SATURDAY AFTERNOON, APRIL 23, 1904.

Every month of this year so far has made for itself a record.

Next Saturday is the last day on which you can pay poll tax and save your vote.

The Smoot investigation has been resumed and the public again gets some of it on the installment plan.

It is said the Russia's war expenses average \$750,000 a day. If that rate keeps up a long war will bankrupt the government.

By the way, in the face of other sensations that keep bobbing up it seems to have dropped out of mind. But what has become of Dewey?

Somebody asked that the original Parker man come out in the open, whereupon the Lexington Dispatch arises with the claim that it was the first newspaper in North Carolina to advocate his nomination.

There is hardly a doubt that the government will have enough to keep it busy for sometime if all the scandals and frands that have been unearthed are investigated. It is likely that most of them will escape with a whitewashing.

You can't stop Mr. Bryan when he wants to talk. In Chicago he hired a hall, and paid all the expenses himself, in which to speak on the New York platform. The platform will hardly be injured by whatever he may say about it. But it looks like Mr. Bryan would do better to ally himself with the party and stop trying to create dissension.

The fraud practice on the government by a collusion of revenue officials and the whiskey rectifying concern at Milton grows worse as it is looked into. The Greensboro Patriot says the government has been swindled out of \$100,000, instead of \$30,000 as first stated. Let the lights be turned on and see who got this money.

Information came from Washington that the suggestion of Senator Simmons, that North Carolina send an instructed deligation to the national convention, of Senator Overman nor of a majority of the congressman of this state. They say it has been the invariable practice of North Carolina to send her delegates uninstructed to the conventions, and they see no reason for departing from the long established custom, especially as it is practically certain who the nominees of the convention will be.

Be Careful What You Say.

The tongue of a tattler contains ten times more venom than that of a rattlesnake. One slighting remark about a neighbor will have a stigma on the character for a lifetime. Be careful what you say. It is just as easy to speak a cheering word to a weak brother as it is to give him a kick. The kick may send him to the dogs and disgrace his family and friends, while the word of cheer may lift him out of the mire and cause him to set his feet on the solid rock that leads to good citizenship and honor—Black Mountain Eagle.

One of the North Methodist bishops, having expressed a desire to know why more young men do not study for the ministry. The Washington Post replies: "One reason is that their faith is shaken by the ministers who are preaching on the inaccuracies of the Bible, the myths of the Scriptures, the uncertainty of religious creeds and like topics." The Richmond News Leader says that "this is no joke, although it appeared in The Post's facetious column." The funny men sometimes get off some very solemn truths.—Charlotte Chronicle.

Best Cough Medicine for Children

When you buy a cough medicine for small children you want one in which you can place implicit confidence. You want one that not only relieves but cures. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all of these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. Here's the New Millinery for Spring

Nothing but admiration---nothing but praise is heard of the Hats and Toques we've assembled. It's distinctly unique, this remarkable collection, first, because of the striking and exclusive styles, again, since the world's most famed artists are liberally represented. The creation of our own workroom, in style and quality, equal to that any exclusive milliners would charge twice as much.

SATISFACTORY Custom CLOTHING.

For Men of Particular Taste.

We have this to say to the man who has been paying \$40 to \$65 or a Sack suit made to his order: "Come to our Custom Tailoring Store, and we will make you a Spring Suit from equally handsome, distinctive materials, with just as much and as correct style and as good fit, for \$25 to \$35."

Take Thought for Your Spring Footwear

And remember, while doing so, that it is but the beginning of a long season, and that the shoes you buy now should be bought with a long look ahead. Look as far as you like, if Munford shoes are your starting point. Comfort and style, to begin with, both important factors, and, in addition, the satisfactory lasting qualities that are emphasized by continued wear. Whether you pay \$1.90 or \$5, you don't get any variation in sturdy durability, its mainly the material used.

Whiskey and Beer Habit

PERMANENTLY CURED BY "ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC
Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes. "ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

Mrs. W. L. D. Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him "ORRINE." He is now fully restored to health and has no desire for drink."

Mr. A. E. L., Atlanta, Ga., writes: "I was born with a love of whiskey and drank it for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of "ORRINE" cured me of all desires and I now hate the smell of liquor."
