"UNCLE JOHN" AT OCRACOKE.

Reports Fine Fishing and Makes Us All Want to Go.

Ocracoke, N. C., June 28, 1904.
EDITOR REFLECTOR:

I arrived here Thursday morning after having to spend twenty-five hours in Bell Haven. I am improving slowly, this fine salt breeze always makes me feel better. As soon as I get a little stronger, I expect to have some fun fishing. I went out alone in a small boat Friday evening late and caught eleven fine sheephead, they would have weighed sixty pounds. I could have caught more but had enough. Saturday evening late Will and I went out, we caught fourteen. Will caught four that would have weighed thirty pounds. The ten I caught were not quite as large. The whole fourteen I think would have weighed seventy pounds or more, so you see I will have some sport here if I am on the sick list. I wish I had some of the boys here to help me, especially George W., Ed. H. and Doff. H. Oh how they would enjoy it. Ocracoke is the place to come to have a good, easy quiet time and live cheap. As good board as you want for five dollars per week. Can't you come down and spend a week? I shall come home as soon as I get well but I hate to leave here.

Yours Truly,
J. J. CHERRY.

The Opera House Thursday Night.

A large and intelligent representative audience greeted the drama "Forgiven" last night at the new opera house in the Masonic temple. The play was rendered by the amateur home talent and was a great success from start to finish. Although much annoyance and disadvantage had been realized in the changing of characters, for various reasons, the play was elegantly and splendidly rendered in every part and detail. Had the weather been good a crowded house would have seen a magnificent performance. The community and the Masonic fraternity specially are greatly indebted to the good lady management of Mrs. A. L. Blow, Mrs. Bernard Greene and Mrs. Richard Williams and their helpers, all of whom have been faithful and active in getting up and rendering so attractive a performance, as witnessed by an enthusiastic audience.

We cannot specialize, and do justice to every one who took such a zealous and untiring part to please the people and make a great success of such a splendid drama. Suffice it to say there was no mistake in any part of the performance.

Music was delightfully discoursed by Forbes' orchestra as assisted by Misses Bessye Patrick and Ima Allen. The vocal music was charming by Misses Sallie Cotten, Janie Tyson and A. A. Forbes, Jr., and the Quartette club of young men of the town. A most beautiful and enjoyable feature, was the skirt dance by little Miss Bettie Russ a beautiful little Miss, daughter of Mayor Russ, of Raleigh. This was the christening of the new and beautiful opera house and everybody enjoyed the occasion. Receipts were \$171.50 which will be donated to the Masonic Temple.

PASSING OF ALDERMEN.

The Old Board Turn Over Affairs to the New.

The old board of aldermen for the town held their final business meeting Thursday night to close up their business for the fiscal year, when they adjourned until this morning to turn over to the new board.

When they were assembled this morning Alderman Jeffress in behalf of the retiring board presented Mayor Whedbee with a fountain pen as a testimonial of their esteem of his services. Mayor Whedbee accepted this with appropriate remarks and thanked the board for their courtesy to him during his term of office.

A motion was then made that the board adjourn sine die.

The aldermen elect then came forward and after qualification entered upon the duties of their office.

The new aldermen are E. Buck, Chas. Cobb, J. R. Moye, M. A. Allen, W. A. Bowen, C. S. Carr, T. E. Hooker and J. C. Lanier.

Temporary organization was had by making J. R. Moye mayor protem. D. J. Whichard was elected clerk.

W. R. Parker was then unanimously elected as mayor of the town. He was notified and came forward and qualified.

The following were also elected.

Chief of Police J. T. Smith.
Assistant Police, J. G. Reives.
Treasurer, H. L. Carr.
Tax Collector, C. D. Rountree.
Attorney, F. C. Harding.
The Mayor was authorized to appoint a night police for one month, and he appointed W. H. McGowan.

The following committees were appointed:

Finance—C. S. Carr, W. A. Bowen, M. A. Allen.
Streets—J. C. Lanier, T. E. Hooker, J. R. Moye.
Lights and wells—Chas. Cobb, W. A. Bowen, E. Buck.
Market—W. A. Bowen, T. E. Hooker, J. R. Moye.
White Cemetery—Chas. Cobb, J. C. Lanier.
Colored Cemetery—E. Buck.
Ordinances—M. A. Allen, J. R. Moye, T. E. Hooker.

Ordinances were adopted declaring the illegal appointments of dispensary commissioners by the last board of aldermen to be null and void, directing that notice to that effect be served on all who are attempting to run a dispensary under this illegal appointment; appointing a legal board of dispensary commissioners, and imposing a fine of \$50 for selling liquor anywhere in town except in the legal dispensary.

Owing to the length of these ordinances THE REFLECTOR cannot publish them until tomorrow.

An application from Fred Cox for license to conduct a distillery, was deferred to the next regular meeting of the board.

Married at Morehead.

A thrill of surprise ran through social circles in this city this morning when the intelligence was received of the marriage in the parlors of the Atlantic Hotel in Morehead City last evening of Mr. Guy Webb and Miss Helen Gray, both of this city. The intentions of the young couple were kept a profound secret from their friends, who, with few exceptions, knew nothing whatever of them.—Kinston Free Press, 30th.

FRIDAY AFTERNOON, JULY 1, 1904.

Greenville started off on a new era today.

Delegates are packing their grips for the St. Louis convention.

Now let everybody work in harmony with the officers and help give Greenville a good administration for the next twelve months.

Watch Greenville's growth from now on and you will see more rapid development than at any other time in the history of the town.

A new departure in advertising is taken by the city of Atlanta in issuing a handsome pamphlet descriptive of a cemetery and setting forth the advantages of being buried there.

If Cleveland should get the nomination at the St. Louis convention what a night mare it would give the present occupant of the white house. He would find some rough riding for sure.

Persons from this section going to the world's fair at St. Louis find the Chesapeake & Ohio route via Richmond the most pleasant to take. The C. & O. is giving admirable service and the scenery along the route is beautiful.

The meeting of the North Carolina Press Association at Morehead City the latter part of this month promises to be exceedingly interesting. The improvements to the Atlantic Hotel makes that popular resort more delightful than ever.

A cloud burst near Pittsburg, Pa., that destroyed thousands of dollars worth of property, a cyclone in Texas that nearly wiped out a whole town, and a hail storm in Nebraska with hail stones weighing half a pound, shows something that the elements are doing these days.

North Carolina goes right on with her record of raising great men for other states to capture. This state has recently lost several of her largest brained men and is made the poorer thereby. The latest draft upon us is the election of Dr. C. Alphonso Smith, of the North Carolina University, to the presidency of the University of Tennessee. Can it be that we at home do not appreciate the worth of our best men? We like to see these men honored, but they are needed so much in our own borders.

Judge Pritchard has handed down his opinion in the Daniels case that went before him on habeas corpus proceedings petitioning to be relieved from the sentence passed by Judge Purnell for alleged contempt. Judge Pritchard holds that newspapers have the right to criticize the acts of judges and other public officials. "If judges charged with administration of the law are not to be criticised on account of their official conduct, the liberty of the press is abridged and the rights of individuals imperiled.

The strangest people that have ever come into the view of the Christian world are the Japanese. The war in which they are now engaged has served to throw new light upon their national character and to disclose a good many facts about them not known before. They are not afraid to die—that is the most prominent fact. The next is that the national spirit is stronger than in any other people. Whenever in the present war they have met reverses, many of them, especially their women, have committed suicide. According to the testimony they have no religion, nor care for any. The Emperor has been thinking of proclaiming Christianity as the State religion, because he is tired of having his people gazzeted as pagans. They are entirely willing for this, but, as The Baptist Watchman, of Boston, says, "of course there is no spiritual element in this movement." What are you going to do with a people like this?—Charlotte Observer.

Ninety Thousand Dollars for Victims of the Slocum Disaster.

New York, June 28.—Jacob H. Schiff, treasurer of the committee appointed by the mayor to solicit subscriptions for the relief of the victims of the General Slocum disaster reported today that the committee had thus far received over \$90,000. Contributions, he added, have been on such a generous scale and the amount already received so large that a further swelling of the relief fund seemed to him unnecessary.

Very few people, comparatively, have an idea of the enormity of the Irish potato crop in North Carolina. The Carolina Fruit Growers' Journal estimates that the potato crop this season brought to the growers in the territory more than a million dollars. Next to strawberries, the Irish potato industry ranks second in importance in Eastern Carolina. The crop this year was unusually profitable. The yield was large and the prices were high throughout the season.—Wilmington Dispatch.

If you are not disposed to lend your aid and support to any movement that aims toward the advancement or improvement of your town, try to at least show your patriotism by keeping quiet. Pity any community that is infested with citizens who can see no good in anything, and seek to discourage everything that has the smell of improvement.—Mt. Olive Tribune.

For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co. of Chicago to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look for the name "DeWitt" on the package, and accept no other. Sold at Wooten's Drug Store.

A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten Drug Store. Trial bottles free. Reg. U. S. Pat. 50c \$1.

"A little learning is a dangerous thing," and so is a little pistol in the hands of a small boy after he has been taught to shoot.

A Startling Test.

To save a life, Dr. T. G. Merritt of No. Mehooपाу, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months. Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

Sued by His Doctor

"A doctor here has sued me for \$12.50, which I claimed was excessive for a case of cholera morbus," says E. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Trubart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by Wooten Drug Store, Greenville; R. L. Davis & Bro. Farmville.

Thrown From A Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by Wooten's Drug Store Greenville, R. L. Davis & Bros. Farmville.

A Strong Heart

is assured by perfect digestion, indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; anti-septic dressings are applied to wounds, bruises, burns and live injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment, Chamberlain's Pain Balm acts on this same principle. It is an anti-septic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bros. Farmville.

Greenville's Great Department Store

It is easy enough to cry "BEST" but that which convinces is the test. We make strong claims for

"Dorothy Dodd Shoes."

So strong perhaps as to excite skepticism in the minds of those who do not know. We, however, ask but a trial that our contentions may be proved or disproved in all fairness. We are showing a beautiful line of

"Dorothy Dodd Shoes"

In the seasons newest styles, Oxfords, Strap Sandals, Gibson Ties, Etc.

THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never vet had to make an apology.
