Synopsis of War News.

The flag of Japan flies over Liao Yang.

Field Marshal Oyama, who led his famous second army into Port Arthur during the Chino-Japanese war of 1894-95, and who in that struggle also captured Wei-Hai-Wei and Tientsin, by dint of incessant fighting, in which his men were spared neither because of casualties nor because of hardships holds sway over Liao Yang, and General Kurapatkin, through whom Russia believed its arms would be secure, is in full retreat northward, while one of his aides, General Stakelberg, with his command, the First Siberian army corps, numbering 25,000 men, is cut off to the westward of Liao Yang.

The Russians are concentrating at Yentai, but the dispatches thus far have given no intimation as to whether or not they will make a stand there, or even if the Japanese are pursuing their foe in flight.

This last blow to Russian arms, though it is spoken of in St. Petersburg as the logical consequence of Russian plans, doubtless will be taken much to heart by the subjects of Emperor Nicholas, who after a succession of defeats and retirements by their army, had expected a finality of the struggle at Liao Yang in their favor.

In the loss of Liao Yang by the Russians, the Japanese probably will gain little except in the way of a strategical standpoint, for the Russians blew up the magazines and set fire to the enormous quantities of army stores and provisions there before they evacuated.

TUESDAY AFTERNOON, SEPTEMBER 6, 1904

MR. MOORING GIVES GOOD ADVICE

WHICHARD, N. C., Sept 3rd 1904
EDITOR REFLECTOR:

Please allow me space to endorse every word A. G. Cox says in favor of J. J. Laughinghouse for the legislature. I have been closely associated with Mr. Laughinghouse officially and I know him to be true to every interest of the people. I have stood by him year after year in the courthouse and heard him plead with the other justices for law taxes as the only means of security rigid economy in the administration of our county government, and I believe the time has come when we need such men as Mr. Laughinghouse in our legislature to guard the interests of the people against the extravagance that seems to be creeping out in some branches of the State Government.

But I regret that Mr. Cox in endorsing Mr. Laughinghouse, should drag in a matter that has done so much to divide our people. He intimates that every man who does not approve or endorse the Watts bill has a thirst for alcohol or sympathizes with those who do thirst. I am opposed to the Watts bill because I believe it has caused temperance to lose more ground than good men like Mr. Cox will be able to recover in ten years. I have studied very closely the temperance legislation in the different states in the Union and I find that every effort along that line causes a division in sentiment, not only among the masses but among our wisest statesmen. This division of sentiment does not arise entirely from our sympathy for or against temperance but from the best method of bringing it about. There are thousands of good men in North Carolina who are opposed to the Watts bill not because they are intemperate or believe in intemperance, but because they believe it has defeated the very purpose for which it was enacted. And there are thousands who believe that it will be the means of saving our boys from drunkard's graves and will bring peace and happiness to the homes made miserable by the drunken husband and father. This being the cause let's stop quarreling, I am tired of THE REFLECTOR reading every man out of the Democratic party who does not believe in the Watts law and I am tired of Kings Dollar Daily doing the same thing by those who differ with him, and his almost daily abuse of two of our honorable citizens. Our political enemies are watching the breach in our lines with a broad smile on their face, and when the breach becomes wide enough they expect to throw themselves into the opening and defeat us in the coming election. I regard the defeat of the Democratic party at this time as a calamity that we may not get over in several years. Fellow Democrats, let me urge you to stop wrangling over a question upon which good men can differ and be honest in their opinions. We can and must carry Pitt county by such a large majority this year that the most sanguine Republican will never show his face on the field of battle again.
G. M. MOORING.

[Mr. Mooring gives good advice in the foregoing, but in intimating that THE REFLECTOR is "reading every man out of the Democratic party who does not believe in the Watts law" he makes a charge against the paper that is not correct. THE REFLECTOR has tried to do no such thing as read a man out of the party because he does not believe in a thing. But here is what THE REFLECTOR did say, and what it says again and sticks to: "THE MAN WHO

DECLARFS THAT HE IS OPPOSED TO THE WATTS LAW AND WILL NOT SUPPORT A YBODY WHO FAVORS IT HAS NO RIGHT IN A DEMOCRATIC PRIMARY." In quoting what THE REFLECTOR says the whole sentence should be given. We do not believe Mr. Mooring or any other good Democrat will approve of a man having a voice in the primary who goes there with his mind made up not to support any man nominated who favors the Watts law.—Ed.]

BLACK JACK, N. C., Sept 3rd. 1904
EDITOR REFLECTOR:

Please allow me space in your Reflector to say a few words in regard to J. L. Fleming as our senator. We are glad down in Black Jack that there is such a strong sentiment in the county for Mr. Fleming for the senate, and we trust the county will go solid for him on the 10th Inst.

I have known Mr. Fleming for a long while, and have always found him to be upright in every respect, while as a lawyer he ranks very high. He is a man of great intelligence and ability, and I should say he is a man worthy and capable of such an office.

J. L. Fleming is known throughout Chicod and Black Jack, and I do not think that there is a single man but would say that he is worthy of such an office. I heartily agree with Mr. B. M. Whitehurst, of Bethel township, when he said that Mr. Fleming's strength was not fully appreciated in some townships, but let us make no mistake, but nominate J. L. Fleming, of Greenville and Pitt county, and we will have a Senator of whom we shall be justly proud.
G. R. BUCK.

We learn that the National Business League, the headquarters of which are at Chicago, is making a movement to have the presidential term lengthened from four to six years. Several reasons for the proposed amendment to the Constitution are presented by the league. Of course the reasons are good ones, and in some respects the amendment adopted would prove beneficial. However if the present administration should be affected we would favor a shortening of two years.

Don't you know there's going to be something doing when the editors are turned loose in the Waldorf—Astoria?

Now that we have the Watts law in operation in our town, let us keep it.

Now just be patient, the editor will return in a few days.

Putting them off the scent.—Bride—"George, dear, when we reach our destination let us try to avoid giving the impression that we are newly married." George—"All right. Maud; you carry this portmanteau."—Pick-Me-Up.—Ex.

They had just moved into the new house, and they stood surveying the situation. "I wish," she said, "that this carpet was velvet." "I don't," responded the husband, unfeelingly. "I wish it was down."—Exchange.

"Etheldinda's suitor represented one of the best families in Europe," said Mrs. Cumrox. "No he doesn't answer her husband. 'I've heard about that family; it's a purty good one. He misrepresents it.'—Washington Star.

BENSONIZER LUNG CURE

NO MORE EXILE FOR CONSUMPTIVES.

SUMPTIVES.

A Cure at Last Obtained, After a Searching Investigation, by St. Louis Interests.

A few months ago the attention of a few scientific and philanthropic gentlemen of St. Louis was directed to an entirely new method of combating that most dreadful of all diseases, tuberculosis, commonly called consumption. Out of 115 test cases, 77 were completely cured and 28 have shown such improvement that their ultimate recovery is but a question of a few weeks. So astonishing have been the results and absolute cures in cases pronounced incurable by all old methods that a company has been formed and is now prepared to furnish at a normal cost this cure to all sufferers of the "White Plague." One of its chief features is that patients can remain at home, surrounded by friends and relatives, and in a great many instances, especially the incipient or early stages of the disease, pursue their daily vocations and still become completely cured.

Patients receiving the same treatment here in St. Louis have completely recovered as rapidly as those in Colorado, New Mexico and Texas. The wonderful results in question have been accomplished by the Bensonizer, and the company which controls this marvelous medical device have located their main office at 417 North Seventh street, St. Louis. They have also located a factory on Easton avenue and a laboratory has been built at Hillside, Mo. The cure will be known as the Bensonizer Lung Cure, and Mr. C. P. Benson, the discoverer of the fluid inhalants which are used, will personally have charge of the affairs of the company. Mr. Benson will personally meet all who call at the office of the company on Seventh street, and will answer all communications from sufferers who are unable to make a personal call. - From the St. Louis Globe Democrat.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, cholera and Diarrhoea Remedy. Mr. G. W. Fowler of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Cholera, Colera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale at Wooten's Drug Store.

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

What's in a Name

Everything is in the name when it comes to Witch Hazel Salve. B. O. DeWitt & Co., of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's, the genuine. Sold at Wooten's Drug Store.

A Power For Good

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was, it did me more good than calomel, blue mass or any other pill I ever took and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sold by Wooten's Drug Store.

Cured of Lambs After 15 Years of Suffering

"I had been troubled with lambs back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gillam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by Wooten's Drug Store, Greenville.

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissue and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia cure digests what you eat, cleanses and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. Sold at Wooten's Drug Store.

When troubled with constipation try Chamberlain's Stomach and Liver Tablets. They are easy to take and produce no griping or other unpleasant effect. For sale by Wooten's Drug Store Greenville.
