Private telegrams from New York at three o'clock this afternoon state that war has been declared between Japan and Russia.

### North Carolina People Get Pensions.

Mr. Small has been informed by the Bureau of Pensions that through his efforts the pension claim of Mrs. Lavinia Auge, of Washington, N. C., has been allowed at the rate of \$8 per month from March, 1865, at \$2 per month additional for each of her minor children from the same date. This will give the claimant something over \$5,000. Mr. Small has also been notified by the Bureau of Pensions that the claim of William Asa Taylor, of Robersonville, Martin county, N. C., has been allowed at the rate of \$8 per month from March, 1865 and \$2 per month additional for each of her minor children. This will give the claimant about \$6,600. This means a small fortune for those concerned.—Washington special to Charlotte Observer.

### Crushed by a Tree.

Goldboro, N. C., Feb. 3.—Buck Hill, who lived near Mt. Olive, went squirrel hunting yesterday morning. After hunting for about an hour his dog treed a squirrel up a large oak. Mr. Hill had his axe with him and he cut down tree. The tree fell upon Mr. Hill, mashing him so badly that he died before medical aid could arrive.

### Detectives Resort to Strategy.

Salisbury, N. C. Feb. 3.—Railway trainmen state that detectives are making efforts to capture thieves who have become a constant menace to the officials by breaking into merchandise cars and taking goods. It is said that the detectives have resorted to all kinds of tricks to catch the guilty parties. These men, it is learned, are to be seen riding on all trains as hobos, and are to be found even sewed up in burlap and bagging being shipped as freight in the box cars, their object being to suddenly appear on the scene when the theft is being committed.

### Sea Duty for Sigsbee.

Washington, Feb. 3.—Rear Admiral C. D. Sigsbee was today assigned to command the south Atlantic squadron, succeeding Rear Admiral B. P. Lambertson, invalided home. Capt. George F. Wilde now captain of the Boston navy yard, was assigned to succeed Admiral Sigsbee as a commandant of the League Island Navy Yard.

### Deadlock Broken.

Annapolis, Md. Feb. 3.—The deadlock which has held solidly for over two weeks in the Maryland legislature over the election of a United States senator to succeed Louis E. McComas, was broken tonight by the democratic caucus naming, by a decided majority, the brilliant Isador Rayner of Baltimore City. Rayner received fifty of the eighty eight votes cast, while Smith, the organization candidate, secured 28, and Carter, to whom Senator Gorman has recently transferred his support, received only 10.

### Russian Cruelty.

London, Feb. 2.—It is reported from Moscow that wholesale persecution of the Jews of all classes has been begun by the police. Hundreds of families have been driven out and some shipped under guard. Violation of domiciliary rights granted to the Jews is given as the excuse by the authorities for their action.

### Supposed New Bern Man Died Penniless in New York.

New York, Feb. 3.—Dr. Edward Thomas, 65 years old, whose home is said to be at New Bern, N. C., died in the cigar store of N. Weisberg, at 3:36 Pearl street, late this afternoon. Dr. Thomas had no money in his pockets, and a ticket for a ten cent meal was all of value that he carried. Eugene Pinkner of 19 Fulton street, identified the body. He said he had known Thomas for a long time, though not very well, and had occasionally helped him. Thomas' family, he said, was well known in New Bern.

### Insurance Man in Trouble.

Winston-Salem, N. C., Feb. 3.—Charles B. Compton, agent for the Mutual Life Insurance Company of New York, was arrested today on the charge of collecting several hundred dollars and failing to make proper returns of the same. A representative of the company came here and had Compton arrested. The defendant was carried to Reidsville tonight for trial, having collected some of the money in Rockingham county. Compton is a young man and is well connected. His home is in Caswell county.

### Buys Cotton Root Bark

Raleigh, N. C., Feb. 1. To the Editor:—Permit me through your paper to inform the cotton growers of the state that there is an urgent demand for cotton root bark at about 8 cents per pound. The bark is prepared for market by simply stripping it from the root with a sharp knife and drying in the shade. The stalks should be pulled from the ground and all sand and earth washed from the roots before peeling. Nothing but root bark is wanted. The following firms buy root bark in quantities of from 100 pounds to one ton or more:

Sharp & Dhome, Baltimore, Md.  
Kuth Bros. & Co., Baltimore, Md.  
Higgins & Waters, Baltimore, Md.  
Parke, Davis & Co., Detroit, Mich.  
Frederick Stearns & Co, Detroit, Mich.  
W. H. Schiffin & Co., New York, N. Y.

Respectfully,  
GERALD MCCARTHY,  
Biologist, N. C. Dept. Ag.

### A WONDERFUL REMEDY FOR THE DRINK HABIT.

Nearly 100,000 People in The United States Have Been Permanently Cured of Intemperance by Orrine.

For ages the curse of intemperance has afflicted mankind, claiming its millions of victims every year and causing more untimely deaths than all the wars of history.

In days gone by the drunkard was an object of contempt, spurned and loathed by all, because it was the commonly accepted theory that to cure his drinking habit was a matter of exercise of will power alone.

Physicians; however, have long since recognized that drunkenness is a physical disease, requiring physical treatment. The diseased condition of the nerves of the stomach and the inflamed linings and membranes, produced by over-indulgence in alcoholic stimulants, in the vast majority of cases require medical treatment to effect a cure.

To permanently remove the craving for liquor by restoring the stomach and digestive organs to their normal conditions, a wonderful preparation called Orrine has been placed upon the market, and is now sold all over the United States, recommended and endorsed by the leading druggists and by thousands of physicians nearly one hundred thousand cured inebriates and members of the W. C. T. U. and Y. M. C. A. as well as many clergymen, temperance lecturers, ect.

Orrine is sold in Greenville, N. C. by J. W. Bryan, druggist.

The price is \$1 per box, or six boxes for \$5. In every package there is a registered guarantee to return the money if Orrine fails to do all that is claimed for it. The remedy is simple, harmless and sure, contains no opiates of narcotics of any kind or description, will cure the drink habit without leaving any bad effects and can be given secretly without the patient's knowledge, if desired. The remedy can be taken at home, thereby rendering sanitarium treatment unnecessary.

If Orrine will do for those addicted to the drink habit what nearly one hundred thousand people all over the United States

say it has done for them, surely it is worth many times its price and is a very wonderful remedy indeed. The medical principles upon which Orrine is founded would warrant its use as a stomach tonic, and as the money will be refunded if it fails of its purpose surely those who have need for such a remedy run no risk whatever in giving it a fair trial.

### National Bank Closed.

Clarksburg, W. Va. Feb. 2.—The Traders' National Bank, the largest bank in this city, with assets of \$1,200,000, was closed today by order of the Comptroller of Currency. National Bank Examiner Robinson has been appointed temporary receiver.

### Fighting with Indians

Panama, Feb. 2.—A report has reached the isthmus that Colombian troops are fighting with the Indians on the San Blas coast, which is in Panama territory. It is impossible, however, to obtain reliable confirmation of this.

### Kills Himself by Accident.

Shelby, N. C. Feb. 2.—Mr. Lawson Botts, a young white man aged 23 years, who lives four miles from here, met with a serious accident. He was placing his gun in the back of a wagon when it was discharged, and the entire load entered his right hip. He died this morning and leaves a wife, child and many friends.

THURSDAY AFTERNOON, FEBRUARY 4, 1904.

It will be a proud distinction after a while to wear cotton goods.

Charlotte is about to abandon hope for getting a union depot. Too bad.

Cotton has taken another big slump, all on account of the war news.

It seems that Greensboro stands the best chance of getting the Democratic State Convention.

Fear of war between Japan and Russia has killed the demands in China for cotton goods.

It is said that Hanna is very strong in North Carolina. But he is stronger in Wall Street.

The boll weevil can take it easy now since the decision has been reached that he cannot be exterminated.

Dewey, Bassett, Massee and the Wilmington postoffice are lost sight of in the presence of the bond suit discussion.

There is a difference between a cold and grip. For instance Senator Hanna has lost his cold but still holds his grip.

The trouble between Japan and Russia seem to be growing worse, and the outlook is that they are very close to a clash of arms.

If you want to uphold the curses of liquor drinking, vote for bar-rooms, but if you want to oppress the curse of it, vote for dispensary.

The death of Hon. William C. Whitney, which occurred Tuesday in New York, removes one of the most prominent men of the country.

The aldermen can do the people of the town a favor by reminding the lamp lighter that the moon does not shine in the early hours of the night now.

If the people could forget the high price of cotton long enough to get interested in some needed enterprises for Greenville, the opportunities for making money would be increased. There is plenty of room for factories here and the opportunity for investment.

Cotton keeps coming to the front. A few years ago only the lint was considered worth anything to mention and the seed were thrown in the compost pile. But the seed have become a profitable product and add much to the value of the crop. Now another part of it—the bark on the roots—is found to be worth a good value. Just let somebody find a use to make of the stalks, leaves and cast-off blossoms, and the whole thing will be worth money. It does not look like cotton can be downed any more.

Just because cigarettes kill some of the specimens that smoke them, why say that cigarettes do more harm than they do good?—Atlanta Journal.

People of other parts of the country are learning of the vast opportunities of the South, and the result is the setting in of a tide of immigration in this direction. Those in the West and Northwest see that the farms of the South offer better advantages than elsewhere and that money can be made here, and the desire to better their condition causes them to turn their faces this way. The South will welcome all good men who come.

The Wilson dispensary has been selling whiskey that freezes in the bottle but maybe it would be better if it was all water.—Durham Herald.

Our experience thus far with prohibition shows that those who claimed that there would be a blind tiger on every corner knew nothing at all about it.—Durham Herald.

The commissioner of patents reports the total number of patents applied for during 1903 to have been 50,213, and a total issue and reissue of 31,690 patents, which 3,871 were to foreigners and 27,819 to Americans.

No Hope of Exterminating the Boll Weevil.

Washington, D. C. Feb. 2.—W. D. Hunter special agent in charge of cotton boll weevil investigations for the division of entomology, department of agriculture, in a report issued today as an emergency bulletin, says the work of his division for several years "has demonstrated that there is not even a remote probability that the boll weevil ever will be exterminated.

It is to be hoped that the committee of arrangements for the Democratic National Convention, while looking over the grounds at St. Louis, are seeing to it that the hotel proprietors are tied hard and fast by agreement not to rob delegates and visitors through charging exorbitant rates for board and lodging. The party does not have to go to St. Louis; there are other cities that will guarantee square treatment.—Twin-City Sentinel.

Cat's Bite Results in Blood Poison.

Mr. R. Lee Grier, who lives three miles east of the city, is suffering greatly from blood poisoning, which resulted from the bite of a cat. Mr. Grier was moving his family last Saturday and picked up a house cat which he desired to take along with him. The feline turned on him and bit Mr. Grier on the hand. Little was thought of the matter until yesterday when the hand became swollen and Mr. Grier became deathly sick.—Charlotte Chronicle.

Sometime ago certain of our friends across the line were throwing fits because of the report that localities exist in the south within the borders of which the negro is not allowed to tread. When the subject was investigated it was found to be impossible to locate such communities. But now the Kansas City Journal comes forward with at least three communities in the Indian Territory where a white man is not allowed to dwell.

Wonder how many fits they will throw on this account.—Kinston Free Press.

Whereas, a petition has been filed with this board, at a special meeting held on this the 29th day of January, 1904, signed by 104 citizens of the town of Greenville, asking that an election be ordered in said town to determine whether a dispensary shall be established therein, and whether the manufacture of liquors shall be allowed in said town.

**Congratulations**

Mr. John H. Callom, Editor of the Garland, Texas, News, has written a letter of congratulations to the manufacturers of Chamberlain's Cough Remedy as follows: Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by Wooten's Drug Store, Greenville, and R. L. Davis & Bros., Farmville.

**Found a Cure For Indigestion**

I use Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. I am 51 years of age and have suffered great deal from indigestion. I can eat almost anything I want now.—George W. Emory, Rock Mills, Ala. For sale by Wooten's Drug Store, Greenville and R. L. Davis & Bros., Farmville.

**HAVE YOU INDIGESTION.**

Have you indigestion, Kodol Dyspepsia Cure will cure you. It has cured thousands. It is curing people every day—every hour. You owe it to yourself to give it a trial. You will continue to suffer until you do try it. There is no other combination of digestants that digest and rebuild at the same time. Kodol does both. Kodol cures, strengthens and rebuilds. Sold by J. L. Wooten.

## Whiskey and Beer Habit

PERMANENTLY CURED BY

### "ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and raising the health. No "will power" can heal the inflamed stomach membranes.

"ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

CURE GUARANTEED OR MONEY REFUNDED.

Mrs. E. Wycliff, New York City, writes: "ORRINE" cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."

Mrs. W. L. D. Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him "ORRINE." He is now fully restored to health and has no desire for drink."

Mr. A. E. L. Atlanta, Ga., writes: "I was born with a love of whiskey and drank it for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of "ORRINE" cured me of all desire and I now hate the smell of liquor."

Price \$1 per box. Mailed in plain, sealed wrapper by Orrine Company, 817 14th St., Washington, D. C. Interesting book—Treatise on Drunkenness, sealed, free on request. Sold and recommended by J. W. BRYAN, Druggist, Greenville, N. C.
