About Thirty Professions Resulted

The meeting which has been in progress for two weeks in the Christian church, conducted by Rev. J. B. Jones, of Wilson, closed Thursday night. Mr. Jones preached excellent sermon at every service and the meeting was marked by great interest all through. RESOLUTION OF RESPECT OF BRO.

W. G. LANG.

Whereas on the 30th day of March, 1904, our Heavenly Father in His infinite wisdom, selected from Farmville Lodge, No. 517, A. F. & A. M. one of its oldest members, to swell the lodge invisible.

And, whereas we the members of said lodge, wish to express in some manner our hearty appreciation of the life and character of one who was faithful, loyal and true; though the bright face is seen no more and though his voice is no longer heard here, we feel that he has left an influence for good that time cannot change; therefore, be it resolved.

1st. We bow in humble submission to the will of the Father who has but taken one of His obedient servants, unto Himself. We feel that our loss cannot be repaired, yet this loss adds to the luster of the other world, and gives us an inspiration for a purer, higher, and better life.

2nd. That we extend our heartfelt sympathy to the bereaved family in their great afflictions, praying God's guidance and that they will ever look to him to be their Husband, and Father.

3rd. That a copy of these resolutions be spread upon the minutes of the lodge, as a lasting memory of Bro. Lang, who was so true a Mason and ever so ready to lend a helping hand to a fallen brother.

That a copy of the same be sent to his family, the Eastern Reflector, and Orphan Friend, for publication.

TO MRS. T. J. JARVIS.

A Delightful Reception and Card Party in Her Honor.

A most elegant social function was given yesterday afternoon by Mrs. George W. Thompson in honor of Mrs. T. J. Jarvis, of Greenville, who with her husband, ex-Governor Jarvis, is spending some time in the city at the Yarrowburgh House.

The occasion was a brilliant one and there were some thirty or more of the leading ladies of Raleigh present on the pleasant occasion. As Mrs. Jarvis, the guest of honor entered, she was presented with a handsome bouquet of white carnations.

Six handed euchre was played and the contest was an exciting one. The first prize went to Mrs. Thomas S. Fuller, this being a beautiful cut glass bowl. The fortunate recipient most gracefully presented this to Mrs. Jarvis. The second prize, a lovely clover leaf pin was won by Mrs. Grimes Cowper.

After cards refreshments were served, and the dainty menu of salads, followed by cakes and ices was greatly enjoyed. The whole afternoon was one of real pleasure to the guests who had gathered at Mrs. Thompson's to do honor to Mrs. Jarvis.—Raleigh News & Observer.

THE WEATHER.

Fair tonight except showers in eastern portion, cooler in western and central portions, Saturday fair in the interior, showers on the coast.

FRIDAY AFTERNOON, MAY 27, 1904.

In a fire that raged for 9 hours at Yazoo City, Miss., 300 houses were destroyed and the property loss was above \$2,000,000.

The annual council of the Episcopal Diocese, in session at Wilmington, elected Rev. Robert Strange as Bishop Co-adjutor. Owing to Bishop Watson's advanced age, he requested that an assistant be elected. An effort was made to do this at the annual session in Goldsboro, last year, but a deadlock arising at the time the election was deferred.

That is a very disappointing story which comes from St. Louis about the fleecing of visitors to the great Exposition. It is rumored that extravagant prices are charged for all kinds of service. To have a grip carried a little distance costs a dollar or two and ten dollars a day for board is a common thing. This is all very unwise on the part of the St. Louis people. By this method of dealing with visitors they will scare away many who perhaps have been counting to attend the Exposition. If these stories of extravagance are true the people throughout the country will be sure to learn about it; and the Rocky Mount Record timely suggests that soon the historic "goose of the golden egg" will be killed again.—Scotland Neck Commonwealth.

This is a different condition from what was found at a recent visit to the fair. On the contrary prices were very reasonable. A person can go from Eastern North Carolina for a 10-day trip to the fair for \$60, and in that sum have some money to spend on the Pike.

Judge Hoke And Brown.

We hold the oldest living law license in North Carolina, and though long retired from the arena of forensic strife and not claiming to be the best, though the oldest lawyer, we yet claim the privilege to be heard in the synagogue of the clerics.

There are two vacancies to be filled on the Supreme Court Bench of North Carolina at the next State election. For these honored positions Judges George H. Brown and William A. Hoke have been mentioned with others. The people of North Carolina could not select two better men than the two mentioned.

Both of them are able lawyers, of clean character, of patriotic impulses of proud lineage. Judge Hoke is now riding this circuit as a circuit Judge. He has presided here several times before, and in the bar and among the people there is no dissent from the opinion that he is an able, fair, impartial and just judge; of great personal dignity, courtesy and kindness off and on the bench. There is much in blood of men, and the blood of the Hokes runs through patriots and statesmen beyond living memory.

Judge Brown is to the "manner born."

He is bone and flesh of us, a household name, a brainy conscientious and upright man, who is facile primus among our leading men, and his lineage is of the best.—R. B. Breedy in Elizabeth City Economist.

Some lazy man, who had nothing else to do, counted the grains in a bushel of wheat, and announced that they amounted to 869,720. If you don't believe it, you may count them yourself.—Durham Sun.

The Wadesboro Messenger says that John Liles and Lucy Marshall, colored, were to have been married last week, but postponed the affair until after the funeral of John's first wife, who is buried near Lileville, is preached. The funeral was preached Sunday, three preachers and a tremendous crowd of colored people for miles around being present. The marriage took place Monday.

If a man is for a thing he should say so and give his reasons for the faith that is in him. If he is against it let him say so and give his reasons for his faith. The world respects the man who fights for what he thinks is right, but it hates the fellow who is too cowardly to stand by his convictions. Sink or swim, live or die, stand by what is right and push it along, let it be water works, electric lights, the Watts law or any other measure calculated to help the community and benefit mankind. God fights on the side of the good and the brave. No man has ever lost anything in this world by standing up for what is right.

NO MORE EXILE FOR CONSUMPTIVES.
A Cure at Last Obtained, After a Searching Investigation, by St. Louis Invents.
 A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.
 So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.
 Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device has located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

Whooping Cough
 "In the spring 1904 my children had whooping cough," says Mrs. D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough. This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.
An Open Letter
 From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effect. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

FOR CONSUMPTION.
 One of the greatest blessings a modest man can wish for is a good reliable set of bowels. If you are not the happy possessor of such an outfit you can greatly improve the efficiency of those you have by the judicious use of Chamberlain's Stomach and Liver Tablets. They are pleasant to take and agreeable in effect. For sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.
Cured His Mother of Rheumatism
 "My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husband, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale at Wooten's Drug Store, Greenville; R. L. Davis & Bro., Farmville.

C. S. FORBES,
THE MAN'S OUTFITTER,

THE ULTRA SHOE.

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and comfortable to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as well as the more conservative patron and we invite a thorough inspection of our line.

Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
