The Batchelor's Psalm.

Lives of hen-pecked men remind us Who have not as yet been caught, That we might leave sons behind us, But we rather guess we'll not.

She that's trim may be a fat one, She that's sweet some day be grim, When by merely looking at one She will squelch the soul in him.

Lets us then go billing, cooing; Let us call them sweet and fair; It is lovely to be wooing, But you'd better stop right there. —Chicago Record-Herald.

WINTERVILLE ITEMS.

WINTERVILLE, N. C. Nov. 7, 1903.

The attendance upon the Free Will Baptist conference at Reedy Branch during the past week was tremendously large. This denomination has a very large membership throughout the South and the meeting just held added no little to its advancement and welfare. The meeting was harmonious throughout and those participating in its deliberations expressed themselves as greatly pleased with the results attained.

Charlie White, of Greenville, was here Wednesday.

Mrs. James Kiunion, of Greenville, was the guest of Mrs. R. G. Chapman Wednesday night.

The town has been literally thronged with people during the past week.

Certain friends wish us to itemize ourselves, but we can't; the joke is too good.

Rev. Mr. Butler, of the Free Will Baptist church, preached in the Missionary Baptist church here Thursday night.

Wm. Richardson, of Salem, is here canvassing Masonic insurance and seems to be meeting with excellent success.

Partridge season has opened in full blast and the sportsman is in his glory.

Miss Beatrice Nye celebrated her first anniversary last Monday evening and the nice presents she received from the tiny tots present will cause her little heart to beat in joyful anticipation of many more such events. It was a pleasant occasion and even we grown folks could not have excelled it.

Mrs. Minnie Barden, of Plymouth, has been visiting Mrs. A. D. Johnston during the week.

Mrs. F. Rodkey and little daughter, of Baltimore, Mr. and Mrs. W. D. Browning and Miss Nellie Reek, of Atlantic City, N. J., who have been visiting Mr. and Mrs. C. A. Fair since Tuesday, all left for their homes Friday morning.

Mrs. James Meeks and Miss Nannie Meeks were visiting at Rowan Cooper's this week.

Miss Lee Paramore, of Kinston, has been spending the week with Miss Dora Manning.

Miss Stella Tyndall, of Kinston, was here during conference as the guest of Miss Debbie Manning.

It snowed Friday. Maybe you saw it. Anyhow, it snowed.

Teachers' Association.

The teachers of Pitt county are a courageous company, showing a determination in their work that braves weather conditions and brings them together in their associational work. It was cold today, and many of them live a long distance from town, and while but short notice had been given of this meeting there were quite a number of teachers in attendance.

Devotional exercises were conducted by Rev. F. G. Hartman.

The roll was called by the secretary, and Superintendent Ragsdale called the roll of districts for reports of teachers.

The committee on nominations of officers made the following report. President—J. D. Everett.

Vice-President—T. H. King.

Secretary—Miss Eula Cox.

Assistant Secretary—Miss Delia Smith.

Treasurer—Miss Anna Spain. The report was adopted.

Former president, Prof. G. E. Lineberry, who has made a most faithful and excellent president of the association, called the new president to the chair. In taking charge of the meeting Prof. Everett made an interesting address, warmly thanking the association for the honor conferred upon him.

He said he had worked with teachers in many states, but has never been associated with any that could excel the teachers of Pitt county.

The library committee recommended purchasing books and establishing the library by the next meeting of the association.

Next the committee on course of study made a report and the association took a recess for dinner.

Some Potato.

Mr. J. M. Blow, manager of the Winterville department of THE REFLECTOR, sends us a sweet potato that beats anything we have seen. The potato, which was raised by Mr. A. G. Cox, is quite large and has grown firmly to a light-wood knot, giving the two together an appearance something like a tomahawk. Some one upon seeing the potato remarked that it had its own kindling wood along. It is quite a curiosity.

Died.

Elias Harris, aged 2 years and 10 months, little son of Mr. and Mrs. R. W. King, died at 6 o'clock this morning at their home on Dickinson avenue. The child had been sick a little more than a week with bronchitis followed by pneumonia.

The burial will take place Sunday afternoon in Cherry Hill cemetery.

The entire community, as well as their host of friends elsewhere, sympathize with Mr. and Mrs. King in their sorrow.

The tragic death of Mrs. Booth Tucker, a leader in the Salvation Army, will bring sadness to many earnest hearts. The people who dwell in small cities and in the country, especially those of the South, do not realize the magnitude of the work of this army of Christian workers. Were they to come in our midst many would no doubt be averse to them, but it is nevertheless true that these noble men and women, some of them having been lifted from the depths of earth's degradation, are doing a wonderful work in his name.—Gaffney, S. C. Ledger.

With Secretary Wilson dogging the boll weevil to its den and P. Chasem Knox sleuthing after the trusts, it seems that the hunting microbes of Theodore Roosevelt have invaded the entire cabinet.—Atlanta Journal.

SATURDAY AFTERNOON, NOVEMBER 7, 1903.

FAIR PLAY FOR SALOON KEEPERS.

As a shining example of justice and fair play for the under dog, we hold up the action taken by the anti-saloon league on the dispensary question. The letter of the law is such that if the petition for a dispensary election had been presented to the board of aldermen at the Thursday night meeting, the saloon-keepers would have had only two days in which to dispose of their stock and get out of the business. This would have meant confiscation of all the liquor found in Greenville after the present licenses expire, as none of it could be sold without license, and no license could be issued after the saloons are voted out by the people.

The Watts law did not contemplate injustice to the saloon keeper in disposing of his stock and business, and our temperance people very wisely and justly decided not to present their petition for a dispensary until the January meeting of the board of aldermen, which will allow all who take out new licenses to do business until June, 1904.

This does not mean, however, that the campaign against the open saloon will be one bit less earnest and continuous. The fight against the saloon will go on up to the day of the election, and the men and women who have put their hearts and thoughts into the movement are firm in the faith that they will put an eternal end to the open saloon regime in Greenville. As earnestly as any of them we hope they will succeed. We haven't any special personal grudge against any man in the saloon business in Greenville, but we believe their trade is the curse of the world, and we shall welcome the day when not a drop of whiskey is sold in North Carolina except for medicinal purposes. The dispensary is the best step in that direction we have been able to find, and we will be glad to see it established here, as a move toward ultimate prohibition. The latter must come some day, but the time for it in Greenville is not yet. We have had whiskey here too long to be able to abolish the traffic at one fell swoop. As some of the old fellows who are "set in their ways" die off, there will be more sentiment against the liquor traffic. We must teach the young people the shame of handling liquor. We must appeal to their intelligence and their pride. Every young man who grows up without drinking liquor or countenancing its use is a living monument to sense and decency.

Those New Jersey people are not on to the latest kinks in the Rooseveltian social equality scheme, but they will not be punished as the people of Indianola were. Roosevelt knows he can get a majority in New Jersey, while Mississippi wouldn't even vote for a man with the same initials as Roosevelt.

Having managed to exist without a circus or fair this year, Durham is now to get up a base ball association, in which the people may or may not get their money's worth.

John Sharpe Williams, of Mississippi, who will be the democratic minority leader in this session of congress, says the democrats will win in 1904. Thomas J. Pence, Washington correspondent of the Morning Post, quotes Congressman Williams as follows:

"I hope President Roosevelt will be defeated for the renomination," Mr. Williams interrupted. "If he should be re-elected it would be a sad day for the South. The president is a faddist on the subject of the negro, and I have no doubt that he would rub it into the Southern states with his peculiar ideas on the race problem should he be re-elected. With a free hand there is no telling what Mr. Roosevelt would do. We of the South would be the sufferers. I would welcome the nomination of Hanna or any one else in preference to Roosevelt. Mind you, I think the next president will be a democrat."

And yet people will go West and North after having such facts as the following continually before them:

Mount Airy, N. C., Nov. 5.—The busiest town in the state of North Carolina today is Mt. Airy, the Granite City. Nearly all the pipe is laid for our water works, the dam is built for the power plant and the posts are being planted for the electric lights. It takes one or two extra freight trains daily to move our produce, our granite and the output of our furniture and tobacco factories. Our tobacco warehouses are well filled with tobacco daily that sells for satisfactory prices, and a loafer in cup streets would attract almost as much attention as a bear's tracks. Both are things of the remote past.

As an evidence of the pluck and push of our town, our graded school was burned down yesterday and about seven hundred school children turned out. Today they are comfortably housed and "school keeps on just the same."

The Durham Herald says:

"We are not exactly making the claim, yet we believe Durham to be the banner prohibition town in the state."

Yes, you are—good luck to the ship that brought you over.

The murderer of Senator Simon's father will probably be hung, and that is right, but oh! my countrymen, don't you know if Daniels were a rich man and powerful he would not be hung? That is not right.

From what we can piece together regarding the present Central American trouble, somebody has hit somebody else on the wrist, and now somebody else won't play in somebody's yard any more.

Senator McComas, republican, says the democratic triumph in Maryland was due to the negro issue. Well, you couldn't expect Maryland to do anything else under the circumstances.

We look to Senator Gorman to get the fullest benefit for the party and himself from the democratic victory in Maryland. Chances like that don't grow on trees—even plum trees.

Bassett's peculiar views will injure Trinity College unless that institution promptly repudiates him and kicks him out.

Never again will Tom Johnson look with composure upon a circus tent or automobile.

J. Wiley is probably awaiting the reply to his telegram.

FROM SOUTH AFRICA.
New Way of Using Chamberlain's Cough Remedy,

Mr. Arthur Chipman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine

had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the

baby." This remedy is for sale by Wooten's Drug Store Greenville and R. L. Davis Farmville.

The Best Liniment.

"Chamberlain's Pain Balm is considered the best liniment on the market," write Post & Bliss, of Georgia, Va. No other liniment

Give this liniment a trial and you will never wish to be without it. Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros., Farmville.

CURED OF PILES AFTER 40 YEARS.

Mr. C. Haney, of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, laceration, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by Jno. L. Wooten.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Polesville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bros. Farmville.

Denouncing sin is not the same as renouncing it.

A REMARKABLE CASE.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by John L. Wooten.

A GOOD NAME.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Tex. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver jaundice, sick headache, constipation, etc. They do not purge and weaken, but cleanse and strengthen. Sold by Jno. L. Wooten.

WINE OF CARDUI

Why don't you try for the same health Mrs. Ricker has? It is easy to secure if you take Wine of Cardui according to directions. Wine of Cardui strengthens weak and worn-out women of any age and assists the mother and her child. It will relieve the pains of irregularity, cures falling of the womb, leucorrhoea, ovarian troubles, and has been known to remove what physicians considered dangerous tumors. Women who use Wine of Cardui do not suffer at the monthly periods. They do not suffer from the irritation because Wine of Cardui gives them strong nerves freed from the irritation of female suffering. A \$1.00 bottle of Wine of Cardui purchased from your druggist will keep you free from pain.

After I had been married about four months I felt my health generally declining. I seemed to lose the light step and dragged wearily along instead. My appetite failed me and I lost health and strength. I was nervous and had shooting pains through my limbs and stomach while bearing down. I was unable to attend to my daily duties. My husband called in three different physicians and I took enough medicine to fill a barrel. The menstrual flow became more and more profuse and I was unable to bear her exacting duties. Wine of Cardui makes women fit for all the duties of womanhood.

A SCIENTIFIC DISCOVERY.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by John L. Wooten.

Internal Difficulties.

Little Archie Richards, at the close of the Thanksgiving dinner, says Lippincott's Magazine, sat at the table with his face suffused with tears. His mother was greatly troubled. With a sweet smile and with gentle intonation she put one arm around her little baby boy and asked:

"What is it mamma's little darling wants?"

But "mamma's little darling" continued to cry.

Mamma made another effort to find out the trouble.

"Does mamma's baby boy want some more cake?" she asked.

"No'm," said the child, while the tears continued to flow.

"Does he want some more pie?" she further inquired.

"No'm," he further replied.

"Well," said the mother, making a last effort to reach his case, "tell mamma what baby wants."

The little boy managed somehow so say between sobs, "I want some of this out I've got in"

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.

If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each.

Kodol cures indigestion, dyspepsia and all stomach disorders.

I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me.
