UNITED STATES SUPREME COURT

REFUSES TO INTERFERE WITH ALABAMA CONSTITUTION. OTHER NEWS OF THE DAY

Justice Brown Resumes Seat.

Washington, D. C. Feb. 23.—When the United States supreme court reconvened today after a recess of several weeks. Justice Brown was the recipient of many congratulations from his colleagues and others who feared he might never be able to resume his active duties because of threatened blindness. After tedious and trying weeks spent in a dark room, with his eyes hidden under heavy bandages, he has now recovered practically the full use of his left eye, the sight of which seemed hopelessly lost two months ago, and the sight of his right eye, which had been useless for two years, has improved noticeably under the treatment given the left eye.

Rauch and Preston.

South Bend, Ind., Feb. 23.—Morris Rauch, of Chicago, is down for a 10 round contest here tonight with Eddie Preston, of Kalamazoo, who recently gained victories over "Kid" Commodore and Joe Cherry. The winner of the bout will probably be matched to meet Abe Attell next month.

Bourke Cockran Goes to Congress.

New York, Feb. 23.—W. Bourke Cockran was elected without opposition today at the special election held in the twelfth district to fill the vacancy in Congress caused by the resignation of George B. McClellan after his election as mayor of New York. The district is overwhelmingly democratic and the republicans decided not to put up a candidate, fearing the effect of a big democratic majority on the election next fall.

The Thief Captured.

Washington, D. C., Feb. 23.—Mrs. Payne, wife of postmaster general, has been informed by the police authorities that her maid, Mrs. Anna French, has been arrested in Brooklyn and that all her jewelry, valued at \$1,800, and \$55 of the missing \$150 in cash, which the woman stole several days ago, have been recovered.

U. S. Troops to Panama.

Washington, D. C., Feb. 23.—United States troops have been ordered to Isthmus of Panama. Orders were issued today by the war department directing the third United States infantry, stationed at Fort Thomas, Ky., for Sheridan, Ill., and Columbus, Ohio, to prepare for duty. They will take the places of the troops now on the isthmus.

Powers Getting Ready.

Constantinople, Feb. 23.—The Port is advised of the greatest activity among vessels of the Russian Black sea fleet and at the dock yards of Sebastopol and Odessa. It is also stated that British warships are concentrating along the Greek archipelago. This activity is believed merely to be preparations by both powers to be in position to take a strong stand in the event of a Balkan crisis.

Zeno Moore left this morning for Baltimore.

F. M. Hornaday, of Cincinnati, Ohio, who has been visiting his parents, Rev. and Mrs. J. A. Hornaday left this morning for Edenton.

Panama Treaty Ratified.

Washington, D. C., Feb. 23.—The Panama canal treaty will be ratified by the senate this afternoon with the necessary two thirds vote and about thirteen to spare. The ratification of the treaty marks the finish of one of the greatest legislative contests in the history of the country. Incidentally it means a signal victory and a \$2,000,000 fee for one of the best known corporation lawyers in the United States, William Melrose Cromwell, of New York, general counsel of the Panama Canal Co.

The White House Crank.

Chicago, Feb. 23.—Edward Reglar, whose persistent efforts to see President Roosevelt resulted in his arrest at the white house, is known in Chicago. F. S. Whiting says he believes Reglar is his nephew whose real name is Frank Coe. The latter, says Whiting is dangerous, having killed his wife and attempted suicide several years ago. He was sent to an insane asylum but escaped.

Kaiser in Bad Shape.

Manchester, Eng., Feb. 23.—London correspondent dispatches say he received from authoritative source positive information that Kaiser Wilhelm's throat trouble is really malignant.

Handsome Chairs for Telegraph Operator

It seems that the cushions mentioned a few days ago was a forerunner of better things to come. Monday afternoon a truck drove up and stopped in front of the telegraph office, a darkey appeared in the door with "Whar does yer want dese chairs?" "Whose chairs are they?" he was asked. "Deys some Mr. Col. Sugg tole me ter bring here."

There were two elegant revolving office chairs, one for the manager of the telegraph office and one for the assistant operator. The chairs were presented by Col. I. A. Sugg, the bull leader of the Greenville market, in behalf of himself and the members of the local cotton exchange for the courtesies shown them by the telegraph office management and employees.

The office assures Col. Sugg and the gentlemen of the exchange that the handsome chairs are greatly appreciated, and the motive that prompted the giving of them will not be lost sight of.

Great Castastrophe Averted.

New York, Feb. 23.—An explosion of three tanks containing nearly three millions cubic feet of gas, from which an enormous loss of life and property would have resulted, was averted today by fire chief Croker in a manner that was novel even to fire fighters. Flames from a burning factory opposite the gas tanks were blown against the huge receptacles until it was feared they would explode at any moment. All streams of water were ordered away from the burning building and the streams were so sent in the air that they formed a perfect wall of water between the fire and the tanks. Had the tanks exploded there is little doubt that buildings for a mile around would have been demolished.

GENERAL NEWS.

In an effort to close up a pool-room that has long been operated in the outskirts of Madison, Ill., across the river from St. Louis, six men were seriously hurt as the result of a riot.

A total loss of \$85,000,000 as a result of the fire in Baltimore is shown by the city tax assessment books, a compilation having been completed on the 20th. This includes realty and stock of goods.

Geo. D. Morgan, nephew of J. Piermont Morgan, and his Japanese bride have arrived at Chicago on their way to New York. Mrs. Morgan can not speak english, but through the medium of her husband it is learned that she likes America from the view point of a tourist, but is not quite sure that she could reconcile herself to the American style of dress for women.

Speaking Tonight.

As the weather is favorable and the opera house will be comfortable, there should be a large crowd out tonight to hear Hon. W. A. Dunn speak on the temperance question. There will be music as well as good speaking tonight.

Women of an Ohio town are building a church all by themselves—and they'll probably occupy it the same way.

TUESDAY AFTERNOON, FEBRUARY 23, 1904.

WHO IS RESPONSIBLE?

The curse of whiskey drinking lays its hand heavily upon those who fall into the habit. The unfortunate is led on from bad to worse, until he is finally overcome and ruined.

The awful cry of those who have been stung by this viper is heart rending. The poor wife whose smiles are banished and whose heart is broken, the children who cry for bread and are given a stone, and the blight upon their name are some of the evils.

Hear what Joseph Staten, who was hanged at Hanover C. H. Va., for murdering his wife while under the influence of drink has to say on the gallows:

"If the distilleries, breweries, saloons, and the making, buying and selling of strong drink could not be without your consent, then you who hold the balance of power are responsible for the greatest of all evils—the deadly whiskey traffic. If Mr. A. can't distill whiskey without the consent of Mr. B. then, Mr. B. is as much responsible for the existence of the distillery as is Mr. A., if not a little more so. If Mr. C. can't sell whiskey, or open a saloon without the consent of Mr. D., then, Mr. D. is as much responsible for the saloon as is Mr. C. If the whiskey traffic is the worst of all evils; if the licensed saloon is the hot bed of vice, crime, lust and a thousand other evils—and who dare deny it—then those who give their consent for the mother and breeder of evil is as guilty as are those who engage in the diabolical business."

Can any conscientious man deny that this is the truth? Can any man who loves his posterity face the issue now before the citizens of Greenville and say that the saloon can continue its blighting and blasting work and he remain guiltless?

The dispensary will place in the hands of honest, law abiding citizens the control of this business.

Games, slot machines and other gambling paraphernalia will not be allowed to entice the boys and youths. If we should find ourselves menaced by a rattlesnake and couldn't kill him out right, the next best thing to do is to pull his fangs.

If we can't kill the whiskey evil all at once, let us do the next thing, pull its fangs by establishing the dispensary.

Russia has at last awakened to the fact that it is best to let the truth be told in giving publicity to matters, and has abolished the long existing censorship of news going abroad from that country. Some day she may also learn that it is wise to even let her own press print facts just as they are.

If you fail to vote for the dispensary and your boy, who is now a child, becomes a victim of the saloon, who will you blame? The saloon keeper, eh?

Wanted—Some bright boys to patronize saloons. Have you some you could let us have for customers?

PUT YOUR MONEY IN BANK.

The fact that all the bank and deposit vaults in Baltimore stood the severe heat, and all the contents were saved, teaches a lesson that all people should heed. The Baltimore News says:

One lesson which our experience in connection with the great fire ought to impress upon everybody who needs the lesson is the marvelous security furnished to everybody, great and small, rich and poor, by the institutions of banking. Checks are being cashed in the regular way, and savings banks are ready to meet the demands on them, although there had been a fire, within a week, destroying almost the whole of the chief business section of the city, and making many of the banks themselves homeless. It is difficult for people accustomed to the advantages and the security of banks to realize that there are still many persons who, through ignorance or self conceit, imagine their money is safer in a stocking up the chimney, or under a mattress, or in a bureau drawer, than it would be if entrusted to the keeping of a bank. Every now and then, some pathetic story is heard of the savings of a lifetime destroyed by some act of carelessness or some unexpected accident which sweeps away such a hoarded treasure, either through theft or destruction. If the fire of a week ago had burned down great numbers of dwellings, there would have been quite a considerable chapter of losses in the shape of accumulations of money which have been kept out of the banks by over suspicious people, destroyed by the flames.

Mr. Carnegie has generously agreed to donate a library building to the Normal and Industrial College at Greensboro. Now to give him the opportunity to do the right thing, let him be advised that G. F. College has also been burned.

A number of people not subscribers are being given the opportunity of reading THE REFLECTOR this week. We hope many of them will like it well enough to get on our subscription list.

Are you dodging behind the fact that you favor prohibition or high license? The issue is dispensary or saloons. Be a man and take your stand on this issue.

Mr. Cleveland's few remarks, attracted more attention than the ordinary president's message.—Durham Herald.

That's easy. There was more in what he said.

Dispensary Receipts.

During the month of January the Wilson dispensary sold \$6,608 worth of whiskey, and the last days showed an increase over the sales the first of the month. If the sales continue during the year in this proportion or about \$80,000 for the entire year, with an estimated profit of at least 25 per cent., there will be \$20,000 revenue into the tax fund of town and county instead of about ten thousand under the bar room system.—Wilson Times.

Fellows who go from the "rural districts" to Congress and can't live in Washington on \$5,000 a year, ought to remember that they are not sent there by the plain toilers to try to keep up with the high flyers. It will get so after while that no man can go to congress unless he is rich. Something is wrong about the thing somewhere.—Wilmington Star.

Chamberlain's Stomach and Liver Tablets, Unequaled for Constipation.

Mr. A. R. Kane, a prominent druggist of Baxter Springs, Kansas, says: Chamberlain's Stomach and Liver Tablets are, in my judgement, the most superior preparation of anything in use today for constipation. They are sure in action and with no tendency to nauseate or gripe. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bro. Farmville.

Another Case of Rheumatism Cured by Chamberlain's Pain Balm.

The efficacy of Chamberlain's Pain Balm in the relief of rheumatism is being demonstrated daily. Parker Triplett, of Grigsby, Va., says that Chamberlain's Pain Balm gave him permanent relief from rheumatism in the back when everything else failed, and he would not be without it. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

RELIEF IN ONE MINUTE.

One Minute Cough Cure gives relief in one minute, because it kills the microbe which tickles the mucous membrane, causing the cough and at the same time cleans the phlegm, draws out the inflammation and heals and soothes the affected parts. One Minute Cough Cure strengthens the lungs, wards off pneumonia and is a harmless and never failing cure in all curable cases of Coughs, Colds and croup. One Minute Cough Cure is pleasant to take, harmless and good alike for young and old. Sold by J. L. Wooten.

A CURE FOR ECZEMA.

My baby had Eczema so bad that its head was a solid mass of scabs, and its hair all come out. I tried many remedies but none seemed to do any good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scabs are gone, and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky., In buying Witch Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co is on every box. Sold by J. L. Wooten.

Perfect Confidence.

Where there used to be a feeling of uneasiness and worry in the household when a child showed symptoms of croup, there is now perfect confidence. This is owing to the uniform success of Chamberlain's Cough Remedy in the treatment of that disease. Mrs. M. I. Basford, of Poolesville, Md., in speaking of her experience in the use of that remedy says: "I have a world of confidence in Chamberlain's Cough Remedy for I have used it with perfect success. My child Garland is subject to severe attacks of croup and it always gives him prompt relief." For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

Whiskey and Beer Habit PERMANENTLY CURED BY "ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC
Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes.
"ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

CURE GUARANTEED OR MONEY REFUNDED.
Mrs. E. Wycliff, New York City, writes: "ORRINE" cured my husband, who was a steady drinker for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."
Mrs. W. L. D., Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him 'ORRINE.' He is now fully restored to health and has no desire for drink."
Mr. A. E. L., Atlanta, Ga., writes: "I was born with a love of whiskey and drank it for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of 'ORRINE' cured me of all desire and I now hate the smell of liquor."
Price \$1 per box. Mailed in plain, sealed wrapper by Greene Company, 317 14th St., Washington, D. C. Interesting book—Treatise on Drunkenness, (sealed free on request. Sold and recommended by J. W. BRYAN, Druggist, Greenville, N. C.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders.
I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me.

Better Than Gold

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Greeny, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by Wooten's Drug Store.

STATE NEWS.

Dr. J. V. Jay, who last October
murdered his three children in
Asheville, who has been convicted
of the murder of one and sentenced
to the state prison for 30 years,
has pleaded guilty to murder in the
second degree in the other
two cases. Judgment has been
suspended in these cases pending
the execution of the former sen-

Mr. Andrew Carnegie has in-

C. C. Jones, of Goldsboro, the
man who held the stolen North
Carolina bonds of which so much
has been said in the papers,
has been arrested in New York
City. When arrested he had
\$12,000 on his person. Jones, it
will be remembered sold his pool
room in Goldsboro several weeks
ago, drew his money out of the
banks, and left for parts unknown.
It is said that before Jones left
Goldsboro, that he sold large
quantities of stamps and the ques-
tion is, where did he get the
stamps. It is supposed that he
has been implicated in some of the
postoffice robberies in Eastern
North Carolina.

Dorothy Dodd SHOES.

The "Dorothy Dodd" Shoe has that something in beauty
and style that means individuality.

It possesses 'style' in the highest degree; it gives dis-
tinction to the foot. In the diversity of kinds there are
styles for every person from the exquisite evening slipper
to the sturdy winter street boot; they all have a light,
airy gracefulness peculiarly their own, which is sure to
appeal to a woman's eye. "DOROTHY DODD" Shoes
Fit, They Fit Perfectly.

Shoes should always fit closely under and about the
instep so as to make it impossible for the foot to slip for-
ward and crowd the toes, while the ball and toes should
have plenty of room thus giving free play to the foot.

This is exactly what "Dorothy Dodd" shoes do.
Our new Spring Styles in oxfords and sandals will be
here very shortly.
