eyes. Dr. Dixon probed five inches deep for the ball but failed to find it. The wounded man up to last accounts was still living. The one who did the shooting is in jail.

The protracted meeting at Reedy Branch conducted by Rev. Mr. Stephens has closed and resulted in 51 conversions, all of whom united themselves with the Free Will Baptist Church. They were all baptized in Forbes Mill Pond last Sunday. Mr. Stephens left Monday evening for Ayden, where he will begin another meeting.

With a Sunday train and Sunday mail our depot agent has the sympathy of his best girl and our postmaster is by no means the smiling servant of Uncle Sam as of yore. Too bad for them but just glorious for the rest of us. Our girl lives up the road and Sunday is our day of rest, and the way we shall rest on that shady back porch of our

new pa's home is an anticipated joy we'll expatiate upon a little later on. If nobody else is to be congratulated on this happy change we are, and we shall take advantage of it. The sooner that train comes the happier we will be. That is my girl and me. This may sound foolish to some folks but they ain't in our fix, else they would like it too.

W. H. Ragsdale and D. J. Whichard, of Greenville, were here yesterday.

Two gentlemen visiting our town for several days during the past week were heard to say "that it was remarkable to note the moral atmosphere which seemed to pervade our entire surroundings. Not a curse word, not a drunken man or the least semblance of immorality had they witnessed or heard during their stay; and surely," remarked one, "Winterville is the garden spot to send a boy or girl to school, where the influence seen and felt may prove a blessing through an entire life." Indeed, Winterville is a moral town and we boast the fact.

All persons indebted to THE REFLECTOR will please come forward and settle.

E. D. Turnage, of Kinston, is here on business.

Miss Fannie Tyson, of near Kinston, is visiting friends in town.

WEDNESDAY AFTERNOON, SEPTEMBER 16, 1903.

WHY REPEAL THE FIFTEENTH AMENDMENT?

It is said that Senator Carmack, of Tennessee, will introduce a bill in the next congress repealing the fifteenth amendment to the constitution of the United States. We regard this as an unwise move, as it will cause the bitterest feeling ever known between the blacks and whites, and it may be found impossible to curb the passion of either race. In the South the white people hold the reins of government, and but for the interference of Northern people who know absolutely nothing about the negro the two races could get along very well together. To attempt to repeal the fifteenth amendment, which gives the negro the ballot, will be to add fuel to the fire of race hate. There will be meetings of negroes all over the country, where the demagog and the fomentor of hateful passions can ply their evil trade. The president will grow hot under the collar and do some other fool thing to inflame the negro.

In spite of all these evils, which we of this state have known at close range, we would say repeal the fifteenth amendment if there was any necessity for it, but we do not think there is. The South can do as it pleases; the North does not dare interfere. Then why not let well enough alone and try for peace, instead of strife?

The average negro knows nothing of the various "solutions" of the race problem, and cares less. As long as there is white blood in this Southern land there will be white rule, laws and amendments to the contrary notwithstanding. Left to hire the negro and pay him, to take his money and give him goods, to keep him when he is too old to work and bury him when he dies, the South would have no race problem. All that we ask is to be let alone.

The Charlotte News is free, white and twenty-one, but on what reasonable grounds it can advocate the nomination of Edward M. Sheppard for the presidency we fail to discover. Sheppard is a politician first, last and always. He is repugnant to people who still believe that political affairs should be adjusted on honor and patriotism. He has not been faithful to his party, and has not rendered the country any conspicuous service. We sincerely hope the democratic party can do better than raise Edward M. Sheppard to a height he has never deserved.

Soldiers who were called to Cripple Creek, Colorado, for strike duty, have set up a martial law of their own, defying the civil authorities, contrary to the statutes in such cases made and provided, and against the peace and dignity of the state. If these things must happen we are glad they happen in other states, for we know that the people of North Carolina will not stand for such despotism, no matter what uniform covers the backs of the ruffians who attempt it.

Don't swear at the mosquitoes. Very few of them understand it.

The News and Observer modestly owns up to 54 years. They have not all been prosperous ones, but the paper is now anchored in the safe harbor of undoubted prestige, influence and popularity. May many honorable birthdays preserve the News and Observer to the people of the state.

The anti-saloon campaign in North Carolina goes forward slowly but surely. One after another town votes the liquor business out, but occasionally the saloon-keepers win. Their victories, however, will be short-lived. The day is coming when there will not be one liquor saloon in all North Carolina.

The murder of the father of Senator Simmons is a crime that cries loudly for the arm of the law to execute justice. There should be no legal quibbling in this case, no delay tolerated. Swift and exact justice should be meted out at once.

At last it looks like Durham will get a depot. An argument has been signed by the three railroads—Southern, Seaboard Air Line and Norfolk & Western, to erect a union station. The total cost of building and site will be \$50,000.

Just open the doors of the penitentiary, gentlemen, and let the prisoners walk out. That will save them the trouble, though slight, of making their escape. The public does not mind having a few murderers at large.

A young lady in a New York hospital has not opened her mouth or said a word for a month. She's in the wrong place. The morgue is the place for her.

Good people, it is snowing adult blizzards in the Northwestern states. Regular wintry blasts of rain, sleet and snow. Truly, there's no place like home.

Pinkerton detectives are looking for Mr. Dewey in this state. If they find that man in North Carolina it will be easy to prove that he is hopelessly crazy.

Such a contrast in weather. Here we are sweating in summer heat, while the people of North Dakota are enjoying two feet of snow.

And Scotland Neck stays in the wet column. Too bad. We would never have thought it of Scotland Neck.

If that Jones county murderer is not lynched the inhabitants deserve to be placed in Job's class.

If victory is all the democrats care for, why not vote for the republican nominee?

Personally we wouldn't care if there should never be another stalk of tobacco grown, but, from a financial point of view, we deem it folly for our farmers to quit tobacco entirely. The man that will cultivate some cotton, tobacco, and plenty of corn, peas, potatoes, rice, etc., every year, will be independent of everybody and everything except the good Lord, whose are all good gifts.—Lumberton Argus.

In Praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by Wooten's Drug Store, Greenville; R. L. Davis, & Bros., Farmville.

Emergency Medicines.

It is a great convenience to have at hand reliable remedies for use in cases of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required, and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bros., Farmville.

THE GENUINE VS. COUNTERFEITS.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by Jno. L. Wooten.

Wise is the man who doesn't write a truthful story of his life.

THE PLEASURE OF EATING.

Persons suffering from indigestion, dyspepsia or other stomach trouble will find that Kodol Dyspepsia Cure digests what you eat and makes the stomach sweet. This remedy is a never failing cure for indigestion and dyspepsia and all complaints affecting the glands or membranes of the stomach or digestive tract. When you take Kodol Dyspepsia Cure everything you eat tastes good, and every bit of the nutriment that your food contains is assimilated and appropriated by the blood and tissues. Sold by Jno. L. Wooten.

A man's knowledge is to little or no purpose unless he utilizes it.

A PURGATIVE PLEASURE.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston, Tex. says "No better pill can be used than Little Early Risers for constipation, sick headache etc." Sold by John L. Wooten.

While a blacksmith may have many virtues, he must have at least one vice.

DISTRESS AFTER EATING CURED.

Judge W. T. Holland of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. After eating, great distress would invariably result, lasting for an hour or so and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my sleep is refreshing and digestion perfect." Sold by John L. Wooten.

MARVELOUS CURE BY DR. MOORE,

NORTH CAROLINA }
Pitt County }
To all whom it may concern:
I hereby testify that my wife, Fanny L. Pearce, and my son, John W. Pearce, and Leona Pearce, wife of my son, J. W. Pearce, on or about the first of last March were strangely affected with a malady resembling fits, and when the attacks were on them they would scream and their paroxysms were so violent that they had to be held by main force. I applied to and had the services of five physicians without realizing any benefit whatever. I finally sought the ministrations of Dr. W. H. Moore, colored, and under his treatment my son passed three snakes, two of them were alive and one was dead. My wife passed several bugs with long snouts to them. It gives me pleasure to announce that they are all getting well and the fits have disappeared.

The above parties are all white people of good family and well known. I also have other affidavits in my possession showing wonderful cures under my treatment. I cure all troubles that flesh is heir to. I have made the blind see, the deaf hear and the lame walk, as people living here in Greenville and in the county will testify. My medicine and treatment are no humbug, but I guarantee a cure in all cases or take no pay. Don't continue to suffer, but try me and be convinced.

BEARING DOWN PAINS

3647 Indiana Avenue.
CHICAGO, ILL., Sept. 27, 1902.

I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them.

About eight months ago I had to take to my bed, suffering with prolapsus of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me told me of Wine of Cardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery. In a few weeks I was out of bed and in three months I was in better health and stronger than I had been in years. I take a dose now, occasionally, of Wine of Cardui and am kept in perfect health.

Mabel Cook
Sec'y. Woodman's Circle No. 70.

Wine of Cardui brings certain relief to women suffering any symptom of female weakness and perfectly regulates the menstrual flow. Wine of Cardui stops bearing down pains by permanently relieving the irritation which weakens the ligaments holding the womb in place. You need not suffer every month if you take this medicine. The periodical discharge will be painless and healthy without continual weakening drains. Wine of Cardui will make your health right and you may treat yourself privately in your own home. Secure a \$1.00 bottle of Wine of Cardui from your druggist today.

WHO CAN ATTEND.

Limits of the Graded School District.

There seems to be some desire on the part of a number of citizens to know what children outside of the corporate limits of Greenville are entitled to attend the Graded School. We find upon inquiry from the county superintendent of schools that the board of education made arrangements with the trustees of the graded school to admit the children in the following district: Beginning at the mouth of Smith's run at Tar river, running thence with said run following its various courses to the bridge near Mr. L. C. Arthur's residence, thence in a straight line to the first trestle on the railroad south of the depot, thence in a straight line to an oak tree in the south west corner of the yard where E. B. Higgs formerly lived, thence in a straight line so as to include said residence to the fork of the road east of the residence of Mrs. Nanie Anderson, thence east with the road towards Greenville to the bridge over the ravine, thence down the ravine to Tar river, thence with the river to the beginning. All children of legal age within said district are entitled to attend the graded school for the next two years free of charge.

This arrangement applies to the white children for only two years. The negro children in the same district have the privilege of attending the negro graded school without the qualifying clause of two years.

In Days of Old.

In days of old it must have been Quite hard to be a baby; There were no patent malted foods To build up tissues—maybe. There were no mixtures guaranteed To check eczema's itching; No system of massage that could Create complexions witching.

In days of old it must have been Quite hard to be a girl; There were no network costumes then To make men's senses whirl; There were no beauty talks to hear, No iced drinks to taste; There were no calisthenes for Diminishing the waist.

In days of old it must have been Quite hard to be a youth; No guide to courtship could be found Complied by Auntie Ruth. No "How to Live on Ten a Week And Keep a Family, Too." Without a chance to read such hints What could the poor yaps do?

In days of old it must have been Quite hard to be a man; There was no way to build a home On the installment plan. In days of old it must have been Quite hard to live at all, Still, in the past much ice was cut On this terrestrial ball!
