The Meeting.

The subject Monday night was sanctification or Christian perfection which does not mean that a Christian is beyond temptation for Christ, himself was tempted, but it is living up to the very best knowledge that we have, making no compromise with the devil or any of his agents. A Christian's

life should be a growth, and a perfect life today would not be a perfect life next year.

The subject for tonight is the witness of the Spirit. Service begins at 8 o'clock.

The work of placing the seats and scenery in the new opera house in Masonic temple is now going on.

G. D. Stephenson, who left last week for Cary to see his aunt, has returned. We regret to learn of the death of his relative.

Misses Annie Stox and Airlie Moore, of Winterville, spent Saturday and Sunday with Mrs. W. C. Jackson.

The people in the Timothy church neighborhood were certainly kind to we excursionists Sunday. They not only furnished conveyances to and from the church, but extended every courtesy in their power and spared no pains to make our visit a pleasant one. How well they succeeded is attested by the hearty words of praise and the earnest request of our friends, to extend to them through this medium our sincerest thanks. We are not surprised at the treatment we received at their hands for we have known them all our lives and they don't really know how to treat people other than kind. I was a grand occasion with us and one long to be remembered.

Mrs. Willie Prince, of Paralele, after spending some time with Miss Nolie Smith, left for home Monday.

Court in Greenville this week seems to demand attention from many of our people.

About 300 persons went on the excursion to Timothy last Sunday. It was one of the most pleasant we ever attended. Not a jar, but many a jostle, not an unkind word, but smiles serene and sweet were all along the way and there is not a companion on the trip but votes Mr. Cooper, Capt. Berry and all the railroad officials a capital set of jolly gentlemen. All would enjoy having a repetition of this pleasant occasion.

Charlie Spier is a juror this week.

Mrs. Jessie Hart who has been visiting in Kinston came home yesterday.

The remains of Mr. J. B. Gardner were bought here from Maple Cypress last Friday and buried in the town cemetery. Elder C. W. Howard, of Kinston conducted the funeral services at the grave. A large number were present from Maple Cypress and Grifton. Mr. Gardner was held in very high esteem and his family have the sympathy of all our people.

The first brick was laid on the new brick stores yesterday. When the workmen complete their job seven more nice buildings will add to the appearance of our already beautiful and progressive town.

M. L. McGowan and Bruton Bryan, of Winterville, were here a little while Friday afternoon.

Has anyone called a meeting to consider that cotton seed oil mill?

We haven't heard the toot-e-toot of the brass horn yet.

At the town election here yesterday the regular convention nominees were elected as follows: Mayor, J. J. Stokes; Commissioners, R. W. Smith, Jesse Cannon, Levi Piece, S. A. Jenkins, and Sebron Cox.

Japs Win Big Battle.

Tokio, May 1.—7 p. m.—After five days of fighting, largely with artillery, the first Japanese army under General Kuroki, has forced a crossing of the Yalu river and today with a gallant infantry charge covering a frontage of four miles, it drove the Russians from Chlu Tien Cheng and the heights on the right bank of the Iho or Aide river, which enters the Yalu from the north almost opposite Wijn. The Japanese turned the left flank of the Russian position, and in the battle of today they swept the new front interposed by the Russians to check their onward movement. The present position of the Japanese is a dominating one and they may force the abandonment of the defenses erected by the Russians at Antung and other points lower down the river.

Dropped Dead.

Mr. W. H. Everett, of Martin county, died quite suddenly Sunday. He went to Flat Swamp to attend church and was in apparent good health. On his way home he stopped at Robersonville for dinner and just after dinner dropped dead. He leaves a large family.

It is up between Greensboro and Winston-Salem to see which can do the most talking for their candidate.

The Raleigh News and Observer announced that the last dollar of indebtedness against it has been paid. It is a paper that deserves success and is finding it.

The finance committee of the colored A. & M. college at Greensboro in its report to the board of trustees states that the accounts of the institution are well kept and the officers efficient in their duties. At the end of the fiscal year ending April 23, the institution had \$1,175.44 on hand. Mr. W. A. Darden is chairman of the finance committee.

The trial in Raleigh last week between the corporation commission and the Atlantic Coast Line railway to compel the latter to restore the connection at Selma, ended in a verdict that the railroad should obey the order of the commission and restore the connection by running an extra daily train from Rocky Mount to Selma. This is good news for the people in the Eastern section of the state.

Durham has a \$5,000 damage suit on hand, growing out of the smallpox. A man was told by the health officer that he had smallpox and was sent to the pest house. He was afterward discharged, but having remained at the pest house with another man who did have the disease he later developed a genuine case and was sent back to the pest house again.

STEMMERIES TO CLOSE.

Act of English Parliament Will Close American Tobacco Stemmeries.

The recent act of the house of commons in England in imposing a differential duty of \$6 per hundred pounds on stripped tobacco, that is stemmed leaf, is of the utmost importance to leaf dealers in this country, but exactly the effect it will have is not fully known yet. The head officials of the Imperial Tobacco Company, in England, have notified the stemmeries in Richmond, Danville and other places where they are working to cease stemming tobacco for export. The stemming of the company in this city has been closed for some time and consequently no order was necessary at this time, but the effect will be undoubtedly to shut down every stemmery in this city and in fact all on this side the Atlantic next season.

A representative of The Free Press waited on Mr. Woodson, manager of the Imperial interest in the city, this morning, and inquired his views of the effect the act would have. Mr. Woodson stated that as he had not been officially advised of the passage of the act of English parliament he did not care to express officially an opinion, but said that it appeared now that the effect would be to close the stemmeries of the Imperial and all independent con-

cerns that stem tobacco for export. What effect this will have on the independent leaf dealers is not yet clear, but one thing is known, that it will throw hundreds of thousands of negroes who have earned their livelihood that way, out of employment.

Mr. John E. Hughes, of Danville, Va., a big leaf dealer and exporter of tobacco, was here today and says that independent dealers are feeling great concern for tobacco in England and in transit, as it is not known on this side when the act becomes operative and whether the duty will be imposed on it or not.

The cause of the trouble is that heretofore an advalorem import duty was imposed on all tobacco shipped into England and to avoid paying duty on stems the tobacco was stemmed in this country for export, but the new act makes a differential of \$6 per hundred pounds of strip, that is the import duty on stemmed tobacco is \$6 per hundred more than on leaf unstemmed, and the difference makes it favorable to shipping in its unstemmed state. As stated the effect on independent dealers, except these having stripped tobacco to come under the new act, is not known, but it appears that the stemming in this country is doomed except where directly connected with the factory here.

There is no reason for the act to effect the price of tobacco to the farmer, and in fact it would seem that he would benefit by it by having greater opportunity for getting labor on account of the number thrown out of employment in the shutting down of the stemmeries. Kinston Free Press.

NO EXTORTION IN ST. LOUIS.

Liberal Accommodations at Moderate Rates Assured by the Administration.

The management of the St. Louis World's Fair is determined that visitors to the great Exposition shall enjoy ample accommodation at reasonable rates, hence under its auspices an enormous hotel called The Inside Inn has been erected inside the grounds of the Exposition.

This splendid hostelry is three stories high, 400 feet long and 800 feet long. It contains spacious parlors, reading rooms and reception rooms. Its dining room and restaurant seats 2,500 people at a time, and it contains 2,257 sleeping apartments. All visitors to this hotel enjoy the same service and the same excellent table, the range of prices being determined simply by the location and size of the rooms. The hotel is run on both the European and American plans, and rates vary from \$1.50 to \$5.50 per day, European and from \$3.00 to \$7.00 American including admission.

The comfort and convenience thus afforded visitors in not having to go outside the grounds or of incurring the trouble and crushing of street cars and suburban railway service cannot be overestimated. Once a visitor registered at The Inside Inn no further admission to the Exposition is charged, and after a tiring morning or afternoon one can readily return to their room, wash and rest up, refresh themselves with a first class meal and then turn out and enjoy the pleasures of the evening in the Exposition grounds.

The enormous capacity of The Inside Inn assures good accommodations for all, no matter when or in what numbers they come—but those who prefer to reserve their rooms in advance can do so now.

Full details of rates and reservation can be had by sending a postal card to The Inside Inn, care of Administration Bldg., World's Fair Grounds, St. Louis.

Dispensary Case.

Upon reassembling of court Monday afternoon, the reading of affidavits in the dispensary restraining case consumed considerable time. Following these the argument of counsel began and two speeches were made before court adjourned. These were by J. L. Fleming for the plaintiffs and by L. I. Moore for the defendants. This morning Gov. Jarvis made the closing speech for the defendants and Col. Skinner the closing speech for the plaintiffs. These speeches consumed the morning session of the court.

The matter is now with Judge McNeill and his decision will determine it.
