THE MOST BEAUTIFUL
Cotton = Goods
--- YOU EVER SAW. ---

That's a pretty broad claim, but we consider it entirely warranted by the facts.

The fabrics have the richest and most lustrous finish that we ever saw on any but silks.

You have heard of cotton going up recently to the almost fabulous figures of eighteen cents a pound while its ordinary price should be about ten cents.

Well this cotton cost the manufacturer eighty cents a pound. It is grown on an island not far from Cuba, and it is said to grow nowhere else. It takes three years to grow to maturity, and because of its strength and lustre it has been previously used only by fine lace makers. They say it lasts for hundreds of years. It is serviceably, it is exquisitely beautiful, the colorings are rich, but dainty. It is on sale today in many stores at One Dollar a yard.

Today we have about six thousand yards to offer at 20, 35, 50 and 60 cents a yard. ---

The patterns are in keeping with the high quality of the goods. Sixty different patterns in all.

MORE ABOUT WILSON.

How the Dispensary Helps That Town.

Mr. George D. Green, a prominent business man of Wilson, former mayor of the town and chairman of the board of county commissioners, writes as follows to a citizen of Greenville:

"Yours of the 8th inst. received. I take pleasure in stating to you that in my opinion there is no better way to handle the liquor business than through a dispensary. While we have only had one since Jan. 1st, and carried the election by 22 votes, after this short experience I candidly think with another election the majority would be very great.

"The mayor's court for December numbered 140 and for January 42 cases. The policemen report much better order and very little to do.

"My prediction from the revenue from it here is that the city

will get \$10,000, the schools \$5,000 and the roads \$5,000. Under the license system the town got about \$6,000. These figures will show the financial standing, and the dispensary does not sell near the amount of whiskey sold by the 18 open saloons.

"It is important that your city authorities support the dispensary with proper laws that will prevent drinking on the streets, &c. Here we have it in our bill.

"From a business standpoint I can't see that it has been any draw back. We are selling large quantities of tobacco every day and my neighbor, who sells groceries, says his business is twenty-five per cent better than before the dispensary was established.

"You are at liberty to use any part of this letter as you may deem proper, as my convictions are very decided on the question."

WAR AND OTHER NEWS.

JAPANESE VICTORIES CONTINUE---SENATOR HANNA NEAR THE END.

Japanese Landing Party Repulsed.

London, Feb. 15.—Official reports from Port Arthur say the Japanese landed six hundred troops at Talien Wane, four hundred of whom were cut down by the Cossacks. The Japanese landing party at Dove Bay was also repulsed with heavy loss.

Battle Among Land Forces.

London, Feb. 11.—The Paris correspondent of the Central News wires that news from Russian source states that a battle is being fought on northern bank of Yulu river where the Russian land forces are concentrated. The Central News also learns from Japanese officials that another Russian cruiser has been sunk at Port Arthur.

The Czar Prostrated.

Berlin, Feb. 15.—Reports from St. Petersburg state that the war disasters in the far East have prostrated the Czar. He sat for hours gazing into space and at intervals bursts into weeping. Conversing with relatives or ministers he constantly bemoans the evil which his advisers precipitated in bringing about the war. His majesty is said to be pessimistic and his health broken down.

Hanna Nearing the End.

Washington, D. C. Feb. 15.—Motionless as the dead, Senator Hanna lies at Arlington hotel breathing out the last hours of his life. The wonderful battle made in his behalf by love and science seems to have ended in defeat and the end cannot long be deferred. All hope has been abandoned and the end may come at any moment.

[The report received Sunday that he was dead seems premature. —Ed.]

Trains Collide.

Brussels, Feb. 15.—A train bearing school children collided with an express train near Brussels this morning. Two children were killed and fifty were injured.

Visit from Bishop.

This parish was visited Sunday by Bishop J. M. Horner, and he preached excellent sermons both morning and evening to large congregations in St. Paul's Episcopal church. At the morning service two young ladies, Misses Sallie Cotten and Alice Moore, were confirmed.

Church Choirs.

In the Methodist church a raised platform has been built on the South side of the pulpit for use of the choir. The choir has also procured a supply of new music and is practicing with energy, the result showing in improved singing.

The choir of the Baptist church has a valuable addition in Miss May Lincoln, daughter of Mr. C. E. Lincoln, who moved here a few weeks ago from Kinston. Miss Lincoln has a rich alto voice of remarkable sweetness and the improvement in the choir is very noticeable.

Broke His Hip.

His friends throughout the county regret to learn of a serious accident to Mr. W. G. Lang, of Farmville. He fell on the ice, Sunday, and broke one hip. Mr. Lang is well advanced in years and the injury is very severe.

Russians Sink their Own Boats.

Chefoo, Feb. 15.—Three Russian torpedo boats have been sunk by the Port Arthur land batteries, the boats being mistaken for Japanese ships.

Russia Loses Three More Ships.

Tokio, Feb. 15.—It is officially reported that three of the four Russian warships from Valdiva stock were blown up by submarine mines while trying to reach Hokodate. The latter place was not bombarded.

Great Japanese Victory.

London, Feb. 15.—A great Japanese victory is reported at Tien Tsin saying that the Japanese have sunk eight Russian ships at Port Arthur and captured ten.

Wake Forest Glee Club.

Greenville feels a keen interest in the coming of the Wake Forest Glee Club, on the 17th, and will give them a large house. Two of the young men have relatives here, one of them being a brother of Mrs. R. L. Humber and one being a brother of Rev. A. T. King.

Woman's League

The Woman's League for Moral Reform held an interesting meeting in the Methodist church, Sunday afternoon, and the attendance was very good considering the condition of the weather. Several names were added to the membership. Strong speeches were made by Rev. J. A. Hornaday and by Profs. W. B. Dove and W. H. Ragsdale.

The league will meet again in the Methodist church Thursday afternoon at 3:30 o'clock. Every woman in town should be a member of the league and use her best efforts for reform and for carrying the coming election for the dispensary.

Valentine Party.

On last Friday night a very enjoyable Valentine party was given at the home of Mr. and Mrs. J. F. Brickley, from 8 to 12, in West Greenville. Those present were: Zeno Brown with Miss Vernessa Smith.

Asheville had a \$10,000 fire a day or so ago which is believed to be the work of incendiaries.

Black Brute Captured and Makes Confession.

Henry Williams, colored, who was arrested at North Fork, W. Va., last week on suspicion of having committed a murderous assault and outrage on Mrs. George Shields and her three-year-old daughter in their home in Roanoke, Va., on January 30th, and who left them for dead, made a full confession to W. G. Baldwin in the jail in Bluefield, W. Va., on Thursday night of last week. He has been taken to Richmond, Va., for safe keeping until he can be tried and hung, the feeling against him in Roanoke being so strong that the authorities are satisfied that he would be lynched if kept there.

MONDAY AFTERNOON, FEBRUARY 15, 1904.

WAR NEWS.

THE REFLECTOR, appreciating the interest of its readers in the war news, is now taking a telegraph news service and will give the latest news to be had every day. This is an expensive step to take, and we hope our readers will show their appreciation by doing what they can to increase the patronage of the paper. It is a time when everyone who reads the paper should be a subscriber and pay promptly so the paper will not be hindered in meeting its bills. Let's be of mutual help to each other.

What a strong navy is worth was brought home to us in our late trouble with Spain. We realize it more fully than ever since Japan is doing things to the Russian ships. The idea of building a great American navy, which found its birth in the mind of the lamented Wm. C. Whitney, should be heavily backed by our congress, for in the future the most powerful nation will be that one that can keep its flag afloat on the seas against any foe.

It is creditable to the people of fire stricken Baltimore that they have declared their ability to relieve all suffering incident to the fire. All over the country were hands ready to be extended in aid, and in some places relief subscriptions had already been started. That the city can take care of itself in the face of so great a disaster speaks loudly in its praise. The "Monumental city" will arise from the ashes more splendid than before.

Taking the size of the town and the extent of the fire into consideration, the disaster at Winterville is proportionately greater than at Baltimore. While Baltimore lost business houses numbering in the thousands, she thousands more left; but Winterville with only ten stores lost nine of them and has but one left.

Several of the state papers continue to argue that the lien law has outlived its usefulness. If next legislature could be induced to repeal the law a great service would be done the farmers. And the homestead law should get the same consideration.

It appears that Spencer Blackburn has very little faith in his nomination for congress as he is now seeking a job in Washington. He is an applicant for appointment as special assistant and attorney for the department of justice.

The corporation has over-ruled the exceptions of the Atlantic Coast Line and has ordered that road to make connection with the Southern railway at Selma.

Did you ever! Russian newspapers have rushed out with extras claiming the victory.

Somebody should write a song entitled "When the little Japs Goes Gunning."

The man with the "comic" can now put in his secret lick.

You can't look at a paper from hardly any part of the United States but what you will see where some negro has committed some heinous crime upon some white person. What are the American people going to do about this, let it go on and on as they have for years and years and grow worse and worse each year, or are they going to appress it and rid our country of the black brutes? It is true most of them when caught are lynched or hung according to law, but a goodly number of them escape from where they commit the crimes only to commit another in some other part of the country.

It seems to be a fact that the trend of sympathy in the United States goes out to Japan in the conflict now raging between that country and Russia. Perhaps the main reason for this feeling is the great disparity in the size of the antagonists. Japan is small, but plucky. Russia is both large and powerful. But Japan is vigorous, alert and keen to an extent sufficient to very materially overcome the effect of the physical discrepancy. Japan represents the best and highest type of far Eastern civilization. Russia stands for a tyranny in government that is intensely repugnant to the people of a free country.

The more dangerous a thing is the less convenient it ought to be. Powder, dynamite and gasoline are stored away to themselves at a safe distance from other property. All intoxicants ought to be treated in like manner, and sold under skull and cross-bones. They are too dangerous for indiscriminate handling. Many a man who would have been a good and honorable citizen is a financial, physical, mental and moral wreck because he had access to and was allowed to go to saloons in his boyhood days.

Col. I. A. Sugg is again with the boys on the home exchange and is the bull of the pit. The boys are glad to see him back. He says he has got it in for THE REFLECTOR for sending him out after a "punch," in one of his letters from New York, when it was a lunch he went after.

Some Greenville people are receiving letters expressing sympathy over the "loss by fire of the Memorial Baptist church." We are at a loss to know how such a report got out that the church had been destroyed, and are very glad to state that the report is incorrect.

Japan's population is 35,000,000 while Russia's is 135,000,000. Japan can strike with her full length without fear of foreign enemies, or domestic revolt. Russia must guard her western frontier and her Baltic ports.

Information was received here Sunday that Senator M. A. Hanna, of Ohio, was dead. His death removes an able man and one who has exerted a prominent influence on the politics of the nation.

Perfect Confidence.

Where there used to be a feeling of uneasiness and worry in the household when a child showed symptoms of croup, there is now perfect confidence. This is owing to the uniform success of Chamberlain's Cough Remedy in the treatment of that disease. Mrs. M. I. Basford, of Poolesville, Md., in speaking of her experience in the use of that remedy says: "I have a world of confidence in Chamberlain's Cough Remedy for I have used it with perfect success. My child Garland is subject to severe attacks of croup and it always gives him prompt relief." For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

The ordinance so adopted is in the following language:

Whereas, a petition has been filed with this board, at a special meeting held on this the 29th day of January, 1904, signed by 104 citizens of the town of Greenville, asking that an election be ordered in said town to determine whether a dispensary shall be established therein, and whether the manufacture of liquors shall be allowed in said town.

And Whereas, it has been found after a careful investigation and verification of said petition with the registration books of the town, that said petition contains the names of one third of the registered voters of the town of Greenville who were registered for the preceding municipal election.

And Whereas, the law having been complied with, it has become the duty of this board to order an election and to fix the time thereof.

The board of aldermen of the town of Greenville, in the state of North Carolina, do ordain,

When You Have a Cold.

The first action when you have a cold should be to relieve the lungs. This is best accomplished by the free use of Chamberlain's Cough Remedy. This Remedy liquefies the tough mucus and causes its expulsion from the air cells of the lungs, produces a free expectoration, and opens the secretions. A complete cure soon follows. This remedy will cure a severe cold in less time than any other treatment and it leaves the system in a natural and healthy condition. It counteracts any tendency toward pneumonia. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bro. Farmville.

Escaped an Awful Fate

Mr. H. Haggins of Melbourne, Fla., writes, "My doctor told me I had Consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and owe all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases by Wooten's Drug Store. Price 50c and \$1.00.
Trial bottles free.

RELIEF IN ONE MINUTE

One Minute Cough Cure gives relief in one minute, because it kills the microbe which tickles the mucous membrane, causing the cough and at the same time cleans the phlegm, draws out the inflammation and heals and soothes the affected parts. One Minute Cough Cure strengthens the lungs, wards off pneumonia and is a harmless and never failing cure in all reliable cases of Coughs, Colds and croup. One Minute Cough Cure is pleasant to take, harmless and good alike for young and old. Sold by J. L. Wooten.

AN EARLY RISER.

A strong, healthy, active constitution depends largely on the condition of the liver. The famous little pills known as DeWitt's Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by J. L. Wooten.

Chamberlain's Stomach and Liver Tablets, Unequaled for Constipation.

Mr. A. R. Kane, a prominent druggist of Baxter Springs, Kansas, says: Chamberlain's Stomach and Liver Tablets are, in my judgement, the most superior preparation of anything in use today for constipation. They are sure in action and with no tendency to nauseate or gripe. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bro. Farmville.

HAVE YOU INDIGESTION.

Have you indigestion, Kodol Dyspepsia Cure will cure you. It has cured thousands. It is curing people every day—every hour. You owe it to yourself to give it a trial. You will continue to suffer until you do try it. There is no other combination of digestants that digest and rebuild at the same time. Kodol does both. Kodol cures, strengthens and rebuilds. Sold by J. L. Wooten.

Another Case of Rheumatism Cured by Chamberlain's Pain Balm.

The efficacy of Chamberlain's Pain Balm in the relief of rheumatism is being demonstrated daily. Parker Triplett, of Grigsby, Va., says that Chamberlain's Pain Balm gave him permanent relief from rheumatism in the back when everything else failed, and he would not be without it. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bro. Farmville.

Better Than Gold

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by Wooten's Drug Store.

break down of the engine caused
the delay.

Streets and roads in their present
miserable condition make travel
either by vehicle or on foot ex-

Farmers should be careful how
they accept any kind of price at
their homes for tobacco. They
had better bring it to market and
sell it themselves.

THE WEATHER.

Fair tonight, colder, except in
extreme western portion. Tues-

**Dorothy Dodd
SHOES.**

The "Dorothy Dodd" Shoe has that something in beauty
and style that means individuality.

It possesses "style" in the highest degree; it gives dis-
tinction to the foot. In the diversity of kinds there are
styles for every person from the exquisite evening slipper
to the sturdy winter street boot; they all have a light,
airy gracefulness peculiarly their own, which is sure to
appeal to a woman's eye. "DOROTHY DODD" SHOES
FIT; They Fit Perfectly.

Shoes should always fit closely under and about the
instep so as to make it impossible for the foot to slip for-
ward and crowd the toes, while the ball and toes should
have plenty of room thus giving free play to the foot.

This is exactly what "Dorothy Dodd" shoes do.

Our new Spring Styles in oxfords and sandals will be
here very shortly.
