Fighting the Boll Weevil.

Washington, May 24.—Dr. L. O. Howard, chief entomologist of the Department of Agriculture, has returned from a tour of investigation of the boll weevil and yellow fever mosquito problems in Mexico.

Dr. Howard made a thorough study of the boll weevil parasite. He discovered, however, that the boll weevil has reached an elevation of 6,000 feet, which was much higher than it was expected the pest would go.

Dr. Howard also visited Louisiana and examined the precautions adopted in the effort to keep the weevil out of that State. Dr. J. H. Stubbs, director of the Louisiana State Experiment stations, says he feels confident that it can be kept out for some years. The Louisiana shore of the Sabine river is the most dangerous means of spreading the pest into Louisiana from Texas. The rest of the state boundary is heavily timbered, and is patrolled by men for whose services the State is reimbursed by the Federal authorities. Even the negro laborers who cross the boundary are rigidly inspected and into places where the weevil appeared last year the crops are not being cultivated at all this season.

Fire at Eagle Warehouse.

There was a small fire at the Eagle warehouse yesterday evening which originated in the third story of the prize house attached to the warehouse. The fire was found by parties first on the scene to be in a hogshead of strings and trash, and as yet can only be accounted for by conjecture, and the majority of the conjectures agree that it was due to the work of rats in knowing a match that was carelessly thrown in there or got there by some means unknown.—Kinston Free Press 24th.

The Meeting.

Interest in the meeting at the Christian church continues to grow. Another large audience heard Mr. Jones last night. His subject was the "Last Judgment." He had the closest attention as he vividly pictured the great day of the Lord. One responded to the invitation. Tonight will be the closing service as Mr. Jones has been called back home on account of the urgent calls from his people.

Got the Brains all Right.

We have a President Harper in North Carolina now, recently elected head of the Atlantic Christian College, at Wilson. He hasn't the Rockefeller money behind him, but we suspect he has just as much brains as the Chicago Harper, whose aggregation of freaks are constantly contributing to the gayety of nations.—Charlotte News.

If You Buy Guano do You Get Diamonds?

If you buy guano do you also get diamonds to boot?

If you find a diamond in guano heap is it yours or the guano man's property?

When the Atlantic Coast Line wreck occurred near Lucama a few weeks ago, many cars were smashed and the freight was scattered. Among the articles in transit was some guano, and in it turns out a beautiful supply of diamonds.

These diamonds got mixed in with the guano and other things in the wreck, and by and by a boy found a diamond, somebody else found one, a jeweler got his eyes onto them and to date some twenty-eight have been found and sold for about \$7,000.

Corner Stone Laid.

The corner stone of Tar River Institute and Theological Seminary was laid today with appropriate exercises. This seminary is established by the colored Baptists here and is located near the colored graded school building West of town. They have a creditable building going up.

The commencement exercises of the Free Will Baptist Seminary, at Ayden, will take place next week.

THURSDAY AFTERNOON, MAY 26, 1904.

As all the candidates for governor expect to get it there is good feeling among them.

The people do not owe any man an office, but there are plenty of men who think so.

When the road is leased an elephant might be disposed of by putting in the hotel, too.

Running the hotel at a loss of \$6,000 a year is not a good way to help the finances of the road.

Perhaps the teachers can tell something about the hotel after their meeting there June 8th to 12th.

The voice of the commencement orator will soon be hushed until next time, and the campaign speaker will do duty instead.

The efforts to unite the Northern and Southern branches of the Presbyterian church look like a better feeling is permeating the country.

Instead of the candidates showing gains, as the time of the national convention draws nearer it looks harder to predict who will be the nominee for president. After all a dark horse may get it.

The North Carolina editors on their way home from the World's Fair at St. Louis, presented Secretary J. B. Sherrill, of the State Press Association, with a gold headed cane. It was given as a token of personal esteem and expressed their appreciation of the untiring efforts of Mr. Sherrill in making their visit to the fair pleasant.

The question of saving \$1,000 to the town in fees paid the treasurer and tax collector by changing them from commissions to salaried offices, is worthy of consideration by the tax payers. The matter ought to be settled before the next election of aldermen so that the board may act in accordance with the wishes of the people. This is a time when every dollar possible should be saved to the tax payers.

We notice in Memphis, Tenn., papers that Mr. J. B. Tripp, a former Pitt county boy, who has won success in business both in Southern and Northern cities, has located in Memphis and in co-partnership with a gentleman from Houston, Texas, is opening a large optical establishment there. The papers say it is among the handsomest business places in the city. We are sure Mr. Tripp's great energy will win success in this new enterprise.

Joe Reece Pauses For an Answer.
Some scientific rooster is trying to learn the language of cats by getting one to mew and do about in a phonograph. When the machine is turned loose on another cat she at once recognizes it and proceeds to talk back at the machine, from which it is inferred that they have a language of their own.
Why infer? Any man who has ever noticed them knows this is true but what in the d—uce a man should want to be able to understand the language for we are unable to see, but there is no accounting for taste.
—Greensboro Record.

Vanderbilt's Decision.

A dispatch from Asheville says: After ten years' of fruitless negotiation over a six-acre slice of land that jabs itself like an offensive thorn into the lordly amplitude of Biltmore, our baronial George W. has been forced to come to the terms of the owner of that thorn. He has agreed to pay Charles Collins of sable cuticle and aforesaid a slave not only some hundreds of times the value of that big briar, but has agreed to build Charles a house elsewhere and keep it in repair for the rest of the old negro's life.

The funny part of this matter is that the lord of Biltmore was brought to terms by Collins' renting the land to a lanky mountaineer. His lordship could stand Collins as a neighbor but he drew the line at his lankiness, Collins' tenant.

Does An Education Pay?

Does it pay an acorn to become an oak?

Does it pay to escape being a rich ignoramus.

Does it pay to fit oneself for a superior position?

Does it pay to get a glimpse of the joy of living?

Does it pay the chrysalis to unfold into the butterfly?

Does it pay to learn to make life a glory instead of a grind?

Does it pay to open a little wider the door of a narrow life?

Does it pay to add power to the lens of the microscope or telescope?

Does it pay to know how to take the dry, dreary drudgery out of life.

Does it pay to taste the exhilaration of feeling one's powers unfold?

Does it pay a rosebud to open its petals and fling out its beauty to the world.

Does it pay to push one's horizon farther out, in order to get a wider outlook, a clearer vision?

Does it pay to learn how to center thought with power, how to marshal one's mental force effectively?—Orison Swett Marden, in "June Success."

A Cure For Piles
"I had a bad case of piles," says G. F. Carter, of Atlanta, Ga., "and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. Whooping Cough
"In the spring 1904 my children had whooping cough," says Mrs. D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough. This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

An Open Letter
From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effect. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale at Wooten's Drug Store, Greenville; R. L. Davis, Farmville.

BENSONIZER LUNG CURE.

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located the main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call. —From the St. Louis Globe Democrat.

One of the greatest blessings a modest man can wish for is a good reliable set of bowels. If you are not the happy possessor of such an outfit you can greatly improve the efficiency of those you have by the judicious use of Chamberlain's Stomach and Liver Tablets. Cured His Mother of Rheumatism

"My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

THE MAN'S OUTFITTER,

THE ULTRA SHOE.

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as well as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. The Gastonia Gazette's of to-day has a very thoughtful editorial on the question of Lieutenant Governorship. It thinks, and rightly, that the people do not pay enough attention to this office, and suggests either Major H. A. London, of Chatham, or Senator Joseph A. Brown of Columbus county, for the position. It does so without knowing whether it would be agreeable to the inclinations of either to be considered in connection with the nomination. "The Democrats of North Carolina," it says, "could go further or do worse than nominate Major London or Senator Brown for Lieutenant Governor. Because it looked like they were going to do worse, we have ventured to submit these humble observations." Not knowing Senator Brown as The Gazette does, we accept that paper's estimate of him. We know that the party could make no mistake in the nomination of Major London. All thoughtful people will agree with the Gazette in its view as to the importance of having a strong man on the ticket for Lieutenant Governor.—Charlotte Chronicle
