Strange Fatal Accident.

Asheville, N. C., Oct. 6.—News was received here today of a distressing accident near Wesser on the Murphy Branch of the Southern which cost Flagman John Dorsey his life. The accident occurred in the most peculiar manner and the memory of it will long be a source of grief to Conductor Mills who accidentally caused his companions' death.

Local freight in charge of Conductor J. F. Mills had stopped at Wesser and just this side of the trestle near that place Flagman Dorsey of the freight had gone to the end of the trestle intending to swing on as the train passed over the structure. As the train was moving forward Conductor Mills, who was standing not far from Dorsey, swung into one of the cars. As the conductor caught the car his body swung outward and at the same moment came in contact with Dorsey. The force with which it struck the flagman knocked him from the trestle and into the creek bottom below. It was a fatal fall. The body struck the ground with such force that the neck was broken and death was instantaneous. Dorsey was a young man about 24 years and had numerous friends among the railroad men, who were terribly shocked, when they learned of his sad and untimely death.

The remains were taken to the flagman's former home at Bushnell, where the funeral service was held today.

Mr. E. G. Leggett Dead.

The Washington Gazette-Messenger announces the death of Mr. E. G. Leggett, which occurred a few days ago in Charleston, S. C. The remains were taken to Washington for interment. He was a native of Beaufort county but lived several years in Greenville and is well remembered here.

Bad Storm.

The storm in this section was quite heavy but we have heard no damage reported. Further away the storm was more severe and played havoc with telegraph wires. Communication by wire has been cut off all day. It is feared great damage has been done along the coast.

Big Hunt.

One day this week Messrs. R. W. King and W. A. B. Hearne went down to one of Mr. King's farms, just over the line in Craven county, for a hunt. They killed 31 squirrels and had the skins strung all around the top of the buggy when they drove in.

Sent to Greene.

Twelve negro prisoners sentenced at the last term of court were taken to Greene county Friday to work the roads of that county. Pitt's convicts go elsewhere to work, notwithstanding our roads need improving as bad as any.

Portrait of Governor Jarvis.

Miss Mattie Dowd, of Charlotte, an artist of wide reputation, has been here a few days putting the finishing touches to a portrait she is painting of ex-Gov. T. J. Jarvis. This portrait, which is the best ever made of our distinguished townsman, will be presented to the Daughters of the Confederacy at their state convention in Asheville on the 19th inst., and will be placed by them in the Davis Memorial Hall at Richmond, Va.

GREENVILLE REFLECTOR.

This portrait of Gov. Jarvis was gotten up by Mrs. W. S. Parker, of Henderson, she having raised the funds to pay for same. The Daughters of the Confederacy have undertaken to furnish the rooms assigned to the respective Southern states in the Confederate Museum (the old Executive Mansion) at Richmond, and Mrs. Parker is chairman of the North Carolina room committee.

The portrait of Gov. Jarvis is given by the North Carolina division of the United Daughters of the Confederacy, and at the annual convention in Asheville next week the formal presentation will be made. Hon. Theodore F. Davidson, former Attorney General, will make the presentation speech, and Mrs. Parker will receive the portrait as chairman of the committee on the North Carolina room. It will then be sent to Richmond and placed in the North Carolina room of the Confederate Museum by the side of the portrait of Gov. Vance.

Mrs. Parker has taken a zealous and patriotic part in all good works of this kind and as chairman of the North Carolina room committee it was through her efforts that the portrait of Governor Vance (of which all North Carolinians should be proud) was placed in the Confederate Museum in Richmond.—Henderson Gold Leaf.

SATURDAY AFTERNOON, OCTOBER 10, 1903.

About a year ago there was started in Charlotte a movement to establish a home for fallen women. The project was one of the most noble and worthy that ever sprang from a human heart, yet the home has not been established. Why? Because in the rich, cultured, Christian city of Charlotte there can be found no spot upon which the home may be erected, because the people living in the neighborhood object to having a shelter for sinners among them. Probably the same spirit of opposition would be encountered in any city in the state, but good Lord, what an example of Christian charity! Christ came to the world and ate and drank with sinners, healed the sick, and cleansed the sin-stricken, yet we have people here today who are so much better than Christ that they can't bear to have a home for repentant and repenting sinners among them. Call this Christianity? Call it following Christ? Call it loving one another? Never. Christ never said do such things in His name. He said, "Let him that is without sin among you cast the first stone."

Pitt is now the leading agricultural county in the state in educational matters. We have a fine graded school in Greenville, one in Ayden, one in Farmville and one in Bethel. Winterville has its well known high school. The day is not far distant when every child in the county will have an opportunity to get an education.

Why does the entire population of cranks hanker for trouble in the white house, when any other place would do just as well? Why not go to the morgue, the pesthouse or the guano factory? The white house has troubles enough of its own. Give it a rest.

The market price of a first class, all-wool-and-a-yard-wide drunk in Charlotte has been advanced to ten dollars and costs, not including the amount paid the booze-clerk. If Charlotte drunks are worth that much, what would one be worth in its suburb, Concord?

Solicitor Daniels has announced that the state will not try to convict Ernest Haywood of murder in the first degree, but will ask for a verdict of murder in the second degree. Which indicates that Haywood is being turned loose gradually.

Goldsboro covered itself with glory in its recent prohibition election. The majority for prohibition was 249, a very creditable and honorable one. New Bern and Salisbury will vote on the liquor question next month. May they repeat Goldsboro's history.

"The white house lawn seems to be a favorite resort for cranks," says a contemporary. We thought Theodore lived in the white house, not on the lawn.

Tillman was on the stand in his own defense yesterday. So far the evidence has been against him.

Having failed at everything else, Prof. Langley might try to fly a kite.

A colored man, who worked for a white man who believed in faith cure, Christian Science, or whatever it is called, was an hour or so late reporting to work one morning. His employer, upon inquiry, was told that he was detained at home on account of the illness of his brother. The Christian Scientist ridiculed the idea of his brother's illness and said: "Henry, your brother is not sick. He just thinks he is sick. If he will just use his mind, exercise his will-power, decide that he is not going to be sick, and will have faith in God, he will get right up, and you won't have to use any medicine."

This was all new and strange doctrine to Henry, but he did not think it wise to get into any kind of argument with his boss, so he scratched his head and said nothing.

The third day after this conversation Henry remained away from work the entire day. When he reported for work the next morning his employer said:

"Well, Henry, how is your brother today? Does he still think he is sick?"

The colored man replied: "No, sir; we buried him yesterday. I reckon by this time he thinks he's dead."

"Elanthau," asked the teacher of a boy at school, "if your father borrowed from you one hundred dollars and should agree to pay you at the rate of ten dollars per week, how much would he owe you at the end of seven weeks?" "One hundred dollars," said the boy. "I'm afraid you don't know your arithmetic," said the teacher. "Well," said the boy, "I may not know my arithmetic, but I know my father."

A few weeks ago a prohibition election was held in Scotland Neck and prohibition was defeated by ten votes. It was claimed that illegal votes were cast and there was a threat of going into the courts, but the matter has been amicably adjusted. Both sides have agreed that the sale of liquor may continue until January 1st, 1905, and the number of dealers shall not be increased within that period. After January 1st, 1905, all hands are to pull together for absolute prohibition for a dispensary. This is an unusual if not novel arrangement, but the liquor people appear to think it better to have 15 months of uninterrupted business than to be kept in uncertainty, and the anti-liquor folks appear to think it is better to be sure of what they want 15 months hence than to be in doubt.—Statesville Landmark.

The taking of a human life is the one thing for which no excuse can be offered. It is murder. And justice demands a life for a life. It is up to the North Carolina officials to see that justice is enforced.—Danville Bee.

Chamberlain's Cough Remedy. No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough

is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very

highly and very few are willing to take any other after having once used it. For sale by Wooten's Drug Store, Greenville; E. L. Davis Bros., Farmville.

The State Fair.

It will be observed that the promoters of the state fair have consistently advertised the high diver, the balloon ascension, the rope-walker, the midway features in general and particular, the horse-races, etc., etc. So far we have heard not a word about the exhibition of the state's resources.

The truth is the midway is the fair and the state's resources are the sideshow. We do not object to this. The fair is a stock company; and a stock company can run a circus if it wishes to; and a sorry circus at that. But we do object seriously to calling this "The State Fair" and pulling \$1,500 a year out of the state treasury for it.—Biblical Recorder

Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exist plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one third the time required by the usual treatment. It is for sale by Wooten's drug store, Greenville, R. L. Davis & Bros. Farmville.

Grapes are healthful and fattening, as they contain a large amount of sugar.

Kodol digests what you eat—makes the stomach sweet. Sold by John L. Wooten.

THE SALVE THAT HEALS

DeWitt invented Witch Hazel Salve and DeWitt's Witch Hazel Salve is the best salve in the world for cuts, burns, bruises, tetter, or blind, bleeding, itching and protruding piles. Sold by John L. Wooten.

Orris root imparts a delicate fragrance to the breath and can be bought in small sticks.

A CURE FOR DYSPEPSIA.

I had Dyspepsia in its worst form and felt miserable most all the time. Did not enjoy eating until after I used Kodol Dyspepsia Cure which has completely cured me.—Mrs. W. W. Saylor, Hilliard, Pa. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol. Kodol represents the natural juices of digestion combined with the greatest known tonic and reconstructive properties. It cleanses, purifies and sweetens the stomach. Sold by John L. Wooten.

Bitter aloes rubbed on the finger tips will generally break the habit of biting the nails.

A PERFECT PAINLESS PILL.

is that one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth.—The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers. Bob Moore of Lafayette, Ind., says: "All other pills I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by John L. Wooten.

BEARING DOWN PAINS

3647 Indiana Avenue.
CHICAGO, ILL., Sept. 27, 1902.

I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them.

About eight months ago I had to take to my bed, suffering with prolapsus of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me told me of Wine of Cardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery.

In a few weeks I was out of bed and in three months I was in better health and stronger than I had been in years. I take a dose now, occasionally, of Wine of Cardui and am kept in perfect health.

Mabel Cook
Sec'y, Woodman's Circle No. 70.

Wine of Cardui brings certain relief to women suffering any symptom of female weakness and perfectly regulates the menstrual flow. Wine of Cardui stops bearing down pains by permanently relieving the irritation which weakens the ligaments holding the womb in place. You need not suffer every month if you take this medicine. The periodical discharge will be painless and healthy without continual weakening drains. Wine of Cardui will make your health right and you may treat yourself privately in your own home. Secure a \$1.00 bottle of Wine of Cardui from your druggist today.

Trial of Haywood.

Raleigh, N. C., Oct. 10.—Three speeches were made yesterday by counsel in the Haywood trial, and argument was resumed this morning. Judge Peebles made two points clear in the course of the argument yesterday. He stated that he would charge the jury that there was no evidence that Skinner was looking for Haywood on the afternoon of the tragedy, or that Haywood was looking for Skinner, and that the attorneys must not base any of their argument on this supposition. The court was without evidence on the point.

One trouble with the clothes women wear is they have no place to scratch matches on.

To All Whom It May Concern:
This is to certify that in July, 1902, I had a fistula in anus which had given me trouble for ten years past and I had consulted several physicians and had followed their prescriptions to the letter and continued to grow worse until I could not walk, and for eight months I could only walk on crutches, and in this condition I was advised to call on Dr. Moore, colored, which I did, and under his treatment I at once began to grow better and in one week the trouble was removed and I was perfectly well, feeling like a 16-year old boy, and the trouble has never returned.
