JOHN J. ELKS FOR SHERIFF.

EDITOR REFLECTOR:

As a life-long democrat and one who is deeply interested in the welfare of his county and believing that democratic success is necessary to good government I wish to nominate for the office of sheriff of Pitt county a man in every way qualified for that position, a man who has been faithful to every trust, and one who has the entire confidence of every business man and democrat in Pitt county. I refer to John J. Elks of Chicod township. Mr. Elks is a young man, who by his own individual effort has made a marked success and is today recognized as one of the best business men and most successful farmer in the county.

Two years ago he was elected chairman of the board of county commissioners and the executive ability that he has shown in that office is admitted even by his political opponents as most advantageous to the county and creditable to him and his associates. Our candidate is honest, efficient and absolutely loyal to his party.

W. E. PROCTOR.

Scraps of Interest.

General Kuropatkin, the Russian commander, is a devout member of the Greek church.

A Swiss journal relates that the two sons of the German Emperor who visited Zurich the other day happened to see in the window of a bookseller a number of volumes marked "Forbidden in Germany." They promptly went in and bought copies of them.

Bricks now being made of clean sand and ground quicklime are said to be as substantial as granite. They cost \$2.50 a 1,000. The mixed ingredients are forced into a strong cylinder mold by means of a screw. After the air has been sucked from the cylinder, hot water is admitted, the rock being formed by the resulting pressure and heat.

President Loubet of France lacks the artistic sense. He invites severe criticisms from Parisians by driving an ill matched pair of horses, which shock the aesthetic feelings of the people there. One is two hands taller than the other, and altogether the effect is startling. But the President is fond of the horses and insists upon using the turnout.

The wise men who predicted that the Japs would not be able to stand before white soldiers have been vindicated. At any rate, the Japs have manifested no disposition to stand still.—Atlanta Constitution.

BEAVER DAM FOR JOYNER.

Beaver Dam Township, Aug. 15.

EDITOR REFLECTOR:

As the time is almost at hand when the people will again have to choose their officers for the ensuing two years and we have seen the name of no person from the South side of the river recommended for the lower house of the general assembly, I take great pleasure in presenting to the democratic convention the name of a worthy farmer for that position. Having for a number of years been a justice of the peace and a close student of the law he would make an ideal representative.

His sound judgment coupled with his excellent business qualification highly recommend him as the proper person to represent our county. The name of this distinguished gentleman is S. V. Joyner.

Let the convention nominate him and the people will see that the cause of the democracy shall not suffer in his hands.

BEAVER DAM VOTER.

"Prince" George Prophesies.

The crazy negro Richardson from Newbern, who travels about the state under the title of "Prince George" and who is well known here, has succeeded in impressing the foolish negroes of Wilmington with his silly prophesies as the following special from that city to a Raleigh paper will show.

"The ignorant colored population and a few superstitious whites here are somewhat alarmed over a prediction made by a crazy negro from Newbern named Richardson some time ago to the effect that Wilmington will be destroyed by fire on August 15th and that James City, the negro suburb of Newbern, will be destroyed by water on the same day. The negro has visited all the state and the nature of his direful predictions are well known. It is an actual fact that a large number of Wilmington negroes are leaving the city to escape what they confidently believe is an impending catastrophe."

Incident Practically Closed.

Washington, Aug. 13.—There was some expectation that the state department would be able today to announce the successful conclusion of the negotiations with Turkey looking to the prevention of discrimination against American citizens there. An answer has been received from the Turkish government which is regarded as satisfactory, and to make sure that there will be no misunderstanding as to the agreement the state department embodies its own knowledge of that agreement in the last chapters of the correspondence. But there has been some delay in exchange of cable messages, so that it is not expected now that the last word will be said until Monday. Mea while, Admiral Jewell's fleet will remain at Smyrna, awaiting notice from Minister Leishman. It may be said, however, that the incident is practically closed, with a victory for the state department on all points.

BELVOIR FOR BROWN.

BELVOIR TOWNSHIP, Aug. 12th 1904.
EDITOR REFLECTOR:

We the undersigned democrats and voters of Belvoir Township do advocate and recommend to the democratic convention of Pitt county for representative to our next General Assembly of North Carolina, Mr. Julius Brown, of Bethel. He is a young man of high character and standing and has numerous friends throughout the county. If the convention should choose Mr. Brown to represent us we would have a competent, popular and deserving representative, whose ideal object would be the welfare of this fellow citizens.

STATE NEWS.

An overflow of water was found yesterday at a depth of 214 feet, by the company who is sinking deep wells for the water supply for the city and it is thought that pure, cold water in abundance can be obtained at this point.—Kinston Free Press.

This morning when Cashier W. C. Wolfe came up to the Bank of Union he found a bomb lying at the door. The bomb was made of brass and there was a piece of pipe not quite an inch long and about the size of a lead pencil soldered onto the round bomb, making a place for the fuse. The bomb attracted considerable attention, until Mr. S. B. Hart came along and knocked the interest all up by saying, "There is something Mr. J. W. Rudge, left at your door and told me to tell Mr. W. S. Blakeney, the president of the Bank of Union, that it is an attachment for his water works out at his new house."—Monroe Enquirer.

To Czar a Son is Born.

St. Petersburg, Aug. 12.—A son and heir to a Russian throne has been born. The Empress and the child are doing well. The accouchement occurred at 12.30 o'clock this afternoon. The child will be christened Alexis. The announcement from Peterhof was immediately followed by a salute of 101 guns from the imperial yacht lying at anchor off the palace, but it was 2:45 p. m. when the guns of St. Peter and St. Paul fortress opposite the Winter Palace here, conveyed the glad tidings to the people of the Russian capital.

The effect was electrical. With the boom of the first gun the people in the streets, who had been momentarily expecting the event for twenty-four hours, stopped to listen and count the guns. Only thirty-one are fired for a girl. When the thirty-second boomed and the people were aware that at last an heir to the throne was born there were scenes of rejoicing everywhere and before the salute was finished the whole city had blossomed out with flags and bunting and the shipping in the harbor was dressed. Then the bells of the churches began to ring wildly.

They are telling it in some of the backwoods of the New England states that the Democratic nominee for vice-president is the same Davis who was president of the Southern Confederacy. It would seem that the crop of liars will outrival the blackberry yield.—Durham Sun.

Recollections of a Mosby Guerrilla, we understand, is the title of a new serial which is to begin in the September number of Munsey's Magazine, and promises to be the most interesting and stirring contribution to the history of the Civil War that has yet been handed down to us from that eventful period. The author, John W. Munson, was a member of Mosby's famous Partizan Rangers.

Mr. Munson takes up his story from the day he began his tramp from Richmond one hundred and twenty miles to the Blue Ridge Mountains, where he joined the Mosby Band at the residence of Mr. Elackwell, near Markham station, in 1863, and carries it to the close of the war, describing all of the sensational fights, raids, hand to hand conflicts and engagements that befell the little band, which at no time numbered over three hundred men. Heretofore unpublished pictures will illustrate each instalment.

Congressional Convention

Delegates to the congressional convention for this district, whose names were published several weeks ago, should bear in mind that the convention meets in Edenton next Wednesday, 17th. Pitt county should have as full delegation present as possible.

Such tickets will be on sale in Edenton from August 18th to 10th inclusive. BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

Free booklet on request.

FOR CONSUMPTION.

A Sure Thing
 It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Meire of Shepherdstown, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten, Druggist. Trial bottles free. Reg. U. S. Pat. 50c per bottle."

A Sweet Breath

A never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes "I have been a dyspeptic for years tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold by J. L. Wooten.

A Startling Test.

To save a life, Dr. T. G. Merritt of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

Sick Headache.

"For several years my wife was troubled with what physicians called sick headache of a very severe character. She doctored with several eminent physicians and at a great expense, only to grow worse until she was unable to do any kind of work. About a year ago she began taking Chamberlain's Stomach and Liver Tablets and today weighs more than she ever did before and is real well," says Mr. Geo. E. Wright of New London, New York. For sale by Wooten's Drug Store, Greenville.

Nothing on the Market Equal Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowels complaints." For sale by J. L. Wooten.

A Warning to Mothers

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give a child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel troubles appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by J. L. Wooten.

A Perfect Painless Pill.

This is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the month. The famous little pill for doing such work pleasantly and effectively are DeWitt's Little Early Risers. Bob Moore, of Lafayette, La., says: "All other pills I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by J. L. Wooten.

A Summer Cold

A summer cold is not only annoying but if not relieved Pneumonia will be the probable result by Fall. One Minute Cough Cure clears the phlegm, draws out the inflammation, heals, soothes and strengthens the lungs and bronchial tubes. One Minute Cough Cure is an ideal remedy for the children. It is pleasant to the taste and perfectly harmless. A certain cure for Croup, Cough and Cold. Sold by J. L. Wooten.

A little forethought may save you no end of trouble. Anyone who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows this to be a fact. For sale by J. L. Wooten.

DeWitt is The Name

When you go to buy Witch Hazel Salve look for the name DeWitt on every box. The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name E. C. DeWitt & Co., Chicago. Sold by J. L. Wooten.

THE ULTRA SHOE

The salient features of The Ultra are its fine workmanship, excellence of material, desirability of style, and elegance of fit and consequent comfort to the wearer. These form the inequation of desirable footwear.

In addition The Ultra is equipped with our patent cushion insole, a device which gives the shoe flexibility and durability, insuring a maximum of ease and comfort to the wearer, and protecting the feet from the ill effect of the hot sidewalks of summer as well as from the dampness of wet weather. This feature alone is well worth the price of the shoe.

We present a wide range in styles and finish, and are able to meet the requirements of the most fastidious as the more conservative patron and we invite a thorough inspection of our line. Ultra in name, Ultra in character, Ultra in every feature that contributes to fit, comfort and style. In finish, material and workmanship we are proud to present to all lovers of good taste in footwear a shoe for which we have never yet had to make an apology.

What Will Uncle Sam Do?

Kinston, Island of St. Vincent, B. W. I., August 13.—The cruiser Tribune, on August 11, landed a party under command of Lieutenant Trelfall at Aves, one hundred and twenty seven miles west of the north end of the island of Dominica and annexed it as a British possession. Guns were hauled through the surf and landed, the British flag was hoisted and a royal salute was fired.

The Tribune then proceeded direct to St. Vincent, arriving here yesterday. The Tribune left today, being ordered to Venezuela to protect British interests at Caracas. (Aves is one of a group of small islands in the Caribbean sea belonging to Venezuela—Editor Messenger).
