WINTERVILLE ITEMS

WINTERVILLE, N. C., June, 23. Mr. and Mrs. Ossie Taylor, of Hugo, is visiting his brother, Guy Taylor.

Elder Fred McGlohon took an over dose of morphine last night and up to this time, nine o'clock, has not been aroused. Dr. Cox was sent for early this morning. This morning Mr. McGlohon's sons were here telephoning for Drs. Moye and Laughinghouse. The morphine was taken to relieve kidney colic.

Mrs. Bettie Taft and Johnnie Ricks left this morning for Tarboro, where they will visit relatives.

Little Hubert Kittrell, 2-year old son of G. A. Kittrell, got hold of a box of concentrated lye Wednesday evening. He was not very seriously, though painfully hurt. Dr. Cox soon gave the little fellow relief.

T. H. Britton, of Bethel, has been here several days visiting D. S. Chapman. They were room mates at Chapel Hill.

H. A. White and Major H. Harding were here Saturday.

Heber Willowby and E. S. Strickland, of Beaver Dam, were here last Saturday.

H. L. Jenkins, of Bethel, is here on business.

D. W. Pate, of Goldsboro, and J. A. Pate, of Rocky Mount, were here several days last week. They represent the Liddell Co., of Charlotte, N. C.

Miss Myrtle Proctor, of Grimesland, who has been visiting the Misses Chapman, returned to her home Monday.

Miss Emma Kittrell has been here on a short visit to her parents. She returned to Grimesland where she has a position in a millinery store.

Louis L. McGlohon, who has been confined to his bed for six weeks came over to Winterville Tuesday. His many friends were glad to see him, and we hope he will soon be entirely recovered.

Last Friday evening lightning struck an old lightwood tree on Alfred McGlohon's Tucker place and set the woods afire, it was Saturday evening before the fire was under control.

Wood says he knows some ladies in this town that can't tell the difference between a bundle of hose and a pack of playing cards.

G. A. Kittrell took a trip up the road this morning.

Miss Nannie Frizzle, of Greene county, and Miss Nannie Lawrence, of Rountrees, were here Wednesday.

The peace and quiet of Winterville was disturbed one day last week. Earnest Strickland white, and Jack Coward, colored, got in a difficulty at the buggy shop, they paid fines and cost to amount of \$3.45 each. They were boys, and it is the first case that Mayor Chapman has had.

Mrs. L. C. Letchworth and little daughter, Lillie, of Ayden, spent Tuesday in Winterville.

We don't have many better farmers than Sam Manning. He laid by one of his cotton patches two weeks ago and this week sold a bale of 1904 cotton from 19 acre plat. We have not heard of a single square or blossom from any where else. Don't you wish you had some of them seed?

Miss Hattie Kittrell who has been visiting friends, in Greene county returned home Sunday.

On Sunday morning about 2:30 little Varina Cooper, the 15 month old daughter of Mr. and Mrs. J. M. R. Cooper, departed this life for the happy home beyond. She had been suffering for several days with meningitis. She was their only child. The bereaved parents have the heartfelt sympathy of the entire community.

FORMER GREEVILLE LADY.

In Honor of Miss Emogene Taft.

Mr. and Mrs. John H. Taft very pleasantly entertained Miss Taft's store companions at their home, 840 Fifth avenue, Tuesday evening, in honor of Miss Emogene Taft, a bride-elect. The evening was spent with games and music and refreshments were served at a late hour.

In behalf of the store companions, Mr. Louis A. Emich, manager for Jno. H. Taft & Co., presented the bride-elect with a handsome cut glass fruit bowl and table mirror.

John Taft, Jr., made his first entrance to society on this occasion, looking after the guests' comfort on their arrival. The Taft home was decorated in an artistic manner with flowers and palms. The prevailing colors in the dining room were green and white, in the drawing room, parlor and reception hall, pink and green.

This party was the first of a series of entertainments that will be given by the G. R. Q. club, in Miss Taft's honor. Miss Taft is a cousin of Mr. John H. Taft and has made many friends during her residence in this city. Her marriage to Mr. Lincoln Lesh, a prominent attorney of Muncie, Ind., will take place June 29. All the guests expressed themselves as having spent a most enjoyable evening and one that will long be remembered both by the guests and bride-elect.—Cedar Rapids, Iowa, Republican.

Movement on Foot For Changing Arithmetic.

A movement is on foot to petition the next General Assembly to make a change in the arithmetic now used in the public schools of North Carolina, as it is claimed these books being used are unsatisfactory to the great majority of school teachers, public and private throughout the State.

The initiative step was taken a few days ago, it is learned at the Forsyth County Teachers Association, when the body was unanimous in its expression of a desire for a change. The book now used is Colaw and Elwood's and is published by B. F. Johnston Co., Richmond, Va.—Raleigh Times.

Came Near Causing a Fire.

A negro boy who was ignorant about the use of a gasoline heater, came near causing a fire, early this morning, in the pressing club room on Fifth street. He filled the gas tank while the heater was lighted and soon had more blaze than he was looking for. The boy's coat was nearly burned off of him and his arm got a blistering.

Busy on the Bids.

The board of internal improvements have been quite busy going over all the bids submitted Wednesday for electric lights and water works construction. They expected to get through this afternoon.

THURSDAY AFTERNOON, JUNE 23, 1904.

We will soon know who saved the state,

Greenville is making some history too.

Just a little longer and we will all know.

How they did shout for Teddy up in the windy city.

All ears are listening for the voice from Greensboro:

If all the candidates had them, second hand buttons will be plentiful tomorrow.

Most of the congressional conventions so far held in this state have renominated the present representatives.

The large number of men here to make bids on material for putting in Greenville's improvements shows that we are attracting attention.

When the St. Louis convention shows Bryan that his attacks on Parker are of no avail, perhaps he will be ready to go home and keep quiet.

As the cut and dried proceedings of the republican national convention could have been pulled off in an hour, the crowd was probably held together three days to give the Chicago hotels a good chance to work them or to let them sober down enough to return home.

To Preserve the House in Which Andrew Johnson was Born.

Funds have been received, contributed by the public spirited persons, for the purchase of the old house here in which President Andrew Johnson was born. It is the plan to remove this to Pullen Park, and place it on a site in plain view of passengers on the Southern and Seaboard Air Line Railways, and to fit it up as a museum, in a room of which the Colonial Dames and Daughters of the Revolution can hold meetings. The old house is very well preserved, is small and can probably be easily moved.—Raleigh Dispatch.

An Appeal For Aid.

Laurinburg, June 21, 1904—A meeting of citizens was held here to-day to discuss some means of relief, in addition to local contributions, for the farmers whose crops have been destroyed by hail. It was decided to make an appeal to the people of the State in their behalf, and ask any who may wish to respond to this appeal to forward their contribution to T. J. Gill, cashier, Laurinburg.

These crops have been wholly ruined. It is now too late in the season to replant cotton or to plant any valuable crop successfully. The people of the county are very liberal, and are doing all they can to help their unfortunate neighbors, but the loss is so large and the consequent distress will soon be so great that contributions ought to be distributed over a broader area than Scotland county. The damages from the storm will approximate \$50,000. Any aid will be most gratefully received.

JONATHAN PEELE,
Chairman Relief Committee

Virginian-Pilot Wins a Damage Suit.

Norfolk, Va., June 21—The jury returned a verdict for the defendant in the \$16,000 suit of City Councilmen Higgins vs. the Virginian Pilot newspaper for alleged slander. Higgins and three other councilmen at the same time sued for \$60,000 damages. The Higgins case is the first one tried.

The War Department, which was expected to court martial Lieut. Col. Pitcher, who is charged with jilting Miss Harrold, a War Department clerk from North Carolina, has decided that the affair is one in which the department cannot take a hand. It is said that Miss Harrold did not ask the department to take cognizance of Pitcher's conduct, but her friends pushed the matter.

It is gratifying to see that wide attention is being given to the fact that of the six star students at West Point Military Academy at this term—C. R. Pettis, of North Carolina; W. D. A. Anderson, of Virginia; E. T. Ward, of Colorado; H. H. Robert, of Mississippi; and R. P. Howell, Jr., of North Carolina—five are from the South. A further fact in this connection which we would like to rivet upon the public mind is, that of the five from the South two are from North Carolina. There is in these statements a suggestion that something yet is to be expected from the section which, from the birth of the republic down to the civil war, gave government to the country during two-thirds of the period, and of the State which, during that period, stamped its impress upon the nation through Macon and Gaston and Preddell and Badger and Mangum and Graham and Clingman and their likes. The section and the State have not, as shown by these facts from West Point, lost the power for the development of intellect; nor have they lost "the breed of noble blood."—Charlotte Observer.

FLOGGED WITH COLD WATER.

In The Oregon State Penitentiary it has Proved Effective.

The cold water cure has recently been adopted at the Oregon State penitentiary with apparently satisfactory results. For all practical purposes flogging has been abandoned. No rule has been established prohibiting flogging, and if a case should be presented in which all other punishment failed the lash might be resorted to, but this is a contingency not deemed probable. The cold water cure has been found effective in some very obstinate cases.

The cold water remedy consists of stripping the prisoner to the skin and turning upon him a stream of cold water from an ordinary garden hose. The infliction of the punishment is not as brutal as flogging, it leaves no scars nor permanent injuries, and the punishment ends the moment the water is turned on. A prisoner who has been subjected to the punishment once wants no more of it, though he may be smiling within a few moments after the ordeal is over. Governor Chamberlain and the prison authorities are highly pleased over the result of the experiments, for they have been desirous of abolishing the whip.—Portland Oregonian.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost, this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a laboratory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; anti-septic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment, Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Take pains, said the window.

A Strong Heart

is assured by perfect digestion, indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain of the heart and restores it to a full performance of its function naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Tones the stomach and digestive organs. Sold at Wooten's Drug Store.

Sued by His Doctor

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coahella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Doing a driving business, said the hammer.

A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdton, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whoop-Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten Drug Store. Trial bottles free. Reg. size 50c \$1.

Never do anything offhand, said the glove.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Trubart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by Wooten Drug Store, Greenville; R. L. Davis & Bro. Farmville.

Never lose your head, said the barrel.

For sick headache take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bro. Farmville.

Stop it.

We have been asked to announce that it is wrong to accompany a girl home then swing on the gate with her an hour afterwards. The parlor, with the lamp lowered to resemble the poesy of sentiment laden twilight, is decidedly more cozy and inviting for "two souls with but a single thought, two hearts that beat as one." So boy, quit the gates, go in the house, act like men, show your appreciation of the grandeur of life's holiest mission, seize your chosen one by the hand with fervent grasp, tell her of the beating of your heart—rich with unbought affection and love given of God; look down into the liquid depths of her radiance filled eyes to see if your image is floating away on the waves of endearment to the deep hidden channel of the heart, and if she droops her head, cuts one eye downward and reminds you of a one-eyed gobbler spying a suspicious bug, you may know you can "go to press" at once, as the printers say, imprint upon her quivering lips that golden type of endearment that thrills with an ecstasy known only to those who have managed to get there and of such rapture fondly shares.—Wilson News.

C. S. FORBES,
THE MAN'S OUTFITTER,

THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
