A Boom for Glenn.

Wilmington, Nov. 17.—Hon. B. Glenn of Winston has accepted an invitation to speak to the labor unions of this city on the night of December 6th. The labor organizations which Mr. Glenn will address on that occasion number a total membership of two thousand. He has many ardent supporters here already and his visit will be a considerable boom for him. Mr. Glenn is looked upon by many in this vicinity as the strongest gubernatorial candidate in the field, and when the time comes he will poll a good vote in New Hanover county. The laboring men are preparing to give him an ovation. On the afternoon of December 6th Mr. Glenn will speak to a large gathering of men at the Young Men's Christian Association.

Bushels of Truth in This.

Some people are not satisfied unless they are agitating something. Agitation is not wrong in itself. In fact there are things that ought to be agitated. But agitation for the sake of agitating is often a source of mischief. Frequently it is not done from the sheer love of it, but for the gain of it. Agitators are often cat's paws. They are paid directly now and then. And it turns out that now and then they see for themselves gain as a result in one way or another. When the discerning public sees no great public good if any at all by disruptive diatribes it is not slow to reach the conclusion that there is some axe to grind somewhere.—Rev. P. R. Law, in Robesonian.

Stores Will Close Thanksgiving

As the Greenville merchants have been in the habit for several years of closing their stores on Thanksgiving day, we take it for granted the same observance of the day will be had this year. Purchasers of goods for Thanksgiving should lay their plans accordingly.

Mr. Small's Opponents.

Washington, Nov. 17.—The fact was ascertained today that Congressman Small's chief opponents for appointment on the house committee on rivers and harbors are from Texas and Tennessee. Representative Bail, of the Lone Star State, has resigned as a member of congress, and unfortunately for Mr. Small the Texan was a member of the committee on rivers and harbors—a fact which lends some force to the claim of the Texas delegation that they should be allowed to name the successor of their colleague, with respect to all his committee assignments. The member from Tennessee seeking the appointment is John Wesley Gaines, a gentleman who enjoys no little distinction here, chiefly from the fact of his omnipresence when there happens to be a debate in progress on the floor. Texas is most to be feared, but Leader Williams has said some things recently that have very much reassured the friends of the North Carolina Congressman. These friends of Mr. Small have made his recognition their paramount consideration with respect to committee assignments.

An Editor's Son Shoots Himself.

Charlotte, N. C., Nov. 18.—Joseph Caldwell, aged twenty, son of the editor of the Charlotte Observer, shot himself through the heart late this afternoon. The tragedy occurred at the Caldwell home. The young man spent the afternoon up town and had laughed and chatted good naturedly with friends less than two hours before his death. The deed was committed about 6:30 with a 38-caliber pistol. No specific cause is known for the act.

Carried to Wilson.

A policeman from Wilson came in last night and on his return this morning took with him Jim Duff, a young colored man wanted in Wilson for stealing. Duff had been in bad reputation around Greenville and left here sometime ago and went to Wilson. In the latter town he stole a trunk containing a lot of clothing and shipped it here last week to his father, Jim coming on later; It was for this that the officer came after him. The trunk and contents, with the exception of a coat and two pairs of pants, were recovered.

Dr. Jay Arraigned.

Asheville, N. C., Nov. 18.—Dr. J. V. Jay, the Buncombe county physician, who last month killed his three children with a claw hammer, was today brought into court and arraigned. A special venire was ordered and the case was set for trial next Tuesday. The attorneys for Jay will contend that the man was insane at the time the act was committed and also that his mind is now unbalanced. They will make a vigorous fight to have Jay sent to an insane asylum.

The Jamestown Exposition.

Washington, November 17.—The memorial was laid before the house today by Speaker Cannon in the form of a joint resolution passed by the Virginia legislature informing the world that the 300th anniversary of the first English speaking settlement in America, at Jamestown, Va., would be celebrated by a naval, marine and industrial exposition at Hampton Roads, Va., beginning May 13th, 1907.

THURSDAY AFTERNOON, NOVEMBER 19, 1903.

You sometimes hear people say their best days are behind them. That is because they know nothing of any other. Who can tell what the coming days will bring forth?

In answer to the complaint that the cost of living is too high, Bro. Joe Reece, the philosopher of the Greensboro Record, comes to the scratch by saying it is extravagance that causes the seeming goneness in bank accounts after a settlement with the grocer and landlord and wood-hauler, and gives the figures to prove it.

He says that in 1870-71 these prices ruled:

"Flour was \$12 a barrel; now it is \$5; country meat 25 cents, now it is 15 to 18 cents; sugar was 15, now it is 5 and 6; coffee sold for 25 cents, while the same grades are now 10 and 12; kerosene oil was 50 cents, now it is 15. Wages during these years were for the common laborer 75 cents a day, while carpenters ran from \$1 to \$1.75 for the best of them. Now the former gets \$1.25, the latter as high as \$5 a day, the average being about \$2.50."

And he might have added clothing, which was from 50 to 100 per cent. higher than now.

But our friends goes on to say: "There is another cause for this. When times are good and work is plentiful we are all apt to grow extravagant in our mode of living. The practice, once adopted, is hard to abandon. We dress more extravagantly, we hire more help about the house than we used to hire; we have more mouths to feed because we have more hired help; we do this and that thing by 'proxy' when we used to do it ourselves and so it goes, the job of making both ends meet being a hard one; but extravagance has more to do with it than we imagine."

Bro. Reece sizes the situation, but it is hard to realize it. And what is also a singular feature, the very cheapness of necessities encourages extravagance. A man will spend a dozen nickels without thinking of it, when he would halt at spending a fifty cents. And nickels count. The above is a view of conditions that merits consideration.—Raleigh Post.

Tobacco Growers Together.

Danville, Va., Nov. 17.—Three hundred tobacco growers, representing 11 counties in Virginia and North Carolina, met here to-day and

formed what will be known as the Tobacco Growers' Protective Association of Virginia and North Carolina. S. C. Adams, of Charlotte county, Va., was made president, and W. T. Bryant, of North Carolina, secretary. The object of the organization is to decrease future tobacco acreage, keep the present crop off the market for better prices and induce farmers to grow diversified crops. All of the counties in the belt will be organized, President Adams being selected for the purpose of organizing them.

The other day the recorder of Charlotte adopted a novel yet effective way of finding vagrants. His court was in session and there was the usual number of negro loafers in attendance. The recorder ordered a police officer to go through the crowd and question each one personally as to his means of support. The crowd in that court room showed a wonderful thinning out before the policeman had finished his round of inquiry.

Be it said to the credit of a Pitt county jury that it declined to give damages in a suit against a railroad, there being no grounds for damage. Gradually the corporations are coming around for justice in the courts.

A suit is on in Harnett county that strikes us as being a very silly one. The sheriff of that county with a deputy was taking four negro prisoners from Harnett to Person county to work the public roads of the latter. At Durham the sheriff purchased six second class tickets to Roxboro, and upon asking the conductor which car to board was pointed to the second class end of the coach for colored people. Upon taking their seats the sheriff noticed the car was marked "colored" and he asked the conductor to allow them to go in the second class car for white people. The conductor told him he and his deputy could go in the white car but the negroes could not. Because of this the sheriff and his deputy sued the railroad for \$2,000 each. The state made a law providing separate coaches for the colored people and they have no right to go in the coaches for whites. We can't see that because the negroes in question were prisoners in charge of white officers it should give them any right to be carried in the car for white people.

It is noticed that the poor down-trodden farmers have little sympathy for the poor of the towns when it comes to selling wood.—Durham Herald.

And now what hope is there for a poor man? It is said the price of diamonds is going up.—Durham Sun.

Why, buy them on credit.

The newspapers throughout the country are commenting considerably over the man who cured himself of consumption by walking from San Francisco to New York. All unite in advising the "shoe leather" cure for disease. And the "shoe leather" cure is as good for business as for disease, and better. The hustler succeeds where the drone or the careless fail. The free use of shoe leather saves many a man who would otherwise fail.—Durham Sun.

FROM SOUTH AFRICA.

New Way of Using Chamberlain's Cough Remedy,

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine

had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the

baby." This remedy is for sale by Wooten's Drug Store Greenville and R. L. Davis Farmville.

The Best Liniment.

"Chamberlain's Pain Balm is considered the best liniment on the market," write Post & Bliss, of Georgia, Vt. No other liniment

will heal a cut or bruise so promptly. No other affords such quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and you will never wish to be without it. Sold by Wooten's Drug Store, Greenville, E. L. Davis & Bros. Farmville.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated leaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Potosville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bros. Farmville.

Be sure your sins will find you out.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

The Flea Hill public school district has cast within six votes of its total registration of 63 for local public school taxation, the majority in its favor being 28.—Fayetteville Observer.

A SCIENTIFIC DISCOVERY.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digest what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by John L. Wooten.

A REMARKABLE CASE.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by John L. Wooten.

CURED OF PILES AFTER 40 YEARS

Mr. C. Haney, of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, laceration, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by Jno. L. Wooten.

Some people work overtime trying to get shorter hours.

A GOOD NAME.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and to their work with ease.—W. T. Easton, Boerne, Tex. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver jaundice, sick headache, constipation, etc. They do not purge and weaken, but cleanse and strengthen. Sold by Jno. L. Wooten.

If the papers that do not admire Judge Peebles have the right to scratch him if nominated, why has not any other man the right to scratch the ticket for any reason that he deems sufficient?—Durham Herald.

So he has. No question about his right to do so if the reason is sufficient.

Women's Headaches

542 1-2 Congress Street,
PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pain would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering agonies I usually did and soon became regular and without pain.

Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Mrs. Wilhelmia Snow
Treasurer, Portland Economic League.

Headaches are the danger signals of coming disease. Both men and women suffer headaches, but periodical headache falls only to the lot of women and is the unerring sign of irregular menstruation and bearing down pains. Completely prostrated by nine months of suppressed menses, blinded by headaches and racked with pain Mrs. Snow was made a strong and healthy woman again. Remember with Wine of Cardui no case is hopeless because this great remedy cures permanently nineteen out of every twenty cases and never fails to benefit a case of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, try Wine of Cardui, and try it now. Remember that headaches mean female weakness. Secure a bottle of Wine of Cardui today. All druggists sell \$1.00 bottles of Wine of Cardui.
