#### C. L. WILKINSON & CO.

Their Spring Opening in Progress. The spring opening display of C. L. Wilkinson & Co., began today and is strikingly attractive. On one side is an array of lawns and on the other is woole's of light weights and colors. It is an exhibit of dress goods of which any firm might feel proud. No less beautiful is the display of trimmings, ornaments, laces, collars, fans, parasols, and all articles the ladies need. They can hardly desire anything in the line of dress or ornament but what is shown here. The display does the firm great credit and witnessing it has given the ladies great pleasure. Large numbers of them visited the store today.

#### J. B. CHERRY & CO'S OPENING.

The Seasons New Dress Goods and Trimmings.

No firm in our midst keeps more abreast with the Easter spirit and season than the popular firm of J. B. Cherry & Co. The spring opening now in progress at their store bears testimony of the taste and judgment of their buyers in selecting goods for the season. The visitor to the dry goods department of their store today was greeted with a scene of beauty. All around was a display of goods that caught every eye. A prettification was a swinging balcony trimmed in green and white and decorated with palms and green house plants.

Their display embraces all the new shades in woolen and silk dress goods, nappe voiles, embroidered batiste, laces, embroideries, belts, buttons, hand bags, fans, parasols, slippers and toilet requisites, and many other things.

The ladies like to see such pretty goods and a great number of them went today to see the splendid display of this firm.

#### THE WEATHER.

Rain and warmer tonight, Thursday rain with mer in eastern portion.

If you were to ask us "how to build up a town," we would tell you the first thing to do would be to give united, strong and unceasing support to big advertisement for the town that comes off the press every day if possible or at least once a week. Nothing like printer's ink with the right man to use it.—Wilmington Star.

#### WINTERVILLE ITEMS.

WINTERVILLE, N. C., Mar. 30. Miss Kate Chapman came home from Shelmerdine Sunday afternoon.

Claud Chapman and family, of Shelmerdine, have been visiting R. G. Chapman this week.

Louis Manning, J. W. Manning and Arthna Tucker, of Greenville, were here Sunday.

S. Atwood Kittrell has accepted a position in the office of the A. G. Cox Mfg. Co.

G. A. Kittrell & Co. bought 168 dozen eggs from one man Monday. We do not think we exaggerate if we say this firm has shipped at least one and one half tons of hen fruit within the last four months.

Miss Mattie McLawhorn, of Hanrahan, is visiting her sister, Mrs. W. L. House.

Mrs. W. M. Uzzell, of Seven Springs, after spending some time with her mother, Mrs. Evelyn Cox, left for her home Monday evening.

Sad—Our sympathies go out to our friend R. G. Chapman in the loss of a fine calf which he sustained last Sunday. Also to another friend in the death of a large sheep on the same afternoon, as well do we sorrow with the general public in the departure of that beautiful bottailed pig which is now resting under the shade of trees in a more salubrious clime. Never before in the history of Winterville has the grim monster in one day left such devastation and ruin in his wake. We assure our friends we believe "to him that hath shall be given and from him that hath not shall be taken away." Hence what a mighty source from which to draw consolation.

Mrs. Sadie Little for the first time in a long while was here yesterday shopping.

Charlie Tyson, of Ayden, has been to see us.

Miss Lena Dawson has closed her school at Littlefield, and is now at home.

Miss Clyde Dawson, is visiting friends in Griston since Sunday.

Don't forget public debate in school building Friday night. All invited.

Mrs. J. B. Galloway and Mrs. J. O. Proctor, of Grimesland, were here Sunday visiting their daughters, who are students in our school.

Miss Huldah Cox, who is teaching school at Black Jack spent Saturday and Sunday here with her mother.

L. L. Kittrell went to Greenville Saturday.

The brick work on eight of the new stores is complete and they are preparing for the wood work. There are two more stores and the factory yet to build, which will be done in short order.

Miss Hattie Kittrell was visiting Miss Eula Quinn in Greenville Saturday and Sunday.

Miss Nannie Rouse, of Griston after spending sometime here visiting the family of her brother, W. H. Rouse, returned to home Saturday evening.

W. H. Rouse and family went to Griston Saturday and returned Monday.

Rev. Mr. King, of Ayden, preached in the Baptist church Sunday morning and evening.

Mrs. W. A. West, who has been visiting Mrs. J. D. Cox, accompanied by her husband has returned to her home in Shelmerdine.

Miss Hollie Bryan came to see her parents Sunday.

Saturday morning as the mail came up two mules hitched to a

A wholesale hat company has been organized at Charlotte with \$100,000 capital.

Three of the worst persons of the Mecklenburg county chain gang have made their escape from the officers.

Mrs. William Pool, of Iredell county, aged only 18 years, was standing near the fire with her 4-months old baby in her arms, when she fainted and fell in the fire. Both were terribly burned. Mrs. Pool's injuries proved fatal and it is not thought the baby can recover.

The King's Daughters have accepted the offer of fifty acres of land in the suburbs of Lake View, Moore county, on which will be erected the reformatory for young white criminals, which work the King's Daughters have adopted as their state work. The land is the gift of the Lakeview Townsite Company.

WEDNESDAY AFTERNOON, MARCH 30, 1904.

The Japs don't find the bottling business very easy or profitable.

Mr. Petree might reserve his thunder until there is another dispensary election on somewhere.

Go pay your poll tax and it will not be necessary to keep reminding you that if it is not paid by May first you cannot vote.

About the hardest job a newspaper ever tacks is moving its outfit, and THE REFLECTOR hopes it can keep house and never have to move again.

The Raleigh News and Observer goes even beyond the border in its expansion. Tuesday's edition consisted of sixteen pages, half of them being devoted to business of Richmond.

That is usually the way of it. A Massachusetts congressman was denouncing the South because of lynchings, but when interrupted with questions about lynchings in the North expressed himself as ignorant that any had occurred in that quarter. "Ye fools and blind."

Call for State Convention.

The following call for the State convention has been issued from the headquarters of the Democratic State committee: "At a meeting of the Democratic State executive and central committee in Raleigh, March 17th, the State convention of the party was called to meet at Greensboro, Thursday June 23, at noon, to nominate candidates for governor and other state officers, two associate justices of the Supreme court, and two presidential electors at large, and to elect four delegates and four alternates at large to the national convention of the party in St. Louis, July 6th. At said meeting of the committee it was resolved that the order of business of the convention should be as follows: 1, Organization; 2, Adoption of resolutions and platform; 3, Election of delegates to the national convention; 4, Nomination of candidates. The convention of delegates to the State convention from each congressional district is hereby called to meet in Greensboro at eleven o'clock, June 22, to elect a vice president of the convention, one member of the committees on credentials, rules and order of business, permanent organization, and platform and resolutions; four members of the Democratic State committee, and two delegates and two alternates to the national convention. All Democrats are cordially invited to attend the precinct conventions to be called by the various county committees and participate in electing delegates to the county conventions.

By order of the committee.  
F. M. SIMMONS, Chairman.  
ALEX. J. FIELD, Secretary.

A Baltimore doctor thinks he has discovered the germ of mumps. He is now engaged upon the work of trying to demonstrate whether what he has found will reproduce mumps. The disease is not so bad but the fact that the doctors are learning more about it is gratifying evidence that science is still on the forward march. Undoubtedly people will live under circumstances decidedly more favorable than those which prevail at the present day.—Greensboro Telegram.

A smile is the radiant drapery of a joyous heart.  
A good way to curb a wild young man is to bridal him.

Why His Marriage Failed.

He regarded children as a nuisance.  
He did all his courting before marriage.  
He doled out money to his wife as if to a beggar.  
He never had time to go anywhere with his wife.  
He never dreamed that there were two sides to marriage.  
He never dreamed that a wife needs praise or compliments.  
He thought his wife would spend all her time doing house work.  
He treated his wife as he would not have dared to treat another woman.  
He never dreamed that his wife needed a vacation, recreation or change.  
He never made concessions to his wife's judgment, even in minor matters.  
He thought the marriage vow had made him his wife's master instead of her partner.  
He took all the little attentions lavished on him by his wife as his by "divine right" and not as favors.—Success.

# Whiskey and Beer Habit

PERMANENTLY CURED BY

## "ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes. "ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

### CURE GUARANTEED OR MONEY REFUNDED.

Mrs. E. Wycliff, New York City, writes: "ORRINE" cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."

Mrs. W. L. D. Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him "ORRINE." He is now fully restored to health and has no desire for drink."

Mr. A. E. L. Atlanta, Ga., writes: "I was born with a love of whiskey and drank it for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of "ORRINE" cured me of all desires and I now hate the smell of liquor."

Price \$1 per box. Mailed in plain, sealed wrapper by Orrine Company, 817 14th St., Washington, D. C. Interesting book—Treatise on Drunkenness, (sealed) free on request. Sold and recommended by  
J. W. BRYAN, Druggist,  
Greenville, N. C.

### COLDS CAUSE PNEUMONIA.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by John L. Wooten.

### DO YOU WANT STRENGTH?

If you want to increase your strength you must add to and not take from the physical. In other words, food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by J. L. Wooten.

If trouble with weak digestion, belching or sour stomach, use Chamberlain's Stomach and Liver Tablets and you will get quick relief. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bros. Farmville.

When we give up all God begins to give us everything.

It not only cures croup but when given as soon as the croupy cough appears will prevent the attack. For sale by Wooten's Drug Store, Greenville R. L. Davis & Bro. Farmville.

### Tragedy Averted.

"Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played said havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know it's the only sure cure for Coughs, Colds, and all Lung disease Guaranteed by Wooten Drug Store. Price 50c and \$1.00. Trial bottles free.

### A CURE FOR ECZEMA.

My baby had Eczema so bad that its head was a solid mass of scabs, and its hair all come out. I tried many remedies but none seemed to do any good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scabs are gone, and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Witch Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co is on every box. Sold by J. L. Wooten.
