#### WOMAN IN BULL FIGHT

##### Quick Work With a Shot Gun

Mrs. J. E. Browning, who lives some three miles west of Durham, adjoining the plantation of Mr. E. M. Jones, engaged very unexpectedly in a fight with an enraged bull yesterday at noon and she was not long in dispatching his bullship. She ended his life with a well directed shot gun which, fortunate for her, was close at hand when she was attacked.

The animal, it is said, belonged to Mr. B. N. Duke and was of very fine stock. He had broken away from "The Meadows," Mr. Duke's farm near University Station, and had wandered as far as the home of Mrs. Browning, when he came to his sudden death.

Mrs. Browning went out about noon to look after her cow, which was tied near the home. She wore a red shirt waist. The bull was coming that way and seeing the red dress decided that it was a challenge to battle and accepted the challenge at once, charging towards Mrs. Browning.

To gain safety in flight Mrs. Browning did not have time, so she decided quickly on what course to pursue. Her husband had a shot gun in the field, close at hand, which he had been using to keep crows away from his corn. Mrs. Browning remembered this in the moment of her peril and she used it with a quickness and directness of aim that would have done credit to an old veteran of many battlefields. Grabbing the gun, she raised it to her shoulder and fired both barrels at the enraged animal, now but a few paces away. The entire charge of shot struck the bull fairly between the eyes and he was a dead fighter in less time than it takes to reckon how it all came about.

But for the gun being close at hand and the promptness with which Mrs. Browning acted there is no doubt but that she would have been seriously, if not fatally hurt.—Durham Herald.

#### MEETING CLOSED.

##### New Church Building in Contemplation.

Wednesday night Rev. J. A. Hornaday closed the meeting which he has been conducting in the Methodist church for a week and a half. His closing sermon was on the judgment, how all must appear before God and be judged out of the books according to their works.

After the sermon he made a brief talk regarding the contemplated new church building and said he had called on six members whose subscriptions aggregated \$2,600. He felt greatly encouraged at this beginning and hoped others would be equally liberal when called upon, as they will be soon. The new church will occupy the lot on Washington street near Dickinson avenue.

#### RIOT AT GRIMESLAND.

##### Three Negroes Brought to Jail.

It seems that certain negroes around Grimesland have been imbibing the spirit of the James City element and have become imitators of them by openly defying the law and officers of the town.

One day last week a negro guilty of a violation was arrested by Policeman Gibson, of Grimesland. He was taking the prisoner to the lock-up when other negroes surrounded them and took the prisoner away from the officer and let him escape.

The policeman waited his time, and Wednesday found where the escaped negro was. He went again to arrest him and more disorder ensued, the negroes defying the authorities of the town and making all manner of threats of violence. A telephone message was sent to Greenville and last night Deputy Sheriffs Leon Tucker and Jack Harrington went to the scene of the trouble. These officers and the Grimesland authorities proceeded to the house in which the leaders of the riot were, and for a while there was a stormy time. After some fighting three negroes wanted were overpowered and they have been brought to Greenville and placed in jail. One of the negroes showed fight till the last and had to be beaten before he would surrender.

#### RUNAWAY MARRIAGE.

##### Love Wins The Victory.

Early this morning Mr. John Ormond and Miss Myrtle Holloway of Swift Creek township, came to Greenville. They lost no time in applying to the register of deeds for license, and after obtaining this they next sought the services of Justice C. D. Rountree to unite them in marriage.

The ceremony took place a little past 9 o'clock at the home of Justice Rountree, on Greene street, and the couple left happy.

The bride left her home Wednesday evening, ostensibly to spend the night with a friend. During the night, as had been pre arranged, Mr. Ormond called there for her, and accompanied by another couple they drove to Greenville.

Wonder what kind of trouble the new applicant for a receiver is looking for.

A good bit of war news comes one day and it takes the press dispatches five more days to tell over how it happened.

The Greensboro Record has installed a Mergenthaler typesetting machine and the appearance of the paper is much improved.

In some counties of the state the question is being agitated of paying all county officers fixed salaries instead of fees as at present.

The Russians say they have not commenced fighting yet. At this rate the Japs will have them licked before they get ready to start.

Though the nominating convention will be late, there is beginning to be talk of county officers. The woods will be full of them further on.

Speaker Cannon says no, he would not be the tail end of the ticket under any circumstances. So another running mate will have to be found for Roosevelt.

The negroes of this state are contending for one of their race as a delegate to the republican national convention, and the bosses are in somewhat of a quandary.

As the merchant's association is never heard of now it is presumed that the organization accomplished all it could for the town and quit. Or did it die from doing nothing?

H. M. Emerson, W. J. Craig, T. M. G. P. A. Wilmington, N. C.

W. R. Odell, of Concord, declines to enter the contest for the nomination for congress in his district, because his business interests demand his attention. That is really refreshing, that a man has business enough to keep out of the office hunting.

Perhaps every town has a bad side and a good side, or at least bad features and good features; Carthage recently defeated a proposition to issue bonds for water works. That sounds bad. That same town boasts of being the quietest of its size in the state. With a population of between twelve and fifteen hundred, it has not had a regular policeman in over a year. That sounds good.

"Dopes and Such."

The following from Col. Olds' Raleigh letter to the Charlotte Observer reveals a fearful state of affairs in Raleigh, and Raleigh is not the only place:

The writer does not know whether the conditions prevailing here are prevalent in other North Carolina towns, but taking it for granted that they are, it is really ghastly to think about the amount of 'dope' medicines, if they can be dignified by the name of medicine, which are swallowed by young men and women daily. The conditions here are really something horrible in some cases. The things that people take are astonishing. For example, I hear of a lady in this city who each week drinks two quarts of bay rum. She used to drink cologne, but has now gone beyond that. Then there are others who drink paregoic in enormous quantities, one taking it to the amount of half a dollar's worth a day. There are men who take Peruna, with its 55 per cent of alcohol and all sorts of coal tar products besides, in such quantities as to stagger belief. There are men, young men, who wake up in the morning with that dark brown taste in their mouths, who cannot hold a hand steady or do one thing on earth until they have had a few pulls at a cigarette, of course inhaling the smoke, and then taking a dose of some one of those dreadful 'bracers.'

Then there are the coco-cola fiends who hurry into the drug stores as soon as the latter open to swallow their beverage, have it sent to them at their places of business all times of day, and then repeat their visit to the drug stores. How one sighs for the golden days, even say 25 years ago, when the cigarette and the dope drinks were not abroad in the land, and when people who went to soda fountains were happy in drinking soda water, lemonade and that sort of thing. The whole matter is not treated in any spirit of jest, but as one of the most distinguished doctors in North Carolina said to the writer, though one came back from the dead and told these people of what they were doing and what would be the result they would ridicule him. They pay no attention to what a doctor says, but on the contrary do exactly the other thing. There is no way of reaching them, unless some law will do it. It appears that there will have to be regulations covering the sale of beverages. To some this may look like an unreasonable supervision, but the saving of the race demands stern measures if necessary, since the kindly ones fail.

# Whiskey and Beer Habit

## PERMANENTLY CURED BY "ORRINE,"

### A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupifies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes. "ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

### CURE GUARANTEED OR MONEY REFUNDED.

Mrs. E. W. Welfel, New York City, writes: "ORRINE" cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."

Mrs. W. L. D. Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took the sanitarium treatment, as well as other advertised cures, but they all failed until we gave him "ORRINE." He is now fully restored to health and has no desire for drink."

Mr. A. E. L. Atlanta, Ga., writes: "I was born with a love of whiskey and drank it for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of "ORRINE" cured me of all desire and I now hate the smell of liquor."

Price \$1 per box. Mailed in plain sealed wrapper by Orrine Company, 37 1/2 St. Washington, D. C. Interesting book—Treatment on Drunkenness, (sealed) free on request. Sold and recommended by J. W. BRYAN, Druggist, Greenville, N. C.

## Cured His Mother of Rheumatism

"My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

## An Open Letter

From the Chapin, S. C. News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effect. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale at Wooten's Drug Store, Greenville; R. L. Davis, Farmville.

## Whooping Cough

"In the spring 1904 my children had whooping cough," says Mrs. D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale at Wooten's Drug Store, Greenville; R. L. ### Where he Hitched his Horse.

A farmer who drove into Iole, Kan., some time ago found all of the hitching racks in town full, so he tied his horse to an empty box car standing on a side track in an alley. A few minutes later a switch engine coupled on to the car and started up the alley. The hitch strap in this instance was a rope, and it was tied around the animal's neck. The horse did fairly well until he encountered a telephone pole. The buggy was demolished there.

The engine kept on going and so did the horse, until an other telephone pole was reached. Then the horse tried to go on one side and engine and car on the other. The animal's neck was broken. Now the farmer wants damages.—Topeka State Journal.

### Didn't Want the Family.

He had at last summoned up sufficient courage to "ask papa," when to his astonishment, the blustering parent demanded, "Are you capable of supporting a family, sir?"  
"No, sir," he replied with great firmness. "My father tackled that job and has had his wife's family on his hands ever since. I only want your daughter, sir, not the family."

### LETTER TO A. J. GRIFFIN.

Greenville N. C.

Dear Sir: Would you like to hear of a 20-year paint?

Mr. James A. O'Neil's house, Henderson, N. C., was painted 20 years ago with Devoe lead-and-zinc, and never painted again till last year; it then looked better than common paint in half that time.

The reason is: Devoe is all paint and true paint; while the common paints are part true and false. Don't pay to monkey with paint.

And Devoe costs less than any of 'em; not by the gallon, of course; by the house and year. That's how to reckon it. Go by the name.

Yours truly

F. W. DEVOE & Co.
