MISS SCHULTZ AT HOME.

Pleasant Gathering of Young People.
A delightful sociable was given Monday night at the home of Mr. and Mrs. S. M. Schultz, complimentary to Miss Pearl Lichtenstein, of Richmond and Misses Mabel and Julia Morris, of Tarboro, who are visiting Miss Mae Schultz.

WHY ALL FROM TOWN.

EDITOR REFLECTOR.

Has the time come when it is a necessary requisite to live in town in order that one may be eligible to hold office?

Judging from circumstances as they present themselves one is naturally impressed with that idea. For every office in the county no less than a half dozen candidates present themselves for each, and every candidate hails from Greenville.

Have the country people no claims? It used to be so, but now the reverse seems to be the conclusion.

We only inquire for information. Law and order have grown to be strange commodities in these latter days.
JOE M. BLOW.

Notice to Board of Trustees.

The annual meeting of the Board of Trustees of the Graded schools takes place first Thursday in July each and every year. I beg to remind the Trustees of this fact and to request them to meet at my office at 9 o'clock next Thursday morning, July 7th, 1904. It is the annual election of officers of the Board and I hope every member will be present.
THOS. J. JARVIS,
President of Board of Trustees.

Small Fire.

The burning of a small barn out in New Town, just beyond Twelfth street, caused some excitement about 11 o'clock Monday night. The loss did not amount to much.

THE WEATHER

Occasional showers tonight and Wednesday.

I. O. R. M. AT WASHINGTON.

[Reported for Reflector.]

The biggest day Washington has ever seen through any organization was Monday when the Improved Order of Red Men gave a grand celebration with a magnificent street parade.

At 3.30 o'clock the line of march was formed on Market street at one of the old tobacco warehouses, consisting of carriages, buggies, wagons, floats, bicycles and mounted Indians on horses all beautifully decorated for the occasion in brilliant colors of green, red, brown and yellow to match the uniforms worn by the Indians, squaws, and papposes. There was something like seven hundred and fifty in the parade which was fully a mile in length. The floats carried the lovely squaws and pretty papposes while the other vehicles carried the men. In the center of the parade was a beautiful float carrying the Goddess of Liberty seated on a high pinnacle with four squaws seated at her feet and one of the military boys at each corner as guards, while Uncle Sam was seated on the front.

At 8.30 o'clock the tribe again assembled at the wigwam and proceeded to chase a pale face down First street where the stake was planted where the burning of the pale face was conducted and the old time war dance and war whoop was proceeded with. After all proceeded to the armory where refreshments were served, and all enjoyed themselves to a very late hour which ended in a big dance. The Washington band furnished music for the occasion, and as a whole it was one of the finest celebrations the writer has ever had the pleasure of witnessing.

Withlacoocher Tribe, of Greenville, participated in the celebration and our boys greatly enjoyed the occasion.

BETHEL ITEMS.

BETHEL, N. C., July 4, 1904.
Mrs. J. E. Hocutt and children returned home Friday from a visit to Elm City.

Miss Effie Grimes is visiting friends in Rocky Mount.

Theophilus Carson says he will put in a barn of tobacco this week.

There was a very enjoyable gathering of young people in town Thursday evening, June 30th, at the home of Mr. and Mrs. J. T. Smith, in honor of the visiting ladies. Refreshments were served in a most charming manner. The attendants were: T. H. Britton with Miss Emma Ashbee, of Plymouth; Julius Brown with Miss Florence Hubbard, of Clinton; J. A. Staton with Miss Mattie Grimes, William Vincent with Miss Mable Barnhill, J. G. Cannon with Miss Rosa Bullock, H. L. Jenkins with Miss Bessie Hammond, of Greenville. Stags were Claud Ward, Henry Staton and Dr. G. F. Thigpen. All who attended were greatly delighted with the occasion.

TUESDAY AFTERNOON, JULY 5, 1904.

They are gathering at St. Louis.

Who will it be? Wait and see.

It is a poor spectacle for a town to be run by the whiskey ring.

Something hotter than a hot day in June is a hot day in July.

This vegetable season of the year is giving the beef trust spasms. People are living better, too.

The Orange, Va., Observer calls him "Teethydore." His mouth does have the appearance of a door filled with teeth.

Just what we were looking for the inveterate punster to turn loose. The Wilmington Star says:

"Despite their teetotalism the Prohibitionists couldn't help taking a Swallow."

Those who are lifting up their voices against the Watts law must overlook the fact that it has the endorsement of the democratic state convention. A man's democracy might have a question mark after it when he opens war on the platform of his party.

The Charlotte Observer expresses itself thus:

"Charlotte doesn't intend to invite State conventions until it has auditorium and hotel accommodations for them. When it asks them it will be able to provide for them, and when it asks them it has no doubt they will come."

That is a sensible article Joe Blow writes in another column. Just take a glance and it is seen most of the men trying to get on the county ticket this year are in town, and there are already runners going over the county trying to create sentiment for them. Of course there are some good men in town, but there are plenty just as good in the country.

We are more than pleased to be informed that Webster's blue back spelling book has been adopted in Chicora College, the Presbyterian school for young women, at Greenville, S. C. It is stated in a private letter that every pupil of that institution, from preparatory to senior, must spell and read in that blessed book. It is well for the pupils of Chicora College. The Observer has ever maintained that the blue back spelling book is the basis of all true education.—Charlotte Observer.

President Shurman of the Cornell University continues to take a gloomy view of the future of this country. The other day he told the graduating class that they leave the University at a time of profound unrest, political, social and religious. And asked: "Is the republic to remain a democratic organization under which men with equal rights govern themselves, or is it to become a tyrannical organization under which special interests like capital, labor or the military spirit are to control the destinies of men." After the election the profound unrest will become less profound, and the people will know what to expect for four years, because a democrat will go in and we will return to reason and common sense in the administration of affairs.—Durham Sun.

The report from the state's prison of the decrease in the number of convicts, unfortunately does not mean that there are fewer criminals now than heretofore, but that they are being sent to county chain-gangs to build good roads—perhaps the very best disposition that could be made of them.—Charlotte Observer

20 Killed In A Wreck.

St. Louis, July 3.—A special to The Globe-Democrat from Litchfield, Ill., says the Chicago limited on the Wabash Railroad, due in St. Louis at 7 p. m., and half an hour late, was wrecked to night inside the city limits. The train struck an open switch and was over turned and seven of the nine cars were burned. It is believed that 20 persons perished in the second and third coaches and that 40 were injured.

700 Drown In The Atlantic.

London, July 3 —Over 700 Danish and Norwegian emigrants bound for New York are believed to have been drowned in the North Atlantic on June 28. Out of nearly 900 souls on board the Danish steamer Norge, which left Copenhagen June 22, only 27 are known to be alive and for the rest no hope is held out.

When last seen the Norge was sinking where she struck on the Islet of Rockall, whose isolated peak raises itself from a deadly Atlantic reef, some 290 miles off the west coast of Scotland. Early on the morning of last Tuesday the Norge, which was out of her course in heavy weather, ran onto the Rockall reef. The Norge was quickly backed off but the heavy seas poured in through a rent in her bows.

Telling of the killing of a flock of sheep by dogs, The Wilmington Messenger adds: "And still we can not get a Legislature with grit or brains enough to pass a law which will protect sheep raisers from worthless dogs." No, we will never get a Legislature to do this. The best plan is that suggested by The Chronicle a few weeks ago. Hire the Igorottes from the St. Louis Exposition get a special car and send them on a tour of the State sidetracking them at each town until the supply of dog in that particular locality gave out, then moving on to a new pasture. The Igorotte is the solution of the dog question.—Charlotte Chronicle.

The little girl who confidently spelled c-a-t and called it "dog" made no greater mistake in orthography than the Republicans who spell b-a-n-k-r-u-p-t-c-y, and pronounce it "prosperity". On the 1st began the new fiscal year and Sec. Shaw presented his report showing that the receipts for the year have been \$541,186,745, and the expenditures \$582,539,071, showing a deficit for the year of \$41,352,325. For the preceding fiscal year there was a surplus of \$52,710,935, showing an adverse balance compared with the year ending Thursday of pretty nearly \$100,000,000! This shows that the administration has lost money every month of the past year, and if a loss of \$100,000,000 is prosperity, it would be curious to know what adversity is. Mr. Shaw's showing certainly demonstrates that Mr. Roosevelt's successor in the White House will inherit the same sort of conditions that Mr. Cleveland was called upon to inherit in March 1893. Our national poverty then, as indicated by the deficit, was due to the Harrison administration, as our national poverty now shown by the deficit is due to the McKinley-Roosevelt administrations.

Every new building that goes up in a town is a permanent improvement that nothing can destroy save a flood, fire or an earthquake.—Durham Herald.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with this complaint. One cannot say too much in favor of that wonderful medicine." This remedy for sale at Wooten's Drug Store, Greenville, R. L. Davis & Bros., Farmville.

A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New discovery for consumption is a sure cure for all lung and throat troubles. One bottle of Dr. King's New Discovery then cured me absolutely." It is infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It is guaranteed by J. L. Wooten Drugstore. A Startling Test,

To save a life, Dr. T. G. Merritt of No. Mahopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

John L. Wooten.

Ask the readers of this paper who are suffering with indigestion or dyspepsia to call on him at once and get a bottle of Kodol Dyspepsia Cure. If you knew the value of this remedy as we know it, you would not suffer another day. Kodol Dyspepsia Cure is a thorough digestant and tissue-building tonic as well. It is endorsed personally by hundreds of people whom it has cured of indigestion, dyspepsia, palpitation of the heart and stomach troubles generally. Kodol Dyspepsia Cure Digests what you eat. It is pleasant, palatable and strengthening.

Safeguard the Children

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of the summer months in the large cities. There is not probably one case of bowel complaint in a hundred, however, that could not be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by Wooten's Drug Store, Greenville, R. L. Davis & Bro, Farmville.

One Lady's Recommendation Sold Fifty Boxes of Chamberlain's Stomach and Liver Tablets.

I have, I believe, sold fifty boxes of Chamberlain's Stomach and Liver Tablets on the recommendation of one lady here, who first bought a box of them about a year ago. She never tires of telling her neighbors and friends about the good qualities of these Tablets.—P. M. Shore, druggist, Rochester, Ind. The pleasant purgative effect of these Tablets makes them a favorite with ladies everywhere. For sale by Wooten's Drug Store, Greenville; R. L. Davis & Bros., Farmville.

Weak Hearts

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, the stomach expands—swells, and puffs up against the heart. This crowds the heart and shortens the breath. Rapid heart beats and heart disease is the final result. Kodol Dyspepsia Cure digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, sour stomach, and contributes nourishment, strength and health to every organ of the body. Sold at Wooten's Drug Store.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

True Preaching.

We hear a good deal of rot from people who say they are "sick and tired of hearing the suggestions that party workers should be rewarded." They may be, and they haven't much faith to go far. Do away with this idea and you'll soon have no horses to pull the plow. But scratch the back of these faint and weak fellows who have no regard for party service and you will find a kind of mushy independent—a fellow who does not support the entire democratic ticket, and always splits. "The laborer is worthy of his hire," holds just as good in politics as it does in other matters.—Durham Sun.

Wins a Greenville Bride.

Cards have reached the city announcing the approaching wedding of Mr. George Jackson Woodward and Miss Rosalind Rountree, in Greenville, N. C. The happy event will be solemnized at the Baptist Memorial church in the above place on the morning of July the 12th, at 8 o'clock.

Mr. Woodward, the groom to be, is a son of our townsman, Mr. Geo. W. Woodward, and the bride elect is one of Greenville's most charming and popular young ladies. The young couple will leave soon after the ceremony for a visit to the family of Mr. Woodward, in this city, where they will spend several days. Mr. Woodward has a position as bookkeeper for the Imperial Tobacco Company, in Greenville.—Durham Sun.

Greenville's Great Department Store

It is easy enough to cry "BEST" but that which convinces is the test. We make strong claims for

"Dorothy Dodd Shoes."

So strong perhaps as to excite skepticism in the minds of those who do not know. We, however, ask but a trial that our contentions may be proved or disapproved in all fairness. We are showing a beautiful line of

"Dorothy Dodd Shoes"

In the seasons newest styles, Oxfords, Strap Sandals, Gibson Ties, Etc.

THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the sine qua non of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
