### AYDEN ITEMS.

AYDEN, N. C., Aug. 5, 1904  
The amount of valuation of real and personal property as listed for the town of Ayden for 1904 is real \$103,397, personal \$196,707—total 300,104. Polls 163. There is something over \$3,000, yet to be listed.

There are rumors of more brick stores, but we cannot yet tell for the wind listeth mightily and the sound thereof has formed no definite shape.

The increase in valuation of real and personal property over last year in Contentnea is exceeded only by one other in the county and that by a very small margin. Our increase was something over \$40,000.

Blood in the Cup.

Wilmington, N. C., Aug. 5.—Frenzied and half crazy after a protracted spree, Chris Eilers, a middle aged man residing in Wilmington, quarrelled with his wife, a most estimable woman, upon his return to Carolina Beach, early tonight, and drawing a 32 caliber pistol shot Mrs. Eilers in the head. Then turning the pistol upon himself he sent a bullet into his throat. The wound of Mrs. Eilers may prove fatal, but that of the husband is slight.

Mrs. Hiram Sanderson, Janesville—Our baby was never strong; our physician advised Hollister's Rocky Mountain Tea. One package made her strong, rosy and healthy. Thanks to your Tea, Wooten's Drug Store.

### OUTING PARTY.

Had Pleasant Dance at Washington.

Friday afternoon a party of young people left here for the pavilion below Washington to attend a dance. Arriving at Washington it was found that the rains had made it too wet for dancing at the pavilion, so the young men of that town arranged for a dance in Elks ball in honor of the visitors, and they report a delightful time.

The party was chaperoned by Mrs. M. H. Quinerly and consisted of Miss Myrtle Moore, of Pittsboro, Miss Alice White, of Greensboro, Miss Makeley, of Edentoe, Misses Mary Higgs and Nina James, J. Benj. Higg, J. Burt James, T. M. Hooker, Charlie James, C. S. Forbes, C. W. Harvey, Robert Howard, Argall Vick, Hill Horne and Fred Forbes.

### After A. T. Co.

Washington, August 4.—There is a probability that the national democratic congressional committee will inaugurate an attack on one of the big trusts without awaiting the action of the administration. The trust in question is the so-called tobacco trust, and moving spirit behind the proposed campaign is Congressman John Wesley Gaines, of Tennessee.

Congressman Gaines has been making an investigation of the tobacco trust methods, especially in Tennessee and Kentucky, and has gathered information bearing on the trusts in Ohio, West Virginia and Connecticut also. Much of the information is yet unclassified. The feeling at headquarters is most favorable toward the lending of the aid of the congressional committee to Gaines and his assistant investigators.

### Parker Resigns as Chief Judge.

Esopus, N. Y., August 5.—Alton B. Parker ceased to be chief judge of the court of appeals of this state at 3.30 o'clock today, when his resignation was filed in the office of the secretary of state at Albany. A new chief judge, who will serve until January 1, will be appointed by the governor. At the November election the people will vote for a chief judge, who will serve until 1919.

### Rather Bg Senator.

Sioux City, Iowa, Aug. 5.—"I would rather be a United States Senator than President," declared William Jennings Bryan a few days ago to a friend in this city. Mr. Bryan had been asked whether he would be a candidate for the Senatorship before the next Nebraska legislature, which will be chosen this fall.

### Japs Have Reverse.

Mukden, Aug. 5.—It is reported here that the Japanese attacked the Russian position at Anshanshan (midway between Hai-cheng and Liao Yang) on August 2 and were repulsed with heavy loss. The Russian casualties are not known.

### Special Term of Court.

Governor Aycock has granted the request of the commissioners of Pitt county and issued an order for a special term of court for one week beginning Sept. 26th, with Judge Council presiding. The regular term begins Sept. 19th but is for only one week, so that this order of the governor will extend the term to two weeks.

SATURDAY AFTERNOON, AUGUST 6, 1904.

Too much rain.

Too much wet weather has taken the flavor out of cantaloupes

Some office seekers must be afraid their chances are growing weaker.

Circuses are out early this season. John Robinson's show is already in the State.

Next Saturday will be the last trip the steamer Hatteras will make to Ocracoke this season.

There seems to be a race between the two Charlotte afternoon papers to see which can bring out the ugliest cartoons.

Plenty of hands have been brought in to take the place of the strikers on the street improvements and the work goes right on.

The letter of Governor Aycock to the Wilmington Chamber of Commerce in reply to criticisms upon him for selecting Morehead City as the site for the military encampment, has been made public. And the governor stands pat.

The board of internal improvements are negotiating to put in a system of sewerage along with the waterworks for Greenville. That is right. The two should go together as the value and usefulness of one will be greatly enhanced by the other. The citizens should approve and encourage this effort of the improvement board.

THE PUBLIC FREE LIBRARY,

Great credit is due the ladies of the End of the Century Club for their patriotic efforts in giving to the people of Pitt county a free public library of choice selected reading. This enterprise has been engaging the twenty good women who compose the club for several months and now they have opened the doors of the library room in the Masonic temple free to all the people of the county, and those who feel an interest in reading the selected books there gathered together are invited to come and enjoy the fruits of their efforts thus far.

There is no work more glorious for good women, and men too, to engage in than uplifting the people who are, and are to be, the good citizenship of the land and country. The library is the handmaid of the school and the college. I am delighted to help these good women of the club in this enterprise and it gives me pleasurable pride to say that the ladies are pleased at the encouragement they are receiving at the hands of the good people here and elsewhere.

Not long hence they expect to occupy larger and more convenient quarters where a large and beautiful library will be open to the good people of the great county of Pitt, and all who may desire to be entertained and benefited. The good offices of the people are invoked to enlarge, and beautify and continually replenish the library. A visit to their library will give some idea what is in the near future. You are invited to go—you are solicited to aid in that great cause, and in doing so you are casting your bread upon the waters that will return to you again—and bless you.

ISAAC A. SUGG.

It Was a Finisher.

No many days ago a well known lady of Rocky Mount distinguished for her good looks and talents, was with a party on an excursion train. Near her was an over-enthusiastic Republican who suddenly remarked in a loud voice "all in this camp are Republicans." The lady who is an ardent Democrat at once answered: "You are mistaken, there is at least one respectable person in this car." The Republican's enthusiasm was a little daunted, but anxious to please the lady and at the same time maintain the honor of his party, he said: "You are all right yourself, Madam, but the negroes down my way are going to vote the Democratic ticket this year." "Good for the negroes" said she; "I am so glad to know they are getting better than some white people." This was a finisher and the "Rad" sunk into a silence so profound that you could hear it.—Rocky Mount Record.

"What Fools These Mortals Be."

Wilkes county contributes to the Federal Government five or six times as much as it does for the State and county. It is the State and county government that gives us protection in person and property, preserves our liberties, peace and welfare, feeds, our aged and infirm and shelters them provides homes and cares for our insane, assists the old veterans who fought through bloody years, trains up our children in the schools and prepares them for citizenship and usefulness, protects our churches and encourages all material and moral progress. And what do we get from the Federal Government? A number of political postmasters and enough revenue officers to run Republican politics. And still Republican speakers go around and "cuss" the Aycock administration for spending money to care for the poor and insane and to give our children an education; when their Roosevelt administration collects from us five times as much for furnishing us political revenue officers! Great Heavens, "what fools these mortals be!"—Wilkesboro Chronicle.

We Know Them.

The woods are full of them. They are to be found in every town and city, and village where there is a newspaper printed. Their chief loafing place is the newspaper office. They drop in on the editor and business manager at hours reasonable and unreasonable. They generally come in to have a grievance of their own aired through the columns of the paper. They insist on instructing the newspaper men how to conduct the paper. They want the paper made "more spicy." "Why don't you put more life in your paper?" they ask. And when the editor comes to sift the matter he will find that they want him to "pitch into" somebody, generally a public official about a matter in which the public has no interest and which concerns no one except themselves. And when the editor tells them that it is none of his fight; that if they want a public grievance corrected to go in person to the proper authorities they get mad and declare the editor has no backbone and threaten to get up a joint stock company for the purpose of starting a paper which will "look after the interest of the people."

If the editor is foolish enough to take up the fight of such a man, thinking he is acting for the good of the public he is very apt to find that he has allowed himself to be made a tool of and has been left with the bag to hold, while the men who got him in the scrape are either displaying a remarkable degree of indifference to the welfare of the "dear people," or have joined sides with the parties they wished roasted in the press and are criticising the editor for his hasty remarks.—Wilmington Messenger.

There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes "I have been a dyspeptic for years tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold by J. L. Wooten.

**A Warning to Mothers**  
Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give a child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea remedy and then a dose of castor oil, and the disease may be checked in its incipiency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel troubles appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by J. L. Wooten.

**BENSONIZER LUNG CURE**  
NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

# OXFORDS

## The Accepted Time.

Now is the accepted time to wear Oxfords and now is the accepted time to purchase a new pair. Our stock has been slaughtered but we recently bought a filling order, and bought too many, and we are overstocked, and in order to reduce our stock, we offer every pair at a bargain. Our stock comprises three lines, "Dorsch" "Banister" and "Crossett" made in all styles and in all leathers, in Tan or Black. Call in and examine our stock whether you buy or not, it is a pleasure to see you

**C. S. FORBES,**  
THE MAN'S OUTFITTER,

# THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, durability, elegance of style, and elegance of fit and consequent comfort to the wearer. These are the features which make it a noble footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the foot from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as well as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.
