THE MOST BEAUTIFUL
Cotton - Goods

--- YOU EVER SAW. ---

That's a pretty broad claim, but we consider it entirely warranted by the facts.

The fabrics have the richest and most lustrous finish that we ever saw on any but silks.

You have heard of cotton going up recently to the almost fabulous figures of eighteen cents a pound while its ordinary price should be about ten cents.

Well this cotton cost the manufacturer eighty cents a pound. It is grown on an island not far from Cuba, and it is said to grow nowhere else. It takes three years to grow to maturity, and because of its strength and lustre it has been previously used only by fine lace makers. They say it lasts for hundreds of years. It is serviceably, it is exquisitely beautiful, the colorings are rich, but dainty. It is on sale today in many stores at One Dollar a yard.

Today we have about six thousand yards to offer at 20, 35, 50 and 60 cents a yard. ---

The patterns are in keeping with the high quality of the goods. Sixty different patterns in all.

STATE NEWS.

John Tunner shot and killed his brother Ben at Madison on last Sunday morning. It seems that they met there to complete a settlement and both being drunk got into a row, one landing in his last resting place and the other in jail for murder.

Dr. Emil Deschweinitz, at the head of the government medical department, at Washington, D. C., died on the 15th. He was a native of Salem and a son of the late E. A. Schweinitz, who was Bishop of the Southern Moravian province and principal of the Salem Female academy. His remains were brought to Salem and buried there.

Ebenezer Chambers, a native of Iredell county, died suddenly of heart trouble on the 15th at the age of 77 in Winston Salem. He was one of the three midgets, sons of the late Henry Chambers, the other two having died several

years ago. Chambers was only 48 inches tall and weighed 78 pounds.

Judge Allen, who is holding court in Winston-Salem, has decided that the \$2,000 tax levied upon the trading stamp company by the Winston aldermen is unconstitutional. The company will now open a new store there.

The educational section of the Woman's Club in Charlotte have decided to begin a formal campaign against coca-cola. They claim that the drink is hurtful and that it is injuring a large number of people in the city.

The office of W. A. Eckels, junk dealer, in Wilmington, was broken into by burglars and \$75, a gold watch and a lot of stamps stolen Sunday.

Policeman W. H. McGowan brought THE REFLECTOR a very large egg that weighs a quarter of a pound. It was laid by a Plymouth Rock hen.

THE WAR FEVER SPREADING.

Turkey and Bulgaria Getting Hostile--Suffering From Cold Among Russian Troops--Senator Hanna Given State Funeral.

Another Attack.

Tokio, Feb. 17.—The report reached here today that the Japanese torpedo fleet again attacked Port Arthur on the 14th, with considerable damage to Russian ships.

Europeans in China Uneasy.

Chefoo, Feb. 17.—The effect of the Japanese victories is now plainly seen in all treaty points in the increased insolence of Japanese and Chinese coolies and Orientals generally. Throughout the whole of China the anti foreign movement is growing at an alarming rate. European residents fear a renewal of the boxer movement. It is freely predicted that events in China in the next three months will transfer the sympathy of the civilized world to the side of Russia.

Turkey and Bulgaria Hostile.

Paris, Feb. 17.—The Bulgarian diplomatic agent tells an interview that an outbreak of hostilities between Turkey and Bulgaria is imminent. Bulgaria, he says, is seeking to force Turkey to take the initiative in order to gain outside sympathy.

Wreck on B. & O.

Cumberland, Md., Feb. 17.—News has reached here of a big wreck on the Baltimore & Ohio railroad, near Gratton, Va. It is reported that many people are injured. The wires are down and officials of the company have been unable to get particulars of the disaster.

Russian Troops Suffering.

St. Petersburg, Feb. 17.—Russian troops are being sent to the far East in ordinary freight cars, 25 in each car. Great delays are being experienced and food is scarce. Many of the soldiers have been frost bitten.

War officials declare that any serious block to the line from Russia to Manchuria is liable to subject the troops to awful suffering. The temperature is from 30 to 60 degrees below zero.

Speaking in the Opera House.

Hon. W. A. Dunn, of Scotland Neck, will address the citizens of Greenville in the opera house next Friday night at 8 o'clock upon the subject of the establishment of a dispensary in the town. Mr. Dunn is an earnest, vigorous speaker and our people may expect to hear something good. Everybody should hear him.

WHICHARD ITEMS.

WHICHARD, N. C. Feb. 16, 1904.

Mud is increasing as fast as snow is decreasing.

Owing to the bad weather there was a small crowd at Briery Swamp Sunday, but every one there enjoyed a good and instructive sermon by Rev. M. T. Lawrence, of Hamilton.

C. L. Whichard, of Norfolk, who was at Washington a few days last week on business, came up Sunday morning and spent the day with his mother, Mrs. M. A. Whichard, and returned yesterday.

W. R. Whichard went to Norfolk last Friday and returned Sunday.

S. M. Jones, from near Bethel, and his daughter, Miss Bettie, came down Sunday.

Mrs. G. M. Mooring is sick.

Eli Powell has been very ill for some time.

Senator Hanna Given State Funeral.

Washington, D. C., Feb. 17.—Beneath soft rays filtering through the grand glass sky lights of the senate chamber, rests the flower covered casket holding the remains of Senator Marcus A. Hanna. Beside the bier in silent vigil stands the guard of honor.

The late senator from Ohio, has been given a solemn funeral of state. Half hour before noon the galleries of the senate began to fill with those who held cards of admission. A tremendous number of people applied for admission but only a fraction of them could be granted, owing to the small accommodation of the galleries.

At 11 o'clock a detachment of mounted police drew up in front of the Arlington hotel and in a few minutes the coffin was borne down the steps and placed in the hearse. As the cortege moved to the capitol grounds stood along the street with bowed uncovered heads despite the desperate cold.

A detail of capitol police met the procession and carried the casket into the senate chamber where it was reverently placed on the catafalque that performed similar service two years ago for martyred President McKinley.

A wonderful profusion of floral offerings were heaped on the bier and a few minutes before the noon hour distinguished personages who came to assist in the rite were seated in their appointed places.

Throughout the ceremony Mrs. Hanna was remarkably brave. Rev. Edward Everett Hale, chaplain of the senate, officiated at the services.

Alexieff Cheers His Army.

St. Petersburg, Feb. 17.—Admiral Alexieff, Viceroy of the far East, has issued the following orders to Russian troops: "The heroic army and fleet have been entrusted to me by the Emperor. We must remember it is our sacred duty to protect the Czar and the Fatherland. Russia is great and powerful, and if our foe is strong this must give us additional strength and power to fight him. Let us unite for the coming struggle. Let every man perform his task remembering that prayer to God and service for the Emperor are never wasted. Long live the Emperor. God be with us. Hurrah!"

Change of Postmasters.

There will soon be a change in postmasters of the office at Greenville. The term of Mr. J. J. Perkins, who has served as postmaster for ten years, expires on the 19th, and as he did not desire reappointment for another term Mr. R. C. Flanagan was recommended as his successor.

Mr. Flanagan has been given the appointment and Mr. Perkins will turn the office over to him as soon as all arrangements can be made.

Mr. Bailey's Speech.

Mr. J. W. Bailey, of Raleigh, made an excellent speech in the opera house, Tuesday night, on the drink evil and dispensary. A large audience was present and much interest was shown in all the speaker said. As THE REFLECTOR is rather crowded today we wait until tomorrow to give a synopsis of the speech, as it was of such a character as to need more than the short reference that could be made to it today.

WINTERVILLE ITEMS.

WINTERVILLE, N. C., Feb. 17.

Last Sunday Mrs. J. H. Smith fell on the ice and broke her arm.

Carlos Harriss, of Greenville, was here Sunday.

L. A. Hudson, of Black Jack, has been visiting friends here this week.

Dr. B. T. Cox when not in the country can be found either at his residence or at the store of R. G. Chapman & Co.

In a few few days Harrington, Barber & Co. will be ready to serve their customers with any thing in the merchantile line.

To those who were the chief sufferers in the recent fire A. G. Cox very generously donated checks from twenty-five to fifty dollars each.

Mrs. Martha Grizzard, and old lady who lived near here, died last Saturday and was buried Sunday afternoon.

Wool Kittrell, who has been living for quite a while in Newbern, came home Saturday.

G. A. Kittrell and family spent Sunday afternoon in the country.

Miss Huldah Cox is home on a visit.

J. D. Cox after spending several days at home has returned to Shelmerdine.

Rev. Mr. Griffith accompanied by the bishop of the Episcopal church of the eastern diocese of North Carolina held services in the Episcopal church here yesterday.

A. Cooper, of Roanoke Rapids, who has been visiting his son, J. R. Cooper, and his brother, Rowan Cooper since Sunday returned home today.

Guy Taylor has his stock of goods in rear of post office, as also has the Wierterville Mfg. Co.

G. A. Kittrell & Co. are erecting a temporary store near the depot on East side of railroad.

Alfred Stocks, living near here, after a very long illness died Saturday and was buried Sunday.

Our burnt district just now presents rather a desolate appearance, yet in a little while with a "presto" things will have changed.

Already workmen are engaged clearing away the debris and as early as possible ten brick stores will be built. We are of the opinion that everything happens for the best. Darkness often is followed by a beautiful light and we have at no time despaired of Winterville one day ranking in the social and financial world as a town noted for its men of enterprise, thrift and never say die. They are here now and have ever been, and with that pluck so necessary for the accomplishment of success in life they are fully endowed. Hence our friends in the distance need have no fear other than Winterville and her people can take care of their own. We have been down in the mouth, but are all right now.

A. G. Cox has sold the store on north end of brick block to H. L. Johnston and the one on south end to T. N. Manning.

Entered at the post office at Greenville, N. C., as second class matter. Subscription rates: One Year, \$3.00; One Month, 25 cents; One Week, 10 cents. Delivered in town by carriers without extra cost. Advertising rates reasonable and can be had on application to the editor or at the office. We desire a live correspondent at every post office in the county, who will send in brief items of news as it occurs. Write plainly, and only on one side of the paper.

WEDNESDAY AFTERNOON, FEBRUARY 17, 1904.

"THINK ON THESE THINGS."

The bar room stands wide open to the poor, besotted drunkard, as well as to the moderate drinker. The dispensary will stand closed to the poor, unfortunate wretch whose strength and manhood have been sacrificed upon the altar of strong drink.

The bar rooms stands wide open to the youth of tender years, as well as to the strong man.

The dispensary will stand closed to the boys for whom fathers and mothers think and plan and pray, and to whom they look and upon whom they depend for love, for sympathy and for support in the years to come.

The bar room gladly dispenses its liquid fire in small quantities—by the drink—as well as in large quantities, and thus encourages the social feature of the drink evil, by far the most dangerous feature connected with the drink habit.

The dispensary will entirely eliminate the social feature of the drink evil by prohibiting all drinking within its doors, and will sell only in sealed packages.

The bar room is run simply and solely in the interest of its proprietor, the community must bear all the fearful burdens it imposes, without any share whatever in its profits.

The dispensary will inflict upon the community fewer and lighter burdens by far, and at the same time gives to the community all of its profits.

The bar room stands wide open as a place of rowdyism for the idle, the vicious, the vulgar and the profane, a devil's school in which boys and young men are initiated and instructed in the ways of sin and vice and crime.

The doors of the dispensary will stand closed to loafers of all grades. The law governing the dispensary prohibits all loafing and lounging within or about it.

The bar room keeps its doors wide open to late hours in the night, and the loud talking, and jesting within attracts the fun loving boys and young men as they pass, they pause, they hesitate, they enter, and alas the work of ruin is begun.

The dispensary will tightly close its doors before the shades of night fall upon the earth, and they will remain closed until the lamp of heaven floods a new day with light, under no circumstances can its doors be opened at night.

The profits of the bar room depend upon the quantity of liquor sold, the more it sells the greater its profits, hence the bar keeper must do his best to drum up customers regardless of the sorrow and shame and tears and blood it may cost others.

The dispensary will be placed in charge of salaried officials whose compensation is the same whether much or little is sold, hence the temptation to drum for customers is entirely removed.

All above being true and much more the voters of Greenville will do well to "think on these things."

The Senate has reached the spot where they will either have the canal dug or else dig its grave.

Japan has refused contributions offered in her aid from the United States, and no foreigner will be allowed to enlist in her army.

Carnegie gave \$16,000,000 to philanthropic purposes last year. Yet so great is the unhappy fellow's income that he is still very far away from the achievements to die poor.

"Hon. C. L. Walcott, Director of the U. S. Geological Survey," never tires of novelties. He has appointed Mr. Kunz to be "Radium Commissioner" to the World's Fair at St. Louis,—salary \$4,000. Now fetch on the experts! Who is going to be Solium Commissioner?—and X-ray Commissioner?—and Tripbrite Commissioner?—and Liquid Air Commissioner?—and Congealed Sunshine Commissioner?—and Weather Breeding Commissioner?—and Aeroplane Commissioner? Hurrah for science with a big, big S! We cannot have too much science—especially science that hard-working people pay for and nobody understands.

Virginia is up against a tough proposition. To send that negro who assaulted Mrs. Shields and daughter from Richmond back to Roanoke to be tried is to incur an expense of twenty five or thirty thousand dollars for guards, when more than likely he will be lynched any way, so the legislature is to try to pass an enabling act to have him tried in Richmond. After all it turns out that according to Mrs. Shields herself, that she was not outraged at all, though knocked in the head with a hatchet and her throat cut, while her little girl was almost killed. Convicted of these things alone he will probably not suffer the death penalty—unless a mob can get their hands on him—and this is what makes the rabble so mad.

The Institution of Conscience.

It may be only a coincidence, or a series of them, but it is an incontestable fact that American sympathies have always been on the winning side in foreign wars. In the Crimean War of fifty years ago our sympathies were with France and England, and they won out; in the Franco-Prussian War of 1871 we wanted Germany to win, and win she did; and now, in the contest between Japan and Russia, our hearts go out to the plucky little islanders. If each and every one of these cases the philosophers would tell us beforehand that our sympathies were on the wrong side, but the plain people, as Lincoln called them, somehow have a way of expressing their opinions, which the logic of events, and history itself, usually proves to be correct.—Ex.

James Bowman, aged 16 years, shot and almost instantly killed his father at Rodefert, McDowell county, W. Va., on the 15th while the latter was severely chastising his wife, the mother of the lad, in her home.

Escaped an Awful Feat

Mr. H. Haggins of Melbourne, Fla., writes, "My doctor told me I had Consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and owe all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases by Wooten's Drug Store. Price 50c and \$1.00. Trial bottles free.

Chamberlain's Stomach and Liver Tablets, Unequaled for Constipation.

Mr. A. R. Kane, a prominent druggist of Baxter Springs, Kansas, says: Chamberlain's Stomach and Liver Tablets are, in my judgement, the most superior preparation of anything in use today for constipation. They are sure in action and with no tendency to nauseate or gripe. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bro. Farmville.

RELIEF IN ONE MINUTE.

One Minute Cough Cure gives relief in one minute, because it kills the microbe which tickles the mucous membrane, causing the cough and at the same time clears the phlegm, draws out the inflammation and heals and soothes the affected parts. One Minute Cough Cure strengthens the lungs, wards off pneumonia and is a harmless and never failing cure in all curable cases of Coughs, Colds and croup. One Minute Cough Cure is pleasant to take, harmless and good alike for young and old. Sold by J. L. Wooten.

Another Case of Rheumatism Cured by Chamberlain's Pain Balm.

The efficacy of Chamberlain's Pain Balm in the relief of rheumatism is being demonstrated daily. Parker Triplett, of Grigsby, Va., says that Chamberlain's Pain Balm gave him permanent relief from rheumatism in the back when everything else failed, and he would not be without it. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Notice of Dissolution.

Notice is hereby given that on the 16th day of January, 1904, the firm of H. C. Edwards and Charles Cobb, doing business under the style of Pitt County Buggy Co., was dissolved by mutual consent. The interest of Charles Cobb was purchased by H. C. Edwards and the latter assumes all the liabilities of the firm and will continue the business under the same name of Pitt County Buggy Co. All persons indebted to the firm either by note or account are requested to come forward and settle with him as early as possible. This 18th day of Jan. 1904. H. C. EDWARDS, CHARLES COBB.

Having sold my good will, and interest in Pitt County Buggy Co. to H. C. Edwards, I wish to thank all my friends for their patronage in the past and ask that they continue the same to Mr. H. C. Edwards, who will at all times endeavor to please them with good work. CHARLES COBB. 1-18 d&w-1m

When You Have a Cold.

The first action when you have a cold should be to relieve the lungs. This is best accomplished by the free use of Chamberlain's Cough Remedy. This Remedy liquefies the tough mucus and causes its expulsion from the air cells of the lungs, produces a free expectoration, and opens the secretions. A complete cure soon follows. This remedy will cure a severe cold in less time than any other treatment and it leaves the system in a natural and healthy condition. It counteracts any tendency toward pneumonia. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bro. Farmville.

Better Than Gold

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run-down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by Wooten's Drug Store.

AN EARLY RISER.

A strong, healthy, active constitution depends largely on the condition of the liver. The famous little pills known as DeWitt's Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by J. L. Wooten.

A CURE FOR ECZEMA.

My baby had Eczema so bad that its head was a solid mass of scabs, and its hair all come out. I tried many remedies but none seemed to do any good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scabs are gone, and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Witch Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co. is on every box. Sold by J. L. Wooten.

Was Not Robbed as He Claimed.

It has been going the rounds of the newspapers that engineer Duncan, of the A. & N. C. railroad was robbed in Goldsboro on last Thursday night right under the shadow of the city hall. Mayor Hood, has sent out the following statement which will exonerate the police and discredit Mr. Duncan's story:

"The facts in the Duncan robbery case are that he, in company with an ex-convict named Dave Hinson, visited a disreputable part of the city and staid there all night. Hinson slept with Duncan and left next morning before Duncan awoke. When the police began to make an investigation Hinson was arrested and admitted taking the watch and other articles. Hinson was arrested and held until Duncan came in on his run again. The stolen articles were returned to Duncan, who said he would not be a witness against Hinson, and said that he would pay the cost and have Hinson released. I desire these corrections made, not only for the reputation of the town, but in order to show that the police were not derelict in their duty as the report that Duncan has been circulating would tend to show."

Dorothy Dodd SHOES.

The "Dorothy Dodd" Shoe has that something in beauty and style that means individuality.

It possesses 'style' in the highest degree; it gives distinction to the foot. In the diversity of kinds there are styles for every person from the exquisite evening slipper to the sturdy winter street boot; they all have a light, airy gracefulness peculiarly their own, which is sure to appeal to a woman's eye. "DOROTHY DODD" Shoes Fit, They Fit Perfectly.

Shoes should always fit closely under and about the instep so as to make it impossible for the foot to slip forward and crowd the toes, while the ball and toes should have plenty of room thus giving free play to the foot.

This is exactly what "Dorothy Dodd" shoes do.

Our new Spring Styles in oxfords and sandals will be here very shortly.
