While our town regrets to lose so valued a family, we can only hope for their happiness and success in their new home.

Jno. Hurst went up to Everetts Monday and returned same day.

W. L. Hurst left Monday for a vacation trip. He has been quite sick of late. Hope he will soon fully recuperate.

J. A. Robinson, of Washington, organizer of The Woodmen of the World, is here.

Amos Brown is visiting E. A. Baldree. They are both deaf mutes and enjoy each other's company.

Government Crop Report.

Washington, Aug., 16.—The weekly crop report issued by the weather bureau today says:

"Rain would prove beneficial generally throughout the corn belt, over a large part of which, more particularly the southern and eastern portions, corn is suffering more or less seriously from drought. In the southern states early corn is being gathered, cutting being in progress as far north as Southern Kansas. A excellent crop is now practically assured in the middle Atlantic states.

"The weather has been favorable for spring wheat harvest, which is advanced.

"Cotton. With the exception of Oklahoma, complaints of shedding are received from every state and rotting of the lower bolls is reported from portions of the central and western districts. Reports of too rank growth, however, are much less numerous than in the preceding week, but continue from portions of the central and eastern districts. Boll weevils are causing much damage in southwest ern, central, eastern and coast districts of Texas, and are proving destructive up to the northern tier of counties. In that state, however,

the plant and fields are in good condition. In Oklahoma and Indian Territories, Missouri and portions of Arkansas cotton is doing well. Picking is general only in southern Texas, but has begun in the southern portion of the eastern districts, where, as a rule, very little is open.

Tobacco has suffered much from drought in the Ohio Valley, but has made satisfactory progress in the middle Atlantic states and New England. Cutting is in progress in Ohio and Virginia.

GRIMESLAND ITEMS.

The boys seem to have a singing spell Saturday night and it wound up with four in the lock-up. All through fun, though.

There will be a marriage in the city next Thursday morning at 6 o'clock. Who will be next after this one.

WEDNESDAY AFTERNOON, AUGUST 17, 1904.

It seems easy enough to make Port Arthur fall, getting it to stay down is something else.

If the vagrancy law was enforced there would be more hands at work on public roads and fewer loafers.

Greensboro is getting up in the world. The latest sensation there was a highway robbery in broad daylight.

The killing of one negro by another in Gaston county, Sunday morning, over the sum of five cents, shows the cheapness of human life.

If they don't hurry up and settle that Japanese Russian scrap before the political campaign over here gets warm, our people will lose all interest in the war.

King Edward's order that trouser legs shall now have four creases is a hard one on the dudes. We wonder how bow legs will set in the four cornered affairs.

The republican leaders are taking more interest in what the democrats are doing than in what they are doing themselves. But it is all right to be looking over to the winning side.

If this thing of educating horses and dogs keeps up we will hear of a movement for an appropriation by congress for establishment of schools and colleges for these animals—Wilmington Messenger.

We are not advocating such appropriations, but it would be money about as well spent as that put in the heads of some folks.

P. B. Griffis, a former saloon keeper at Raleigh, notifies the liquor dealers association that he is not with them and does not take any stock in such an organization. He was placed on the executive committee at the meeting held here this week, at which he enters a vigorous kick. He says he is a Democrat and proposes to remain one, liquor or no liquor.—Greensboro Record.

So Marion Butler is coming back to North Carolina as a Republican to canvass the State for Roosevelt. Since he was profited to the point that he can afford it, he is now coming out under his true colors. But did you ever see that sententious bobbing of Butler's head when he thinks he is nailing an argument to the home plate? That is one of the most amusing things about him.—Wilmington Star.

Keep Your Head—Don't Drown.

If every person knew that it is impossible to sink if one keeps his arms under water and moves his legs as if he were going upstairs, and that one may keep this motion up for hours before fatigue ends it, there would be few casualties. Such is the fact. Except where cramp renders motion impossible, the man who gets an involuntary ducking has small chance of drowning. He can generally keep afloat until rescuers appear. The people who drown are those who frantically wave their arms out of water and lose their self-possession.

The Democratic Chances.

Election forecasts, nearly three months before the event, are not to put too fine a point upon it—rather inconclusive; but speculation is at least interesting, and when indulged by anything like an intelligent authority must command a certain amount of attention. The New York Times is certainly one of the most responsible newspapers of the country, and though more Democratic than otherwise, yet pursues always the truth as it sees it and would not sacrifice its character for honest dealing for the sake of any party. It has made a table of calculation and it follows:

DEMOCRATIC STATES.	
Alabama.....	11
Arkansas.....	9
Florida.....	5
Georgia.....	6
Kentucky.....	18
Louisiana.....	9
Maryland.....	8
Mississippi.....	10
Missouri.....	18
Nevada.....	3
North Carolina.....	12
South Carolina.....	9
Tennessee.....	12
Texas.....	18
Virginia.....	12
Total.....	162

REPUBLICAN STATES.	
California.....	10
Idaho.....	3
Illinois.....	27
Iowa.....	13
Kansas.....	10
Maine.....	6
Massachusetts.....	16
Michigan.....	14
Minnesota.....	11
Nebraska.....	8
New Hampshire.....	4
North Dakota.....	4
Ohio.....	23
Oregon.....	4
Pennsylvania.....	34
Rhode Island.....	4
South Dakota.....	4
Vermont.....	4
Washington.....	5
Wyoming.....	3
Total.....	207

Since 239 votes are required to elect, it is seen from this table that the Republicans require only 32 votes from the doubtful States while the Democrats need 77. This is a tolerably unpleasant showing on its face, but see further. The Times' list of doubtful States is as follows:

Colorado.....	5
Connecticut.....	7
Delaware.....	3
Indiana.....	15
Montana.....	3
New York.....	39
New Jersey.....	12
Utah.....	3
West Virginia.....	7
Wisconsin.....	13
Total.....	107

The States which The Times regards as likely to be carried by the Democrats are these:

Connecticut.....	7
Indiana.....	15
New Jersey.....	12
New York.....	39
West Virginia.....	7
Total.....	80

This would give the Democrats just three votes more than necessary; and they ought to have all these States and Wisconsin beside.—Charlotte Observer.

Statistics show that fewer youths from the South and West enter the New York and New England colleges than heretofore. The reason is that our own colleges are excellent that there is no call for a Western or Southern boy to go elsewhere to obtain an education.—Raleigh News & Observer.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks.

So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call.—From the St. Louis Globe Democrat.

Free booklet on request.

FOR CONSUMPTION.

A Sure Thing

It is said that nothing is sure except death and taxes, but this is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Meire of Shepherdstown, W. Va. says "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery cured me absolutely. It's infallible for Croup, Whoop Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by J. L. Wooten, Druggist. Trial bottles free. Reg. U. S. Pat. 50c \$1.

A Perfect Painless Pill.

is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers, Bob Moore, of Lafayette, Ind., says: "All other pills I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by J. L. Wooten.

A Sweet Breath

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for erasing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes "I have been a dyspeptic for years tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold by J. L. Wooten.

A little forethought may save you no end of trouble. Anyone who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows this to be a fact. For sale by J. L. Wooten.

A Startling Test.

To save a life, Dr. T. G. Merritt of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Wooten's Drug Store.

A Summer Cold

A summer cold is not only annoying but if not relieved Pneumonia will be the probable result by Fall. One Minute Cough Cure clears the phlegm, draws out the inflammation, heals, soothes and strengthens the lungs and bronchial tubes. One Minute Cough Cure is an ideal remedy for the children. It is pleasant to the taste and perfectly harmless. A certain cure for Croup, Cough and Cold. Sold by J. L. Wooten.

DeWitt's Is The Name

When you go to buy Witch Hazel Salve look for the name DeWitt on every box. The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name E. C. DeWitt & Co., Chicago. Sold by J. L. Wooten.

Sick Headache

"For several years my wife was troubled with what physicians called sick headache of a very severe character. She doctored with several eminent physicians and at a great expense, only to grow worse until she was unable to do any kind of work. About a year ago she began taking Chamberlain's Stomach and Liver Tablets and today weighs more than she ever did before and is real well," says Mr. Geo. E. Wright of New London, New York. For sale by Wooten's Drug Store, Greenville.

Nothing on the Market Equal Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowels complaints." For sale by J. L. Wooten.

A Warning to Mothers

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give a child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel troubles appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by J. L. Wooten.
