WINTERVILLE ITEMS.

WINTERVILLE, N. C. May 21, 1904.

The merchants of Winterville were fortunate in securing Mr. Perry to do their painting. His work is tastily done and his signs are showy.

LETTER TO GREENVILLE LUMBER & VENEER CO.

Greenville N. C.

Dear Sirs: Two years ago the estate of the late Congressman Scott, of Erie, Pa, painted 24 Rolling-Mill houses one coat Devoe at a saving of 11 per cent for paint (lead-and-oil was after the job).

That's how the tale reads. We infer what really happend.

The buyer, as usual, went by the cost of paint; got bids. Lead-and-oil bid low and guess the quantity low; the saving was only 11 per cent.

Nobody seems to have thought of this: the painting costs two or three times as much as the paint. How much did we save on the painting? Don't know.

The tale end with this: We often refer inquirers to those houses, for wear of Devoe.

That's a good-enough story; but nobody knows what it is. Our only difficulty is want of paint-intelligence.

Yours truly
F. W. DEVOE & Co.

P. S. H. L. Carr sells our paint.

TRIPLE DROWNING.

Three Men Perish in the River.

On Sunday Allen Forbes and his son Charles, together with Henry Arnold, Charles Braxton and Louis Allen, all white, went to Bell's seine beach, about three miles below town, on Tar river. Late in the afternoon the five men crossed the river in a canoe. Just before reaching land the boat took water and sunk. Louis Allen and Charles Braxton swam ashore and saved themselves. Allen Forbes and Henry Arnold had also nearly reached a place of safety when they saw Charles Allen, who was a cripple, struggling in the water and went to his aid. The three were drowned together.

Tidings of the accident reached town some later and a messenger went out to the home of Mr. Forbes to advise his wife of it. When the messenger reached the home he found mourning already there, an eight-months-old child having died about the time the drowning occurred.

All of the bodies were found today.

The Meeting.

The meetings at the Christian Church are still attracting large audiences. Mr. Jones' sermon Sunday morning on the "Model Church" was a clear and forcible presentation of the characteristics of the Jerusalem Church. He gave the following description of this first Church: 1, It was Christ's church; 2, the members were Christians; 3, the creed—Christ; 4, discipline—the Bible; 5, baptism—immersion; 6, communicants—all Christians.

There was a large crowd of men at the men's meeting at 3 o'clock. Mr. Jones spoke in a plain and pointed manner. He gave some strong advice to men to quit "playing the fool."

At night the church was filled to overflowing. The subject was "A Church Trust." Mr. Jones discussed the question from an economical, a philosophical and scriptural standpoint, on the following basis: 1, on the Bible as the book of faith and practice; 2, on Christ, the only creed; 3, on Christian, the only name; 4, immersion, the only baptism.

A WORD TO THE LADIES.

EDITOR REFLECTOR:

Will you please allow the clerks the space in your paper for a few words. The first of May the merchants of Greenville agreed to close their stores at 7 p. m. thereby giving the clerks an opportunity for a little recreation. But the ladies do not seem to wish these clerks to have this opportunity. Many of them wait until time for the stores to close to call or send for some needed article, thereby preventing the closing of the stores on time. The clerks would appreciate it very much if the ladies would send or come earlier and we believe they will when they consider the inconvenience they are causing the clerks.

MONDAY AFTERNOON, MAY 23, 1904.

TO THE CITIZENS OF THE TOWN OF GREENVILLE.

A very important problem in the administration of our town government is the question of economy. Every taxpayer in the town of Greenville should, and doubtless does, feel a deep interest in the growth and development of our town. Especially is this true since the sale of the improvement bonds, and makes it certain that at an early date we are to have street improvements, water works and electric lights. These improvements, while they mean the development and progress of our town, yet they mean large expenditures of money.

It becomes a question of vital interest to every taxpayer that the government of the town should be administered with strict, substantial and business-like economy. We desire to call the attention of the taxpayers to a matter wherein at least \$1,000 can be saved in the administration of the town government and yet in no wise impair the efficiency of the administration. The matter to which we desire to call the attention of the citizens of Greenville is the item of salary paid to the Town Treasurer and Tax Collector. The amount of taxes collected by the Tax Collector and by him turned over to the Town Treasurer is approximately \$18,000. The Tax Collector for his services receives five per cent. The Town Treasurer for his services receives two and one-half per cent. on receipts and two and one-half per cent. on disbursements. Thus we are paying \$900 per year to the tax collector and \$900 a year to the town treasurer, making an aggregate of \$1,800 per year the citizens of the town are paying merely to have the town taxes collected in and paid out.

We heartily commend the efficiency of each one of the present officials. They are good officers and they are to be commended for their efficient work, yet these same officials would gladly perform the duties of the office for a much smaller consideration than is now paid them. The duties and labor connected with the treasurer's office are exceedingly light; being merely to receive the money from the tax collector, and pay it out by order of the board of aldermen. The duties of the tax collector are more laborious, yet are such that a much smaller compensation than that now paid would suffice.

There are quite a number of citizens of the town, thoroughly competent business men who would willingly accept the office of treasurer, and thoroughly and accurately perform all the duties attached thereto for \$300 per year. There are also quite a number of thoroughly competent business men who would accept and perform the duties of tax collector for \$500 per year. Thus all the duties connected with the two offices can be thoroughly and efficiently executed for \$800 per year, for which we are paying the enormous sum of \$1,800 per year and by so doing save \$1,000 to the tax payers of the town of Greenville in the administration of those two offices alone.

There are one or two other items in the administration of the town government; wherein an additional saving of one to two hundred dollars can be made.

These are important questions to the taxpayers of the town of Greenville, and while we have no complaint to make in regard to the present administration, yet experience should add to the usefulness and efficiency of our Board of Aldermen, and no doubt they will make such changes as will be expedient and beneficial to the people at large.

Some Unexpected Evidence.

Mrs. Neiswanger, of Beloit, sued the Missouri Pacific Company for \$10,000 damages for injuries received in a fall for which, she alleged, the company was responsible. The case was tried in Rooks county.

B. P. Waggener wanted to prove that there was a full moon at the time the accident happened and to place the responsibility on the plaintiff. He sent a boy down town to a drug store to get an almanac of that year. Without examining it, except to see that it contained the proof which he desired, he offered it in evidence.

The attorney for Mrs. Neiswanger, in his argument, said that the defendant company was the property of Jay Gould and other millionaires, who had amassed a fortune amounting to hundreds of millions; Mr. Waggener protested against this line of discussion, declaring that there was nothing in the evidence to warrant the statement.

"But there is, may it please your honor," the other lawyer declared. "It is in the evidence offered by Mr. Waggener himself."

Where!" exclaimed Mr. Waggener.

"In this almanac," the opposing lawyer said, and sure enough in the book were pictures and short sketches of Jay Gould, Russell, Sage, Henry Marquand and other associates of Gould, and every one of them said to be worth from \$75,000,000 to \$100,000,000.

The jury returned a verdict of \$5,000 for Mrs. Neiswanger.

Definition of a Blush.

"A blush is a temporary erythema and calorific effulgence of the physiognomy, aetiological by one perceptiveness of the sensorium when in a predicament of unequilibrium from a sense of shame, anger or other cause, eventuating in a paresis of the vasomotor filaments of the facial capillaries, whereby, being divested of their elasticity, they are suffused with a radiance effeminating from an intimidated praecordia."—American Medicine.

A New Jersey judge has ruled that a boy is worth twice as much as a girl. Before him were two suits against a railroad for damages in the killing of children. The jury gave a verdict for \$5,000 in the case of the girl and for \$6,000 in the case of the boy. The railroad filed a plea of excessive damages in both cases and the judge dismissed it as to the boy but entertained it in the other to the extent of reducing the award to \$3,000. He held that a boy should be accounted double the value of a girl, because of his larger capacity to earn wages. A girl may become a wage earner, said the judge, but a boy must. Now, how would that ruling work out against the actual conditions in one of these international matches between an English lord and an American heiress?—Charleston Post.

 "My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at times able to walk.  From the Chapin, S. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy of hand gave each of us a dose and we at once felt the effect. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. BENSONIZER LUNG CURE.
NO MORE EXILE FOR CONSUMPTIVES.
 A Cure at Last Obtained, After a Searching Investigation, by St. Louis Scientists.
 A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.
 So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.
 Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located the main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

A Cure For Piles
 "I had a bad case of piles," says G. F. Carter, of Atlanta, Ga., "and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." DeWitt's Witch Hazel Salve is unequalled for its healing qualities. Eczema and other skin diseases, also sores, cuts, burns and wounds of every kind are quickly cured by it. Sold by J. L. Wooten.

Ladies And Children
 Who can not stand the shocking strain of laxative syrups and cathartic pills are especially fond of Little Early Risers. All persons who find it necessary to take a liver medicine should try these easy pill and compare the agreeably pleasant and strengthening effect with the nauseating and weakening conditions following the use of other remedies. Little Early Risers cure biliousness, constipation, sick headache, jaundice, malaria and liver troubles. Sold by J. L. Wooten.

A Startling Test,
 To save a life, Dr. T. G. Merrit of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

When The Sap Rises
 Weak lungs should be careful. Coughs and colds are dangerous then. One Minute Cough Cure cures coughs and colds and gives strength to the lungs. Mrs. G. E. Fenner, of Marion, Ind., says, "I suffered with a cough until I run down in weight from 148 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. L. Wooten.

A Sure Thing
 It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdton, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whoop, Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten. Druggist. Trial bottles free. Reg. U. S. Pat. 50c \$1.

THE ULTRA SHOE.

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. They form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as well as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
