### Sheriff Holds up Parade.

Richmond, Va., March 24.—Sheriff Mayo, of Wilson county, North Carolina, this afternoon stopped a carriage in which Admiral W. S. Schley was riding at the head of a procession of Mystic Sheiners and held out his hand to the hero of Santiago. The following colloquy is reported by those in the admiral's carriage:  
"Howdy admiral," said the sheriff.  
"How are you sir asked the admiral?"  
"My name is Mayo."  
"A good name," said the admiral.  
"I am from North Carolina."  
"Good state," said the admiral.  
"Wilson county," continued Mayo, "and I am the sheriff."  
The admiral congratulated him and the hackman drove on.  
March put in some blowing today like it wanted to make up for lost time.

### THE WEATHER.

Fair in western, showers in eastern portion, much colder tonight. Sunday fair and colder.

### Uncertain.

Writing about the weather is as uncertain as the war news. If we write a pretty weather item it rains before the paper is printed, and a foul weather item is apt to catch the sun shining. Anyhow, the report indicates that overcoats can do service tomorrow.

The physicians of Pitt county in Convention assembled announce that their Black List will be placed in the hands of the subscribers by May 1st. Any one indebted to a physician for medical service had best settle their account prior to this date and avoid being placed upon the list. DSw-24 to 1.

### WINTERVILLE ITEMS.

WINTERVILLE, N. C., Mar. 26.

Wanted—An accident policy in case anything should happen to write about.

Miss Fannie Roach, of Coxville, was visiting Miss Bessie Chapman Friday.

Hot yesterday! The fruit of today we cannot tell and tomorrow is equally uncertain.

We return thanks to A. D. Cox for a beautiful reed pine stem. It is over three feet long, nicely jointed and elegantly shaped. As we smoke, between each whiff we shall think of our friend and from our heart thank him for his gift.

J. D. Cox, who has been to Lat and Dillon, S. C. for sometime came home last night.

Burton Bryan accompanied Howard Harris home yesterday to visit until Monday when they both will return to resume their studies.

S. A. Kittrell went to Kinston Tuesday night and J. R. Cooper to Greenville Wednesday morning.

Our young friend Harvey Cox after a long spell of fever is able to be out and will begin work next week.

Large quantities of Irish potatoes are being planted in this section this season.

A. D. Johnston now occupies his new residence on Railroad street.

Again it is said the merry marriage bells will ring out and make more than one heart glad in our town.

The old saying "It takes an intelligent person to go crazy," does not always hold good. Unfortunately some do not pass the ordeal but are born that way. We have seen evidences of the fact.

No matter in what direction one may cast his eye, new buildings of various kinds can be seen going up in our midst.

The young men of the Winterville High School will give a public debate next Friday night. The public are invited to attend. These debates are always interesting and of a very high order.

M. G. Moye, of Greenville, was in to see us Thursday.

We tender congratulations to W. A. West, of Shelmerdine, N. C., and J. D. Cox, of Dillon, S. C., upon their good fortune in having someone to send them such nice flowers as were expressed from here yesterday.

Mrs. Dr. Blount, of Standard, was here Friday.

Peter Hines, of Ayden, on his way home from Greenville, stopped over a short while Thursday.

Why are certain of our young men so sad and pensive since the closing of certain schools just around us. They remind us of the days when, we, too, felt as if a shad bone had gone wrong and wouldn't get straight.

McMichael, of Madison, the chief marshal of the occasion is R. L. Hammond, Laurinburg.

### An Interesting Case.

An amusing case has been occupying the attention of four of our distinguished lawyers and two of our best magistrates the past two days. It is the case of Mr. Stephen Morris vs. Tom Coleman and Tom Coleman vs. Mr. Morris. The extent of the damage is so complex and there are so many knotty propositions of law involved that a decision is not expected right away and may require at least two or three sleepless nights.

The first case was that of Tom Coleman vs. Mr. Morris, who was a tenant last year on Mr. Morris' land. He sued Mr. Morris for \$15.70 for one-third of the guano which the landlord refused to pay.

Mr. Morris then had Tom indicted for burning rails on Morris' place and assessed the damage at \$25.00, and he also accused Tom of keeping his old horse fat on apples picked up under the Morris apple trees. These apples were worth \$25 per year.

Tom's big eyes bulged when he found that Mr. Morris had a balance of about \$60 00 against him, so he remembered that one night after that old horse got in the apple orchard, he got the colic and the horse doctor was called Tom calculated that he was out of time and doctor's bills for a colicky horse eating apples that won't do good ceptin fer to give the colic, about \$75.00. So there it stands. Tom's side of the ledger shows \$75.00 for colic and \$15 00 for guano, while Mr. Morris' ledger shows burnt rails \$25.00 and \$50 for apples.—Wilson Times.

### Sunday School Union.

The quarterly Sunday school mass meeting will be held Sunday afternoon in the Presbyterian church. The different Sunday schools will assemble at the respective churches and go in a body to the meeting.

There are 615 students at the University of North Carolina, which is a record-breaking attendance.

### Continue Early Closing.

During the progress of the union services in the Presbyterian church most of the merchants of the town have been closing their stores early at night. As the time of year is now close at hand for early closing anyway, it would be just as well for them to continue closing early, except on Saturday nights, as they have already begun doing so. It will help the merchants and their salesmen also to do this.

### Big Hog.

While Mr. J. F. Godley, of Chocowinty, was in today to get a receipt for THE REFLECTOR, he told us that he killed a hog, a few days ago, that weighed 401 pounds dressed. That was a large hog, and Mr. Godley says was the fattest one he ever killed. He says he bought the hog from Mr. H. H. Proctor, of Grimesland, who has some very fine stock and believes it pays to raise the best.

The Equitable Life Assurance Society of the United States, is the strongest Life Company in the world, having a surplus of seventy three million dollars above all liabilities. A man of character and ability, who can furnish satisfactory references, can secure a valuable renewal contract to represent the Equitable in Greenville and surrounding territory. Address, W. H. PAINE, District Agent, 3 26-2td Wilson, N. C.

### THE UNION SERVICES.

"Behold How Good and How Pleasant it is for Brethren to Dwell Together in Unity."

It has been a long time since Greenville has had so interesting and enjoyable a protracted meeting as the union services which have been in progress in the Presbyterian church during the past two weeks. Rev. J. A. Hornaday, of the Methodist church, has done the preaching at night and all his sermons have been excellent. He speaks plainly, practically, forcibly, and under his preaching sinners have been led to Christ and Christians have been drawn closer to their Master.

Rev. W. E. Powell of the Christian church, F. G. Hartman of the Presbyterian church and A. T. King of the Baptist church, have been faithful lieutenants in the meeting, these conducting the morning services, and Mr. King having charge of the choir and leading the singing at all the services.

The meetings have been well attended and much good has already resulted. It will continue to bear fruit for a long time, only eternity revealing the full extent of the good accomplished.

All the churches will hold services Sunday morning and there will be another union service at night.

The predicted big run of shad has not come along.

SATURDAY AFTERNOON, MARCH 26, 1904.

Frequent accounts of crimes committed in Wilson county indicate that there is almost an epidemic of murders and incendiaries in that county.

A candidate is known by the smile that he wears.—Atlanta Journal.

And a little later he will be known as the ex-candidate by the smile that he doesn't wear.

The war news is something great and seems to be good only for space filling in the papers. Reports of Japanese victories come one day, only to be followed by Russian denials. And so it goes, the readers on this side of the globe being left to believe anything or nothing.

### WASHINGTON CORRESPONDENCE.

WASHINGTON, D. C. Mar. 25, 1904.

I met Senator Burrows of Michigan yesterday at the very mouth of his committee room and asked him when he was expecting to have the report on Senator Smoot's case ready. With a startled surprise he said, "O, not yet, of course; not till we get the rest of the testimony." Responsive to further inquiry he said "Yes, there are some to come yet from the far West; I cannot say just how many. And of course I cannot tell just when. We shall report as soon as we get through." After which oracular utterance he slipped down the elevator to the Senate. I went into the committee room and asked his clerk when there would be another hearing. "I do not know," he said. "There are no more witnesses yet." "But seven have been summoned?" I asked. "No none yet, but I understand it is intended to summon others." From which your correspondent gathers confirmation of a conclusion hitherto expressed in these letters that Senator Reed Smoot will not be disturbed until after the presidential election, for reasons which politicians familiar with affairs in Utah, Idaho and Montana will readily understand.

Two noted trials are on hand, that of Senator Burton of Kansas, before the district court of St. Louis, for selling his influence for \$2,500; and that of Judge Swaine of Florida before congress, for "high crimes and misdemeanors." In this latter case the house judiciary committee has voted to impeach him for incompetence and corruption by an affirmative vote of two republicans and six democrats. Republicans contend that it is a partisan persecution and the chances are that they will, for that reason, keep the case from coming to trial.

The Salvation Army bill before the senate is a colonization scheme of Booth Tucker asking for several million acres of irrigated land for religious people, the settlers to be provided for by the United States government lending them \$5,000,000 a year. No one settler shall borrow from the government more than \$1,500 at one time. This was Senator Hanna's famous bill and Senator Hoar new bestows upon it a belated smile.

Secretary Wilson of the Department of Agriculture is not a bashful man. He wants a new building, to cost millions of dollars, and he wants to set it intrusively upon the Mall between the Capitol and Monument encroaching upon the magnificent park and defeating the improvement plan which a congressional committee has approved. He will have to keep off of the vista.

The public schools of this city

are in a demoralized condition. What with a curriculum ridiculously overloaded, 5,000 little children in the streets and alleys of the city who cannot get into a schoolhouse, pretentious efforts to prepare youth for college who cannot spell, high schools which waste the money that ought to go to elementary training and a board of education whose members are too timid to correct the grievances which they know exist, the educational facilities of the capital of the United States are at their lowest ebb.

### What a Boy May Do.

The retirement of Rear Admiral O'Neil, of the United States navy, emphasizes the possibilities, that lie before a boy who lets nothing come between himself and the achievement of success in life. He started as a hand before the mast, in the merchant marine, and reached the post of admiral in the navy of the greatest nation on the earth. An Englishman by birth, he began school Roxbury, Mass., when he was five years of age. At seventeen he became a sailor, and suffered shipwreck in the Indian Ocean. He was on the U. S. S. Cumberland when she was sunk by the Confederate iron clad Virginia, off Newport News, and he received a commendatory letter from the navy department for the part he took in that memorable affair. He was also given the appointment of acting master in the navy, and climbed the ladder round till he became chief of the Bureau of Ordnance, with rank of rear admiral.—Baltimore News.

## Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.

If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. This system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

## Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each.

Kodol cures indigestion, dyspepsia and all stomach disorders. I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y.

### COLDS CAUSE PNEUMONIA.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind. who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by John L. Wooten.

Purchased a applause has a hollow sound.

A heart full of hope makes a face full of light.

### DO YOU WANT STRENGTH?

If you want to increase your strength you must add to and not take from the physical. In other words, food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by J. L. Wooten.

A luxury is anything that you can't afford.

### A CURE FOR ECZEMA.

My baby had Eczema so bad that its head was a solid mass of scabs, and its hair all come out. I tried many remedies but none seemed to do any good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scabs are gone, and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Witch Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co is on every box. Sold by J. L. Wooten.

Tomestone epitaphs don't fool the recording angel.

### More Riots,

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic and effective nerve and the greatest all around medicine for run down systems. It dispels nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50 cents, and satisfaction guaranteed by Wooten's Drug Store.

All play and no work makes Jack a bad boy.

## Whiskey and Beer Habit

PERMANENTLY CURED BY

### "ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes. "ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

CURE GUARANTEED OR MONEY REFUNDED.

Mrs. E. Wycliff, New York City, writes: "ORRINE" cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."

Mrs. W. L. D. Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him "ORRINE." He is now fully restored to health and has no desire for drink."

Mr. A. E. L. Atlanta, Ga., writes: "I was born with a love of whiskey and drank it

for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of "ORRINE" cured me of all desires and I now hate the smell of liquor."

Price \$1 per box. Mailed in plain, sealed wrapper by Orrine Company, 37 1/2 St. Washington, D. C. Interesting book—Treatise on Drunkenness, (sealed free on request.) Sold and recommended by

J. W. BRYAN, Druggist, Greenville, N. C.

### A FAVORITE REMEDY FOR BABIES.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup but when given as soon as the croupy cough appears will prevent the attack. For sale by Wooten's Drug Store, Greenville R. L. Davis & Bro. Farmville.

Politics sometimes makes strange cell-mates.

### BEST REMEDY FOR CONSTIPATION

"The finest remedy for constipation I ever used is Chamberlain's Stomach and Liver Tablets," says Mr. Eli Buttler of Frankville, N. C. "They act gently and leave the bowels in a perfectly natural condition." Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.
