OBEY THE LAW.

EDITOR REFLECTOR:

It is better to obey the law than to sacrifice. The security of life, liberty and property depends upon a strict obedience to the law. No man can deliberately violate the law with impunity. Sooner or later the chicken will come home to roost.

On the 2nd day of March, 1904, an election was held in the town of Greenville on the question of establishing a dispensary. Every voter had the right to vote as he pleased. He could vote for or against it. Mr. S. T. Hooker and Mr. W. B. Greene chose to vote against it. When they did so they voluntarily disqualified themselves to act as commissioners of the dispensary. Their election Thursday night was therefore illegal and void. They are not qualified, under the law, to hold the position and we cannot believe either of them will attempt it. So far as we know they have been law abiding citizens. We are not prepared to believe they will attempt to do a thing which the law says they shall not do. It is to be hoped that after due reflection they will decline to attempt to discharge the duties of a position which they themselves voluntarily disqualified themselves to hold. They cannot justify themselves by saying they were elected by the board of aldermen without their knowledge. The board had no right to elect them and they know it. They have no right to enter upon the duties of the position. If they attempt it they may incur liabilities which may give them trouble. They are both men of means—one of them of large means. Many interesting legal questions may grow out of their attempt to do that which the law says they are disqualified to do. Can they make a contract which will bind the town? If they make a contract which does not bind the town then do they not make themselves personally liable on such contract? Can a man who is legally disqualified to hold an office become a de facto officer or that his acts cannot be questioned? For instance can a minor become a de facto officer and would his acts not be open to attack?

Mr. Hooker and Mr. Greene are not minors but they are as much disqualified to act as commissioners as if they were. If they are disqualified then will the incoming board be justified in recognizing them or any of their contracts if they should attempt to make any? If the incoming board should refuse to recognize them or their contracts and should be sustained by the courts then will they not become personally liable on these contracts? These are a few of the interesting legal complications which may grow out of a willful violation of a plain statute. It is better to obey the law. There is nothing to fear in that line of action. There is safety there.

It is now only 12 days to the incoming of the new board. We venture to suggest that things are now in such shape that it may be wise to do nothing further about establishing a dispensary till the new board take hold. A large majority of that board voted for the dispensary. Give them a clear track and a free hand and then if the thing fails the dispensary alone must bear the blame.

Sam Hardy, who was Friday taken before Judge Brown, at Washington, was granted bail and the amount of bond fixed at \$2,000. The bond was readily given and Hardy was released from custody.

THE END OF THE CENTURY CLUB.

Reported for Reflector.]

The last meeting of the End of the Century Club, prior to the adjournment for the summer, was held at the home of Mrs. J. L. Wooten on Monday, June the thirteenth, nineteen hundred and four.

This was an occasion of unusual interest to the club, it being the birthday of the distinguished and popular president, Mrs. R. R. Cotten. As some slight token of love and esteem felt for its beloved president, the club presented her with a silver berry spoon laden with best wishes for many happy returns of the day.

Mrs. Harry Skinner presented the gift in the following artistic way:

"Dear Madam President:

In addition to the accustomed interest of our gathering, we regard it as our exceptionally pleasant privilege to meet today, upon the date of your birthday. Someone, a cynic I am sure, has said, that "every anniversary of a birthday is the dispelling of a dream." We know of no happier occasion than your own birthday, to refute so hopelessly a concession to the disappointments of life. For however fair those dreams of your girlhood may have been, we, your well wishers, can see in their realization, only the happiness of hopes fulfilled.

If as Shakespeare our study for the year has said, "We are such stuff as our dreams are made of," perhaps you brought to the making of those dreams, the same qualities that insured their fulfillment.

Few of us are sufficiently fortunate to bring to the dullness of reiterated tasks the freshness of early ideas, we are therefore doubly grateful for the never failing energy and interest you have given to every meeting, adding enthusiasm to the valuable experiences to which your other happy birthdays have contributed.

This little gift is but a slight expression of our appreciation. Its value lies in its being the exponent of our sincerest wishes and it will only become ornamental when used by yourself in dispensing a portion of that gracious hospitality with which we are all familiar. We wish you many, many happy birthdays with the hope that they may all be the birthdays of the president of our club."

The literary exercises for the afternoon consisted of the study of "The Merchant of Venice" and two papers were contributed.

"The effect of environment on the character of Shylock" by Mrs. Richard Williams and "A character sketch of Portia," by Mrs. W. A. Bowen.

Among the visitors present were Mesdames T. J. Jarvis, J. Bryan Grimes, Nappa Brown, C. T. Munford, Heber Coward.

Misses Cotten, Skinner, Brame, Wooten and the fairy-like little Miss Pattie Wooten served the guests with delicious refreshments.

Collided With Telephone Pole.

This morning Alexander Harper was out driving with little Miss Bettie Gray Sutton. Near the graded school he accidentally drove into a telephone pole and broke the buggy considerably. Neither of the occupants were hurt, though Alexander was thrown out of the buggy and had a narrow escape.

No Damage.

A horse tried to cross the sidewalk and get in the postoffice this morning. A lady and two children were in the buggy but no damage was done.

LETTER FROM TEXAS.

Crains Mill P. O. Comal County Texas.

June 10 1904.

EDITOR REFLECTOR.

Long ago I should have written to THE REFLECTOR, but LaGrippe, which seemed to have ravaged not only over the state of Texas but over all the states had prevented me from doing so.

I was indeed glad when I read in THE REFLECTOR on the 16th of April your views in regard to our jury system, that reforms were badly needed.

It is high time that the present system, when one man so to say, can hang a jury, should be done away with. I think we ought to adopt the jury system of our neighbor republic, Mexico. When in 1824 Mexico became independent, the constitution of that country was modeled after the U. S. constitution, adopting only those laws which are good, just, reasonable, and avoiding whatsoever could conflict.

In case of crimes the defendant is not allowed to have a special venire of a hundred and even more called in and even then it is hard to get a full number of jurors; no, there in Mexico the defendant cannot have more than 15 men called, of these 15 he may reject 6 and not more; the other 9 will have to act as jurors in his case. If five of the 9 find him guilty, sentence will be pronounced, but in this case the defendant will have a right to appeal to a higher court. But should all nine agree and find him guilty, there is no appeal to a higher court; sentence is pronounced and carried out. The criminal is not fed upon the costs of tax payers for weeks, or months. The punishment takes place shortly after sentence is pronounced. Nor is the condemned criminal, if death penalty is the result, honored with a new suit of clothes, nor treated to fine cigars, and savory meals. He is not hung publicly by his neck but taken out into the prison yard and shot by a detachment of soldiers. Civil cases are decided in the same way by jury.

Further I must give my compliments to the law and order abiding people of Greenville that they have done away with the saloon business, and that a dispensary has been created in lieu of saloons. But whether it will stop drunkenness, I greatly doubt. We have in Texas prohibition in more than half of the counties of the state, and in prohibition counties and local option towns there is more drinking done, more people are drunk on the streets than where saloons are tolerated by law.

Prohibition does not put a stop to drinking, it creates hypocrites.

Let us go for instance to Kansas. In spite of all prohibition you find there in railroad towns a number of saloons in violation of the law, as I have seen lately during a trip through that state. Reform is needed, but it must begin at home. Father and mother must set the noble example. Put what can be expected of a son, when the mother is given to secret drinking. Besides, the tobacco user—be it plug or snuff, smoking tobacco or cigars, will as a general thing also have a strong desire for liquors of any kind. For my part I rather would like to see all traffic in liquors stopped, if it were possible, but people have always used strong drinks and always will use them. Most of our men and women are slaves of one or the other vices. Not only men should reform, giving up drinking, but also women should reform of habits which are not only injurious to

health, but at the same time the filthiest ones, I mean snuff dipping etc. Lately I read a temperance song among other words were "I never would kiss the lips that touch liquor" I agree with it perfectly, but there ought to be added, "I never would kiss the lips that are besmeared with snuff."

Let reform begin at home, by words, entreaties and examples, and we shall have a better, a nobler class of men and women.

During my short stay in North Carolina I have experienced, seen so much that I blessed the day when I left Farmville and the state, hurrying back to Texas, though I found many a worthy friend out there, whom I never shall forget.

In my next I shall write of some of my trips on the American Continent as well as the Eastern, of my experiences and observations relating to countries and its inhabitants, beginning with my last trip to Mexico last year.

To those who are dear to me in Pitt county, my most cordial greeting. DON LORENZO DE VISCENTE.

J. A. Thomas, editor of the Louisburg Times, has been renominated for treasurer of Franklin county. This is evidence that he has been filling the office well, just as might have been expected of him.

It looks like the legalized primary will be a certainty in the near future.

Some big plays for politics are now and then made even in Greenville.

The estimating bureaus continue to make estimates as to who is ahead.

If they all get there Greensboro will have a crowd.

Some issues die mighty hard.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 to 120 cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. F. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call. —From the St. Louis Globe Democrat.

Mrs. Mary Hart who has been on a visit to Mrs. J. J. Edwards, has returned to her home in Kingston.

Lil Jackson, of Conetoe, is visiting his mother in the country near here.

We tender thanks for an invitation to be present at the marriage of the very efficient cashier of the Ayden bank, Mr. Stancil Hodges, to Miss Myrtle Moon at Burke Va., on the 29th inst; Mr. and Mrs. Hodges will be at home in Ayden, after July 4th.

Sued by His Doctor

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coacabella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

ask the readers of this paper to test the value of Kodol Dyspepsia cure. Those people who have had it and who have been cured by it, do not hesitate to recommend it to their friends. Kodol digests what you eat, cures indigestion, dyspepsia and all stomach troubles. Increases strength by enabling the stomach and digestive organs to contribute to the blood all of the nutriment contained in the food. Kodol Dyspepsia Cure is pleasant and palatable.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and lacerations before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

BETHEL NEWS.

BETHEL, N. C., June 16, 1904.

Did you ever see such cold and dry and windy weather in June? Rev. W. A. Ayers, of Elizabeth City, spent Sunday with us and preached a fine sermon. We were glad to shake his hand.

Hotel Blount was so completely run over last night with potato bugs that Mr. Peel, a Baltimore drummer, had to seek lodging in the country.

In a radius of eight miles around Bethel the potato crop will bring in round numbers over \$60,000. How is that?

Rev. J. W. Rose, of Plymouth, who was visiting his daughter, Mrs. J. T. Smith, returned home today.

J. W. Higgs spent yesterday with friends here.

Miss Huldah Brown left yesterday for Pollockville where she will spend a few weeks with relatives.

Blount, Carter and Corey bought 53 car loads of potatoes Monday.

The weather is real dry here, but a dry June never begs her bread.

The telephone people are running a line from Bethel to Grindool and Parmele.

Dr. James' water supply has given out and now he is bouring for China.

W. G. Lamb and son of Williamston are spending today here.

S. W. Brickhouse, of Norfolk, is with us today.

Mrs. F. C. James is visiting friends in Tarboro.

There were fifteen car loads of potatoes shipped from here today. The farmers are so full of money they can't walk straight.

For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co. of Chicago to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeit, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold at Wooten's Drug Store.

A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten Druggist. Trial bottles free. Reg. U. S. Pat. 500 #1.

A Startling Test.
To save a life, Dr. T. G. Merritt of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months. Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

A Strong Heart
is assured by perfect digestion, indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain of the heart and restores it to a full performance of its function naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Tones the stomach and digestive organs. Sold at Wooten's Drug Store.

Thrown From A Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
